Garden of the
Names of Allah
AR RAOUF

The background is a light green color with a repeating pattern of white, four-pointed stars. There are also larger, solid-colored stars in yellow and magenta scattered throughout. In the top-left and bottom-right corners, there are clusters of colorful feathers in shades of red, orange, yellow, and magenta.

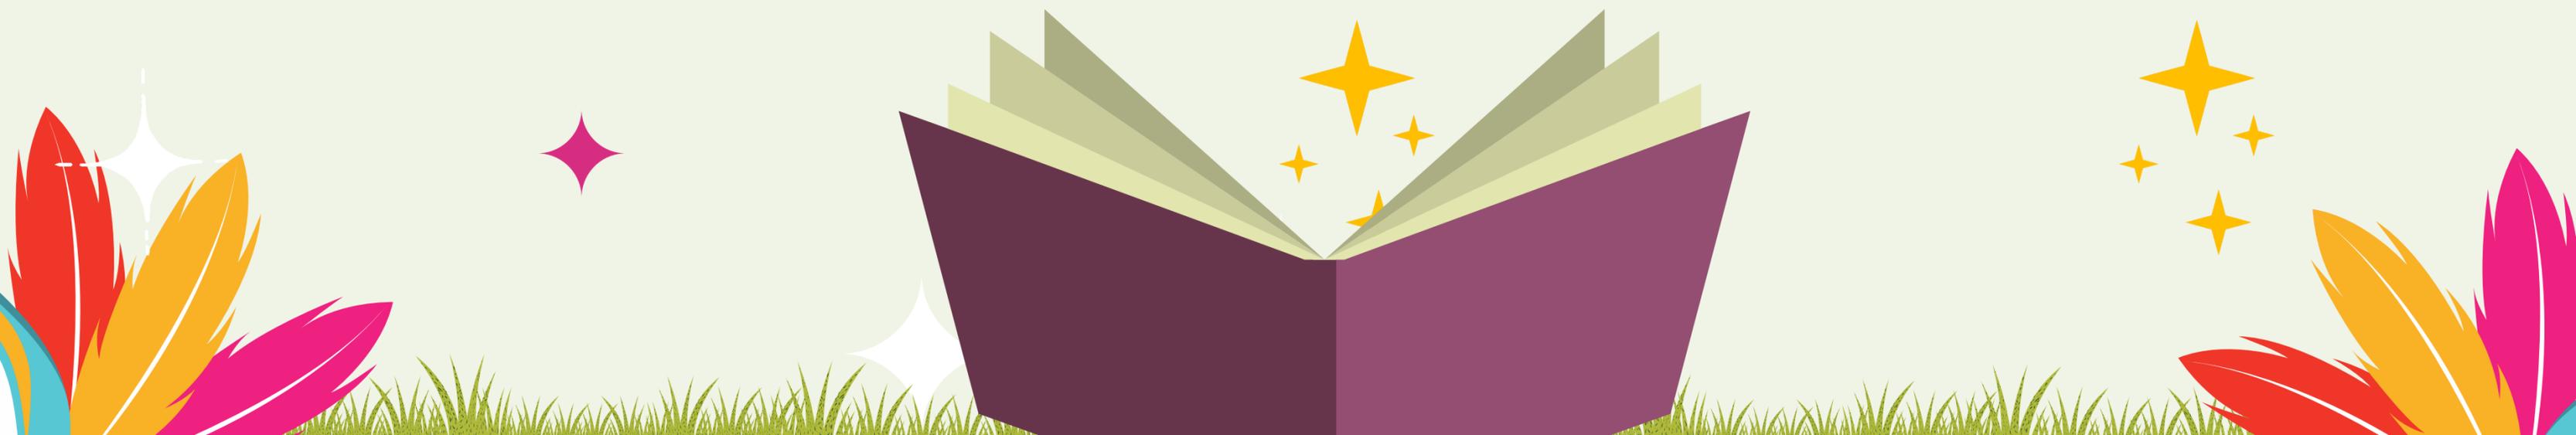

Welcome to the
**GARDEN OF THE
NAMES OF ALLAH.**

In this book we will learn a new Name of Allah.
And even if we learned it before, it is as if we are
learning it for the first time. Every time we grow
older and learn more, we will learn about the
Names of Allah in a new way.

