Garden of the Names of Allah AS SAMI'E

Welcome to the
GARDEN OF THE
NAMES OF ALLAH.

We love to hear about His Names
and to hear all that is good.

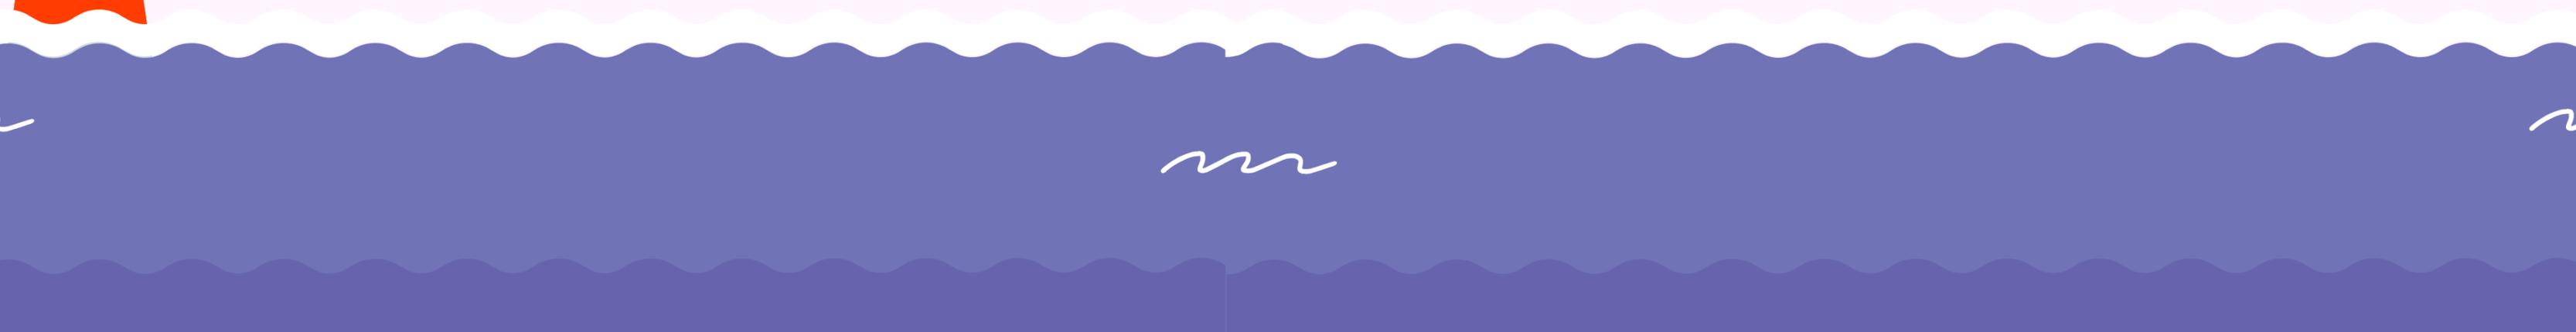

Today we will learn the Name of Allah

AS SAMI'E –
The All-Hearing.

We said we love to hear what's good
and not to hear what disturbs us.
What are things we like to hear?

