Garden of the Names of Allah AL HAMEED

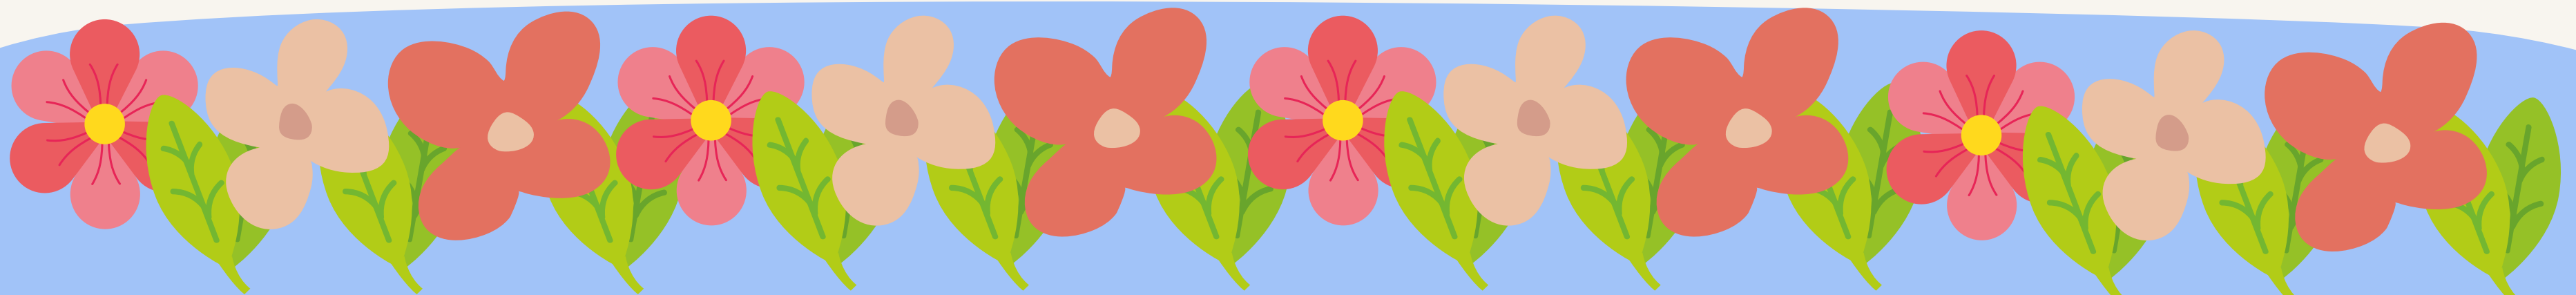

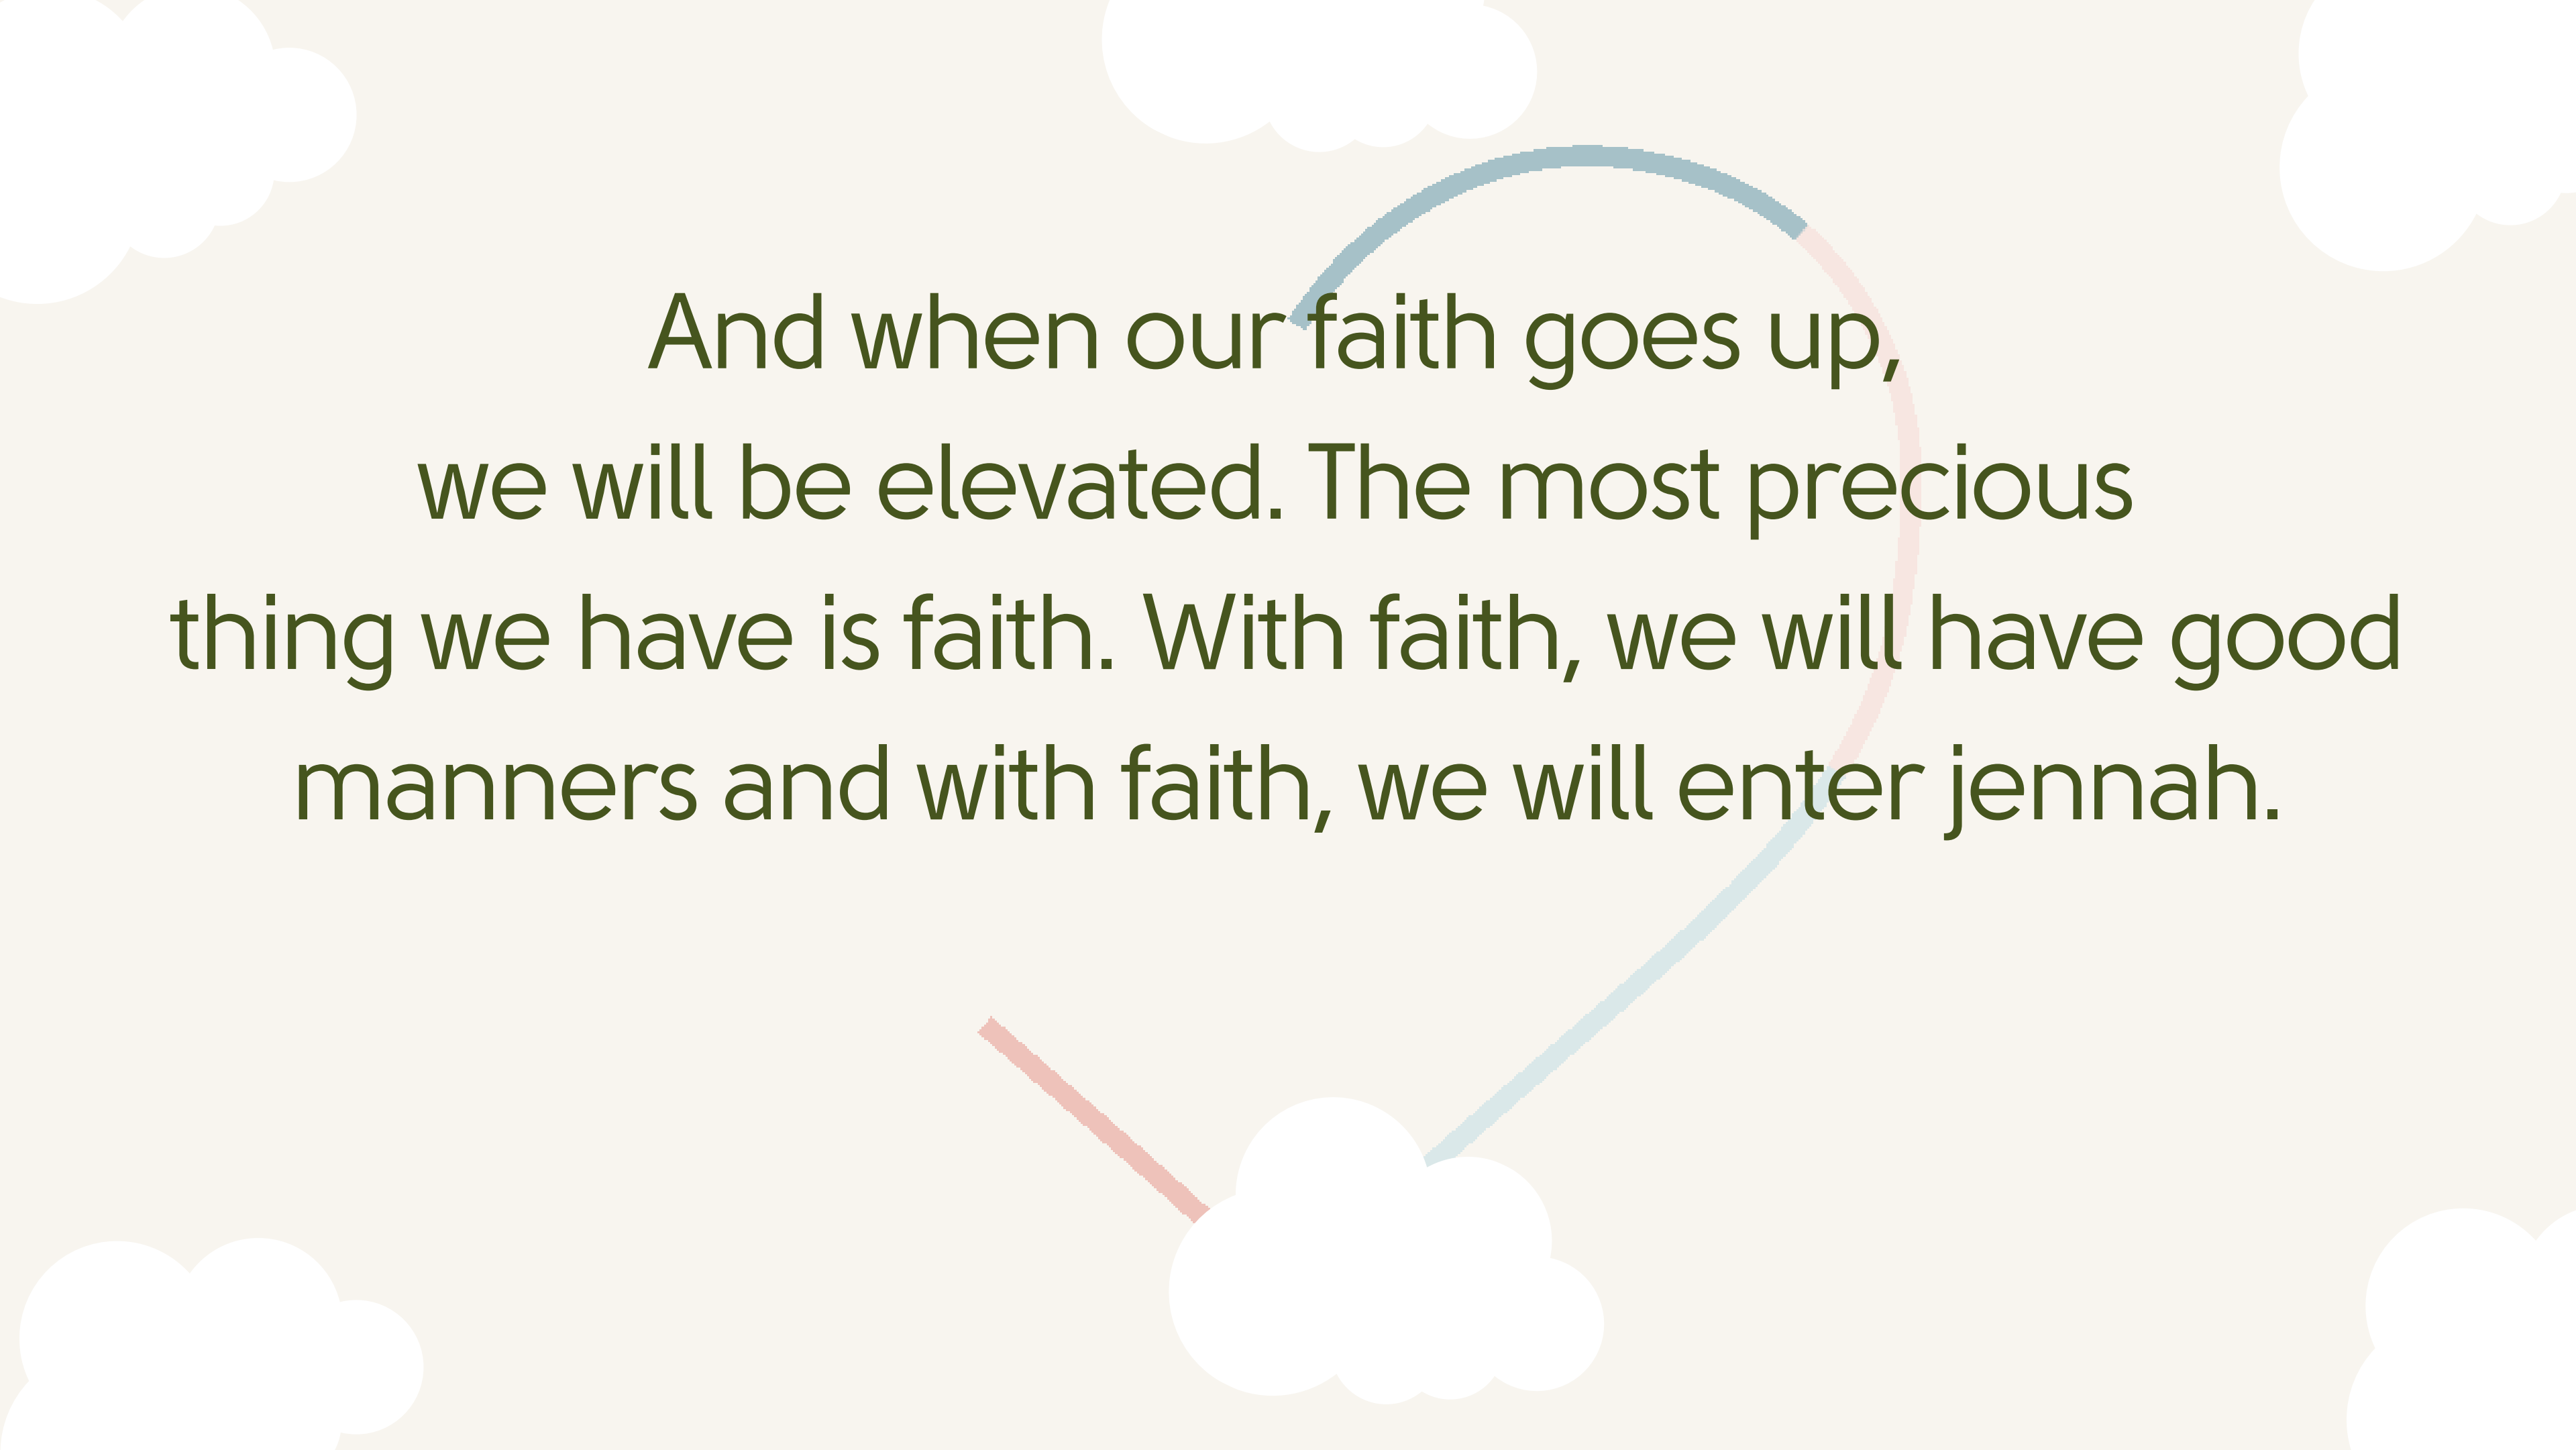

Welcome to the
GARDEN OF THE
NAMES OF ALLAH.

We learn about Allah so that our belief in Him increases. Faith goes up and down and when we talk about Allah, our faith will go up, and when we do not talk about Him our faith will go down.

When our faith goes up, then we will love
to pray, recite the Qur'an and learn. 
And when our faith goes up, our manners
will be very good with others. That's why
learning about Allah is so important so
that our faith goes up.

And when our faith goes up,
we will be elevated. The most precious
thing we have is faith. With faith, we will have good
manners and with faith, we will enter jannah.

In this book will learn the name of Allah

AL HAMEED

The Most Praiseworthy.

