Garden of the Names of Allah AL HAYY

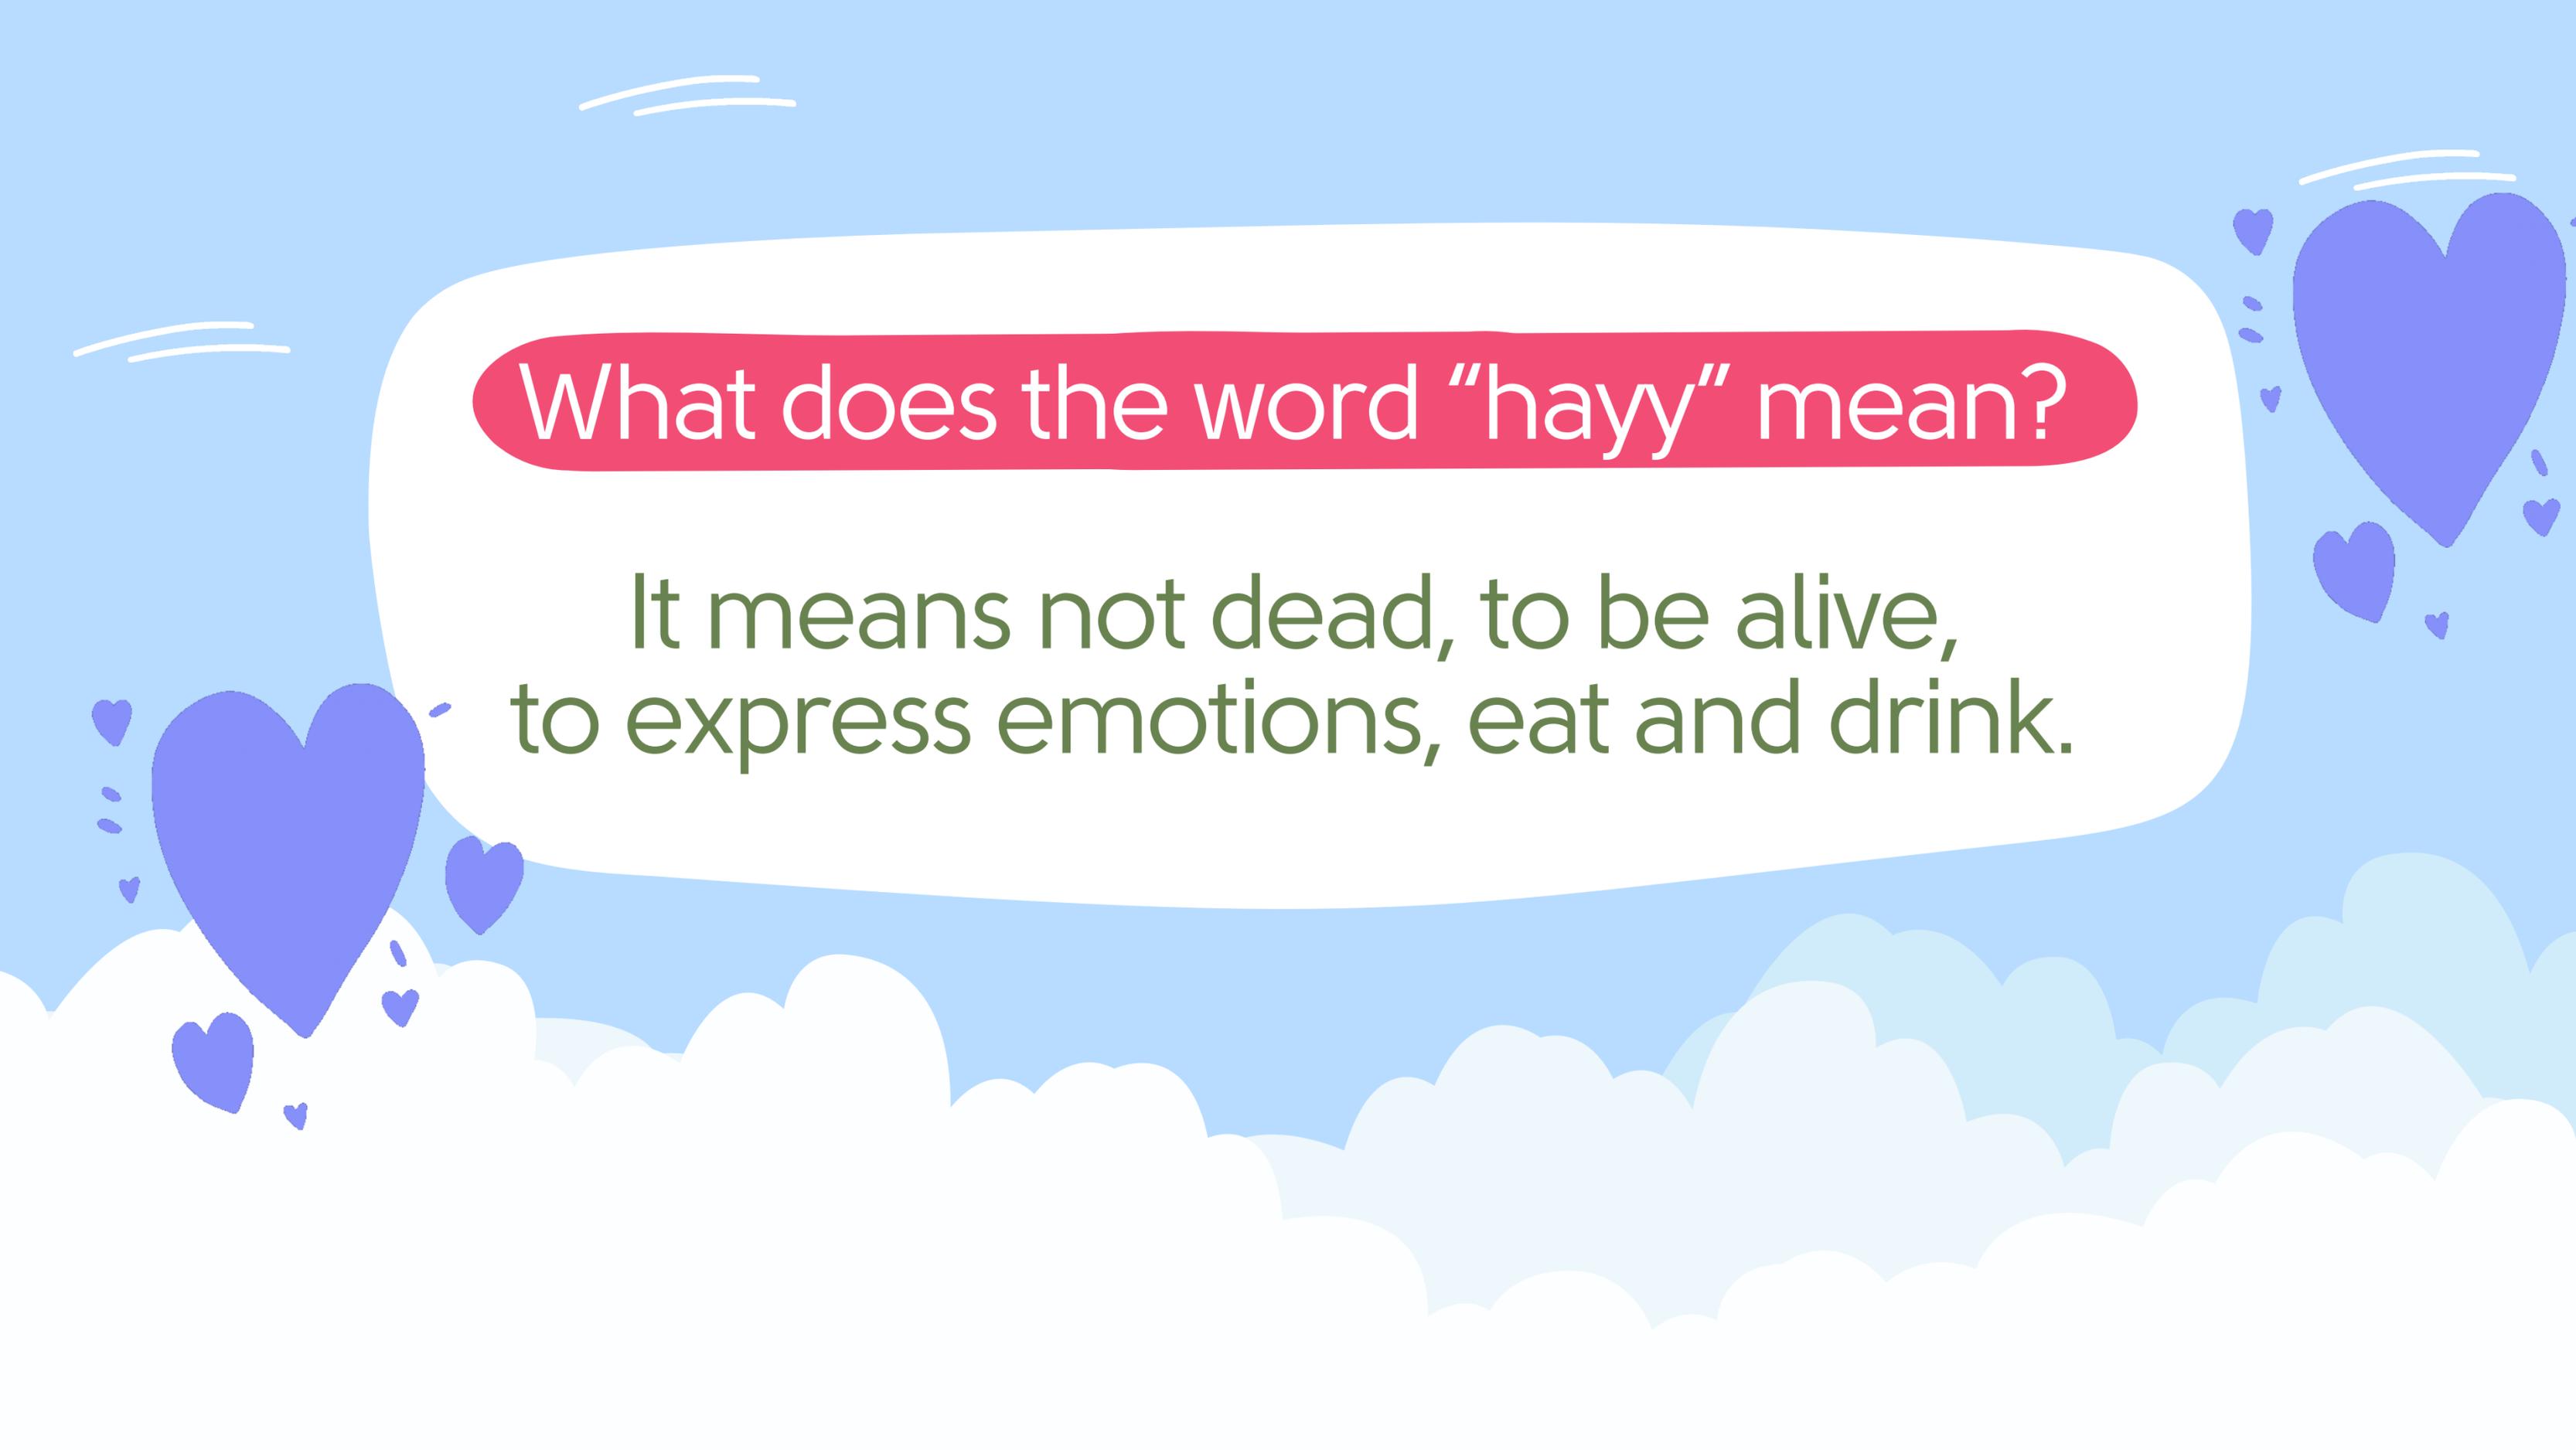

Welcome to the
GARDEN OF THE
NAMES OF ALLAH.

We learn the Names of Allah so that we live a good life. In this book we will learn the Name of Allah Al Hayy – The Ever-Living.