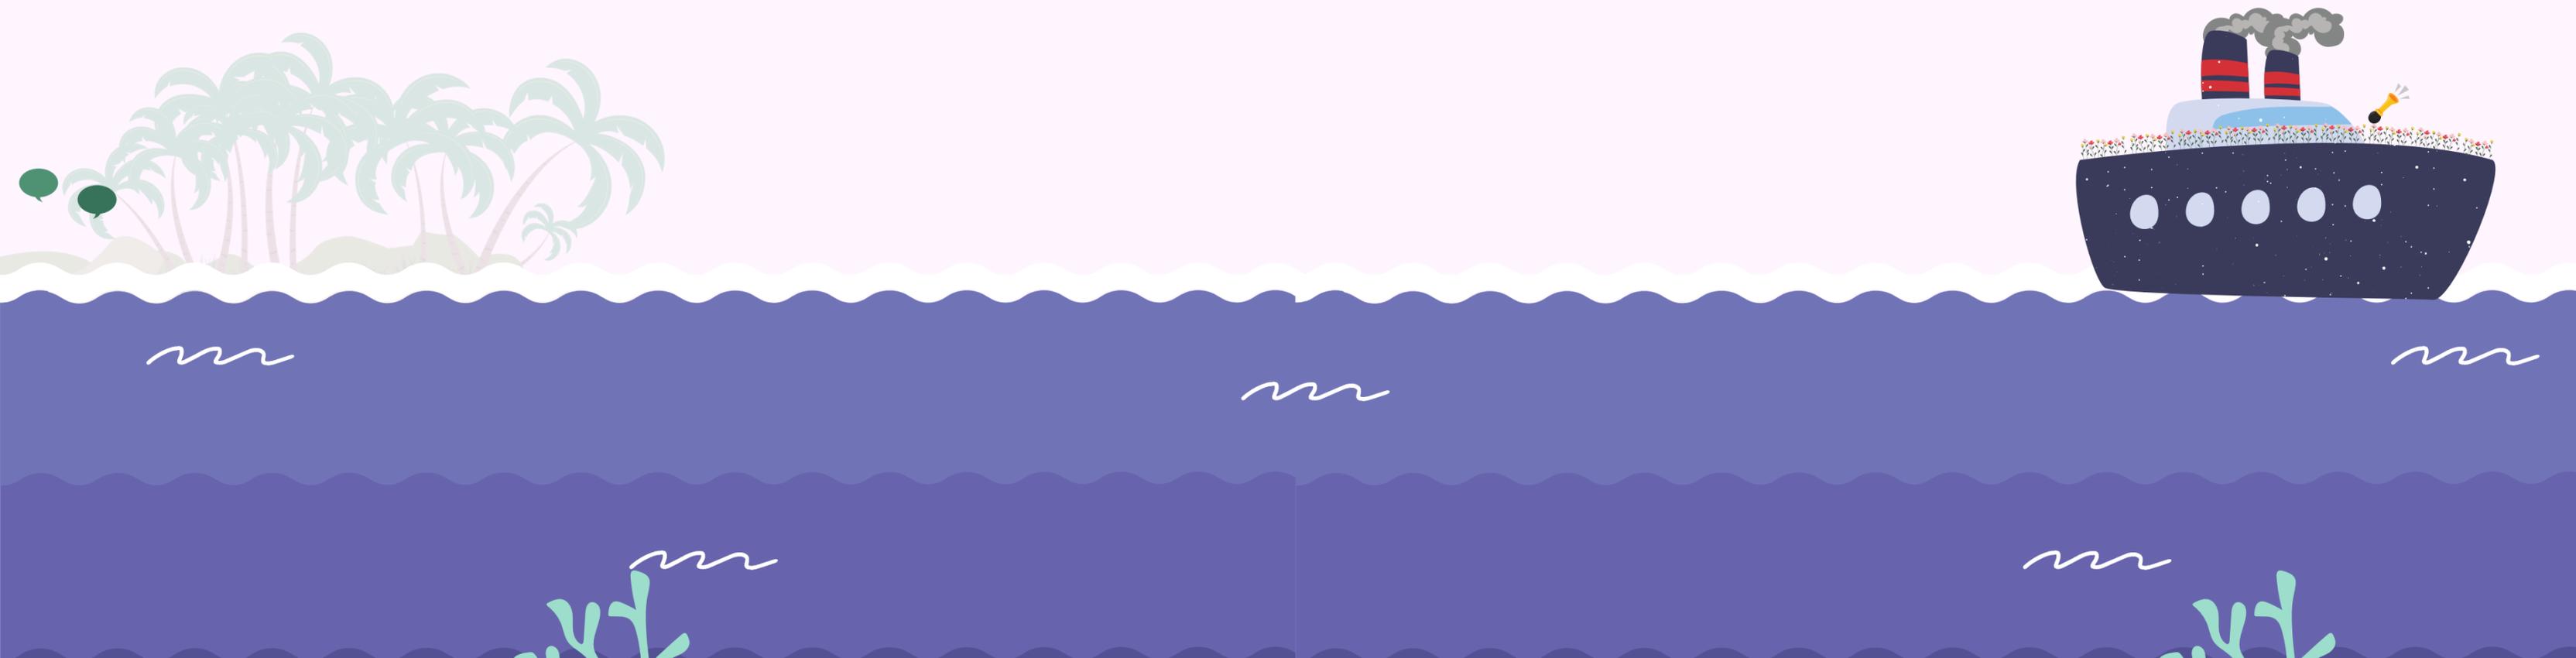

We like to hear about Allah,
about the Qur'an, to hear
someone tells us good things,
to explain things better to us.

