Welcome to the
GARDEN OF THE NAMES OF ALLAH.

We need Allah to attach to Him,
to take care of us, and to have mercy on us.

In this book we will learn about the Name of Allah
"AR RAHEEM".

WHAT IS THE
DIFFERENCE BETWEEN
ALLAH AR RAHMAN
AND AR RAHEEM?

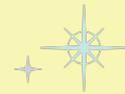

Both Names are related to mercy.

ALLAH AR RAHMAN

is the Owner of Vast Who who shows mercy to all – the believers, disbelievers and animals.

BUT ALLAH AR RAHEEM

shows special mercy to the believers.

Allah Ar Raheem always shows mercy to the believers by taking care of them, giving them food and guiding them.

The more we know about Allah, the more we will ask Him and no one else.

Imagine you're in class and the teacher shows mercy to all the students by teaching them, but there's a special mercy, *how?*

From all the students, there are some who always listen to the teacher and do their work, so she shows them more mercy by teaching them more and is happy when she sees them.

Now imagine there are many people in this world, but not everyone believes in Allah and listens to Him. Allah shows mercy to everyone, but for those who believe in Him and love Him,
HE WILL SHOW THEM A SPECIAL MERCY.

WHAT IS
SPECIAL MERCY
TO THE BELIEVERS?

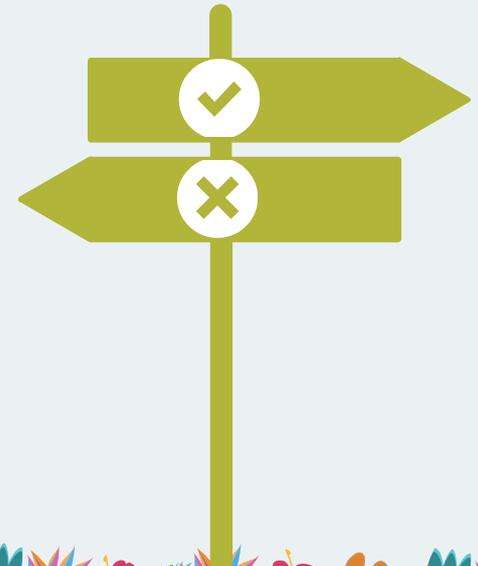

ALLAH SENDS MESSENGERS
to the believers who are a good example.
This is from the special mercy of Allah.