Now we will learn the meaning of

“alhamdulillah”

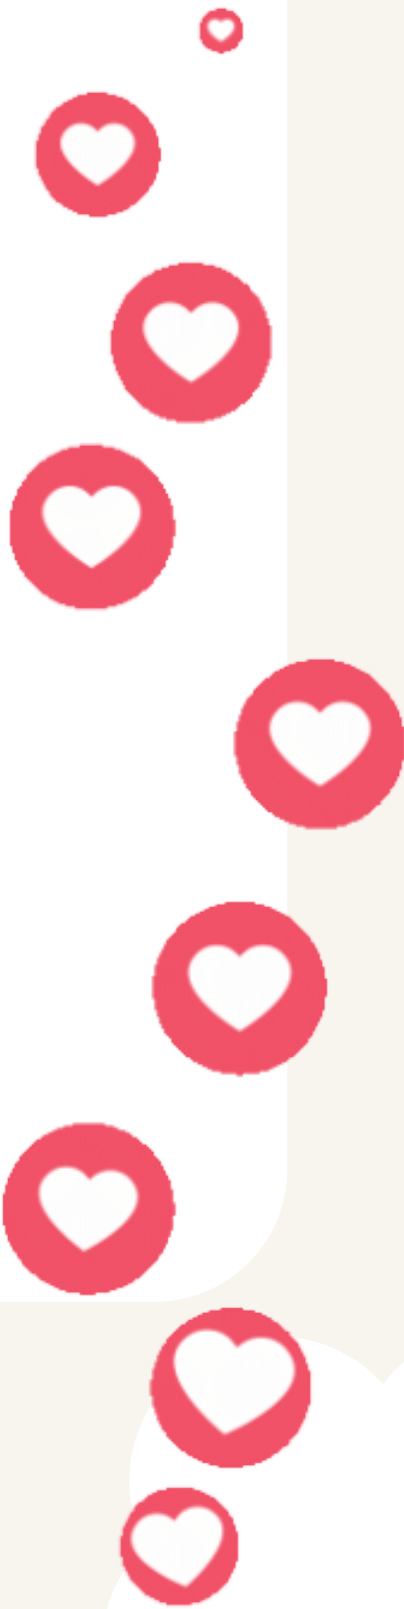

all praises are due to Allah.

It means Allah decreed everything

and we praise Him for it.

