Welcome to the
GARDEN OF
THE NAMES OF ALLAH.
We need every Name
of Allah in our life

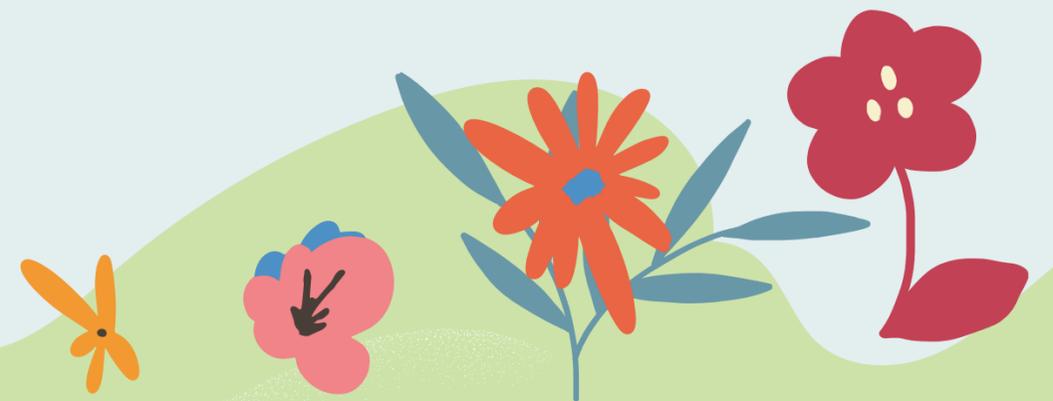

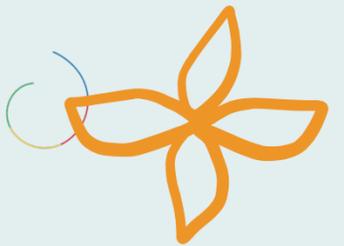

What does
Allah Al Qadeer mean?
It means Allah is able
to do everything.

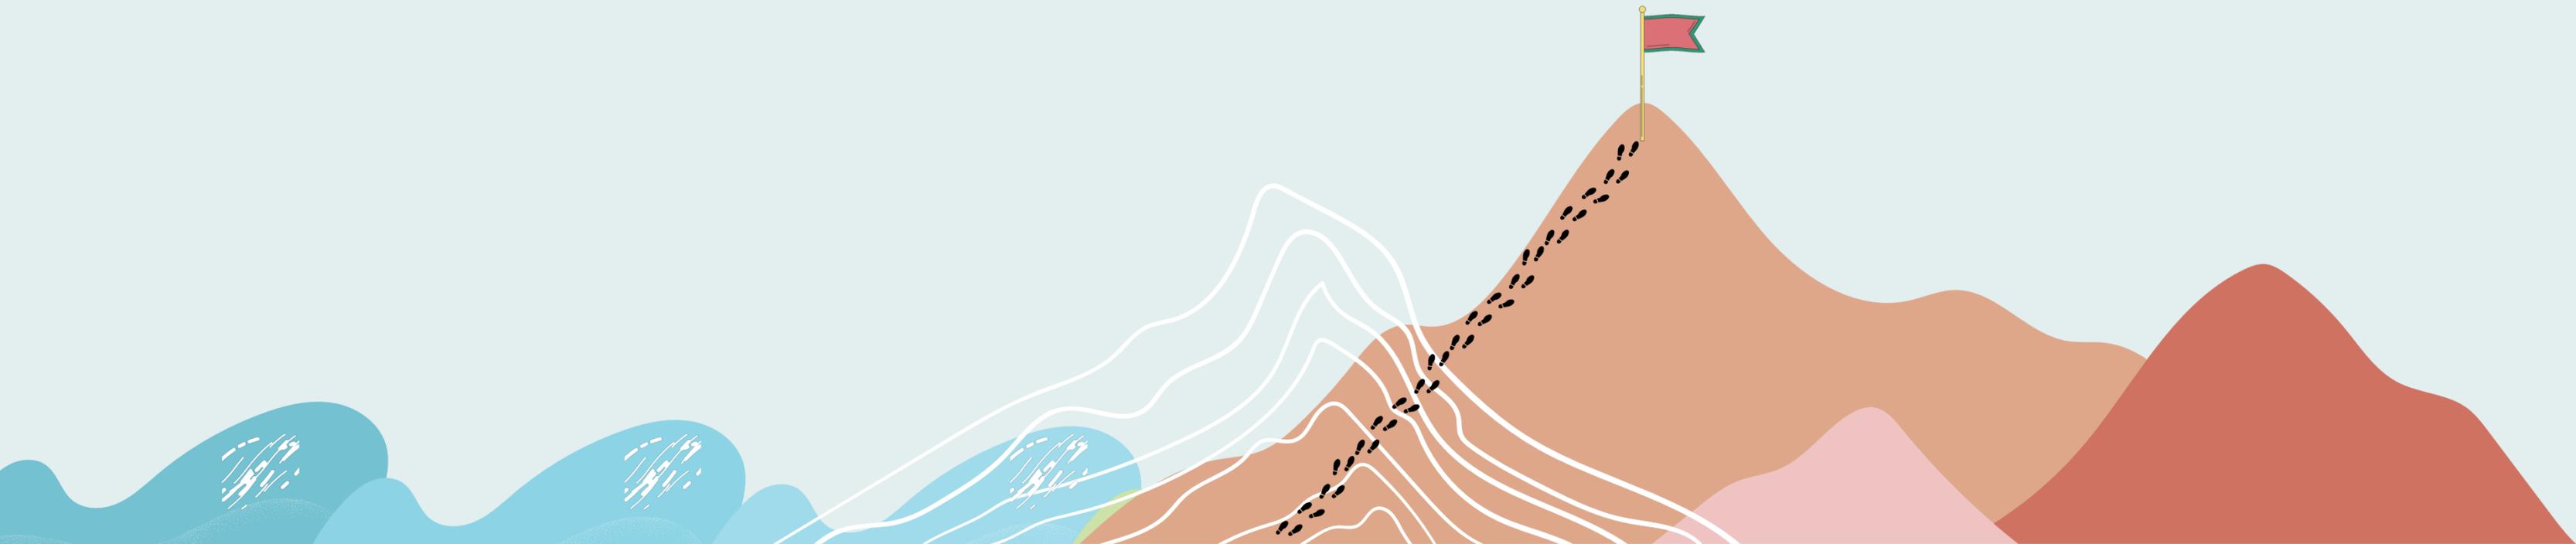

What does ability mean?
For example, we may have the ability to write, read, breathe and understand, and some people do not have the ability to walk or understand. So people have different abilities.

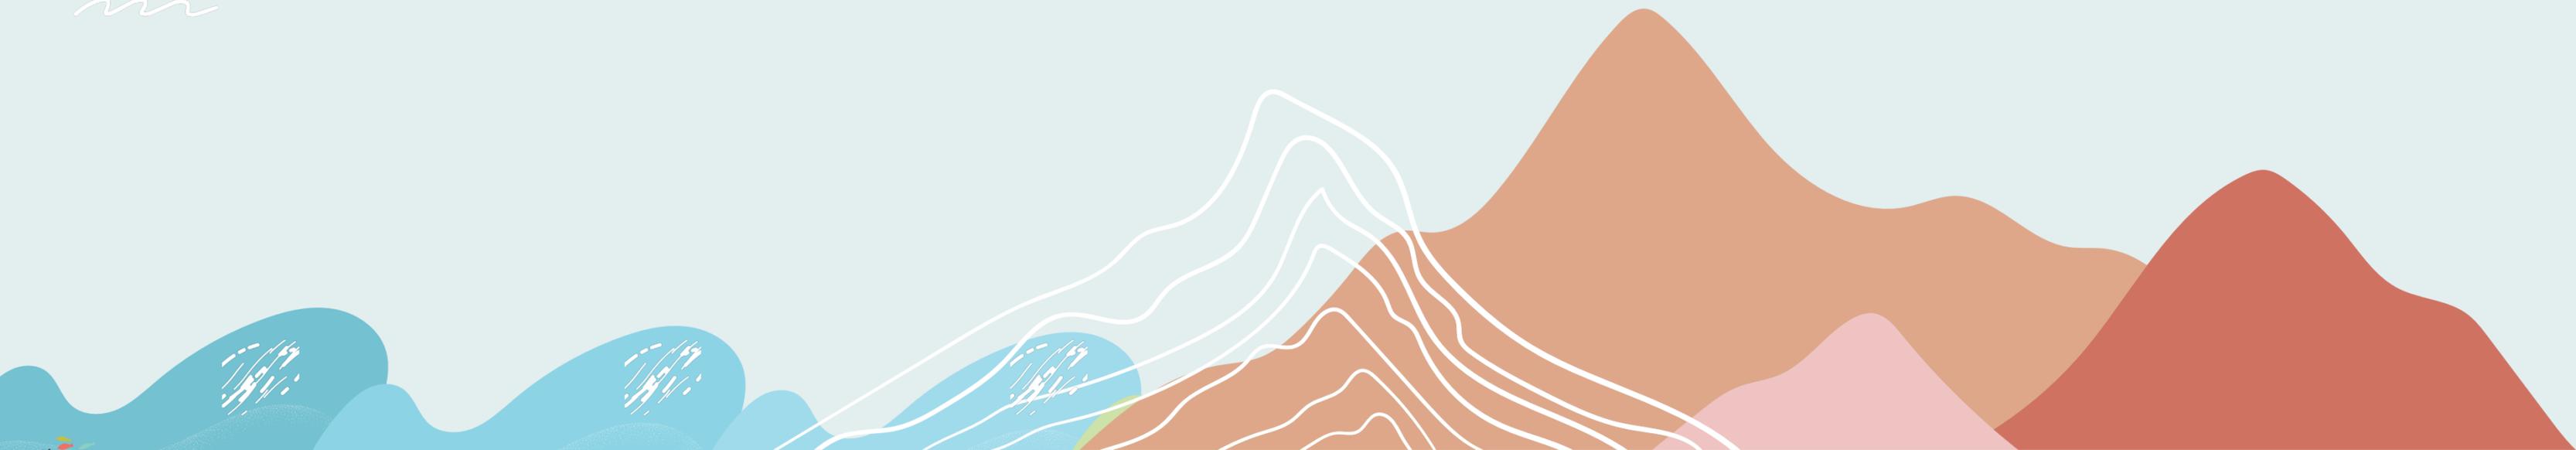

Someone might be able to walk, but not climb a mountain. Some people can dive and some people cannot swim.