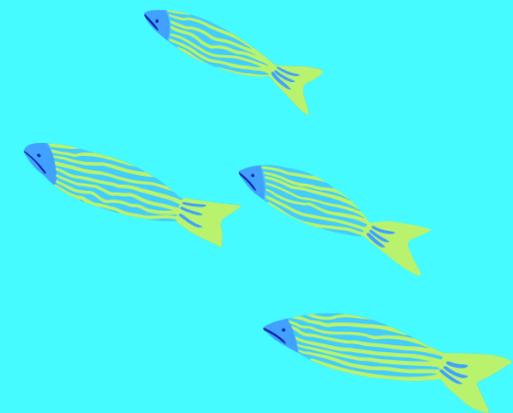

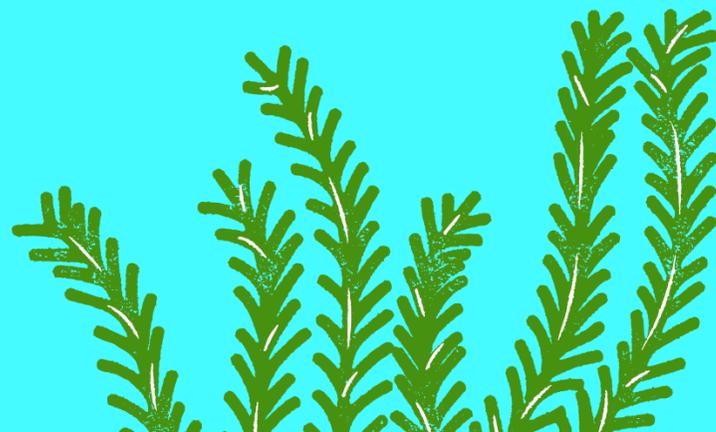

What does the word "hayy" mean?

It means not dead, to be alive,
to express emotions, eat and drink.