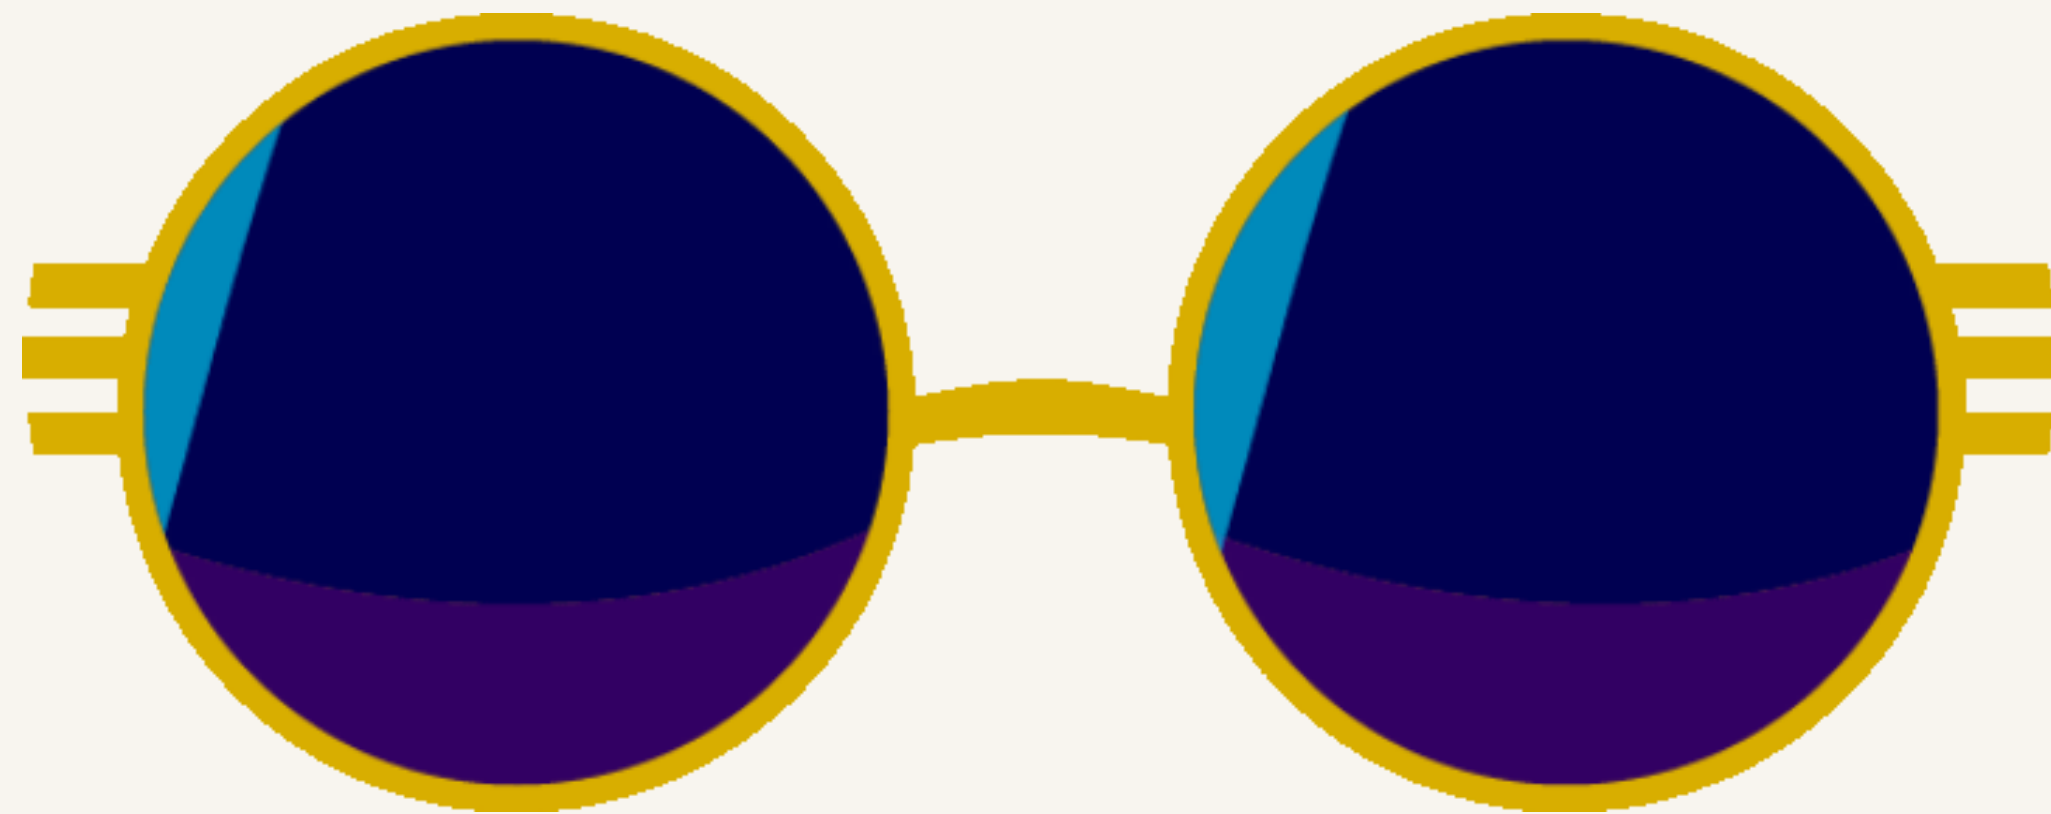

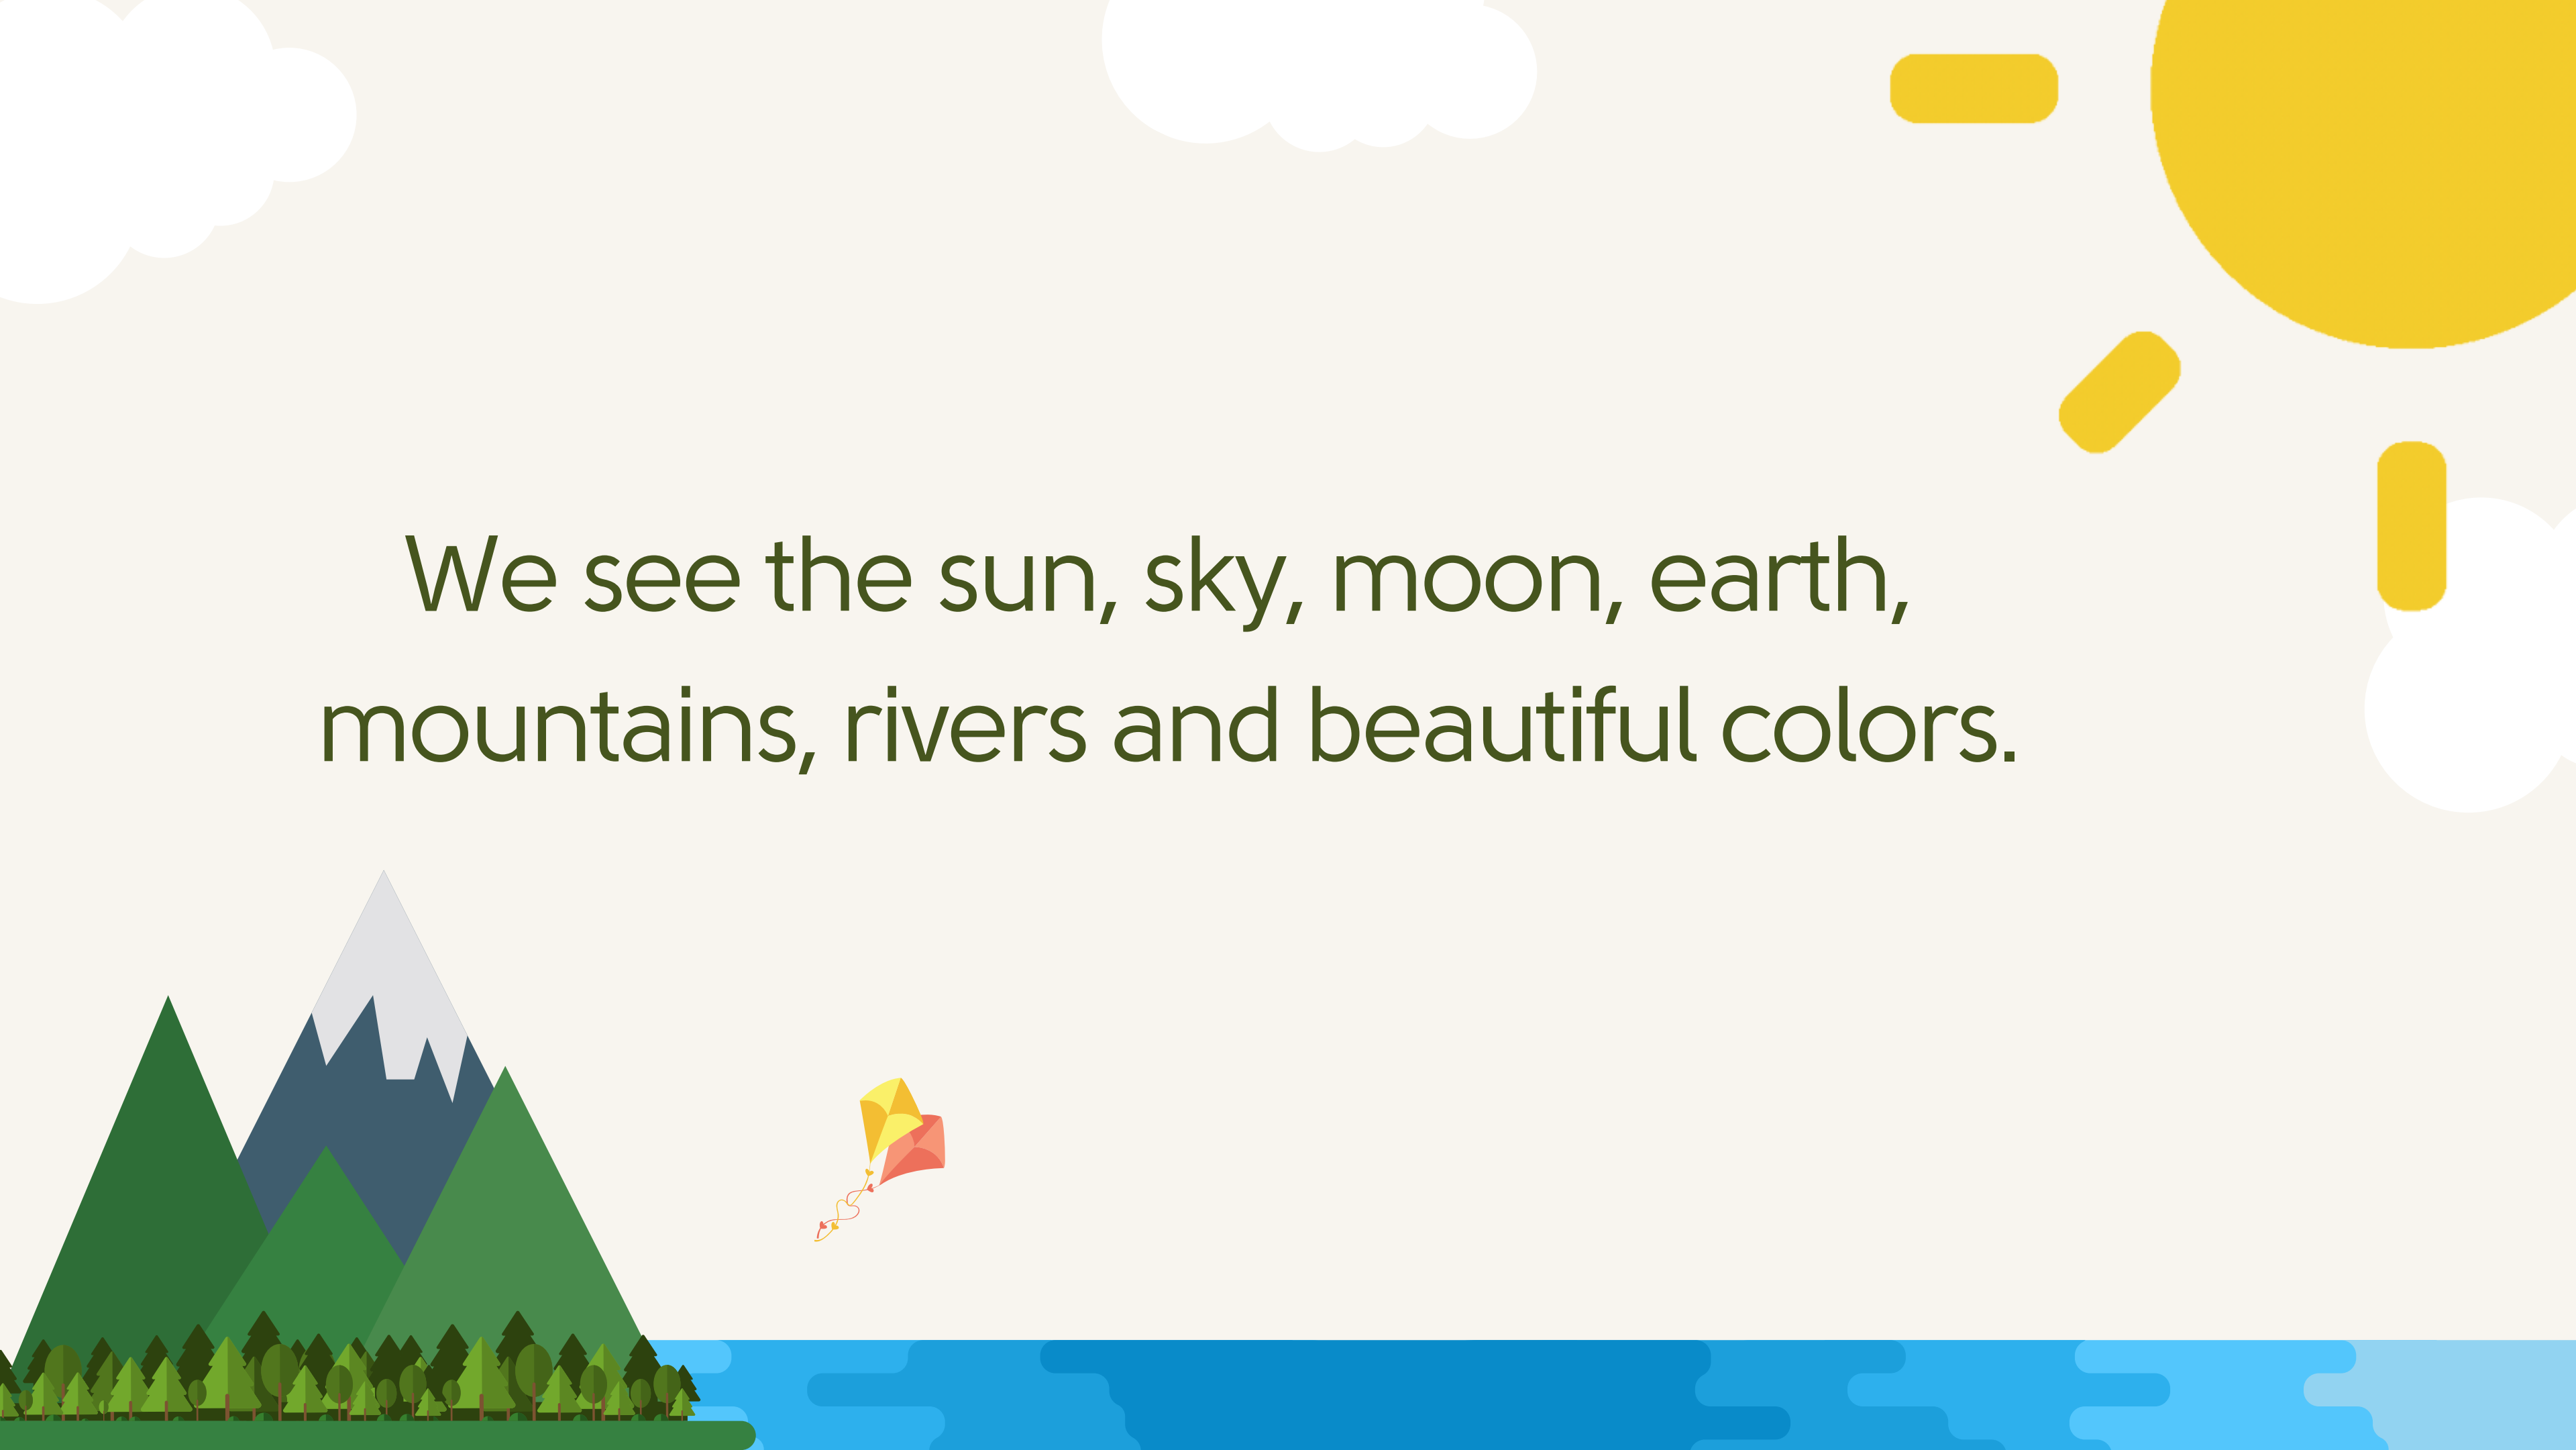

This means our heart knows everything is all from Allah and not from anyone else. We praise Allah because He is perfect and there is no line like Him. He provided us and gave us everything and we always want to say "alhamdulillah."

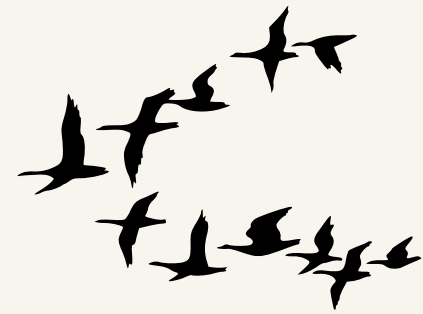

Allah is Al Hameed and we praise Him.
All the blessings we see and do not see
are all from Him.

What are some the blessing we see?

The background features a bright yellow sun in the top right corner, partially obscured by a white cloud. Several white clouds are scattered across the sky. In the bottom left, there are green mountains with a grey peak, and a blue river flows across the bottom. A colorful kite is flying in the sky. The text is centered in a dark green font.

We see the sun, sky, moon, earth,
mountains, rivers and beautiful colors.