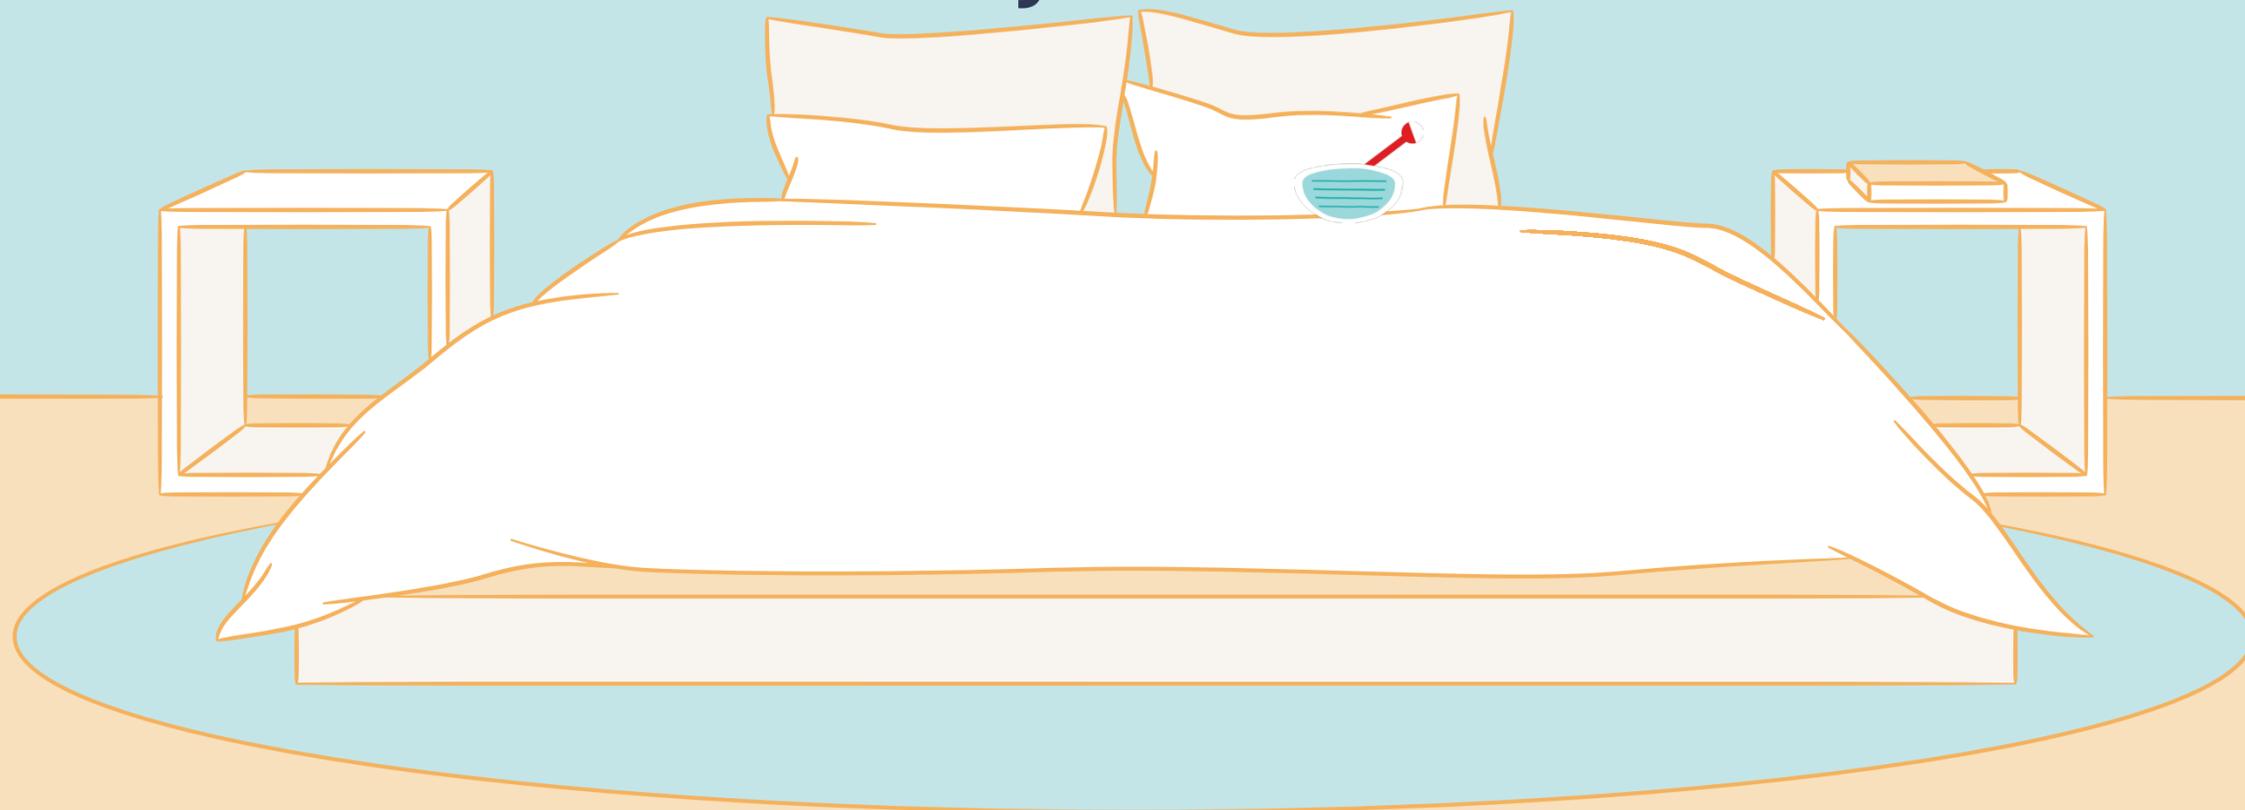

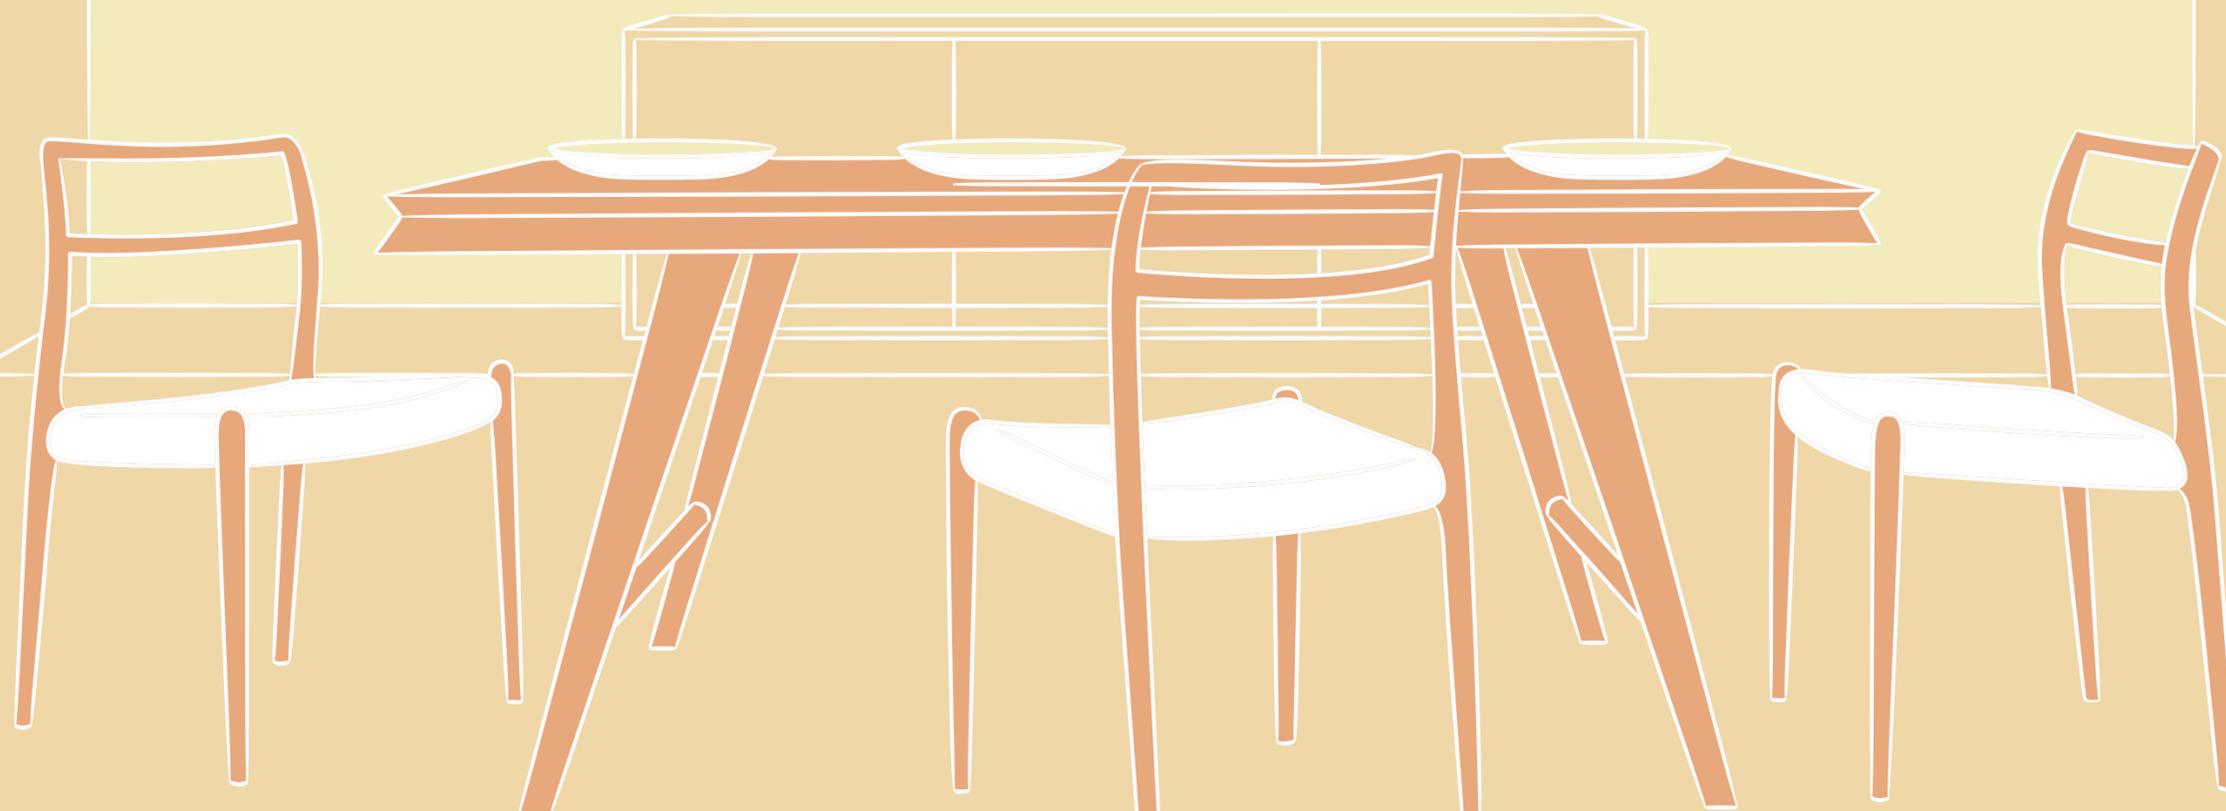

Allah is Al Qadeer and He is able to do anything. He has complete ability. He never gets tired and His ability never ends. There is nothing He is unable to do.

Unlike the human who can run or walk or exercise in the morning, but if they're sick, then they're unable to do it.

Or sometimes we ask someone to do something for us, but they are unable to do it that day since they're busy, but could do it the next day.

Allah is Able to do everything with no limit. He never gets tired, or is unable to do something or does not have the time for it, or is occupied with something else so cannot do it.

Sometimes we don't know how to do something, so we read about it and then know what to do. But Allah does not need to learn in order to do anything. He has complete knowledge and complete ability.