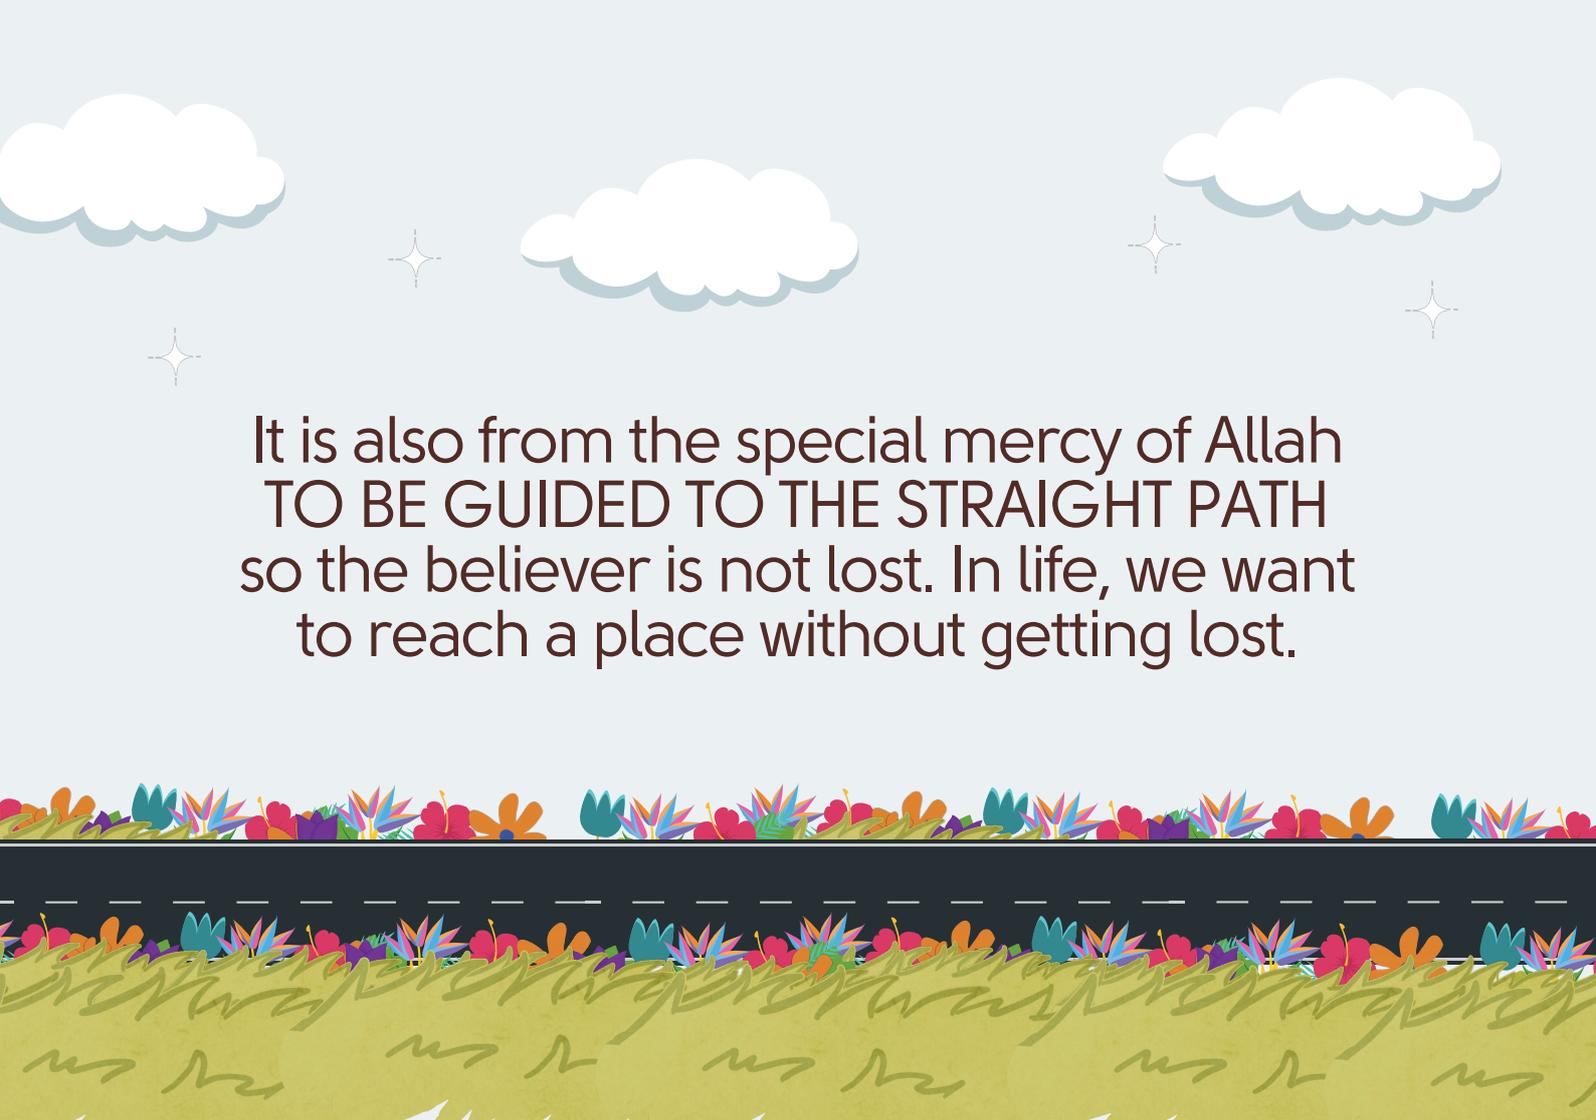

ALLAH BRINGS DOWN THE QUR'AN
to us and that is a special mercy.
And when we believe in the Qur'an,
it is mercy for us so that
we do our best.