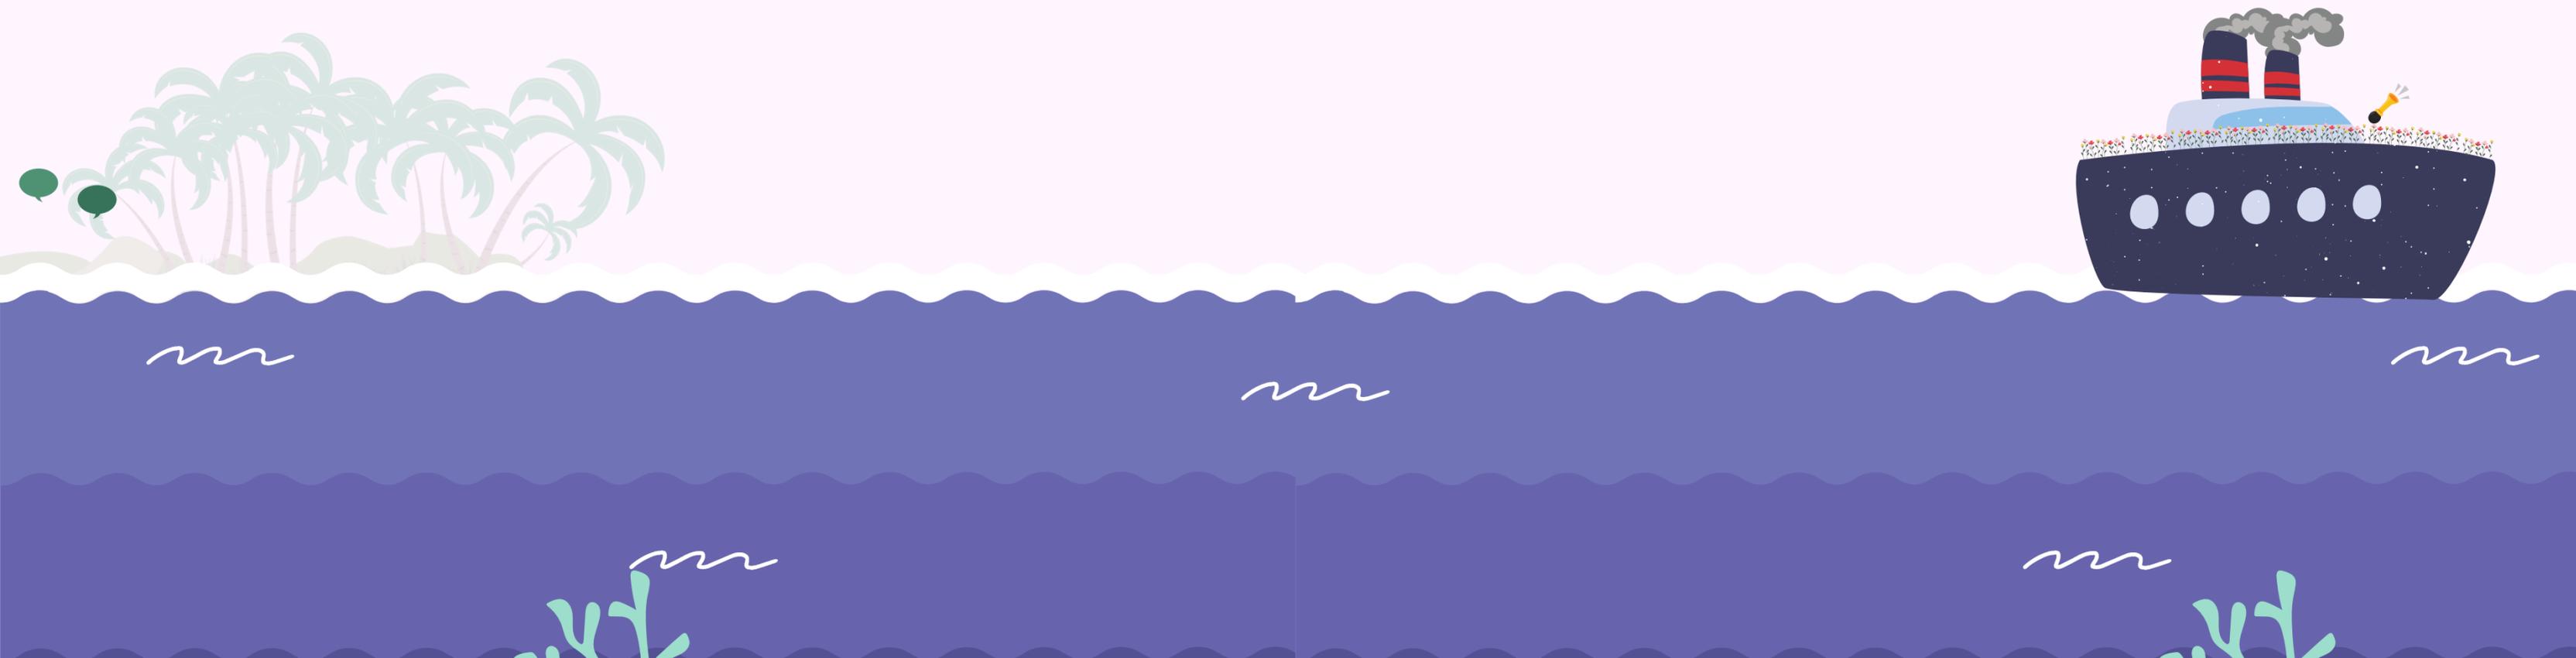

We do not like to hear something
that will disturb us because we
get affected by what we hear.

Allah As Sami'e is The All-Hearing.
Some people can hear little and some a lot.
Sometimes a sound can be so low and inaudible
and sometimes a sound can be so loud.

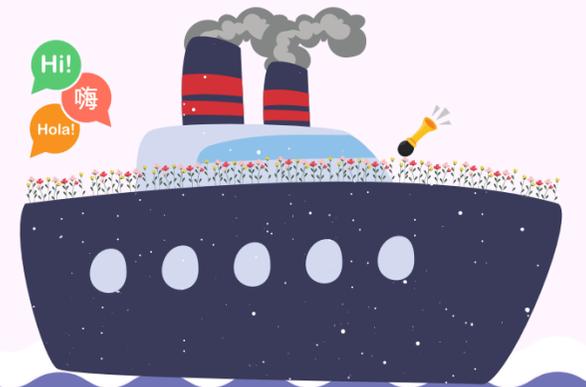

It's a mercy for us to not be able to hear everything. We want to hear what's beneficial and not something that's not good.

One of the Names of Allah is As Sami'e and He hears all voices and all languages on this earth. He hears all sounds, the sounds of the angels, the animals, ants and all our motions.

We may not hear it, but Allah
even hears the blood flowing in
our bodies. He hears our thoughts.
He hears all that is great and small.
He hears all the sounds and
movements. He hears all our thoughts.

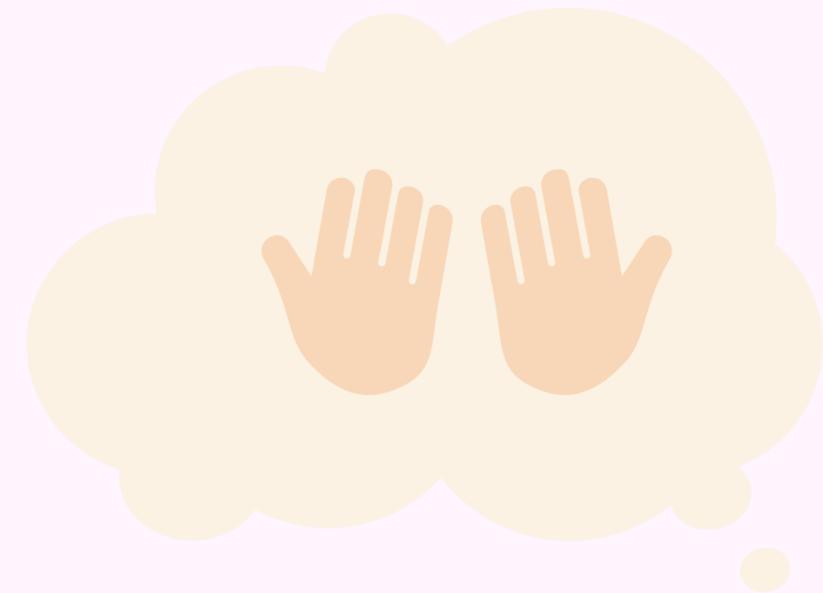

We might hear someone so loud,
but miss out on someone who speaks
softly, but Allah hears everyone.

Allah hears all our needs and
what we want. He hears our dua and
He hears it even if we say it inside.

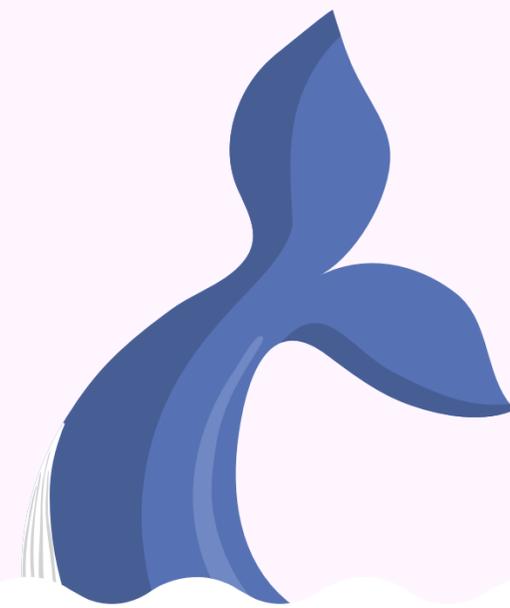

Allah loves that we make dua to Him,
He loves to hear our voice. He loves when we
pray and recite the Qur'an and make dua.