In this book we will learn a very
beautiful Name of Allah –
Allah Ar Raouf
The Most Compassionate.

Allah Ar Raouf is the One Who is so
compassionate and so merciful.
When He gives us a blessing there
will be no pain with it.

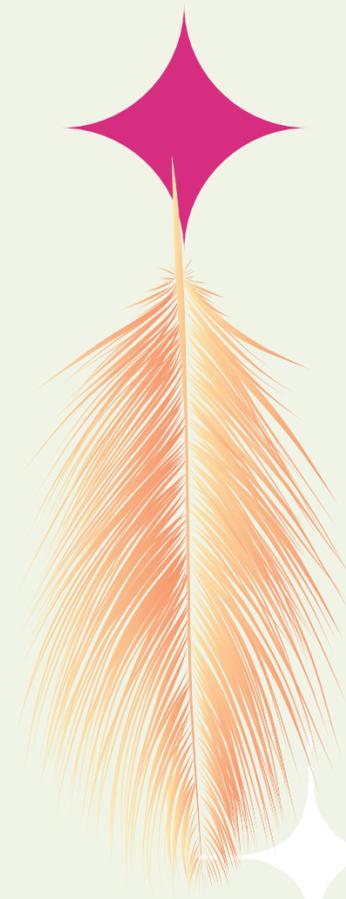

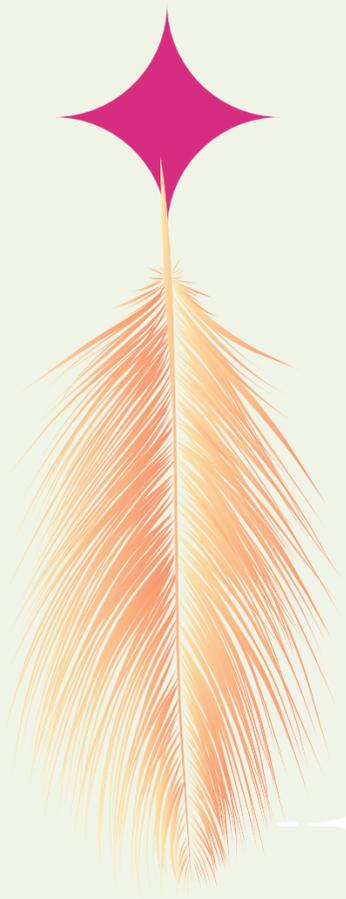

For example, a person might get money or succeed, but there was hardship and pain that came with it.

Allah Ar Raouf gives us health, success
and any types of blessings where there
is no pain or hardship with it.

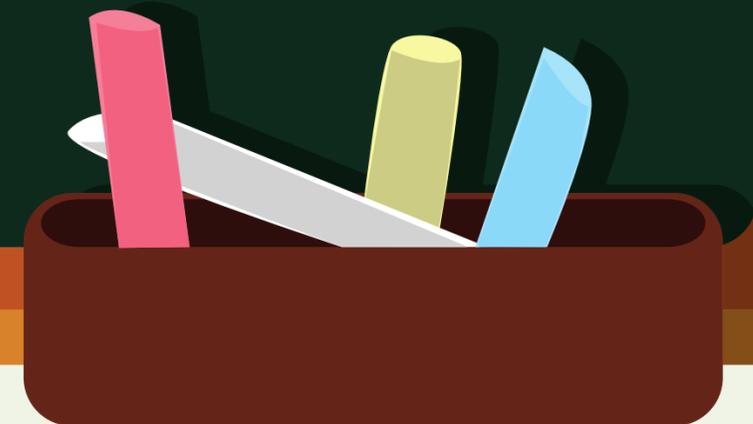

We want Allah to always be
compassionate to us. Even if we get
blessings and even if we sin, we do not
want to feel any pain.