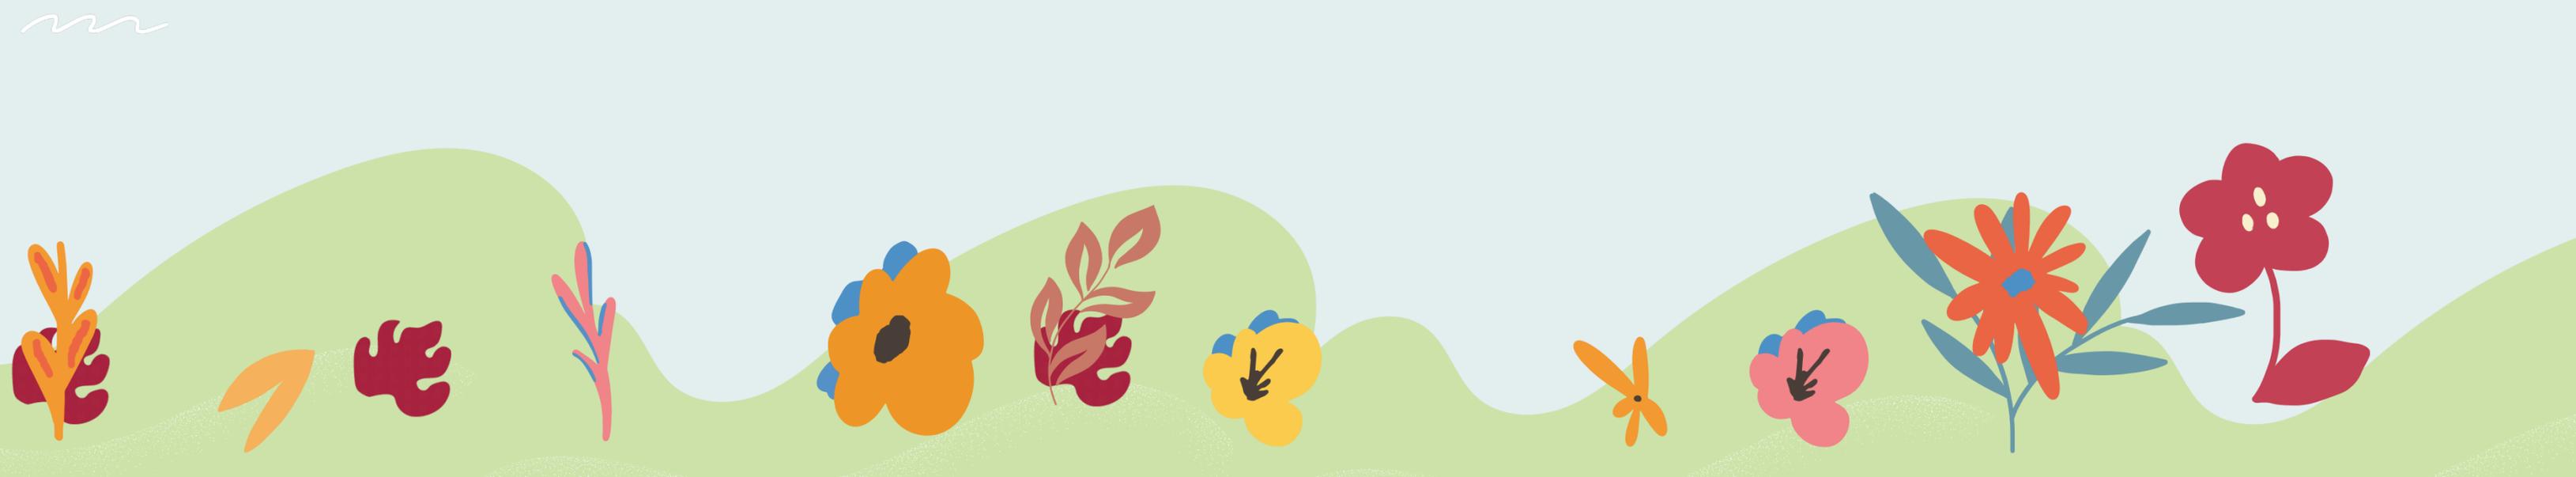

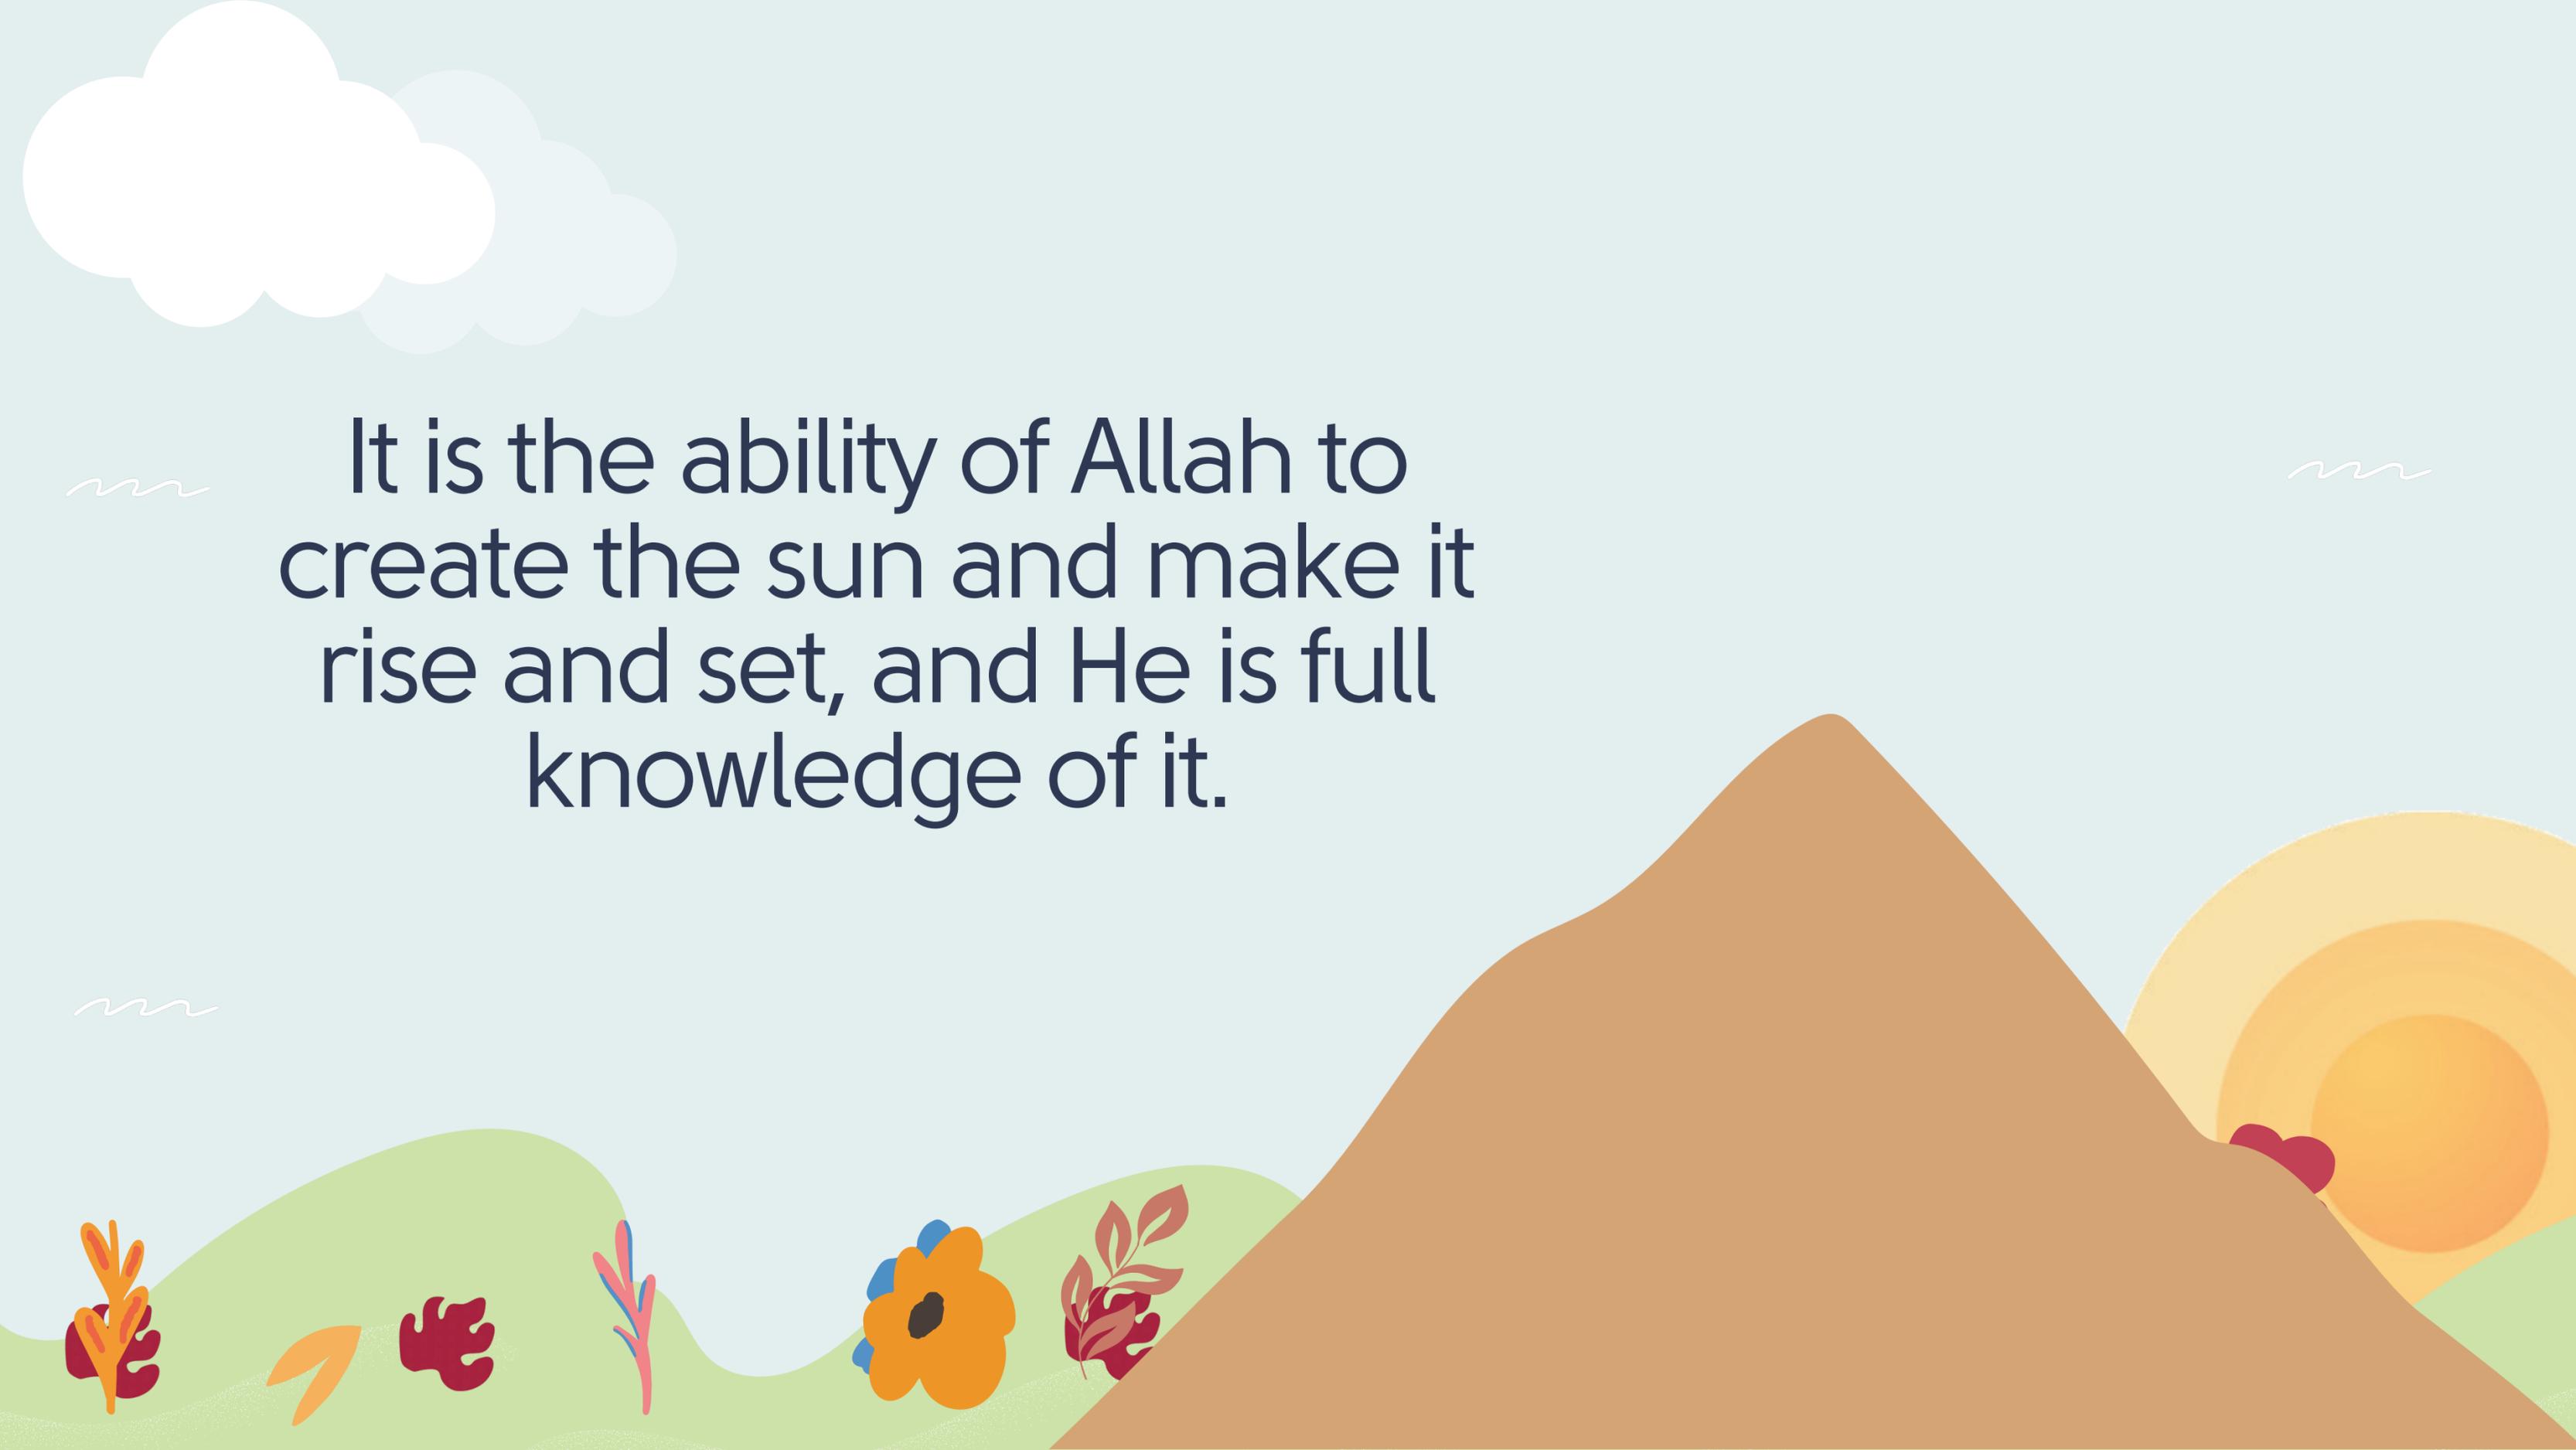

Allah is able to create all the creation and He is able to decree all decrees.

Allah is able to bring down
the rain, but He knows when
is the best time.