Sometimes we say, "but no one hears me", but Allah hears us.

A very beautiful story is the story of Yunus (عليه السلام) who was inside the stomach of the whale.

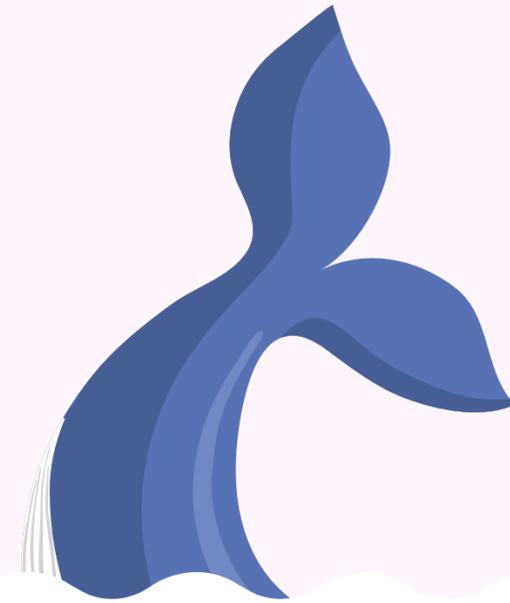

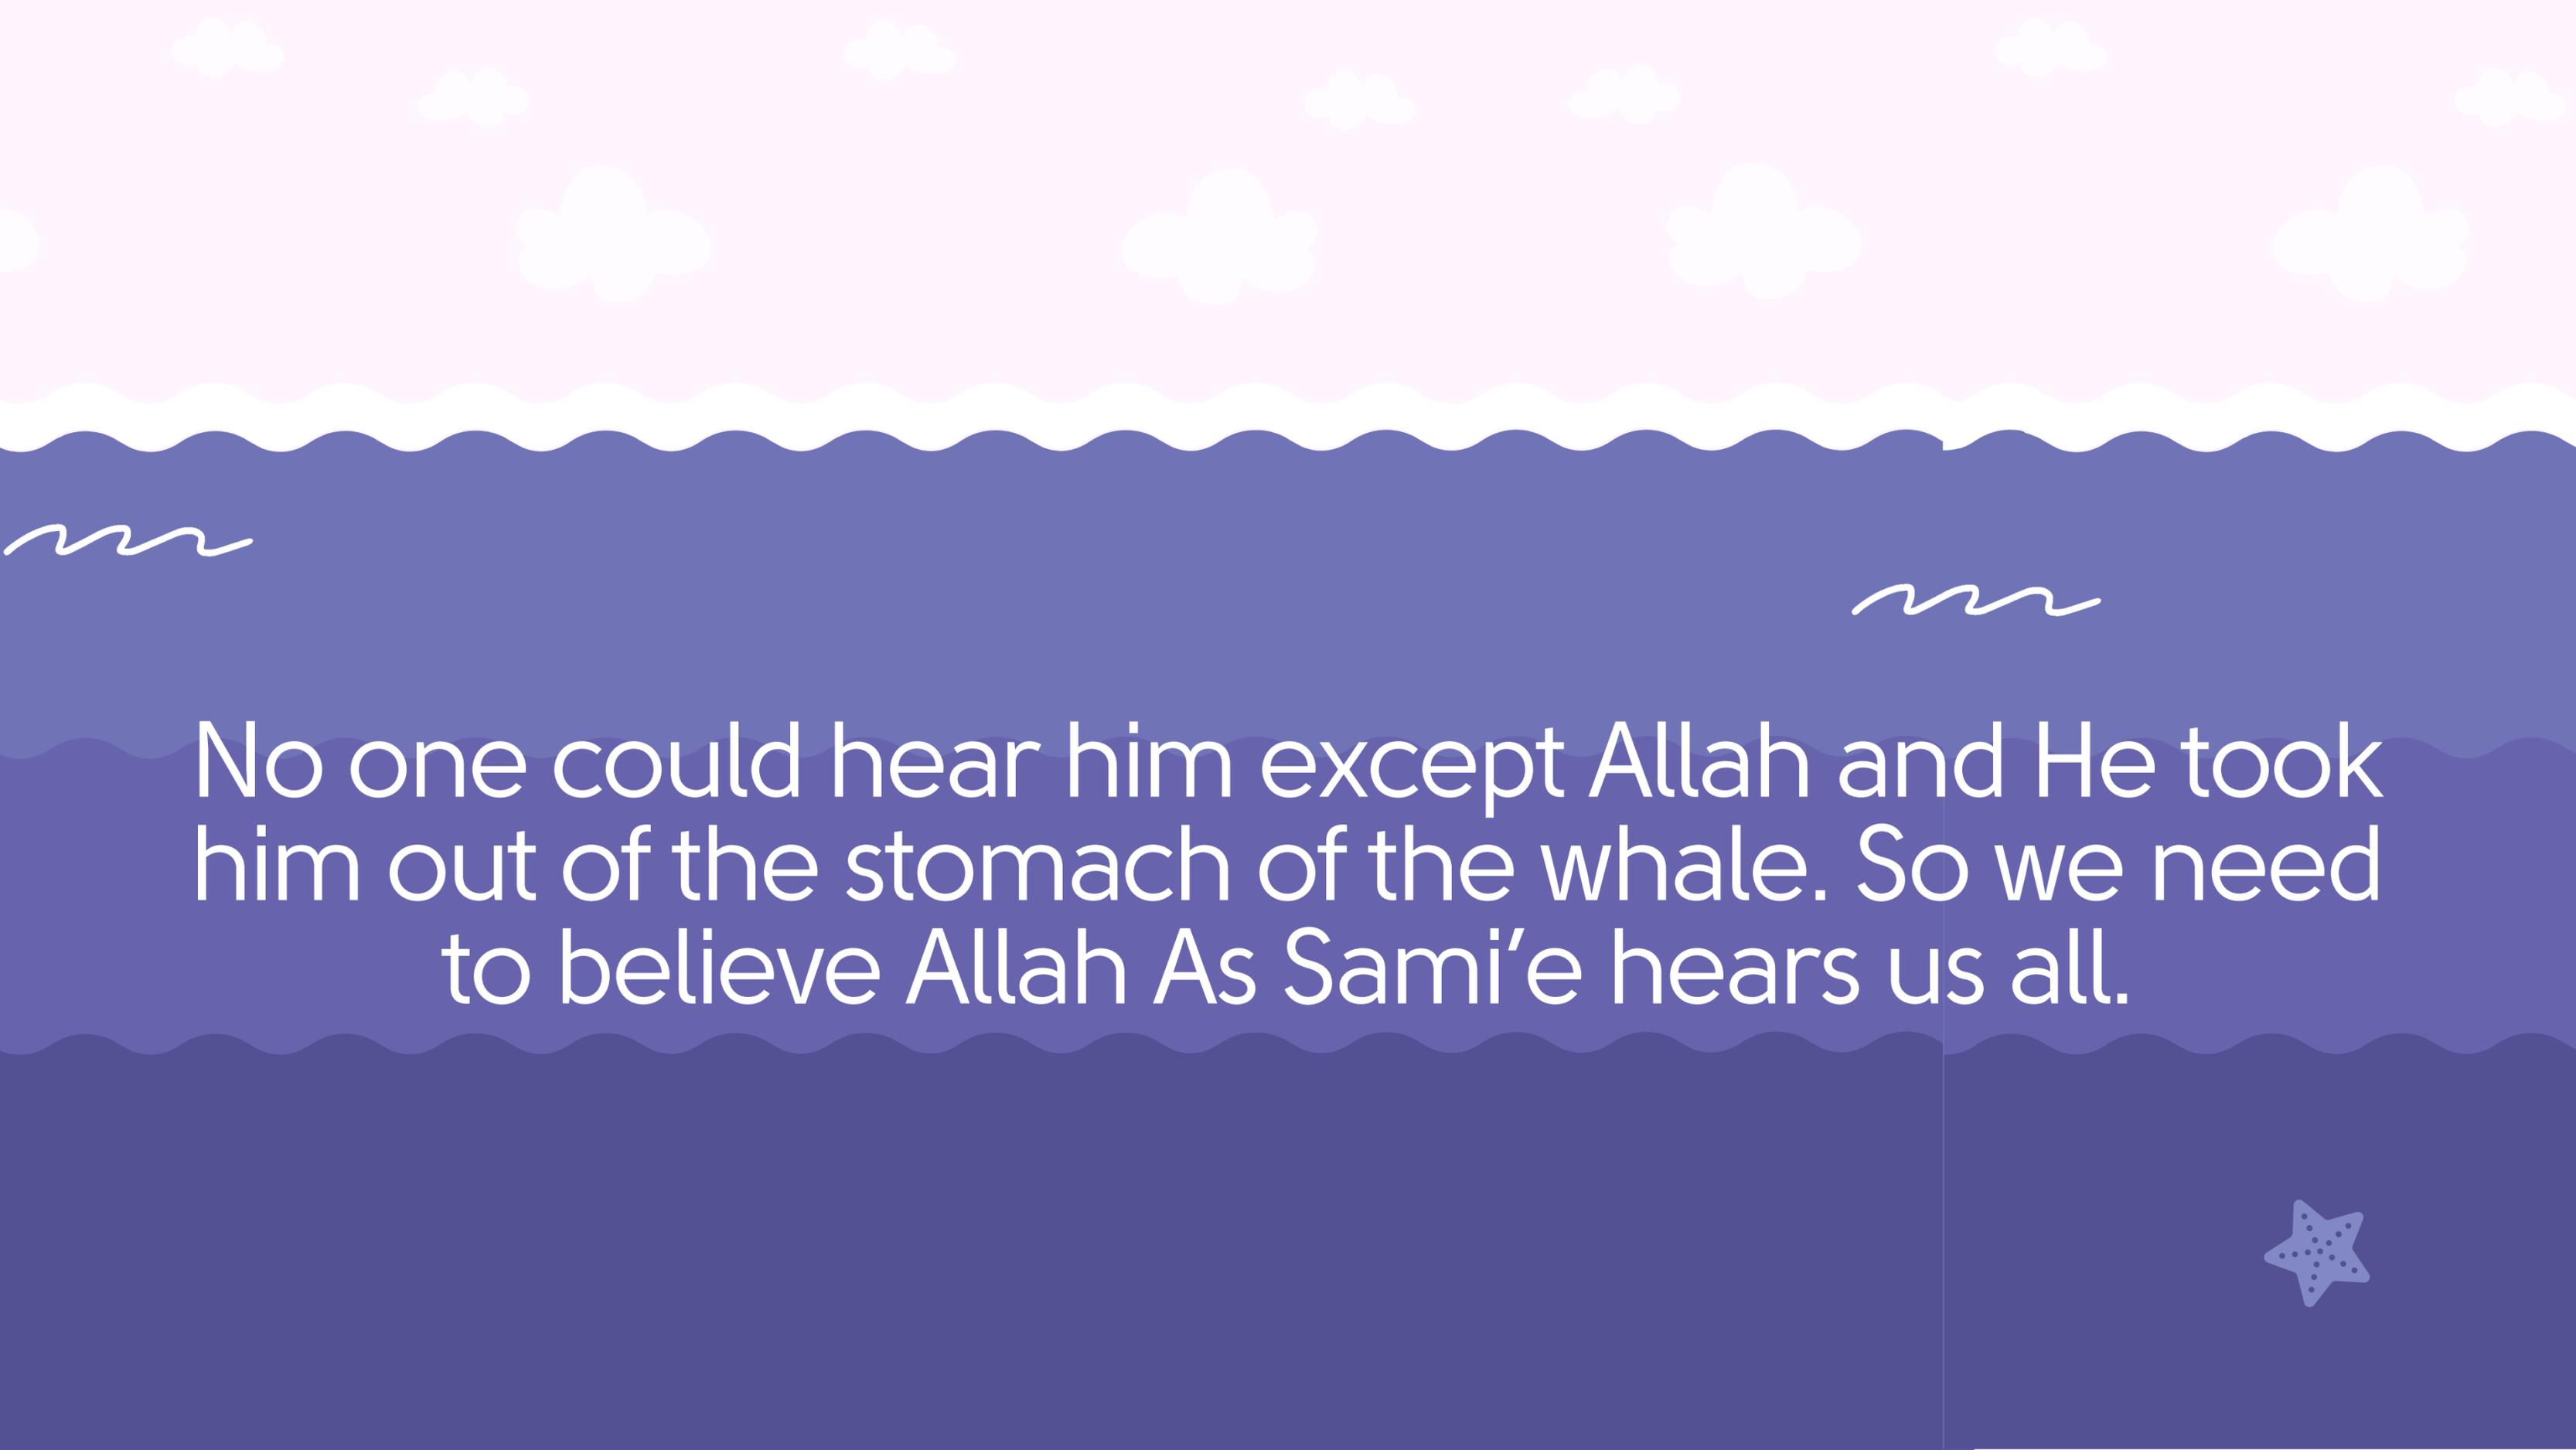

He would keep making dua to Allah, saying:

SURAH AL ANIBYA 87

لَا إِلَهَ إِلَّا أَنْتَ سُبْحَانَكَ