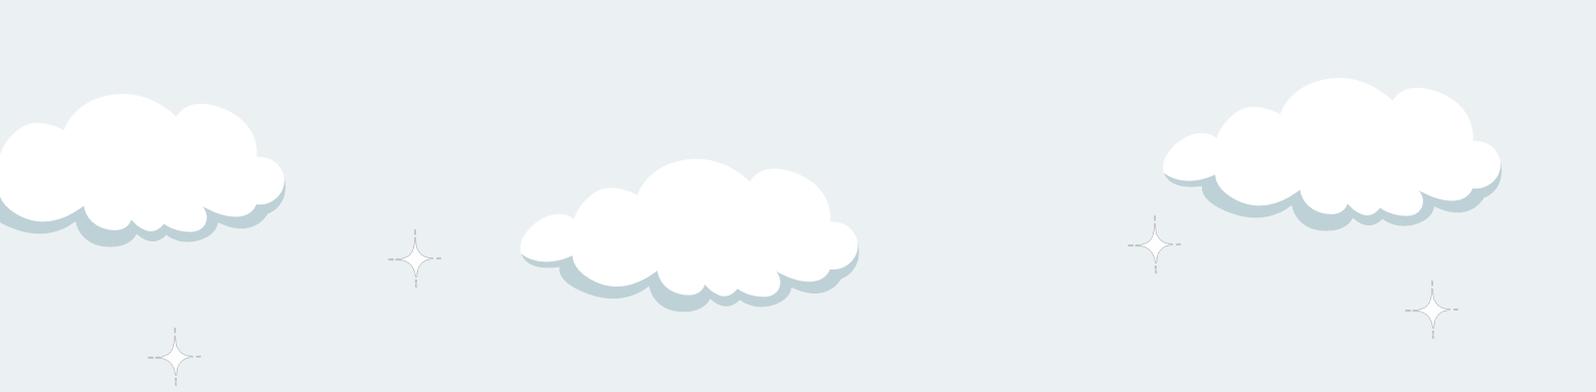

So it's from the special mercy of Allah to send messengers so that we have role models and the Qur'an so that we are not lost.

It is also from the special mercy of Allah
TO BE GUIDED TO THE STRAIGHT PATH
so the believer is not lost. In life, we want
to reach a place without getting lost.

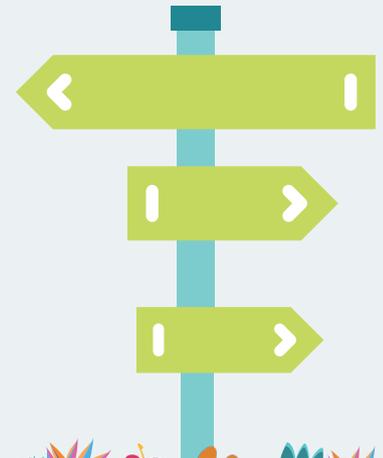

Allah Ar Raheem has special mercy on the believers by guiding them to the Straight Path. He will guide them in the right time to exactly what they need.

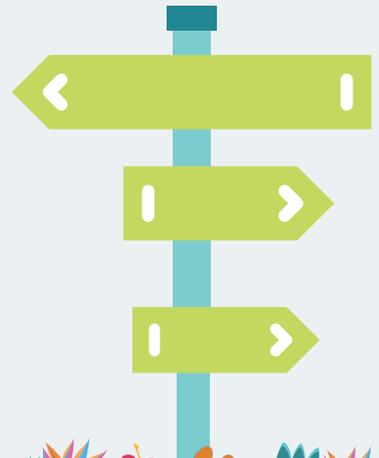

The bottom of the page features a decorative border. It consists of a row of colorful flowers in shades of blue, pink, orange, and purple. Below the flowers is a dark grey road with a white dashed line down the center. The road is set on a light green, textured ground.

Allah will guide the believers to pray,
to read the Qur'an and to learn.