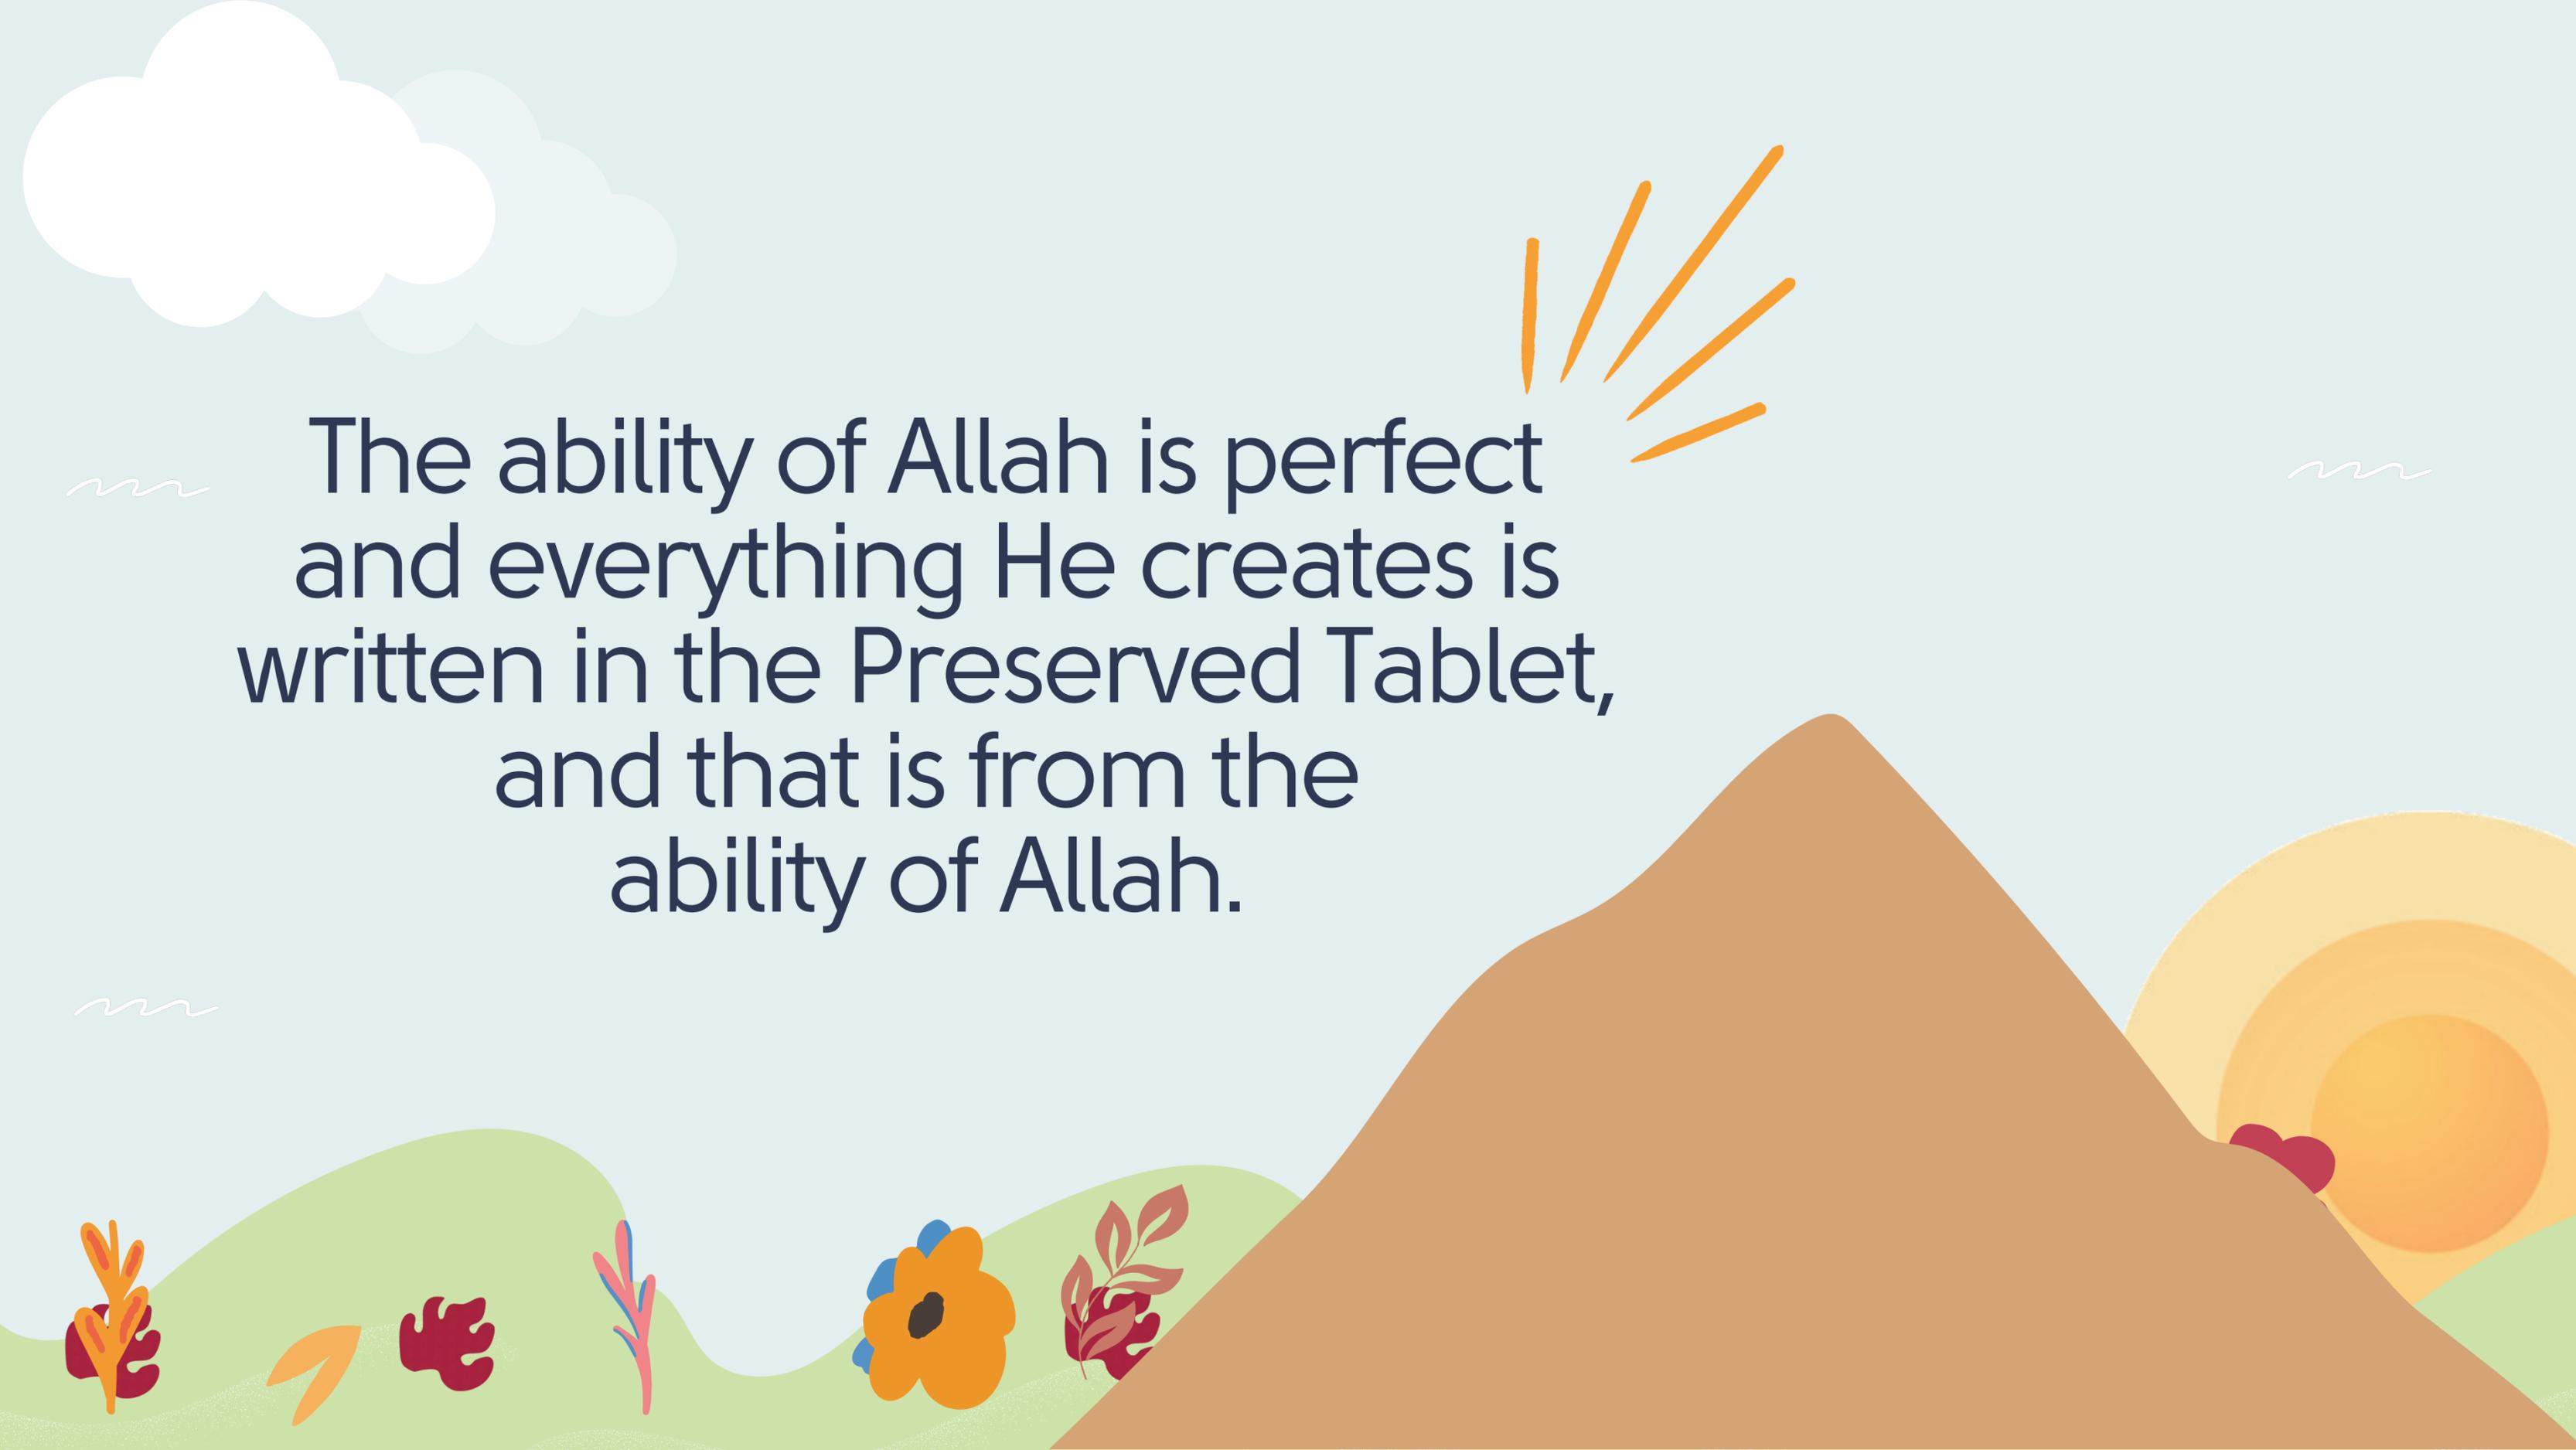

It is the ability of Allah to create the sun and make it rise and set, and He is full knowledge of it.

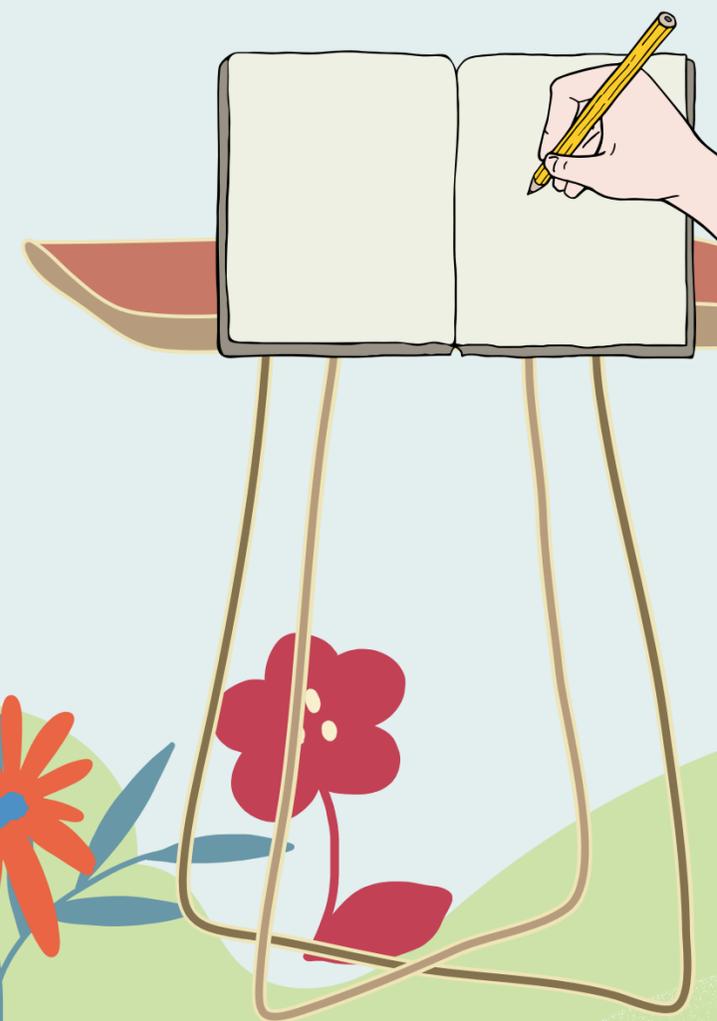

The background features a light blue sky with a white cloud in the top left and a stylized sun with orange rays in the top right. The foreground shows rolling green hills with various colorful plants and flowers, including a large orange flower with a black center. A large brown mountain peak is on the right side, partially obscuring the sun. The text is centered in the upper half of the image.

Allah never forgets and never needs someone to teach Him. He knows about everything He does.

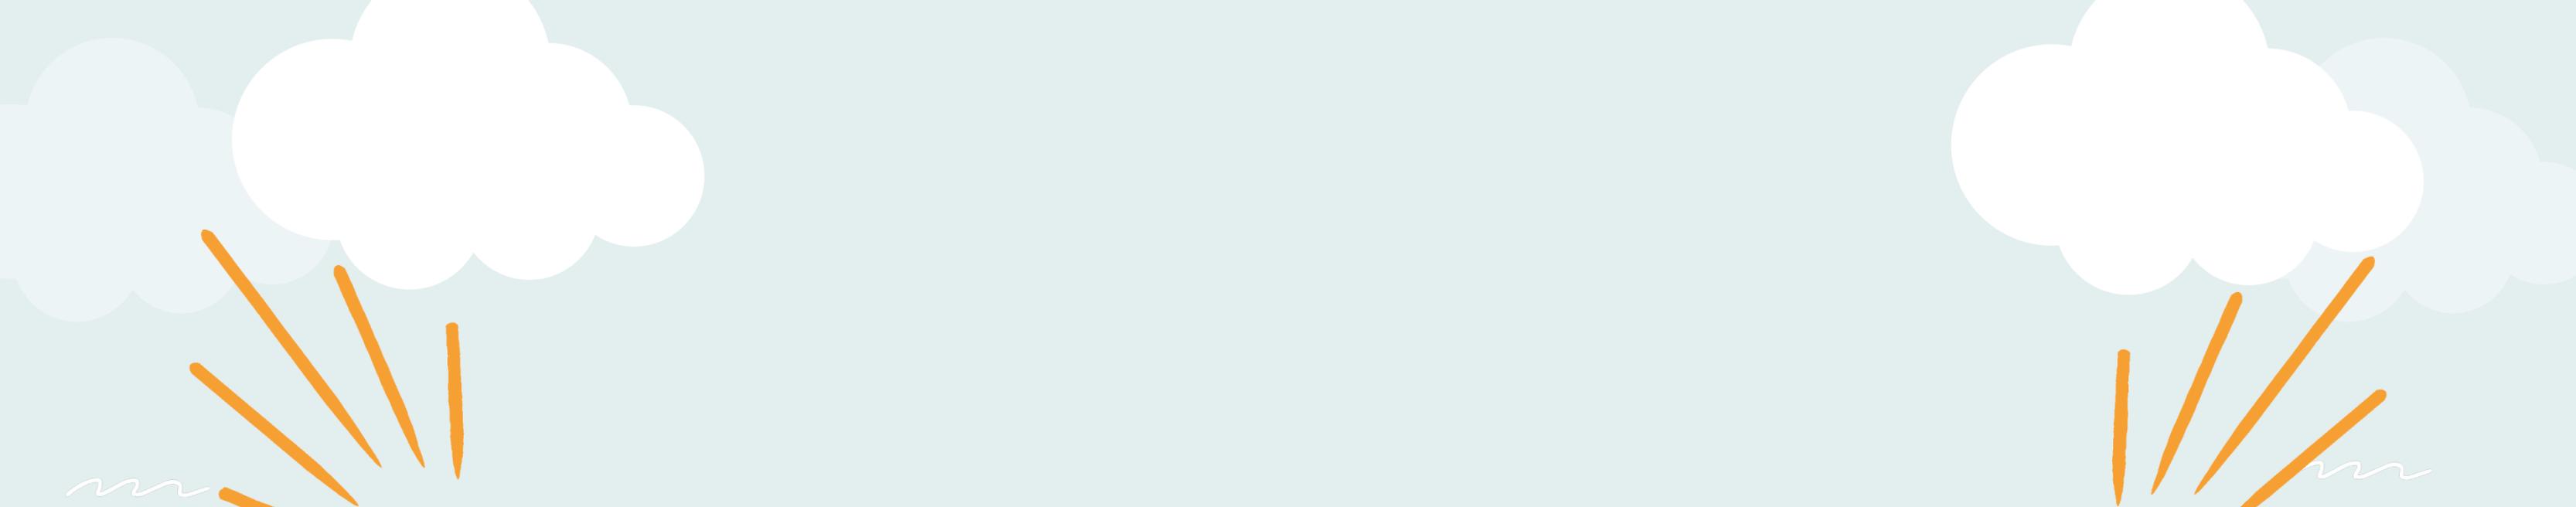

The ability of Allah is perfect and everything He creates is written in the Preserved Tablet, and that is from the ability of Allah.

Imagine we ask someone to do something for us and they write everything about it. And to Allah is the best example, He has written everything in the Preserved Tablet. Everything is written about the people, how they look and all that will happen, and no one can erase it or delete it.