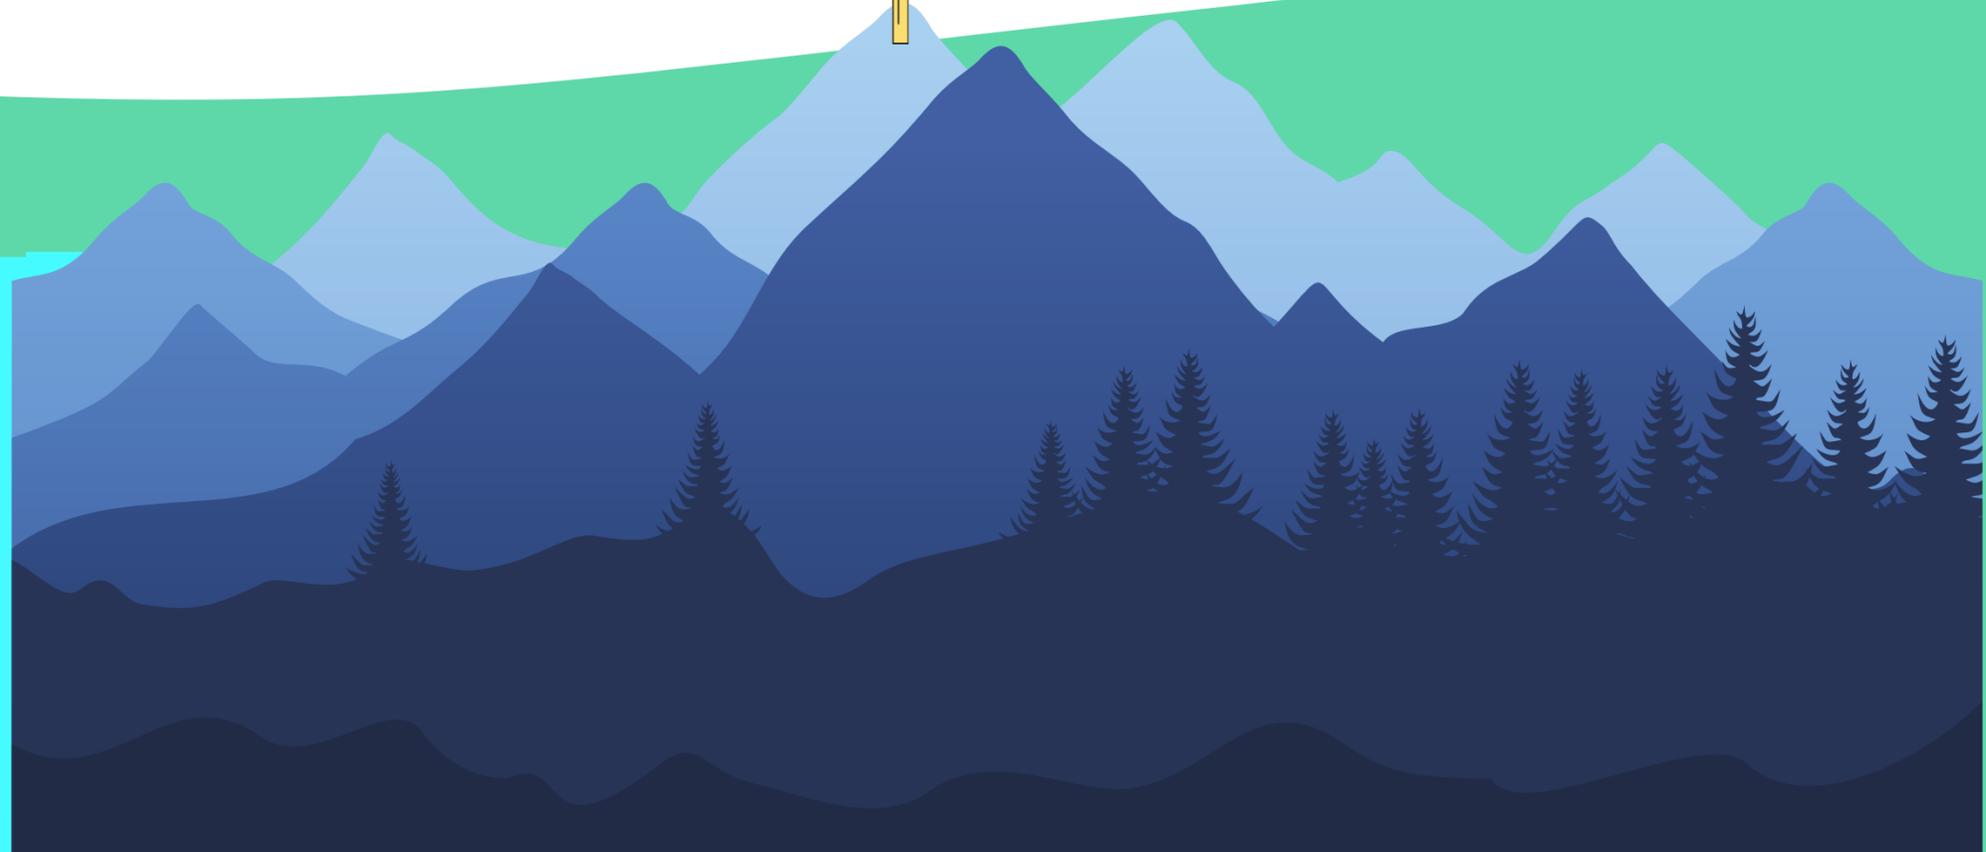

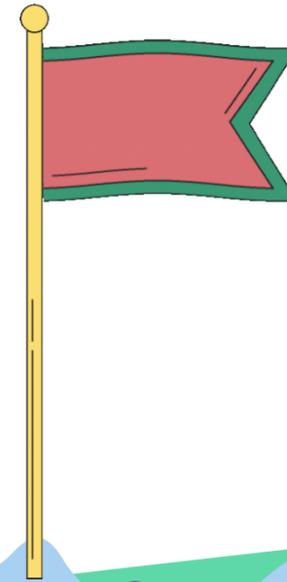

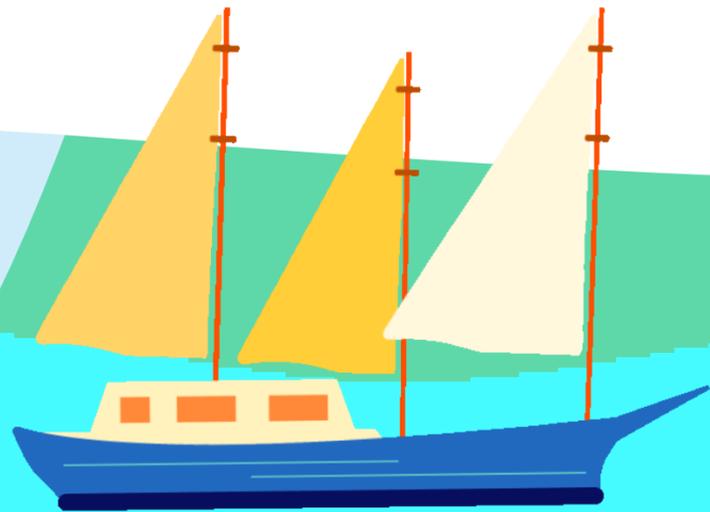

If a person doesn't eat or drink then they will die. And in this life we need oxygen to breathe. We can get tired and we need help from others.

Animals have a life and plants have a life, but their lives are different. The life of fish in the sea is different.