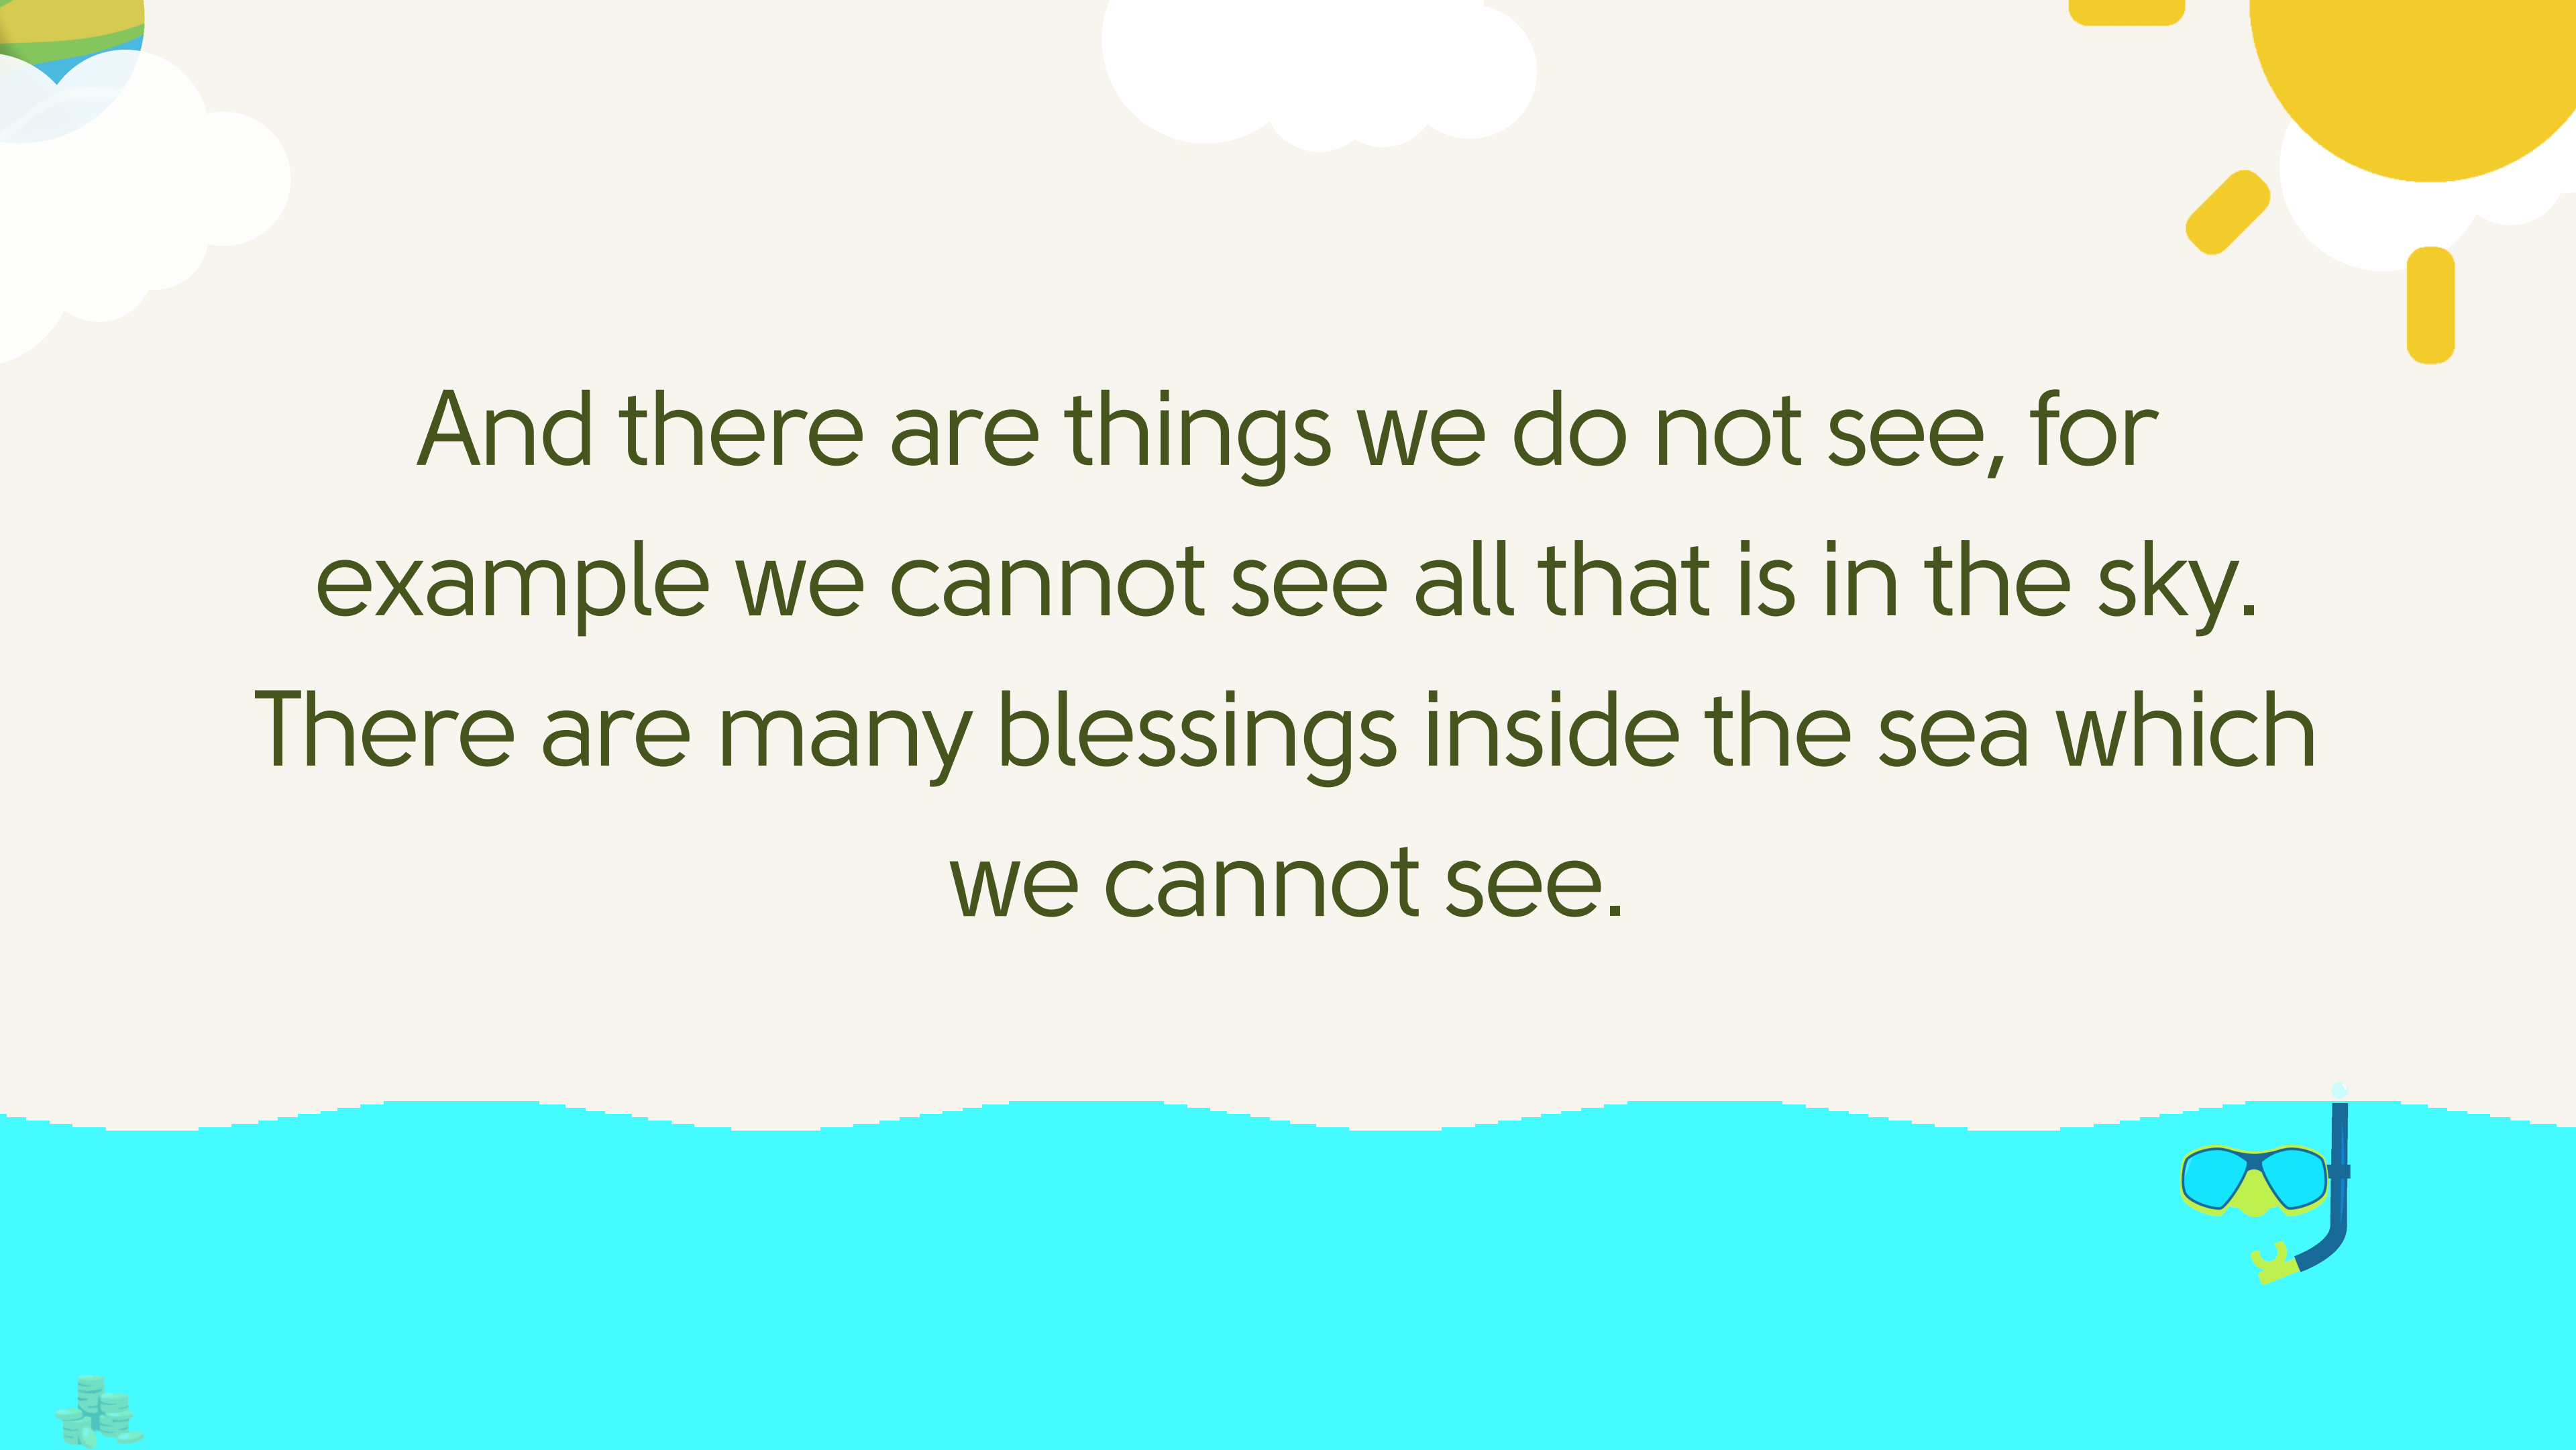

And the sky is different from the earth.
We live on the earth, but there are birds
that fly in the sky.