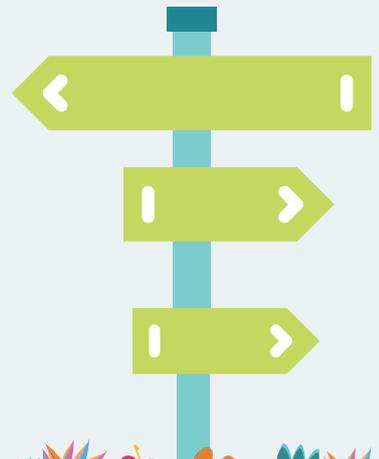

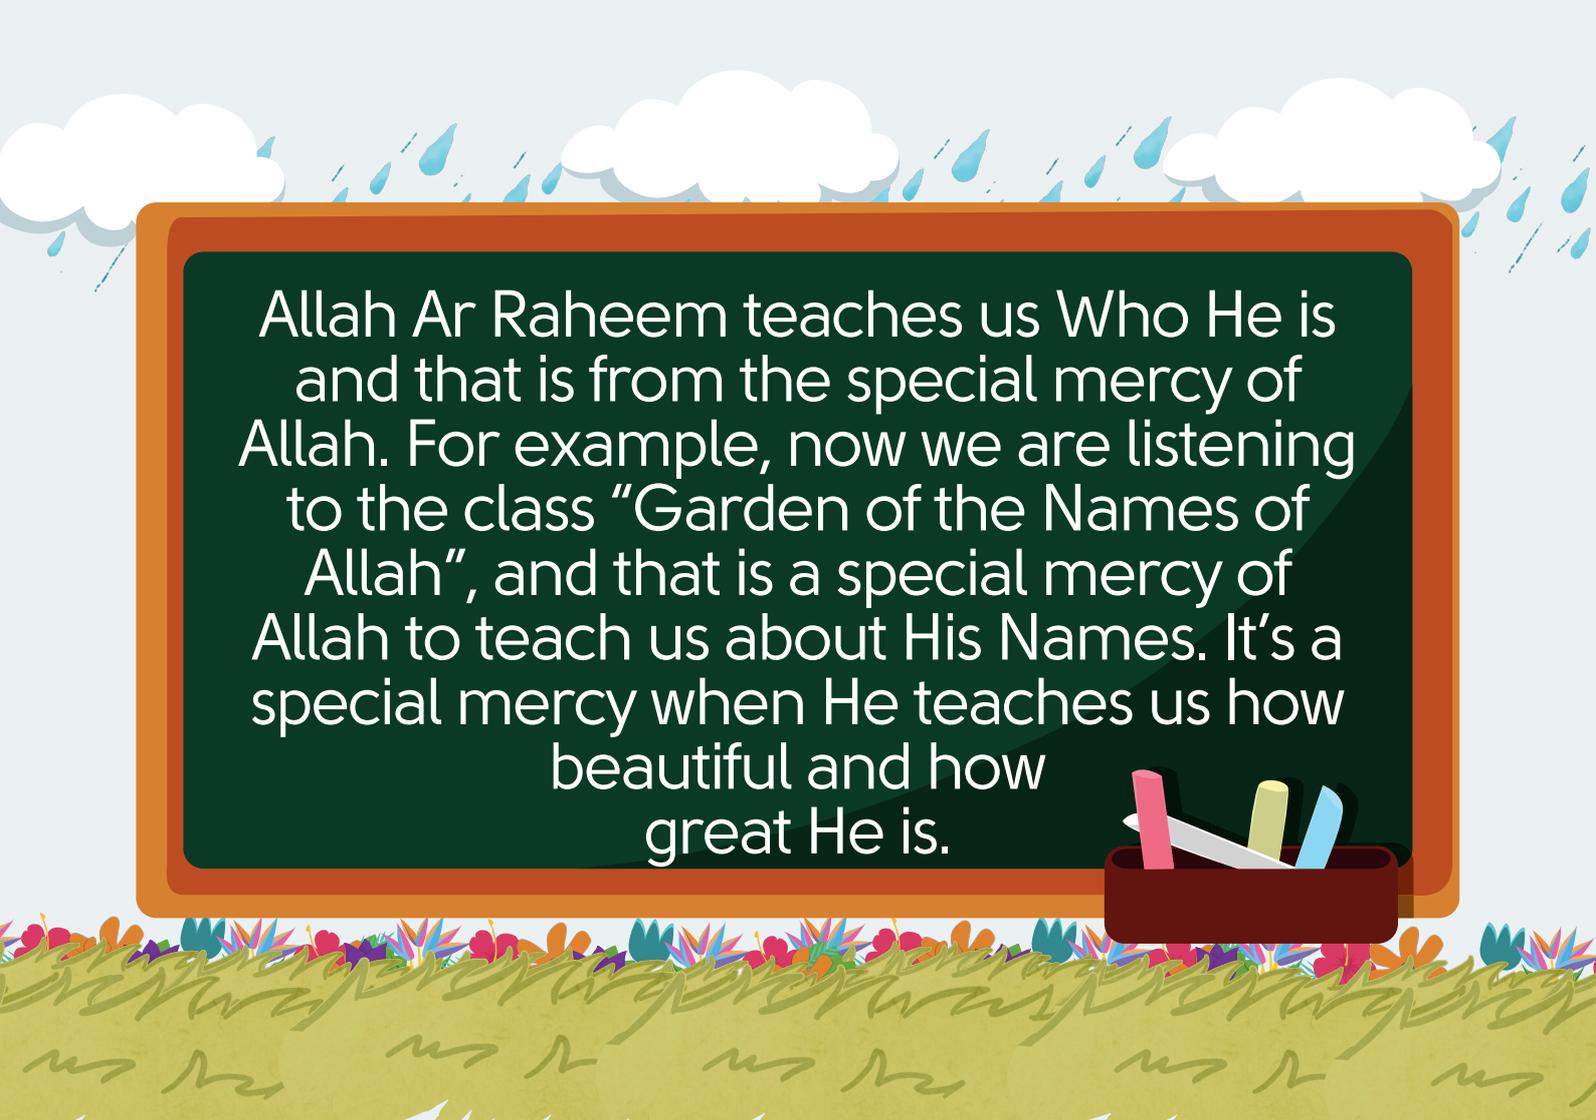

When Allah guides us then
it means we will never be lost.

The more we believe in Allah,
the more He will show us from
His special mercy.

Allah Ar Raheem teaches us Who He is and that is from the special mercy of Allah. For example, now we are listening to the class "Garden of the Names of Allah", and that is a special mercy of Allah to teach us about His Names. It's a special mercy when He teaches us how beautiful and how great He is.

Allah Ar Raheem guides us to what is good for us. Sometimes we place a pencil in our bag or some money not knowing that we will end up needing it later. Or sometimes we go out and we say, "let me grab a bottle of water", and when we leave, we see that we really needed that water.