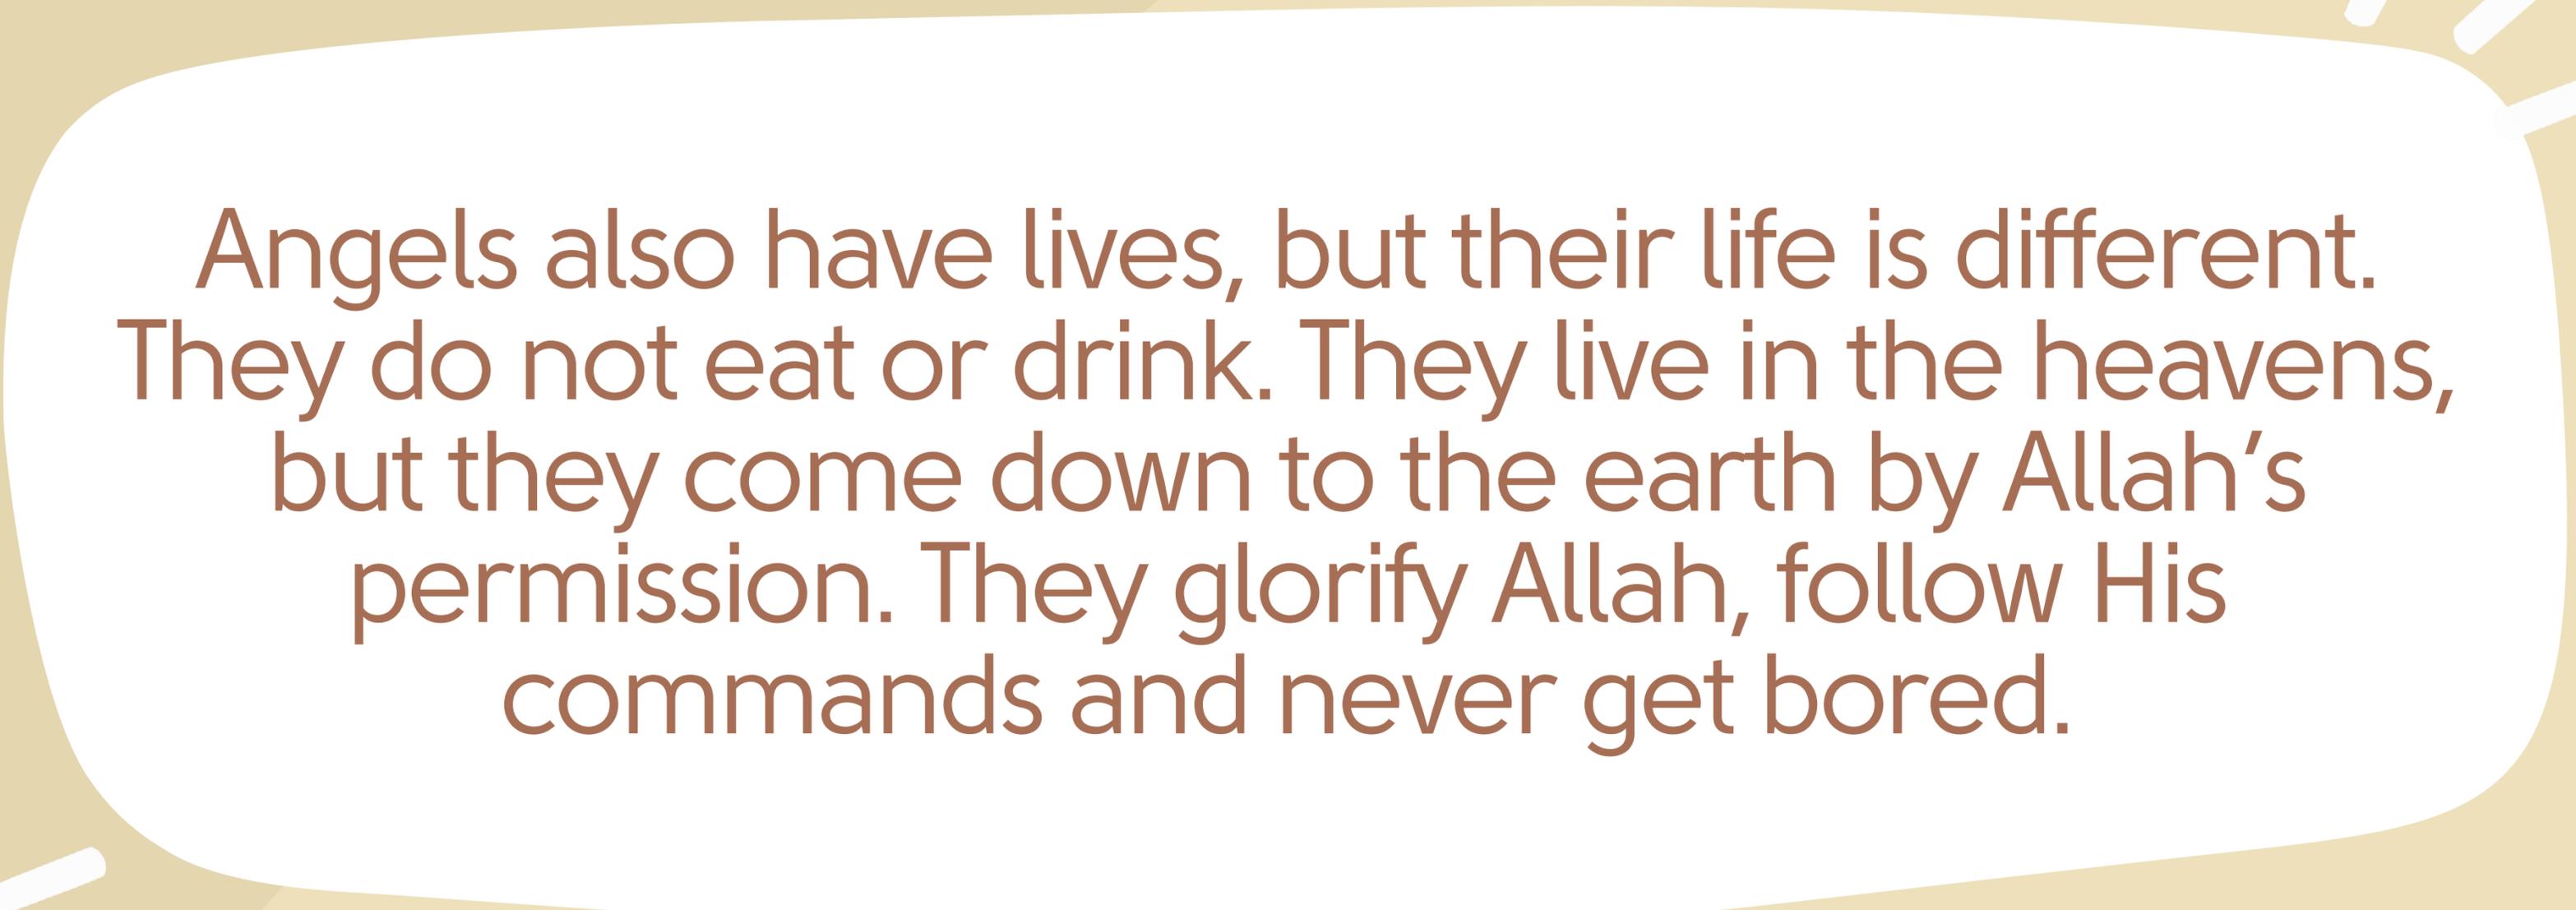

And there are people who
live up in the mountains
and some near the sea.

So animals, plants and humans
all have different lives.