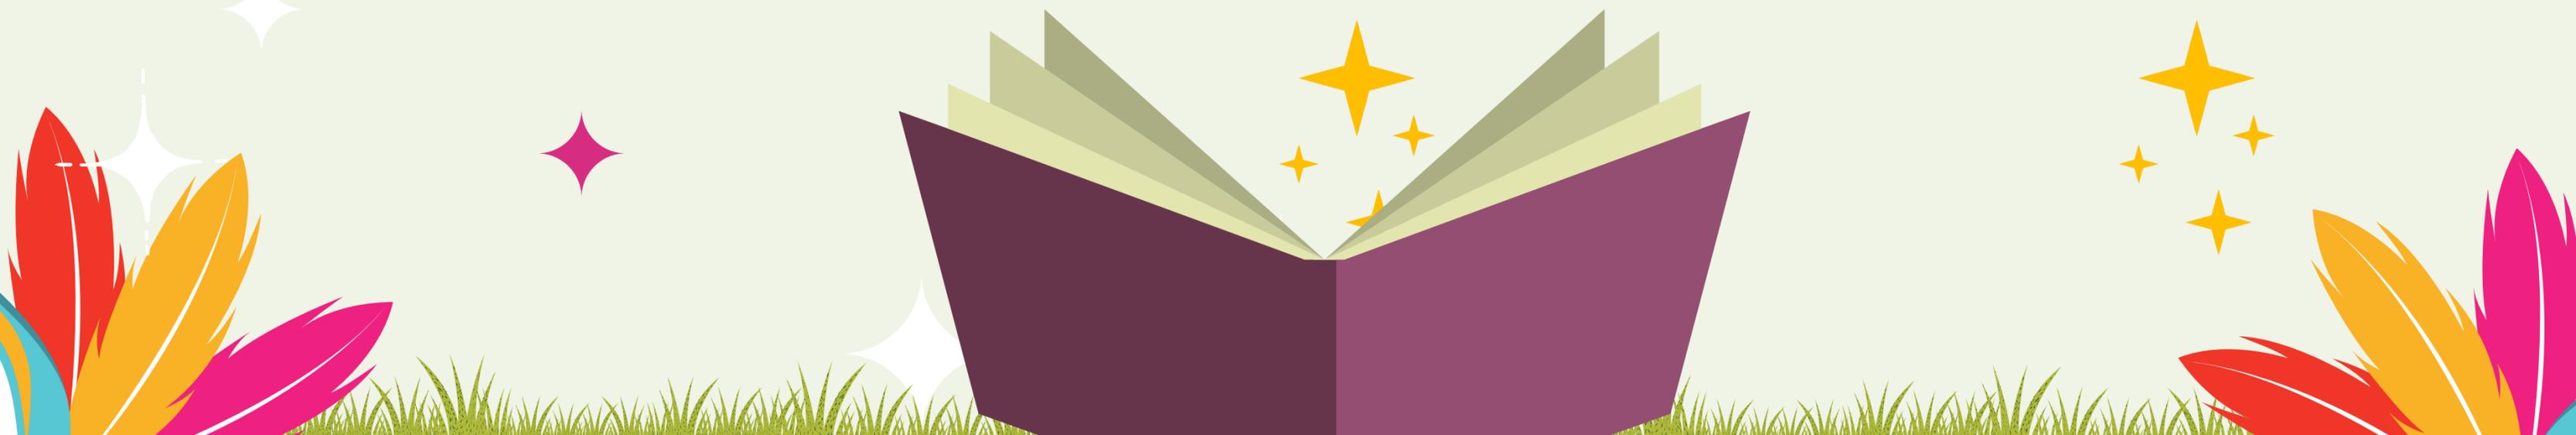

We want to always enjoy the blessings Allah gave us from hearing and seeing. Allah gives us blessings with no pain or hardship.

We might have worked on something for so long such as a school project, and then the teacher says the project will be about something different, and then we have to redo it again. But with Allah Ar Raouf, everything counts with Him and nothing is lost with Him. Even if we did something, and we are told we are going to do something else, it does not go to waste with Allah.

We might read a book and then a teacher says we will do another book, but we are still rewarded with Allah.