Or sometimes we're about to go out, and we place an extra napkin and sanitizer with us, and someone in school needs it. So it's from Allah's special mercy to benefit others. This means He will open doors of goodness for us.

From Allah's special mercy is to keep us away from bad things. We might not know something might harm us so Allah keeps it away from us.

Sometimes there are people who want evil for us, and we don't know about it, but Allah knows and He pushes them away. And anyone who is good for us, then Allah will bring them near to us.

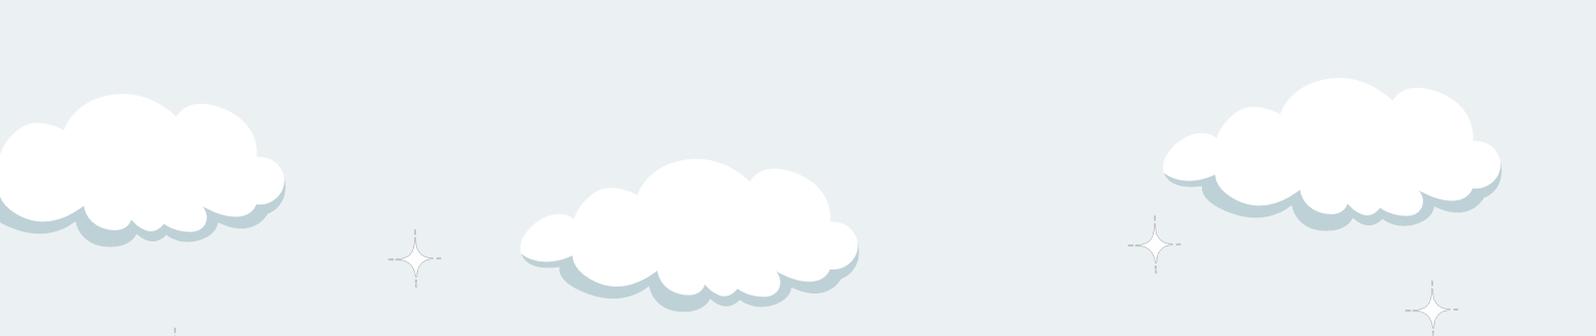

From Allah's special mercy
is to make us happy and not
see something disturbing.