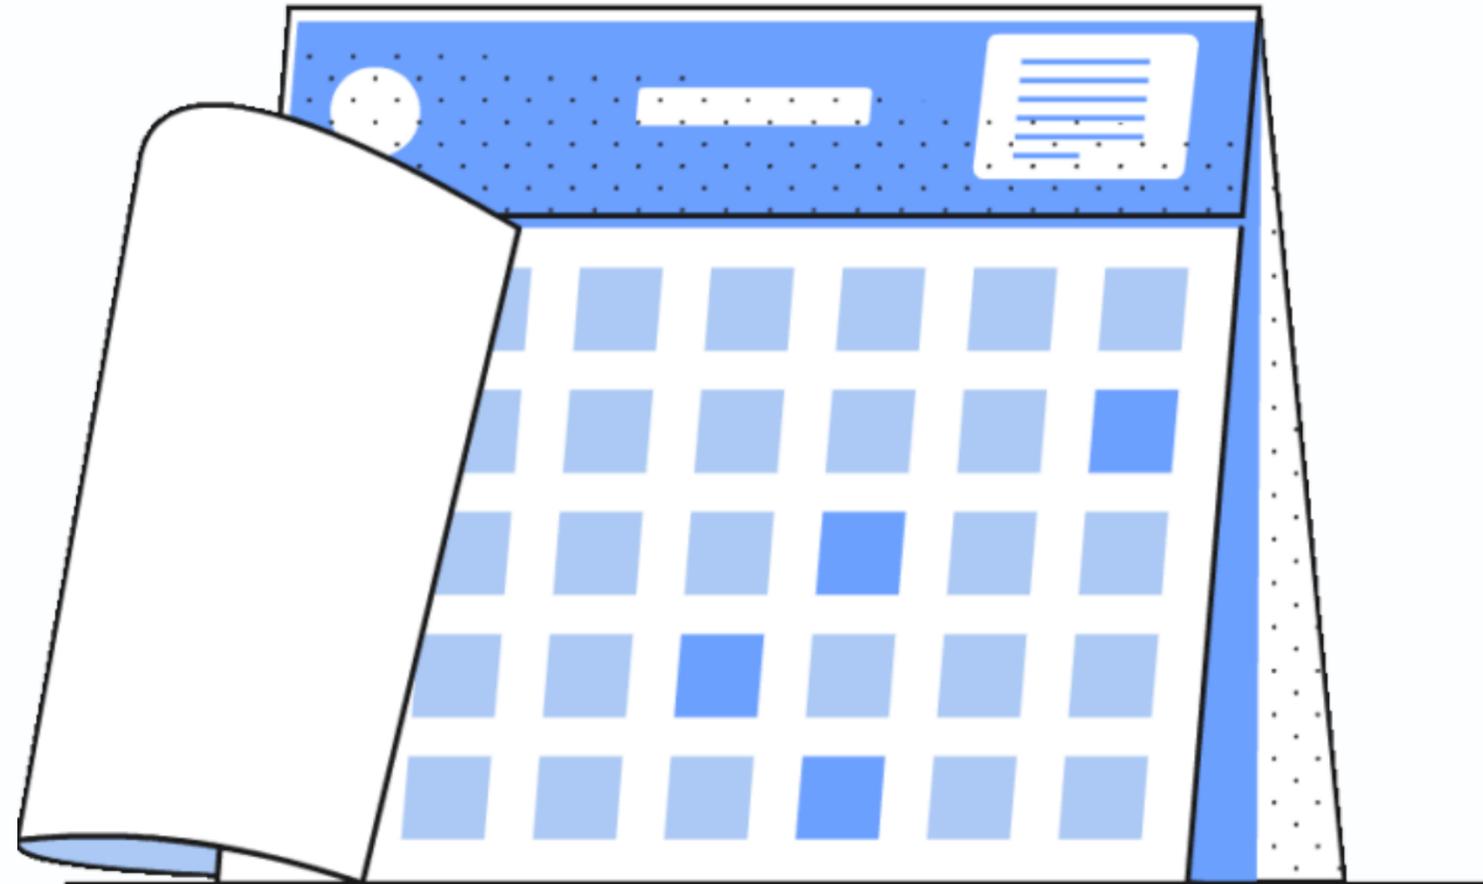

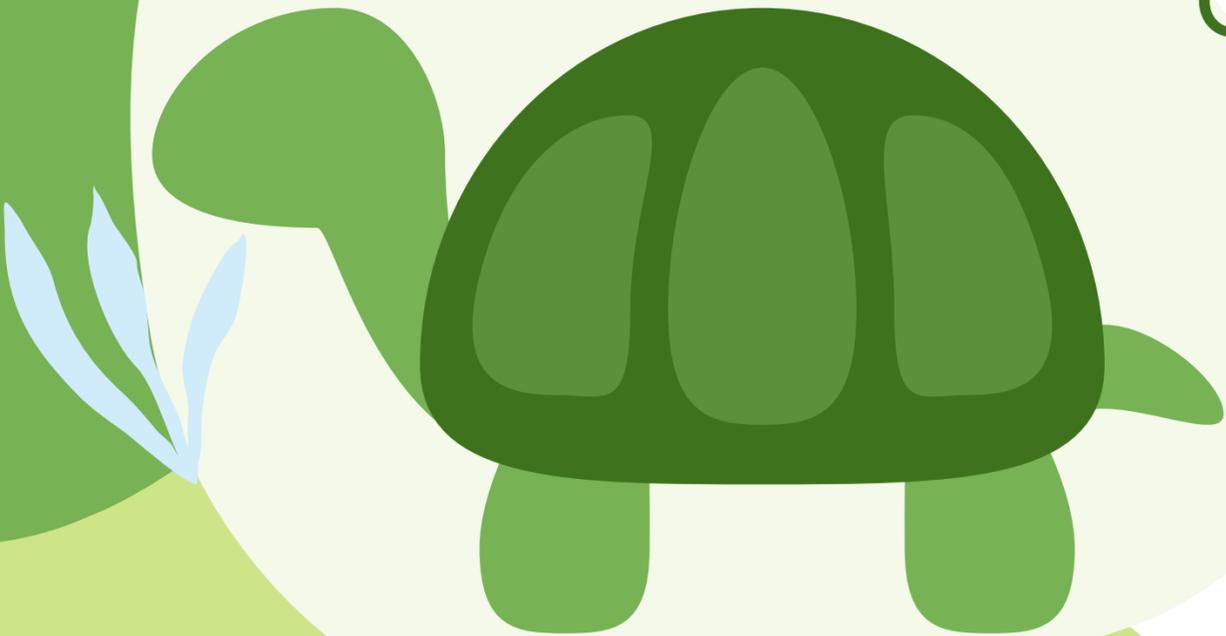

Angels also have lives, but their life is different. They do not eat or drink. They live in the heavens, but they come down to the earth by Allah's permission. They glorify Allah, follow His commands and never get bored.

The creation did not exist before and at one point their life will be end, so our life has a beginning and end.