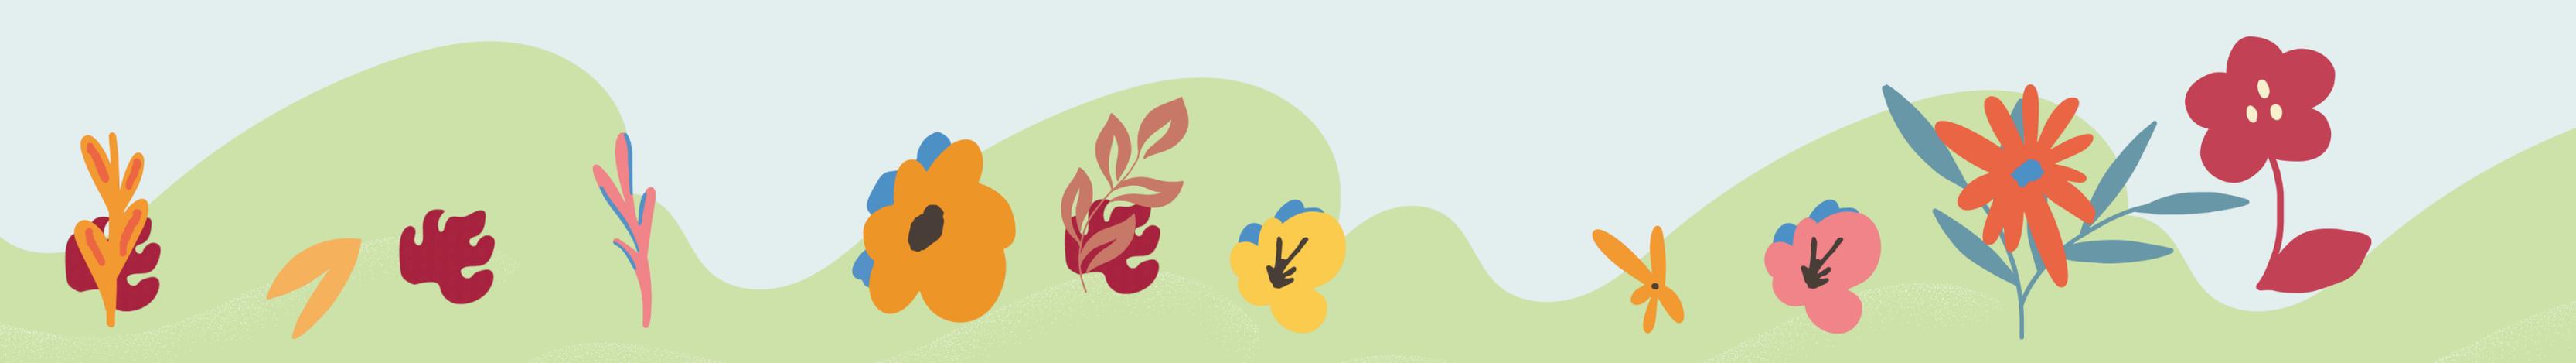

The background is a light blue sky with two large white clouds at the top. Two sets of orange sun rays emanate from behind the text. The bottom of the image features a green, wavy border with various colorful flowers and plants in shades of orange, red, yellow, and blue. There are also small white wavy lines on the left and right sides of the sky.

ALLAH IS AL QADEER
and nothing can happen
except by His permission.

If there is something good then He will do it and if there is something not good then He will not do it. Everything happens by His permission, knowledge and wisdom.

When Allah wants to provide someone, Allah is able to give them in one go, but He is The All-Wise. If it is suitable for that person then He will give them.

For example, sometimes we want a certain thing, but it will come to us in the time we need it. Someone will bring it to us and we'll say, "that's exactly what I needed". Allah is All-Knowing and All-Able and He is The Most Wise.

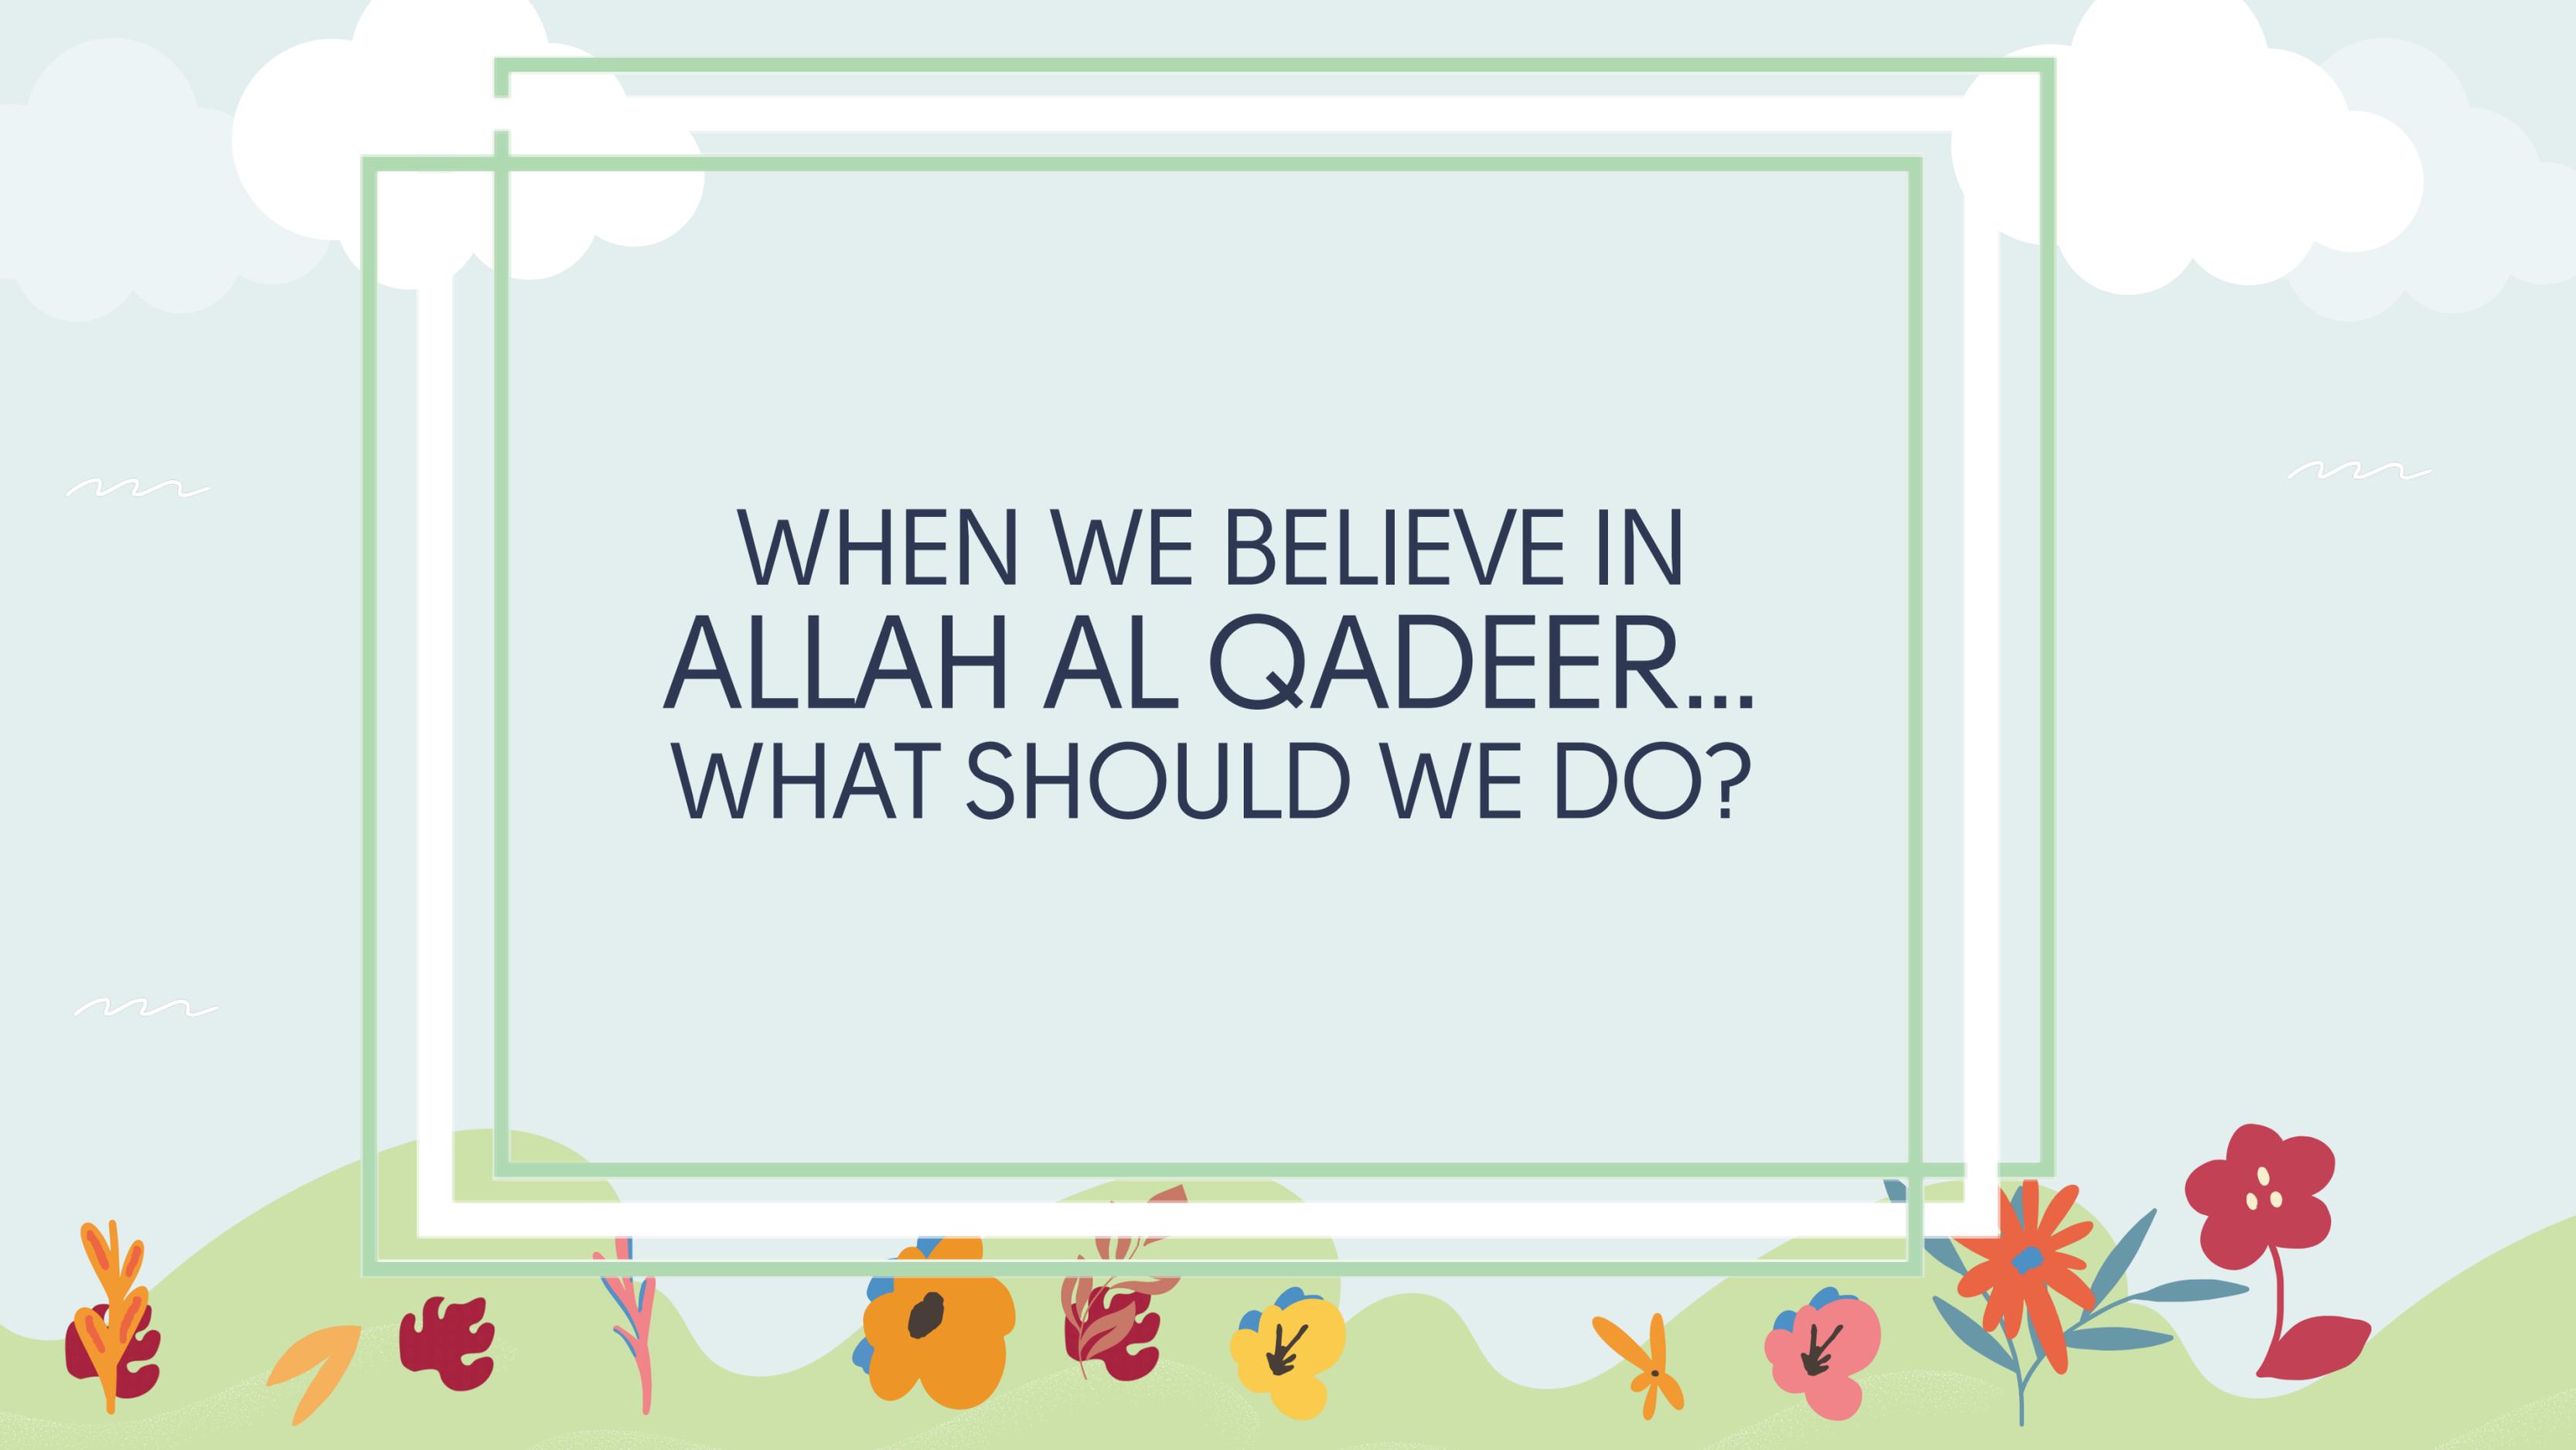

Sometimes we are thinking of something and Allah makes someone else to think to get it for us, though we didn't tell them. This is all from the ability of Allah.