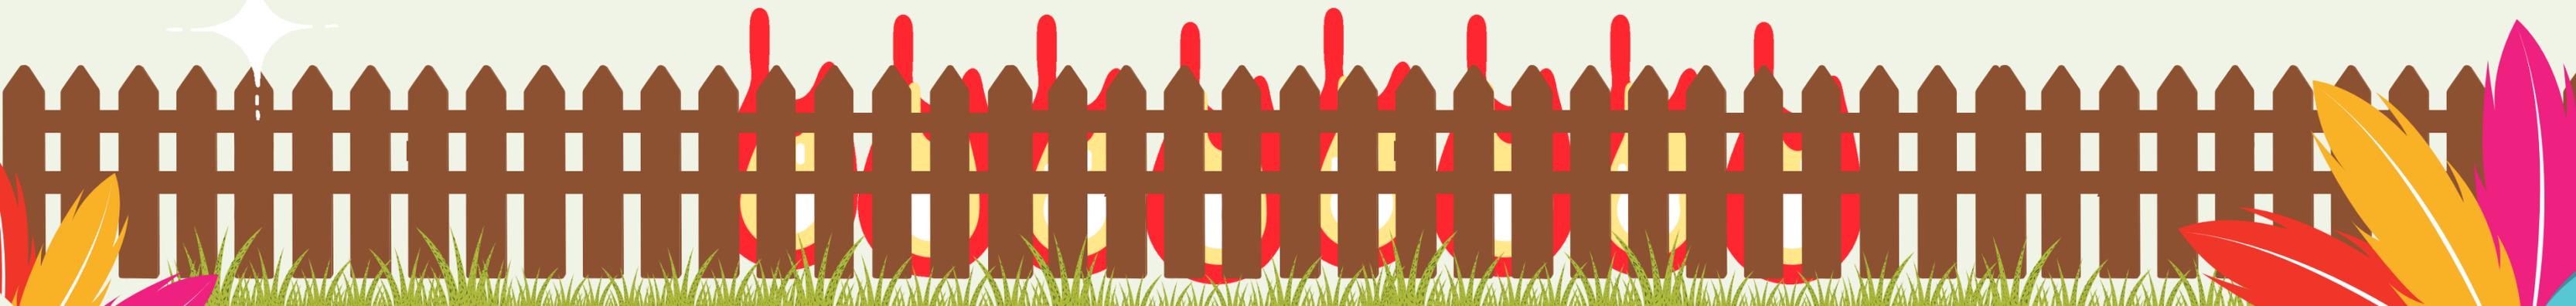

The background is a light green color with various decorative elements. There are several four-pointed stars in magenta and yellow. A large white starburst is on the left. At the bottom, there is a row of green grass and two stylized flowers with red, orange, and magenta petals. The text is centered in the upper half of the image.

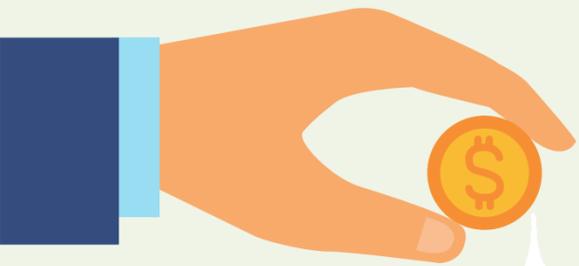

ALLAH AR RAOUF
gives us more and He provides us
with no account.

Sometimes we do not know something is wrong, but from Allah's Compassion, He makes us fear something so that we do not fall into the wrong.

For example, Allah tells us about the Day of Judgement so that we fear it and not do something wrong that will take us to the fire. There might be some scary things, but it is to protect us.

With Allah Ar Raouf, we do things which are very little, but Allah rewards us with so much.

Allah Ar Raouf sent the Prophet (ﷺ) so that we follow him and brought down the Qur'an so that we follow it and this makes it all easy for us.