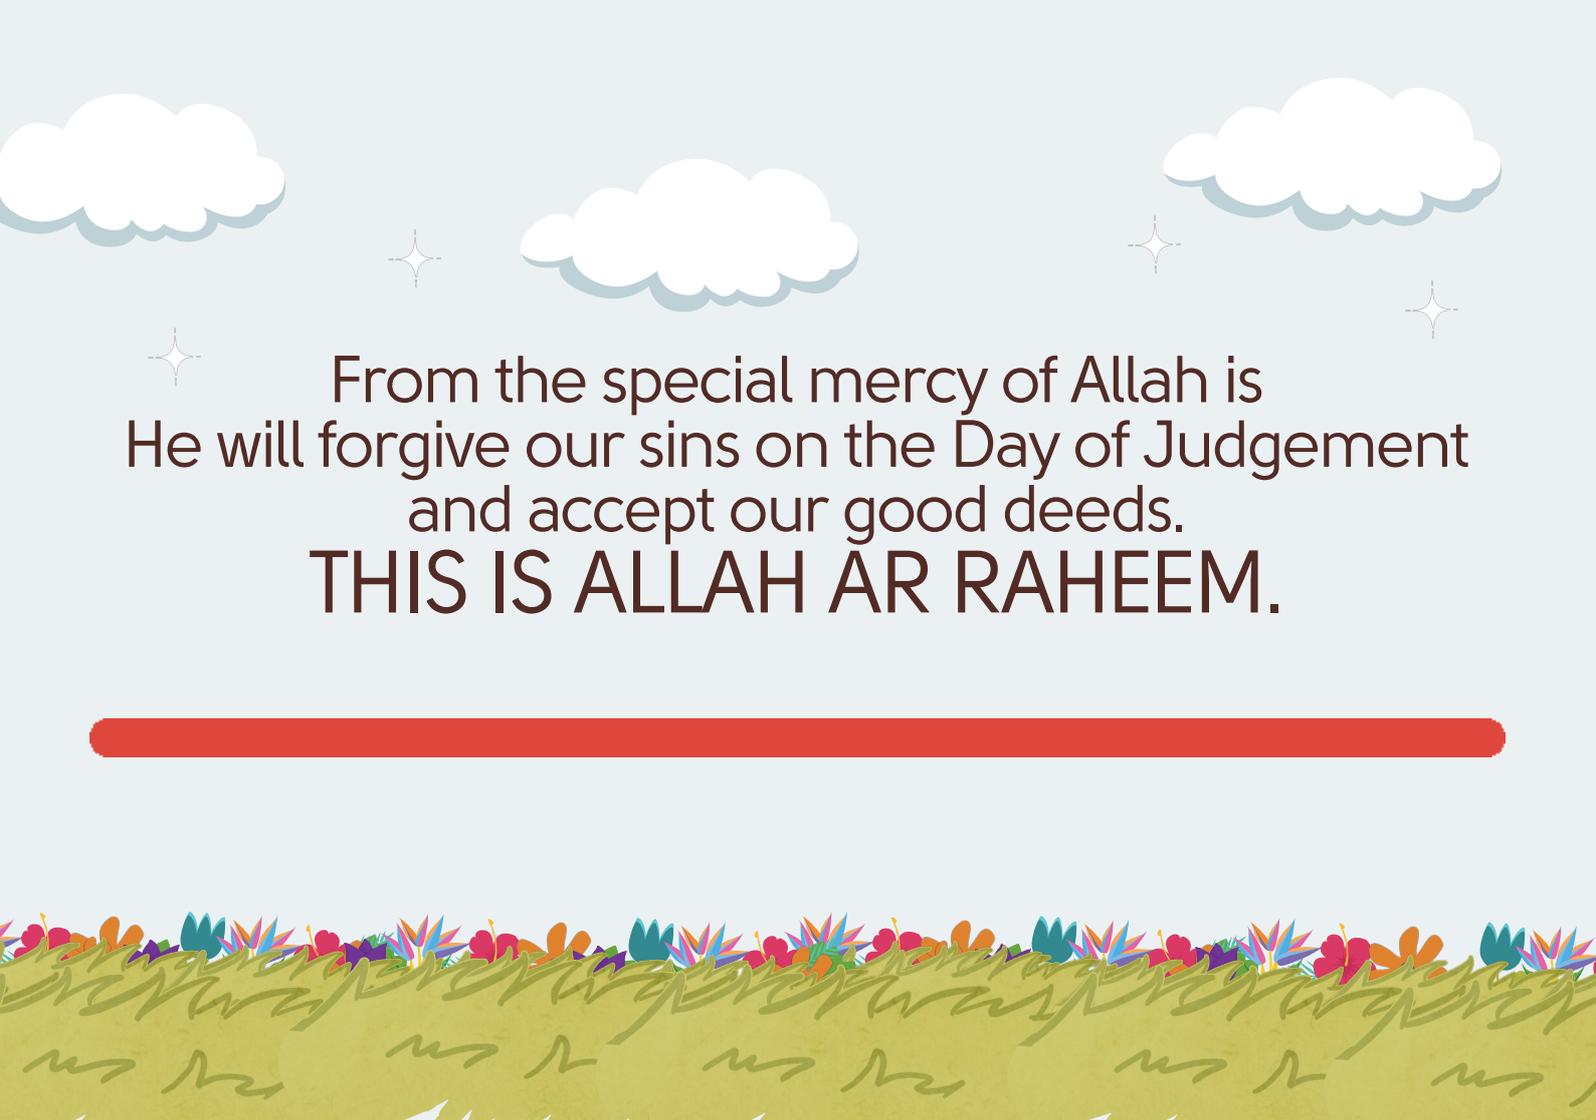

Notice how Allah deals in a very special way towards the believers. Even the food they eat and the water they drink is so nice and delicious.

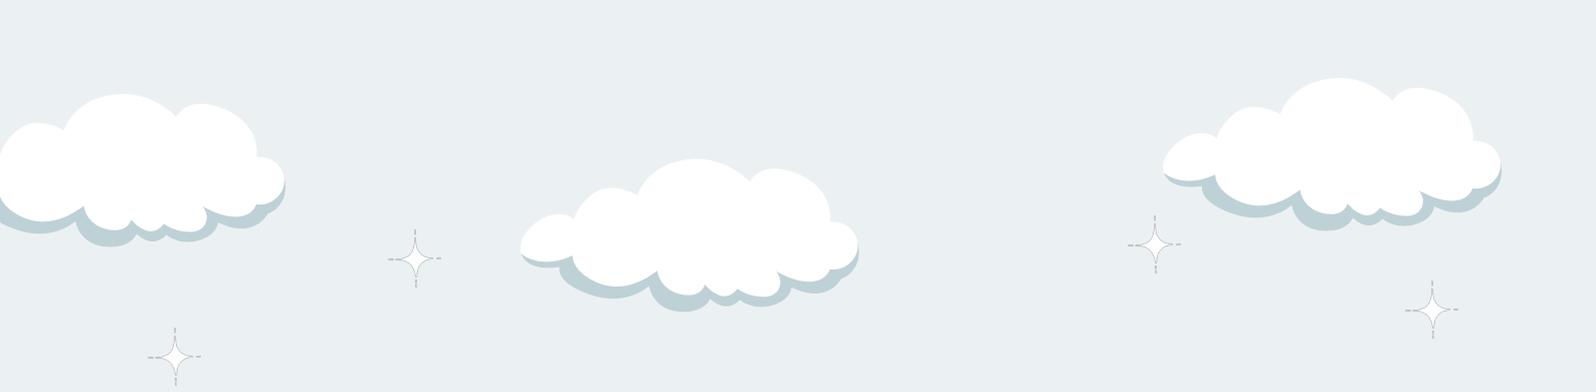

✦ And from the special mercy of Allah towards the believers is that they will not be afraid or sad on the Day of Judgement. There will be scary things happening on that Day, but from the special mercy of Allah, He will make them secure, so they will not be afraid or sad.