12:00 PM

Allah is All-Able to do everything,
and He is The Most Wise to bring it
to us in the right time.

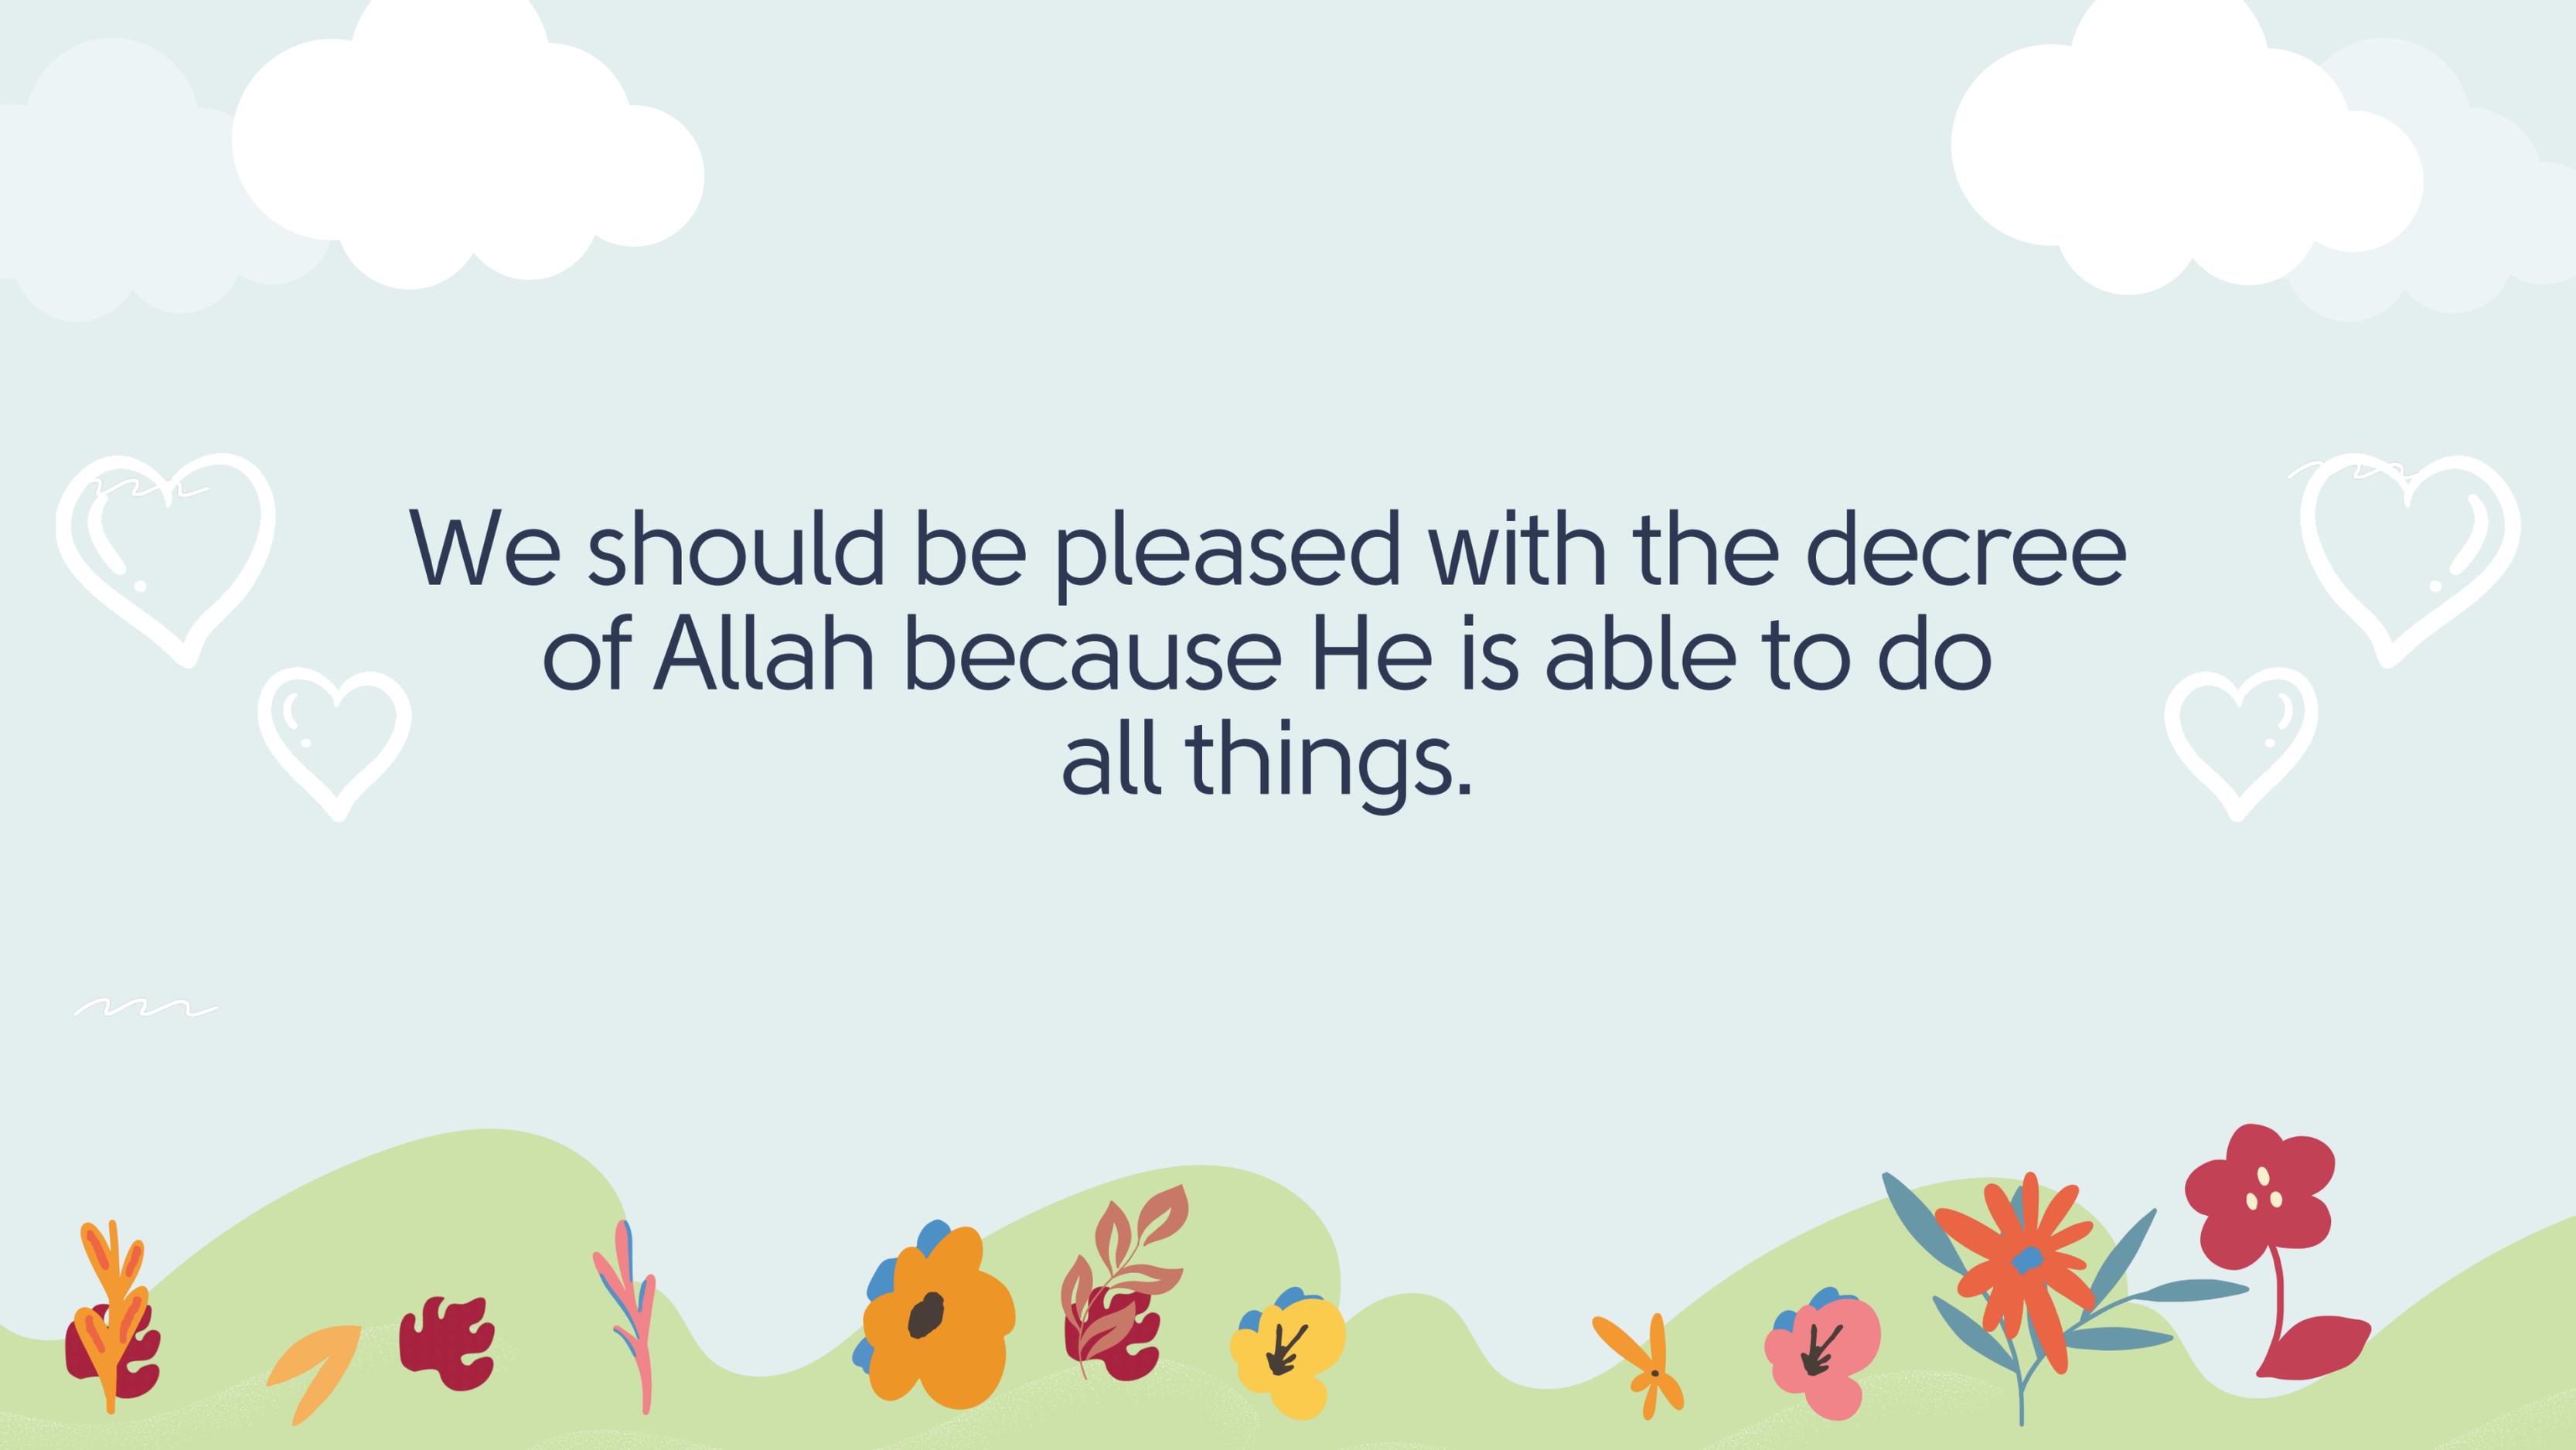

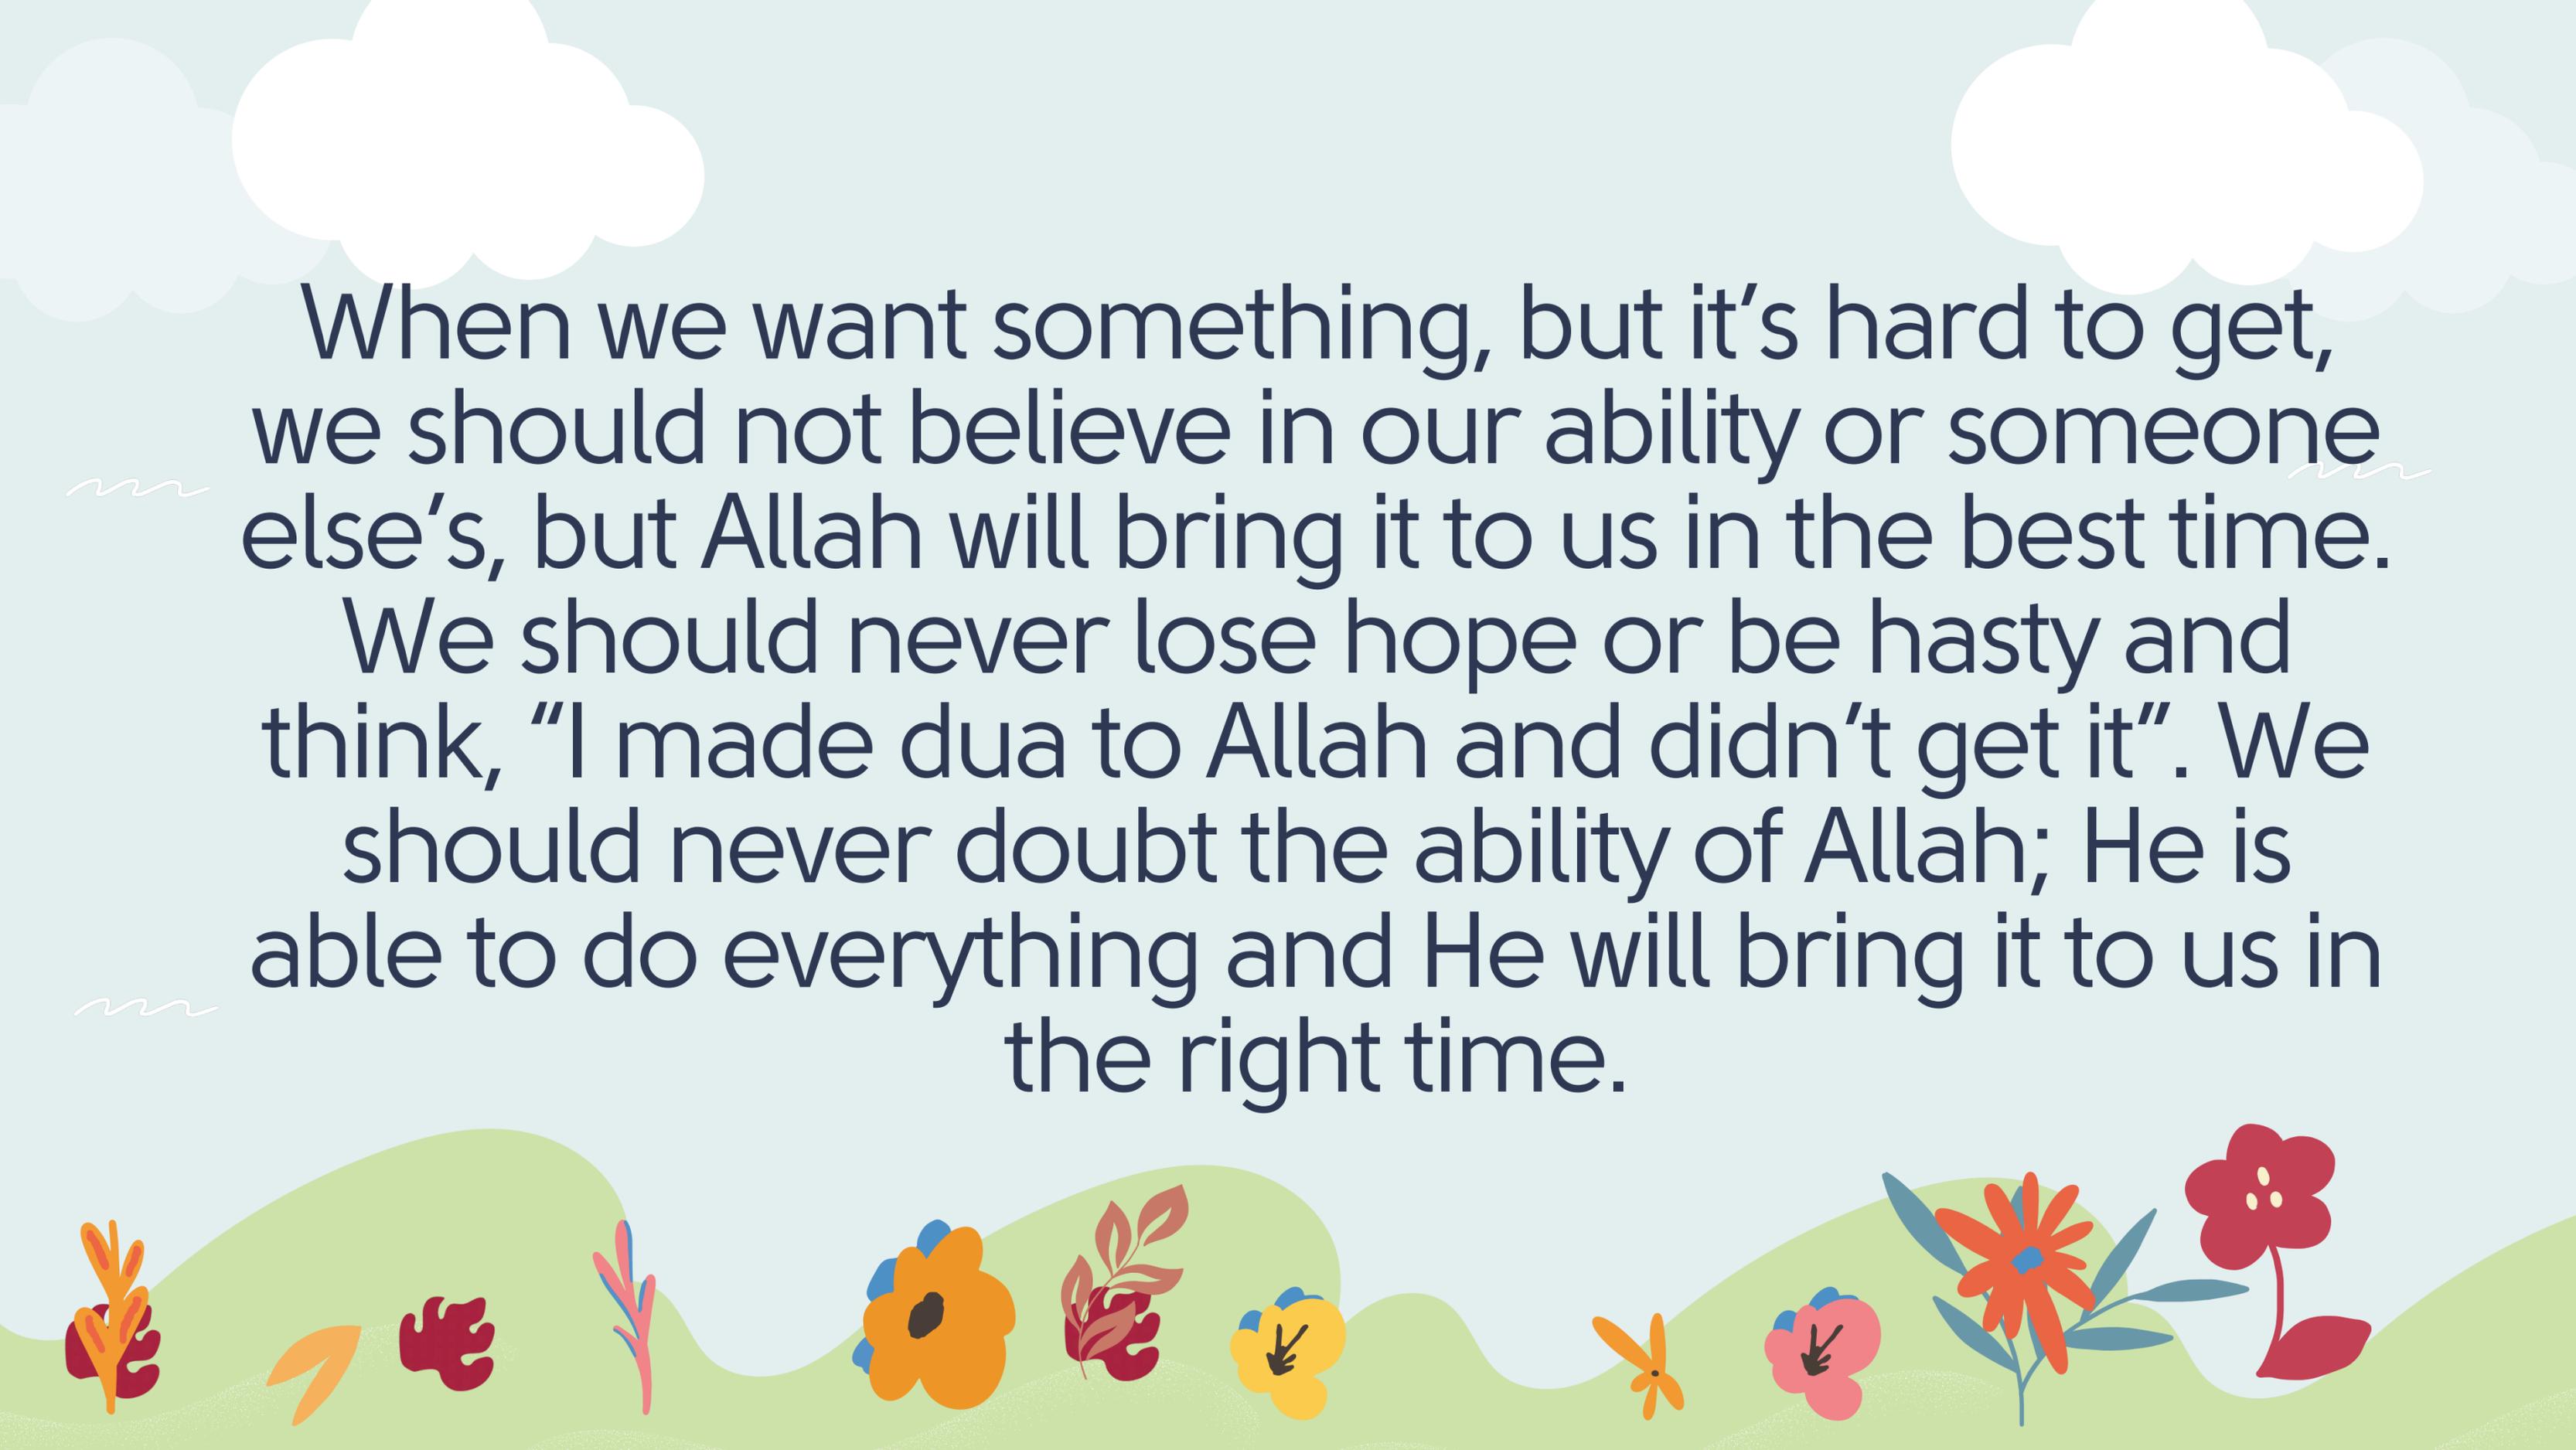

WHEN WE BELIEVE IN
ALLAH AL QADEER...
WHAT SHOULD WE DO?

The background is a light blue sky with two large white clouds at the top. On the left and right sides, there are white heart outlines of varying sizes, some with a small white squiggle above them. At the bottom, there are green rolling hills with various colorful flowers and plants in shades of orange, red, yellow, and blue.