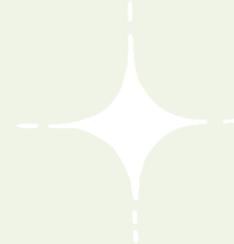

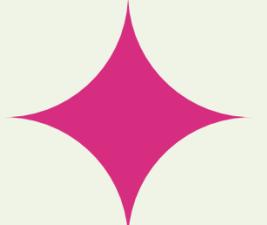

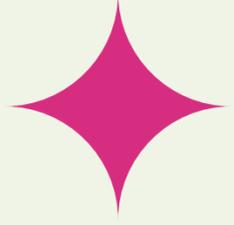

And from Allah's Compassion,
He gives us cars, wi-fi, and different
things to make our life easy.

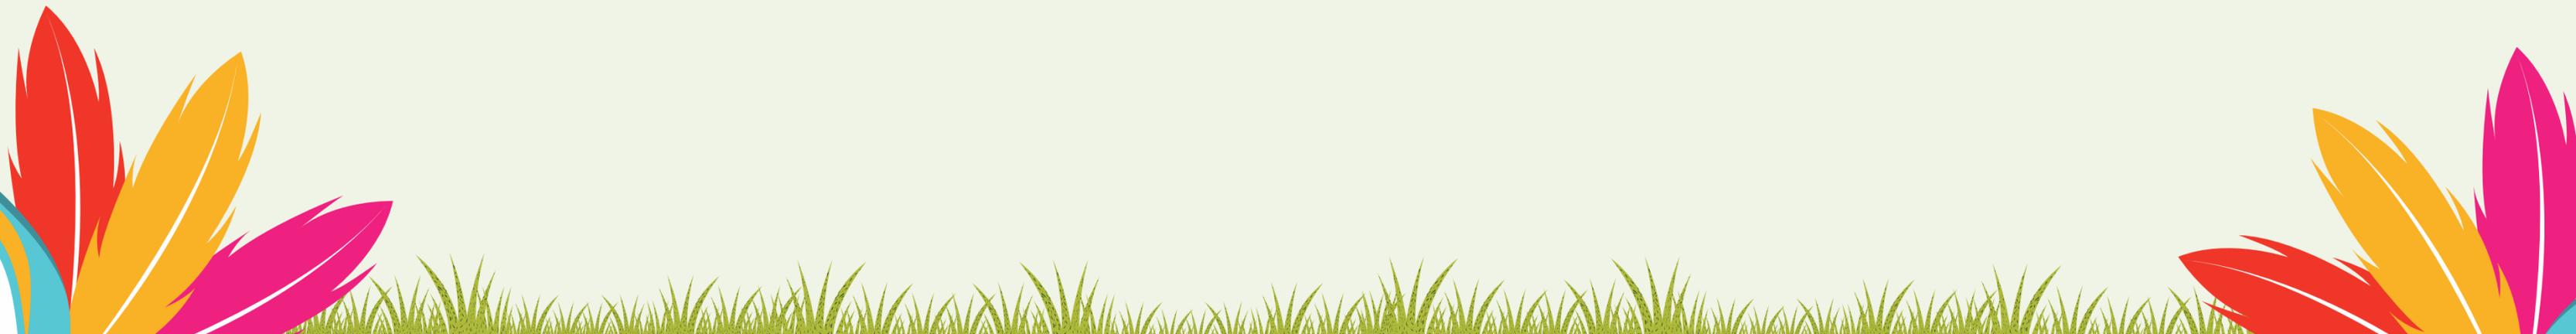

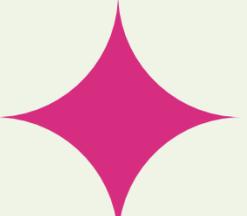

And from Allah's Compassion, He makes us our heart sound so that we do not have hatred towards anyone. When our heart hates and is jealous then we will always be tired.

WHEN WE BELIEVE IN
ALLAH AR RAOUF...
WHAT SHOULD WE DO?

When we know Allah is Ar Raouf,
we ask Him to have compassion on us
so that we do not feel pain or
go through hardship.

We should also be compassionate to others by not being disrespectful to our parents, younger siblings, our teacher or even the helpers at home. We should not just throw things on the floor, but always try to arrange our bed, pick up our plates and place it in the kitchen and wash them if we can. May Allah have compassion on us. Ameen.
