

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Garden of the  
Names of Allah  
**AL KHABEER**

Welcome to the  
**GARDEN OF THE  
NAMES OF ALLAH.**

Allah called Himself with the Most Beautiful Names, unlike ourselves who are named by our parents or someone else.

We cannot make up Names  
for Allah. His Names are  
according to what He told us  
in the Qur'an and what the  
Prophet (ﷺ) told us.

Each Name is beautiful and has an attribute with it. For example, someone might be called "Jameel" which means "beautiful" but they may not be beautiful. Unlike Allah Whose every Name and every attribute is real.

In this book we will learn the Name of Allah Al Khabeer. In life, someone might have expertise in something because they went through mistakes and learned from it, or they went through certain circumstances and started to invent new things.

When we train in something for so long,  
then we will have expertise in it.

Anyone who has expertise in something is because they learned it from someone else.

Allah Al Khabeer is expert in in everything  
without learning from anyone or going through  
mistakes to learn it.

Allah is All-Aware of all the types of creations,  
all their colors and all their roles. All is All-Aware  
of us and knows everything about us.

Allah Al Khabeer (All-Aware) knows what the result will be if we study or do not study, if we do something or do not do something, if we say something or do not say something.

Allah is All-Aware of what is inside our hearts.  
He knows if we are happy or upset, He knows  
what word will make us happy and He knows  
what word will make us upset.

Sometimes we could be laughing and sometimes crying and He knows the reason for it.

Allah Al Khabeer knows  
the details and what the  
result will be.

Allah Al Khabeer knows which type of food is good for us, He knows what we like to eat and what we do not like to eat.

Allah Al Khabeer knows what causes something to move, and what causes something to become silent and not move. Allah knows what will make it move again.

Allah Al Khabeer knows all the decrees that come our way so we should not be upset with any decree because Allah is All-Aware of it.

Allah Al Khabeer knows what will make us pray,  
He knows what will bring out the best from us, He  
knows what faults we have so that we correct  
ourselves and ask for repentance.

WHEN WE BELIEVE IN  
ALLAH AL KHABEER...  
WHAT SHOULD WE DO?

We ask Allah Al Khabeer to give us expertise in matters that concern us so that we can do it in the fastest and easiest way.

Someone with expertise can finish something quickly and in the easiest way so that life becomes easy.

We ask Allah Al Khabeer to give us expertise in what we are learning and to overcome all that we face.

Sometimes there are different paths to take, but Allah Al Khabeer will show us the easiest and shortest way.

With Allah Al Khabeer, He will  
bring out the best from us.

May Allah Al Khabeer give us the awareness  
to be happy in this life and the next. Ameen.