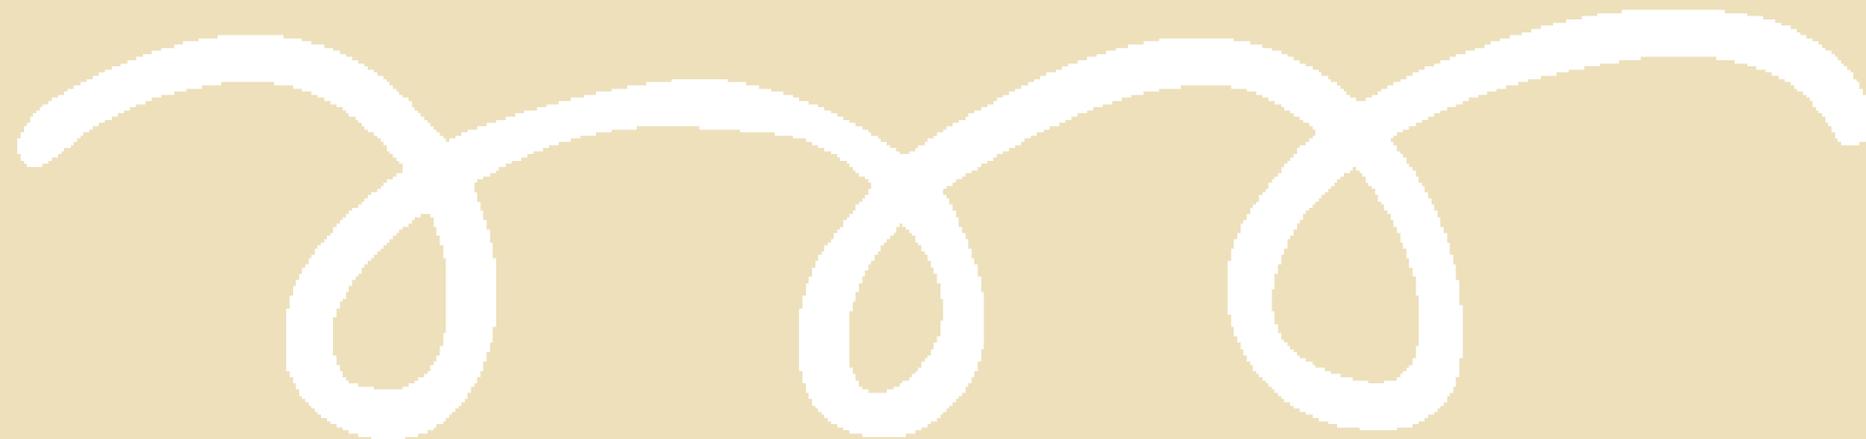

Some people might live up to ten years,
some thirty, some a hundred.
In the time of Nuh (عليه السلام), they would reach
hundreds and even thousands of years.

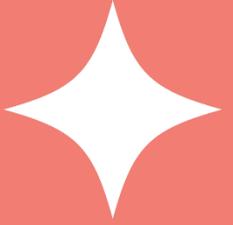

A turtle can live up to a hundred years, but an insect can live up to days. And this is all to show us laa ilaaha illa Allah (لا إله إلا الله).

How is the Life of Allah?
It is perfect and complete,
there are no shortcomings.

Allah Al Hayy – The Ever-Living
is always there, He was never not there.
He is always there before and always after.

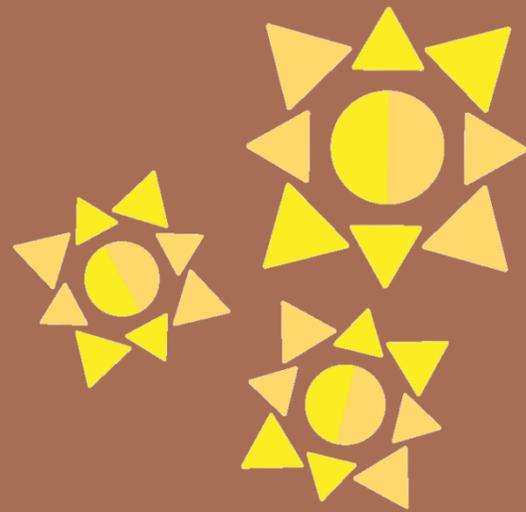

THE LIFE OF ALLAH

does not get affected. We can get affected in life with the different seasons and temperatures.