إِنِّي كُنْتُ مِنَ الظَّالِمِينَ

There is no god except You;
exalted are You. Indeed, I have
been of the wrongdoers

No one could hear him except Allah and He took him out of the stomach of the whale. So we need to believe Allah As Sami'e hears us all.

If all the people were to speak at the same time and with different languages asking for different things, Allah As Sami'e hears them all and gives them all.

Allah As Sami'e not only hears us
but He responds to us as well.

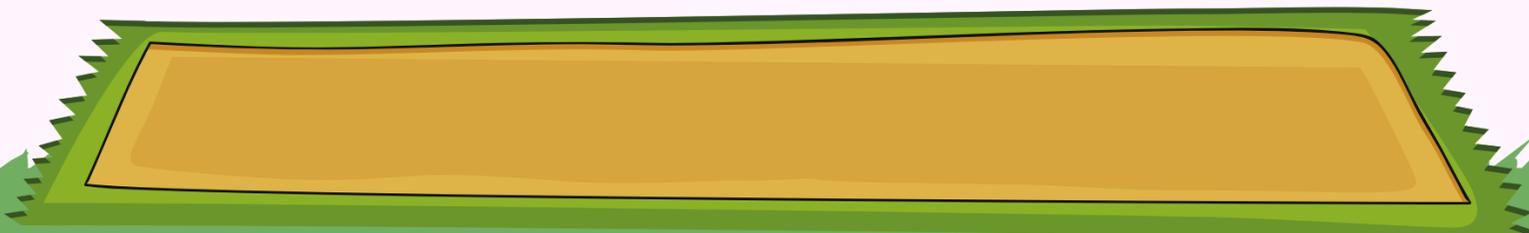

Allah says,
“My slave has thanked me”.

In the prayer, when we say,
“alhamduilah Rabb al ‘Alameen”

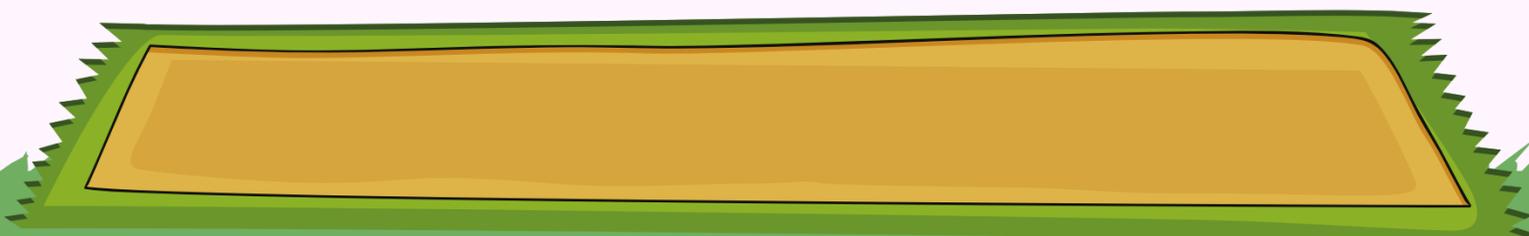

Allah says,
“My slaved has praised me”.