We always think good of Allah
because He is All-Able to do everything.

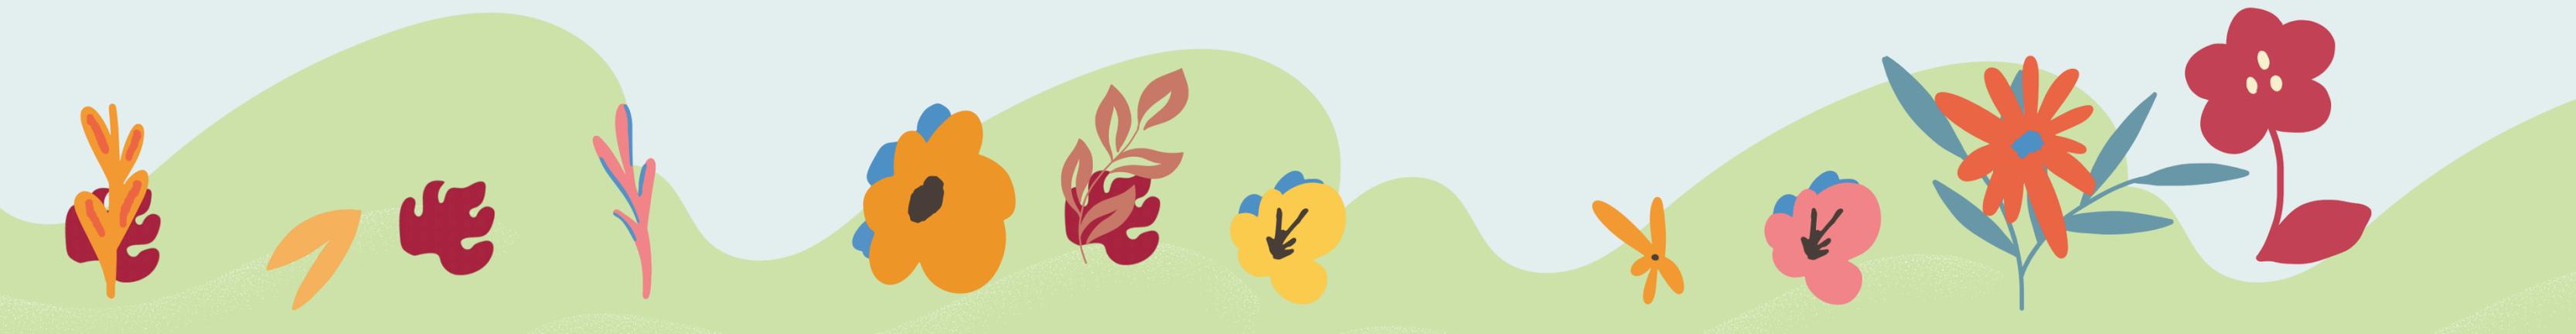

The background is a light blue sky with two large white clouds at the top. On the left and right sides, there are several white heart outlines of varying sizes. At the bottom, there are green rolling hills with various colorful flowers and plants in shades of orange, red, yellow, and pink. A small white squiggle is on the left side of the sky.

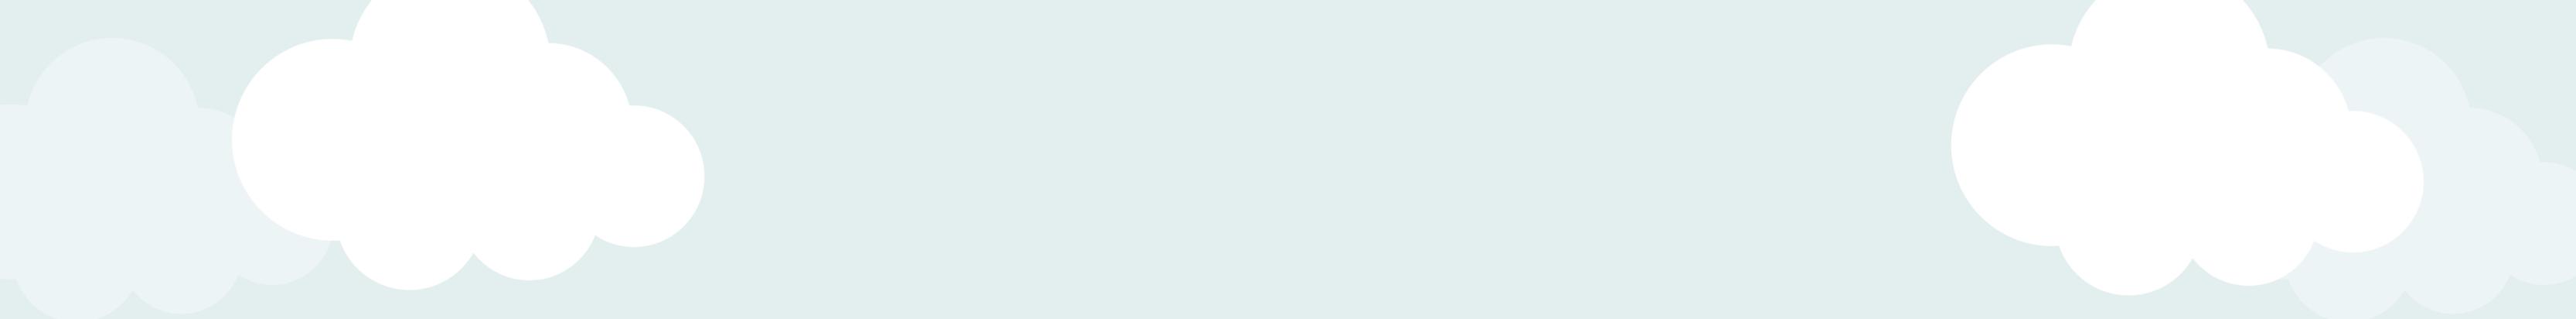

We should be pleased with the decree
of Allah because He is able to do
all things.