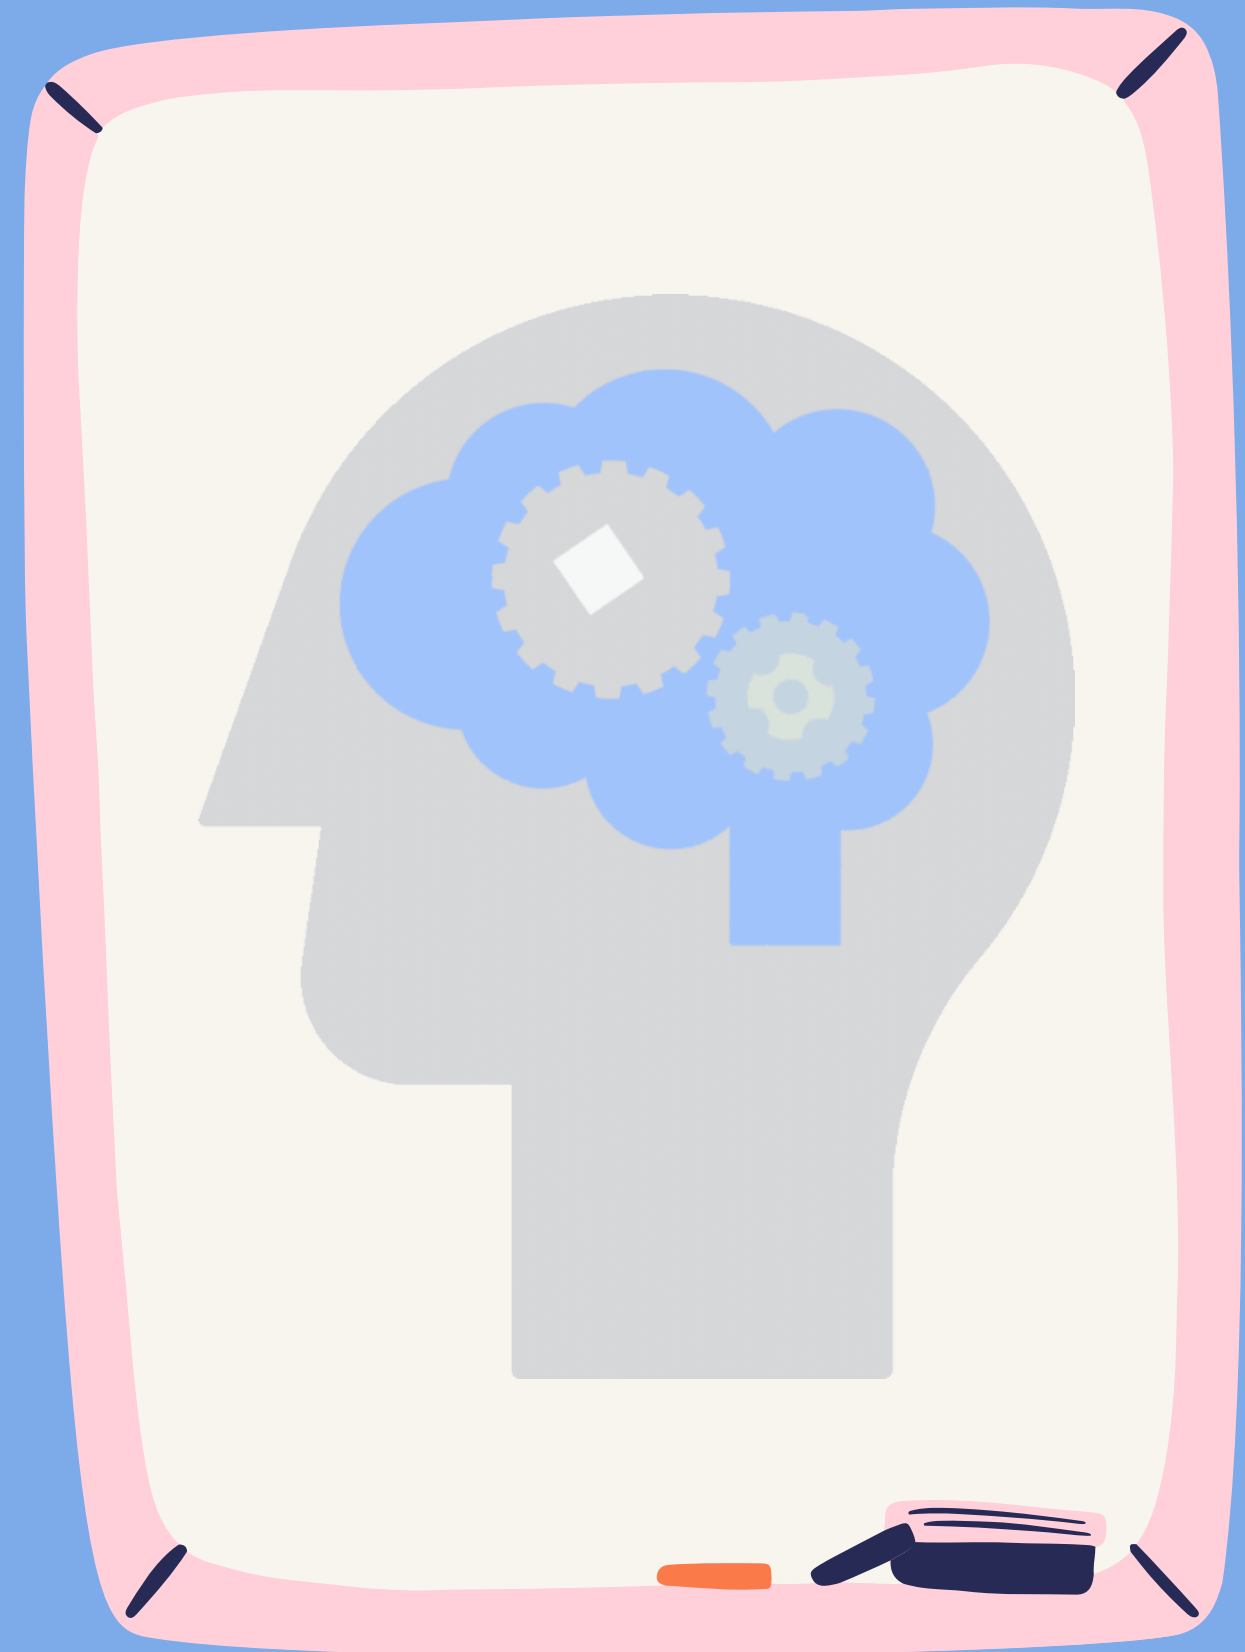

We see people, we see our
mother, father and friends,
and it is Allah Who gave us.
We praise Him for all the
blessings we see.

The background features a light beige sky with a large yellow sun in the top right corner, several white clouds, and a bright cyan sea at the bottom. A scuba diver's head and snorkel are visible in the water on the right side. In the bottom left corner, there is a small stack of gold coins.

And there are things we do not see, for
example we cannot see all that is in the sky.
There are many blessings inside the sea which
we cannot see.

There are things inside our body which we cannot see such as our heart, lungs and brain, but we praise Allah for all the apparent and hidden blessings.

Allah Al Hameed answers us
when we ask Him.

Sometimes we don't know
that we want a certain thing,
but Allah Al Hameed will give
us things, even if we do not
ask Him.