When we say,
“Ar Rahman Ar Raheem”,

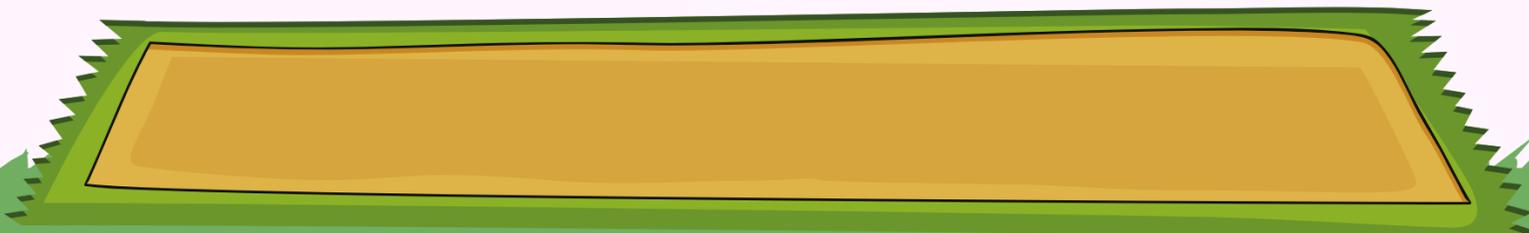

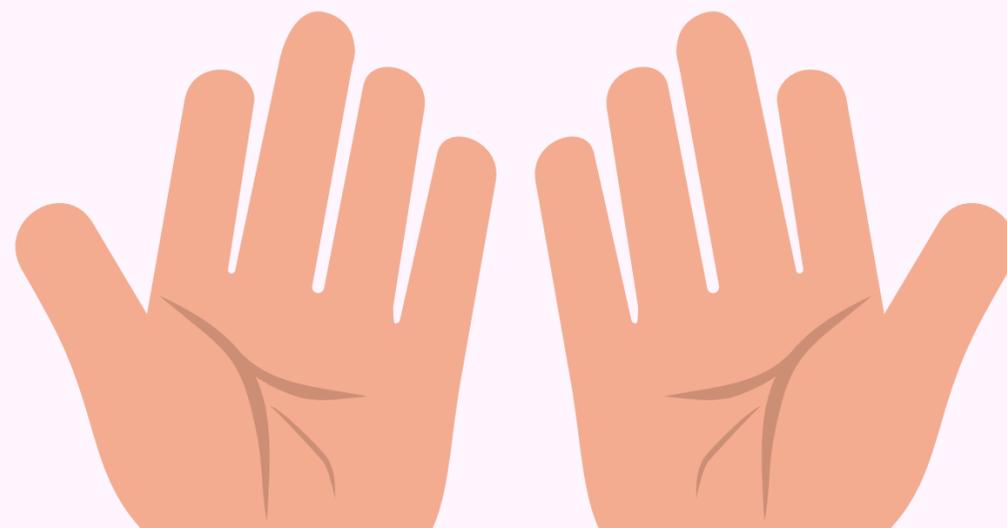

Allah says,
“My slave has glorified me”.

When we say,
“Maalik Yawm Ad Deen”,

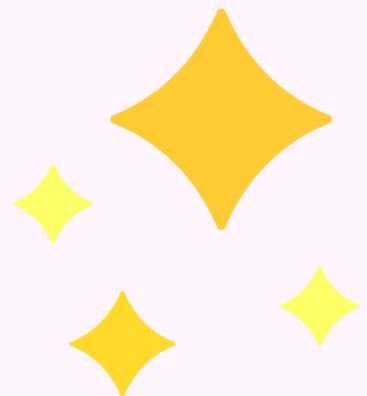

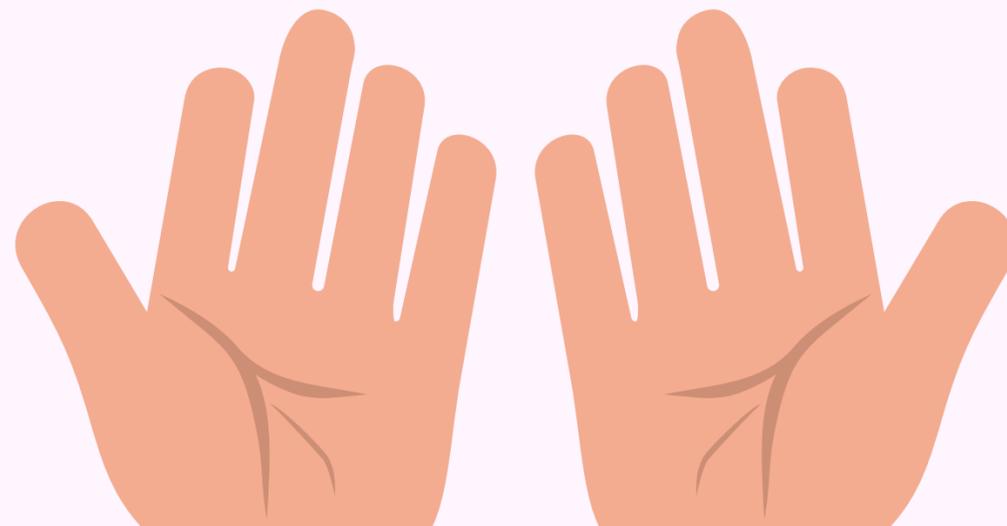

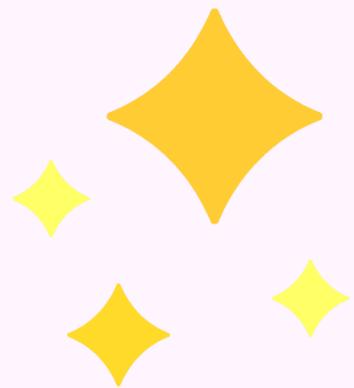

Allah responds to all our duas, so before we ask anyone and before we ask our mom or our dad for something, we ask Allah first.

Allah responds to us and He will give us in the right time. And the moment we make dua, Allah responds to us by giving us good deeds for making dua.