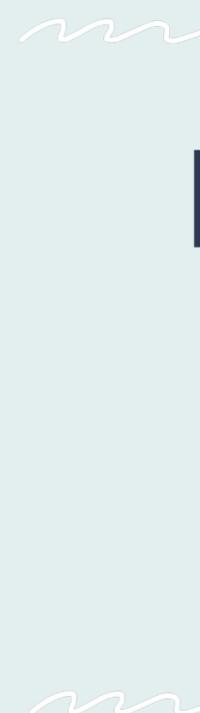

When we want something, but it's hard to get, we should not believe in our ability or someone else's, but Allah will bring it to us in the best time.

We should never lose hope or be hasty and think, "I made dua to Allah and didn't get it". We should never doubt the ability of Allah; He is able to do everything and He will bring it to us in the right time.

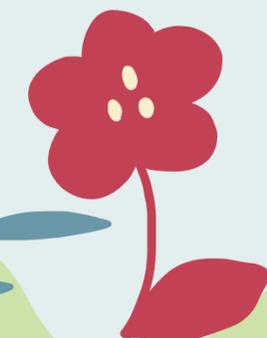

We should always think good of Allah and never believe in the ability of anyone else because that is shirk. We only believe in Allah's ability.

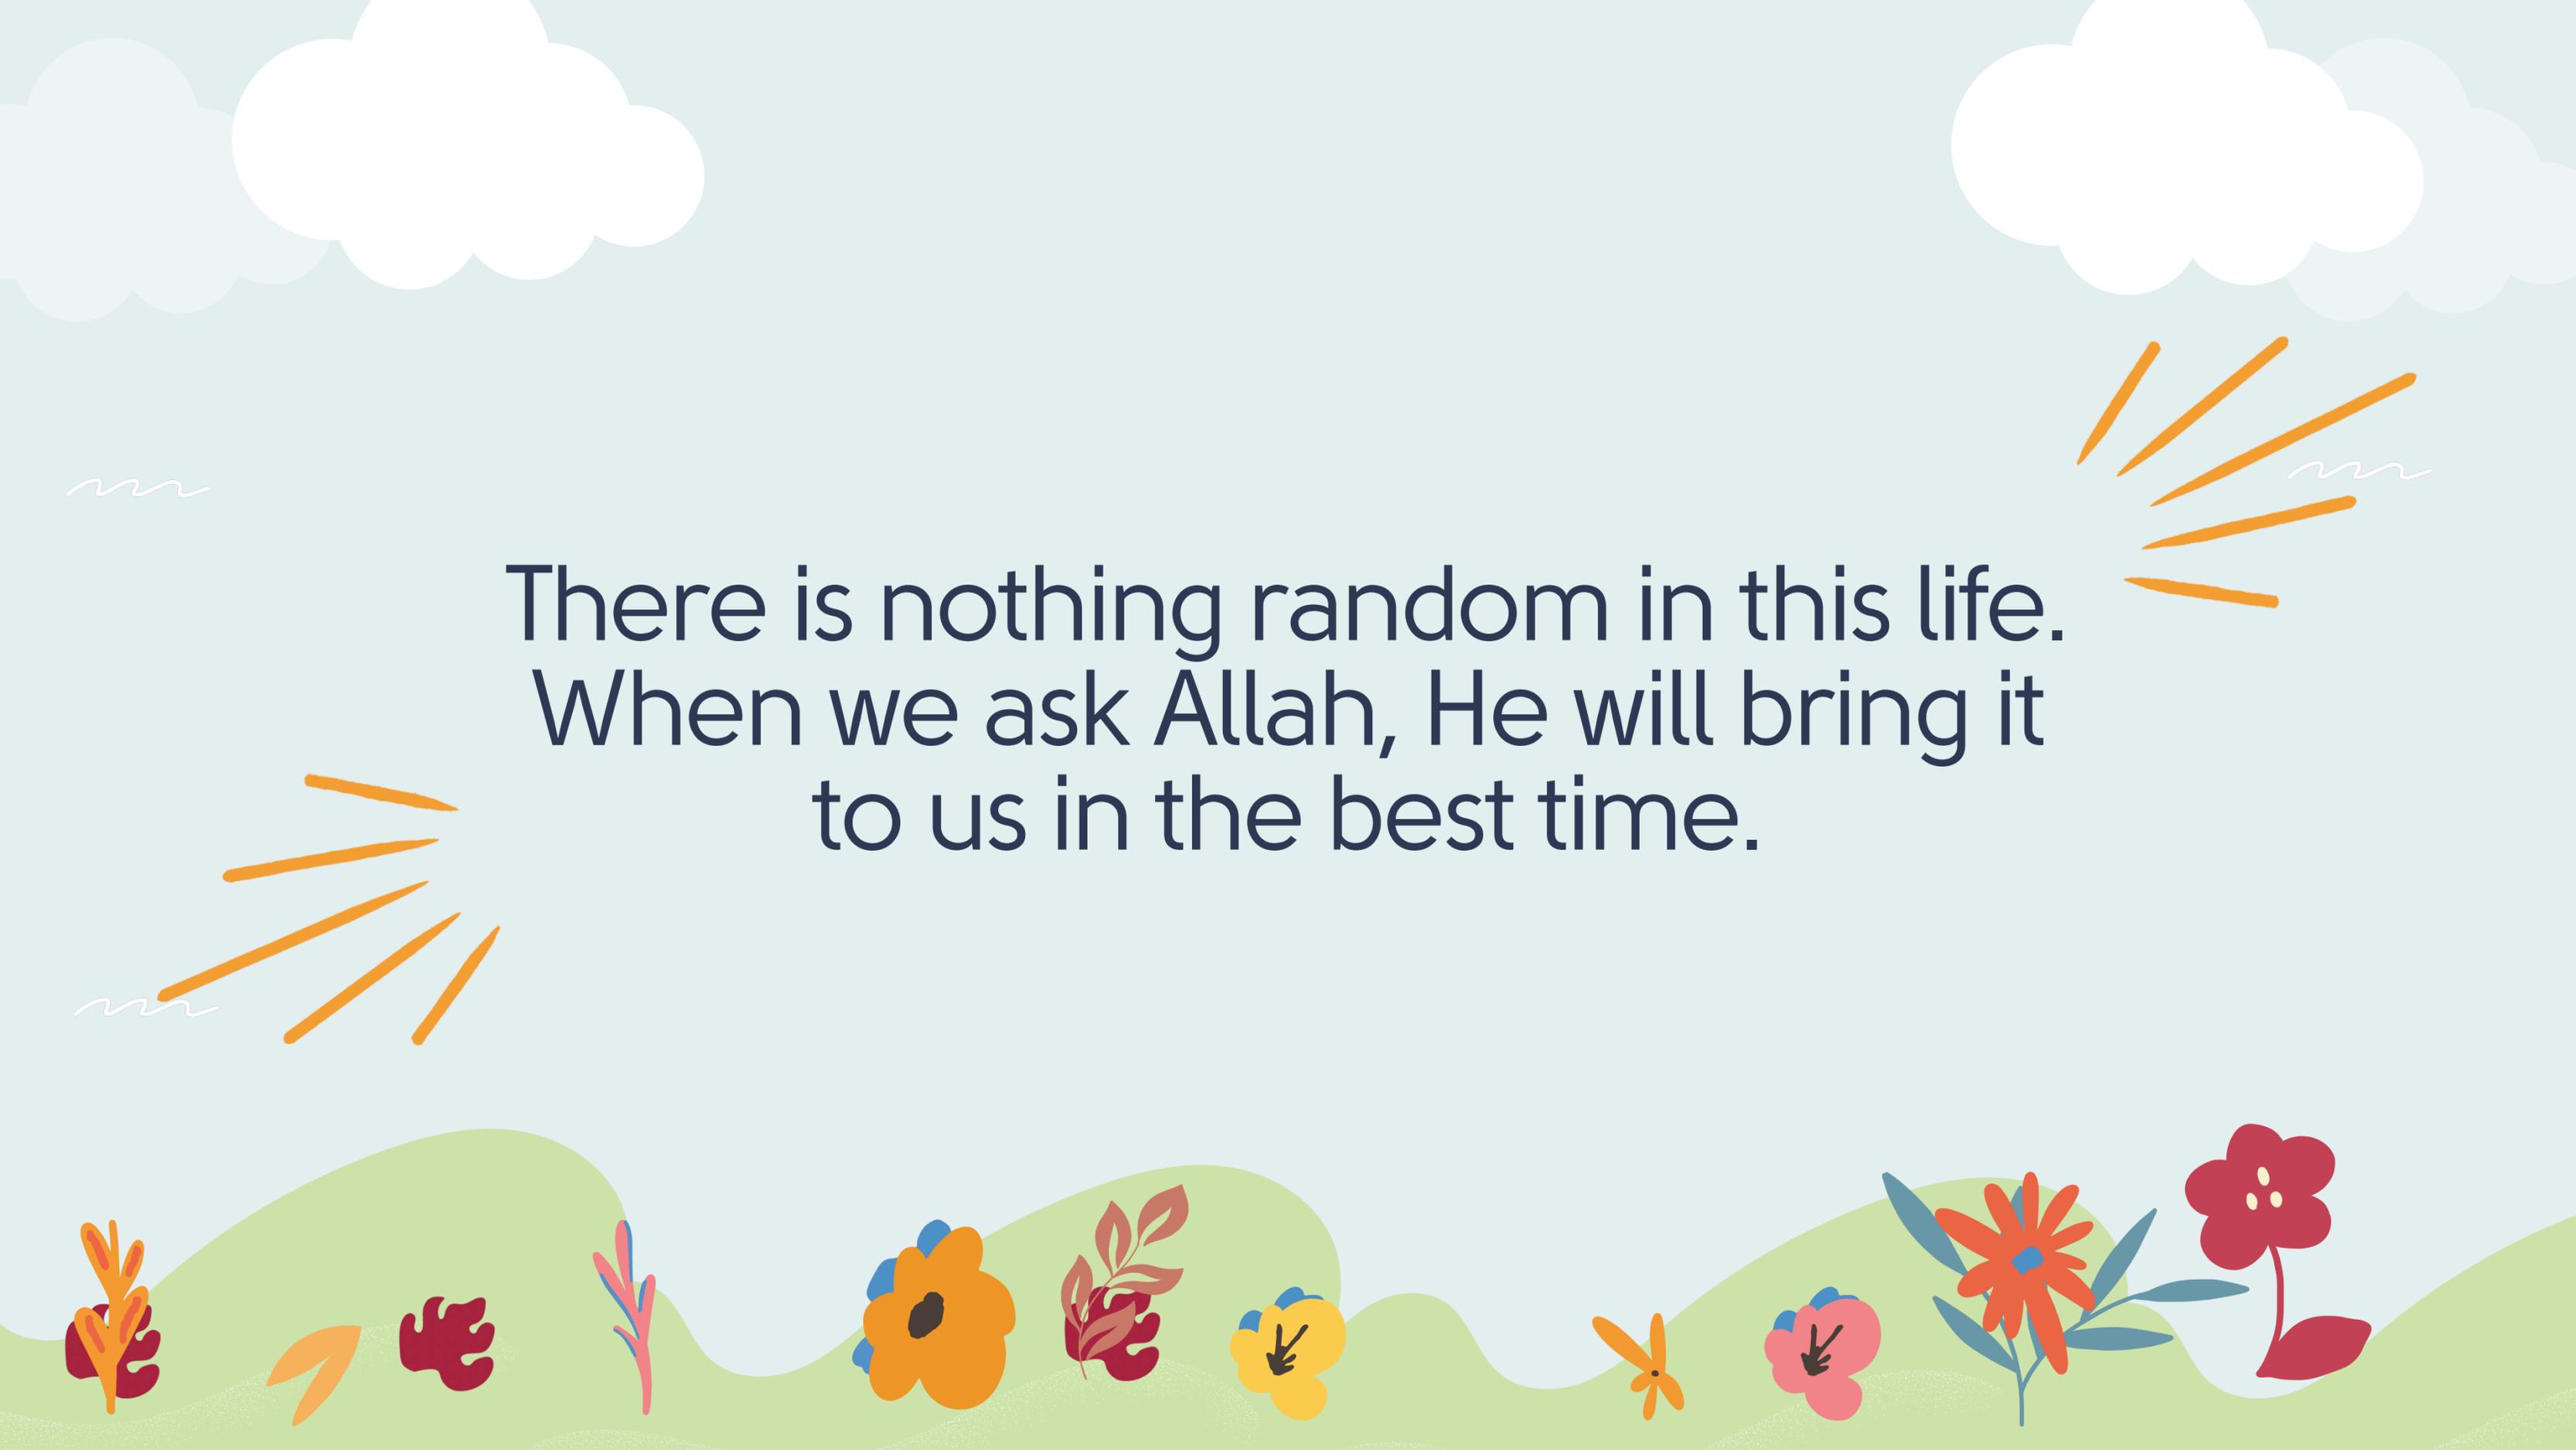

We should always remember to say,

(لا حول ولا قوة الا بالله) –
there is no change or power
except with Allah.

We should not be arrogant or proud because Allah is able to do all things.

There is nothing random in this life.
When we ask Allah, He will bring it
to us in the best time.

An important remembrance that we say
in the mornings and evenings is:

لَا إِلَهَ إِلَّا اللَّهُ وَحْدَهُ لَا شَرِيكَ لَهُ ،
لَهُ الْمُلْكُ ، وَلَهُ الْحَمْدُ وَهُوَ عَلَى كُلِّ شَيْءٍ قَدِيرٌ

Lā ilāha illallāh, waḥdahū lā sharīka lahu,
lahul-mulku wa lahul-ḥamdu,
wa huwa `alā kulli shay'in qadīr

None has the right to be worshipped but Allah, Alone
without partner, to Him belongs all that exists, and to
Him is the praise, and He is powerful over all things

The background is a light blue sky with two large white clouds at the top. In the center, there are three hearts: a small orange one at the top, a larger pink one in the middle, and a yellow one at the bottom. Below the text, there are green rolling hills with various colorful flowers and plants. The text is centered in a dark blue, sans-serif font.

We attach to Allah because everything belongs to Allah and all that He does is praiseworthy, and for sure He is able to do all things.