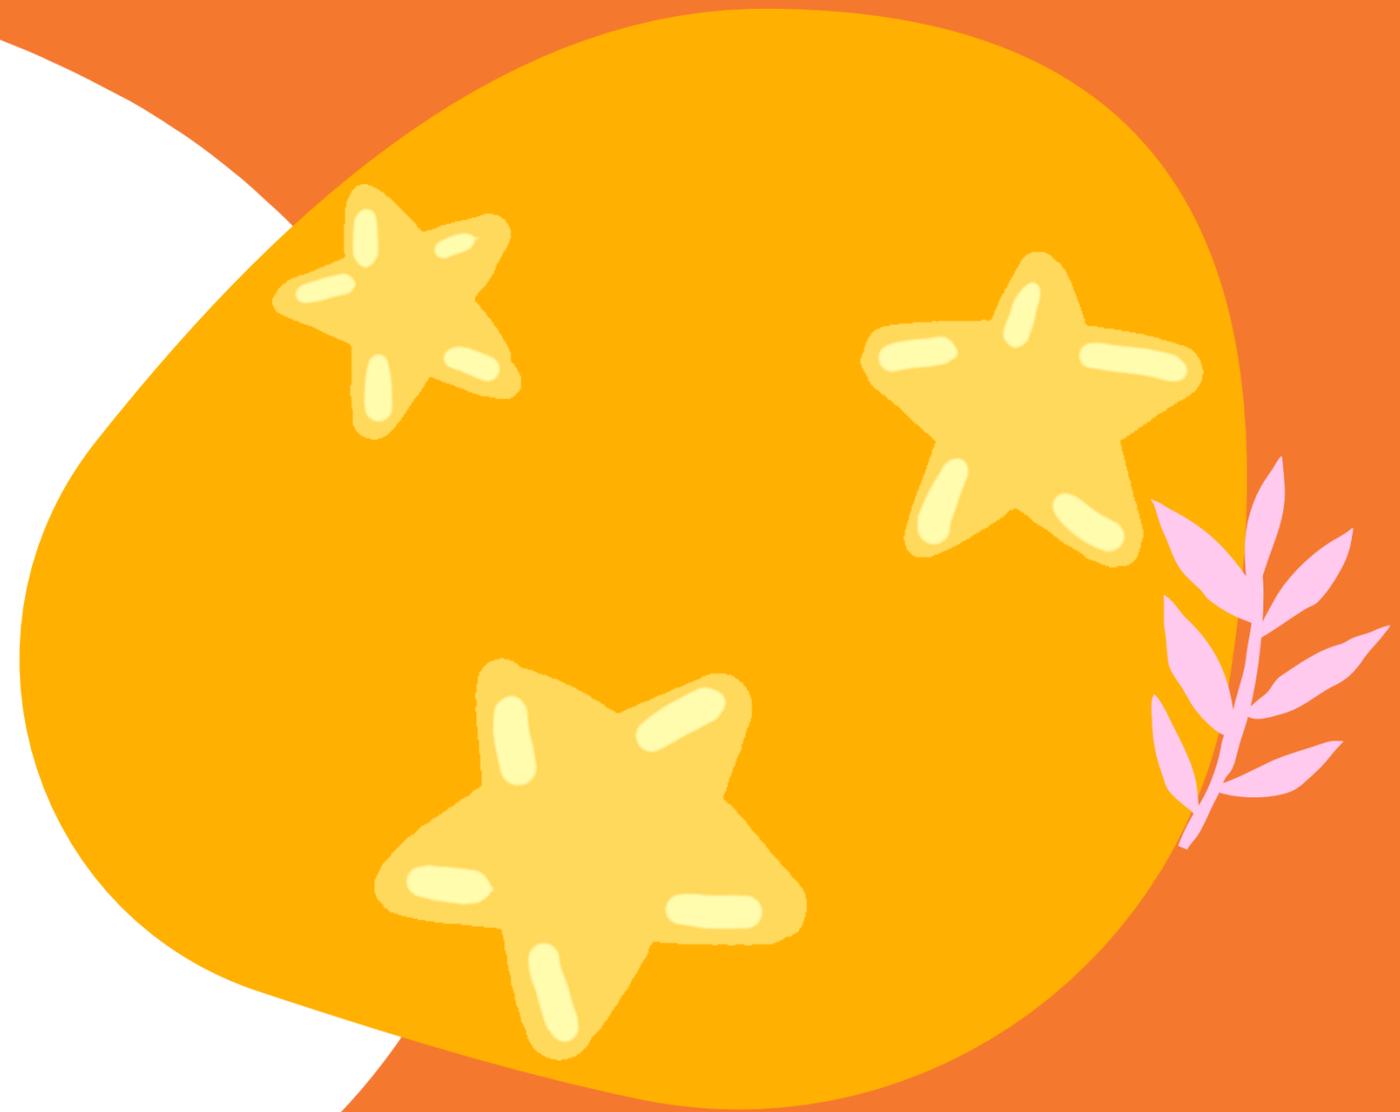

Allah does not need food or drink. He does not need a mother, father, child, partner or wife. His life is complete and He does not need anyone.

Allah's hearing, seeing and all His attributes are perfect. He hears everything and no one needs to tell Allah anything.

We can get affected when someone speaks against us, but Allah does not get affected when others insult Him.

His Life does not get affected
when others worship Him or not.

Everything perishes and goes away
in this life except Allah.

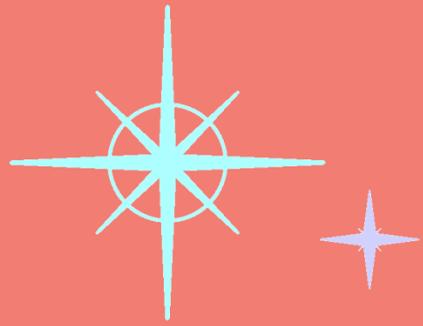

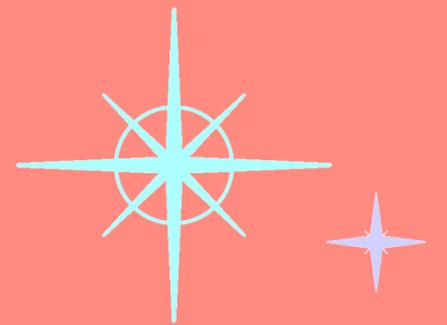

Allah never sleeps
and never dies and
His life is perfect.

We all want to live a good life and that is when we believe in Allah and do good deeds.

A good life is when we worship Allah
because He is the Ever-Living.

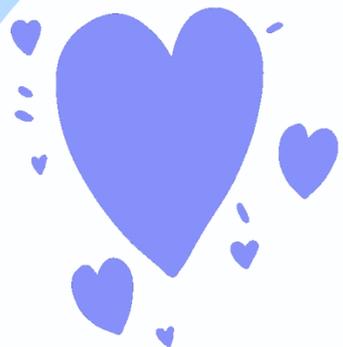

We will have a perfect and complete life in jennah. So with Allah Al Hayy, we will have a good life in this life and the next.

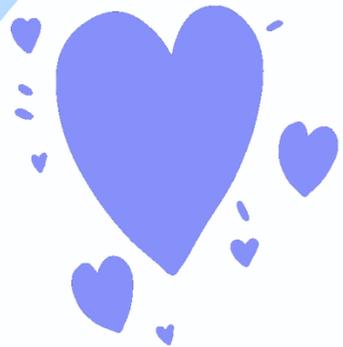

WHEN WE BELIEVE IN
ALLAH AL HAYY...
WHAT SHOULD WE DO?

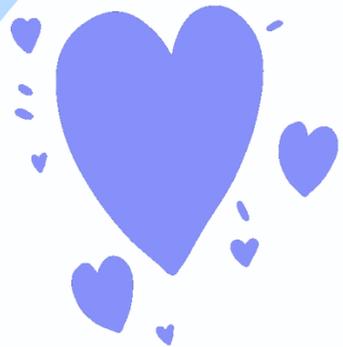

We ask Allah to give us a life free of sickness, free of worries and free of sadness. And if we face sickness, we ask Allah to give us cure after sickness. And if we face sadness, we ask Allah to make us happy after being sad, And if we face worries, we ask Allah to give us comfort after our worries.

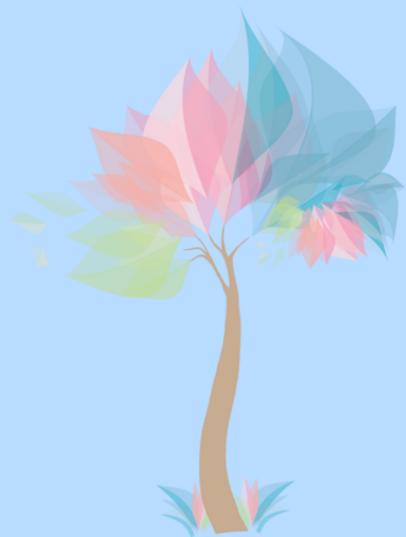

We ask Allah to give us a good
and eternal life in jannah.

Knowing Allah Al Hayy will make us
always trust and depend on Him.