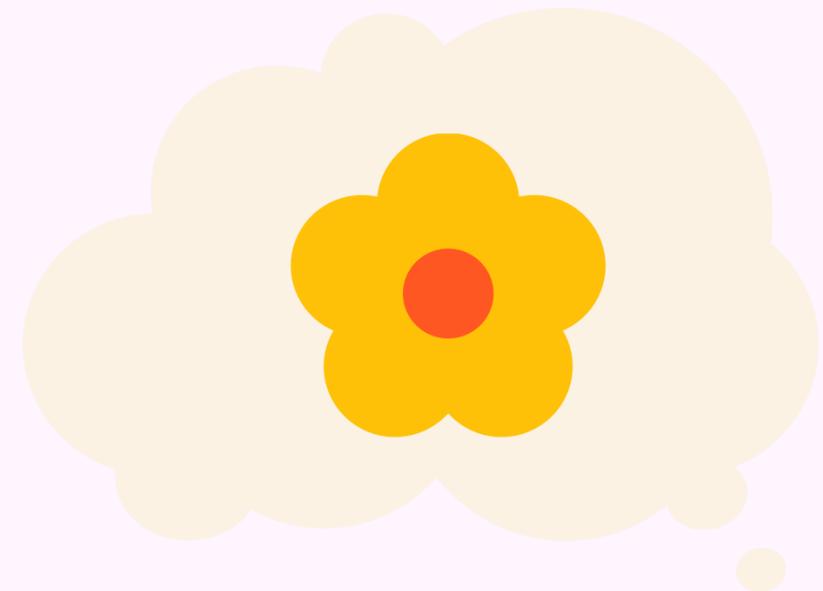

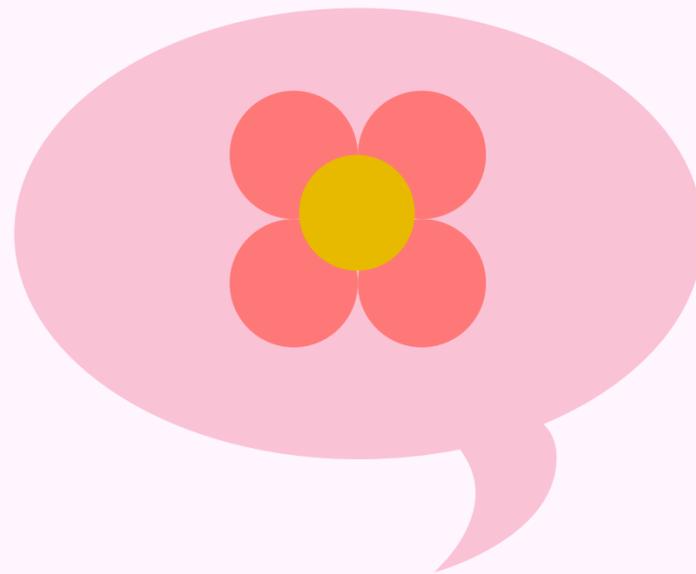

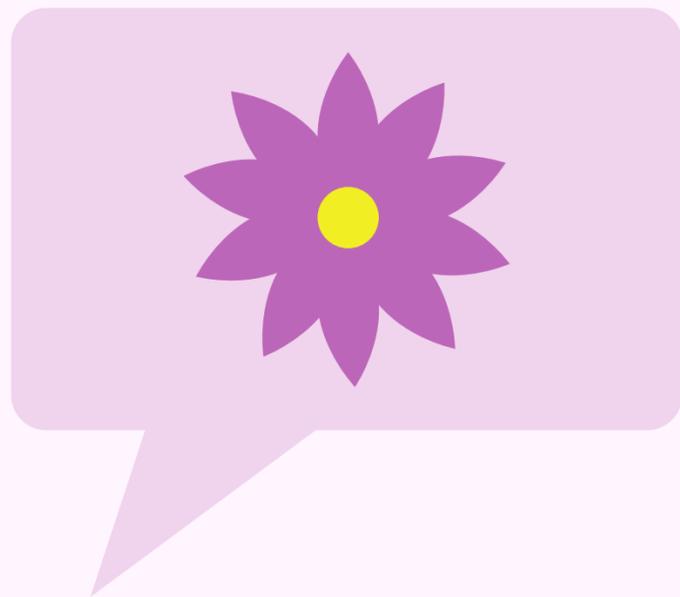

WHEN WE BELIEVE IN
ALLAH AS SAMI'E...
WHAT SHOULD WE DO?

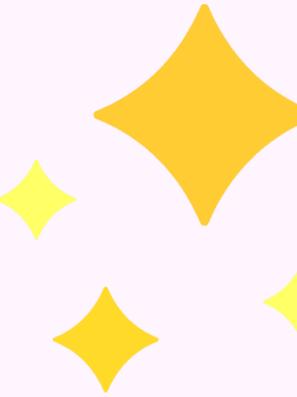

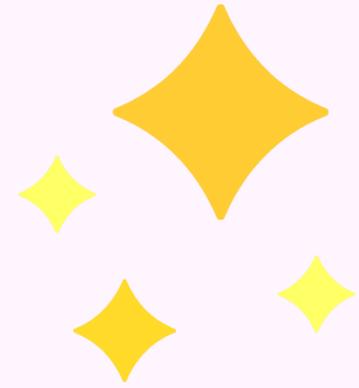

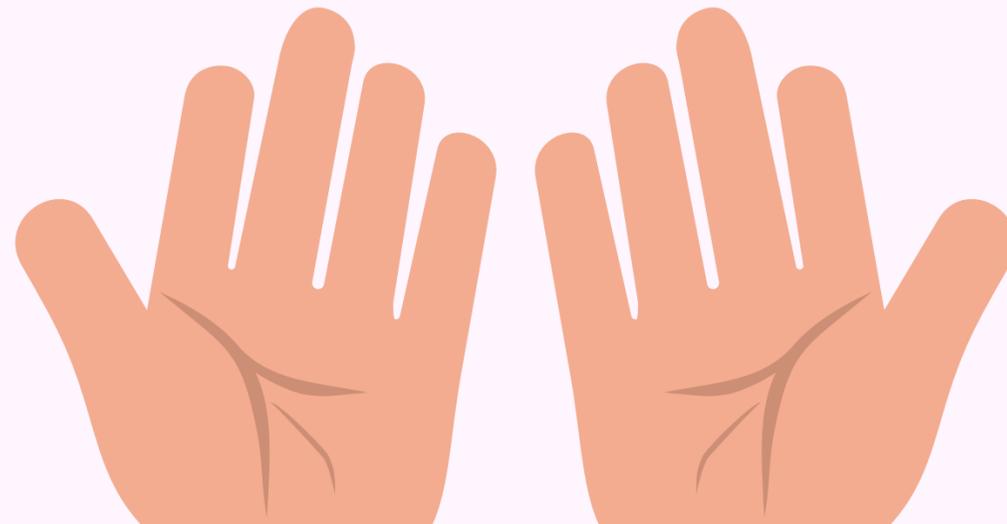

We should not listen to what's bad, but
listen to what Allah loves.

We should speak words which Allah loves
and make others hear words that make
them happy.

We make dua to Allah alone
because no one else can hear us.

When someone speaks, we should not interrupt, but listen until they finish, even if they are young or even if they say something we already know.

When anyone calls us and we hear them,
such as our mother, then we should respond
and answer back.

We ask Allah to place light in our hearing
and to hear all that is good.