From the special mercy of Allah is
He will forgive our sins on the Day of Judgement
and accept our good deeds.
THIS IS ALLAH AR RAHEEM.

The background features three white, fluffy clouds with soft blue shadows. Interspersed among the clouds are five four-pointed white stars. The overall scene is set against a light blue sky.

From the special mercy of Allah is for
the believers to enter jennah.

And the greatest special mercy of Allah is to
see the His Beautiful Face in jannah.

We ask Allah from His favor. Ameen.

WHEN WE BELIEVE IN
ALLAH AR RAHEEM...
WHAT SHOULD WE DO?

We should believe in Allah. The more we believe in Him, the more He will show us special mercy.

Believing in Allah Ar Raheem makes us obey Him, pray, follow the Sunnah of the Prophet (ﷺ) and listen to the Qur'an. The more we listen to the Qur'an, the more Allah will have mercy on us.

We will seek forgiveness and the more we seek forgiveness, the more Allah will have mercy on us.

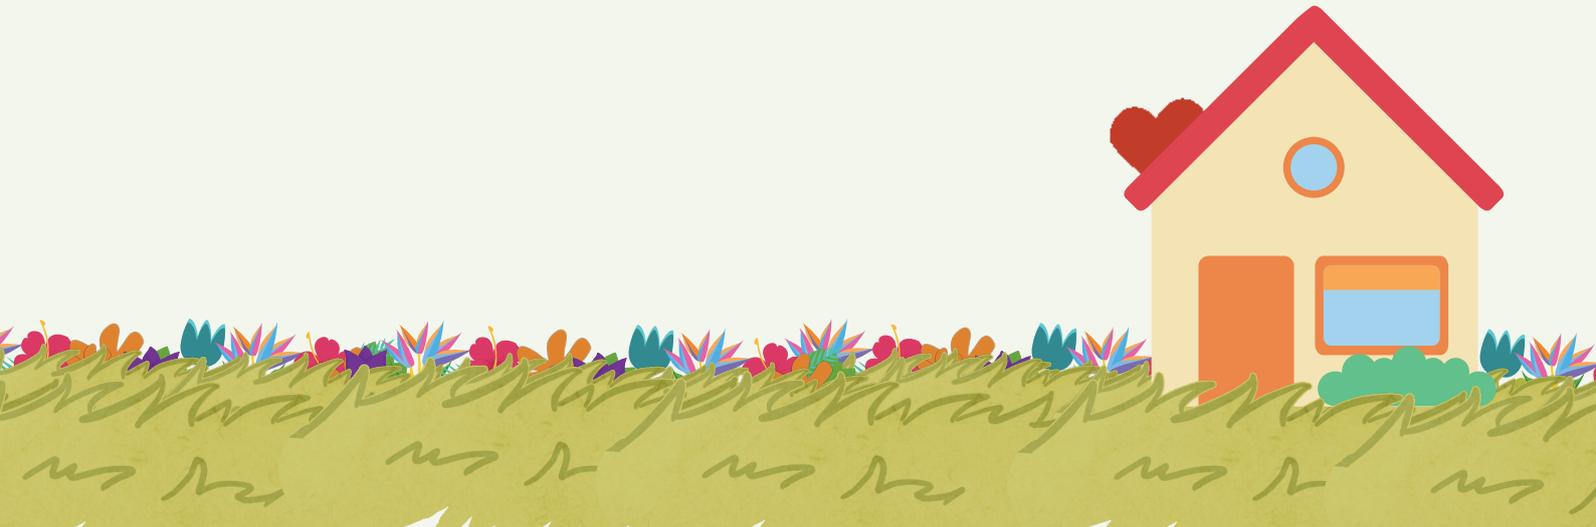

So when we believe, obey Allah, follow the Prophet
(ﷺ), listen to the Qur'an, and seek forgiveness,
THE MORE ALLAH WILL HAVE MERCY ON US.

We should show mercy to others, even to the young and the animals. The more we show mercy to others, the more Allah will have mercy on us.

To summarize, the difference between Allah Ar Rahman and Ar Raheem is that Allah Ar Rahman shows mercy to all, but Allah Ar Raheem shows special mercy to the believers.

May Allah have mercy on us.
Ameen.