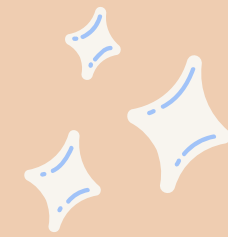

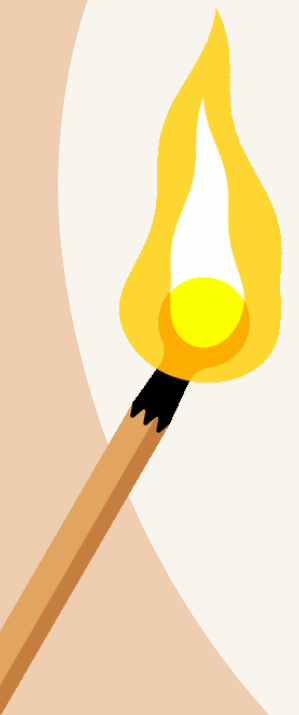

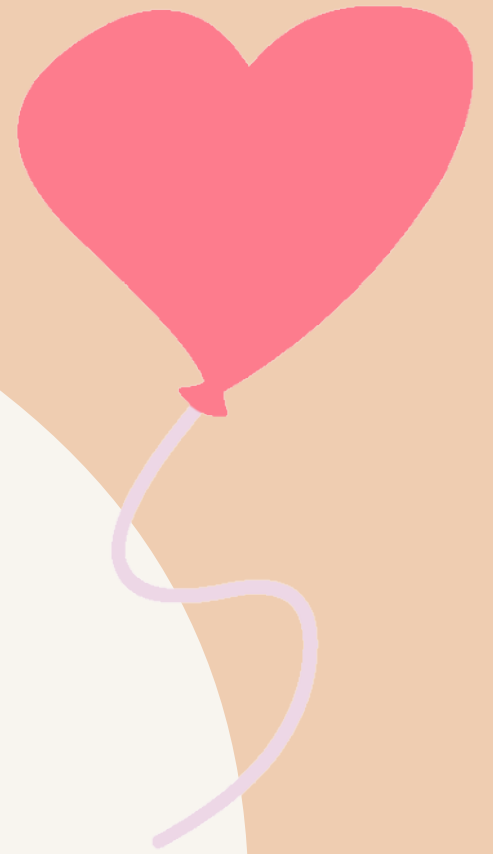

Allah Al Hameed
gives us so that we
praise Him for everything.

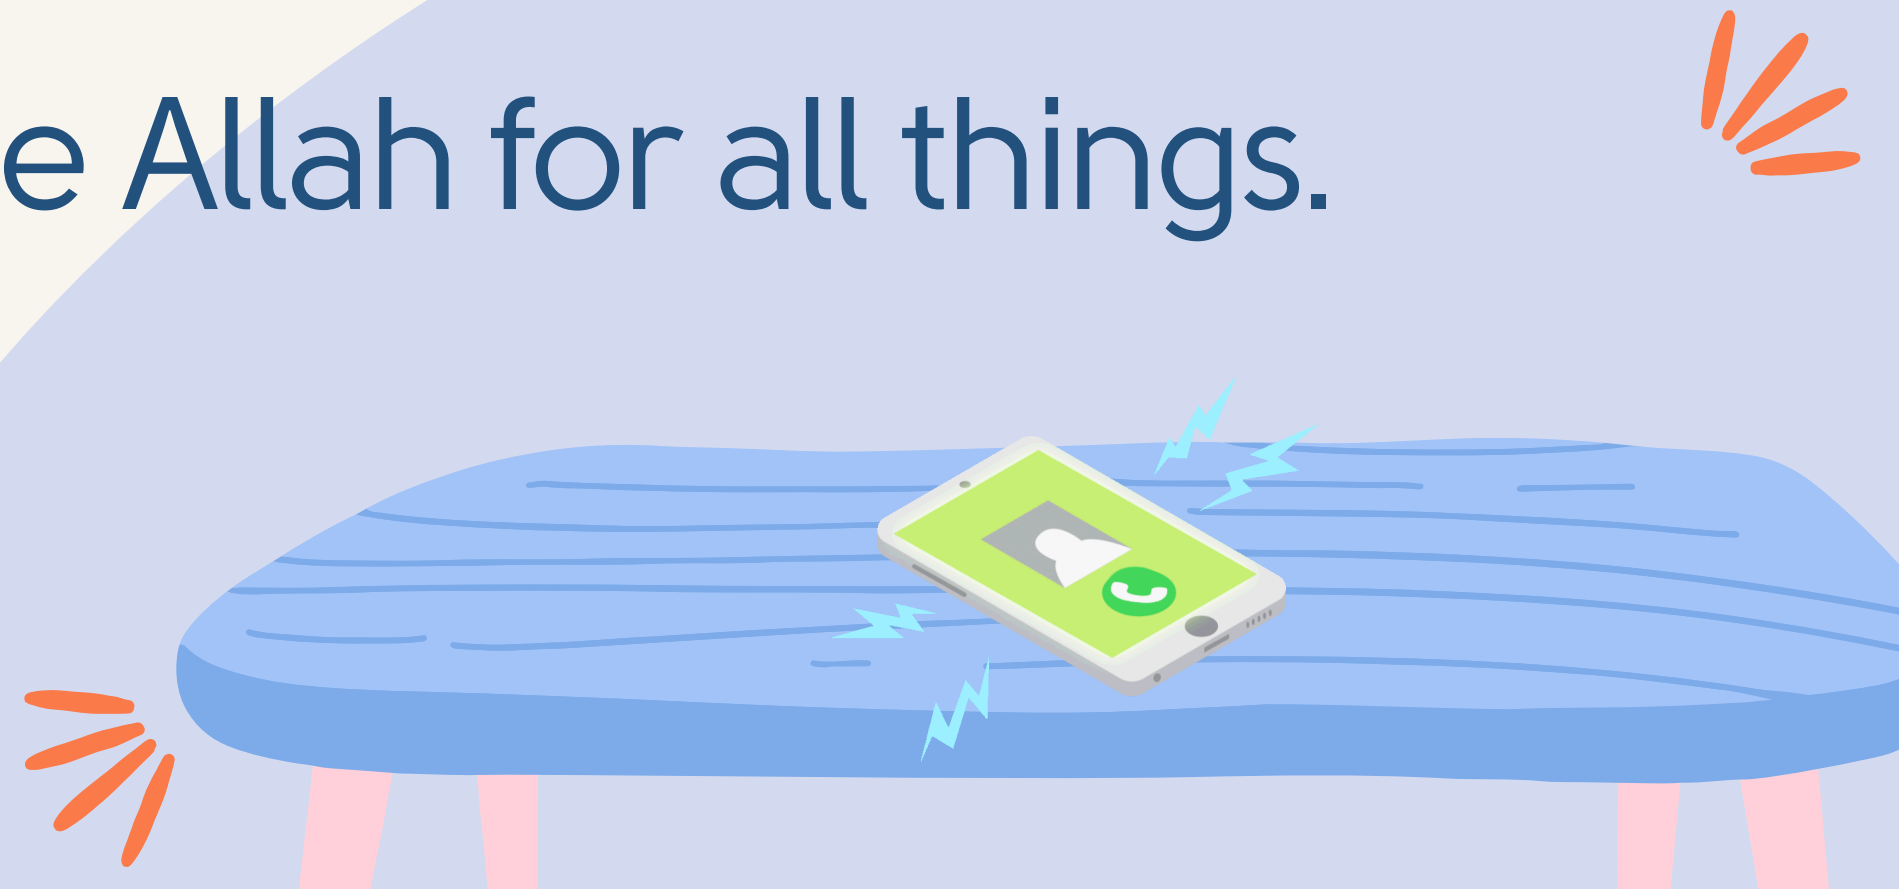

Sometimes there is an evil which we do not know about it, but we praise Allah and He will push away the harm we cannot see.

All praises are due to Allah.
There might be a good thing which we do not know about, but Allah will bring it to us, and there can be some evil we do not know about, but Allah pushes it away from us. So we praise Him all the time.

Sometimes we go through something difficult in our life, or we hear something disturbing, or someone disturbs us, but for anything that happens, we still praise Allah and say alhamdulillah because for sure there is goodness. And we praise Allah for all things.

Allah Al Hameed guides us to learn. He guides us to do good and to stay away from sins. And even if someone wants to sin, Allah Al Hameed will protect them from doing it.

Allah Al Hameed
makes us believe in Him
and love Him.

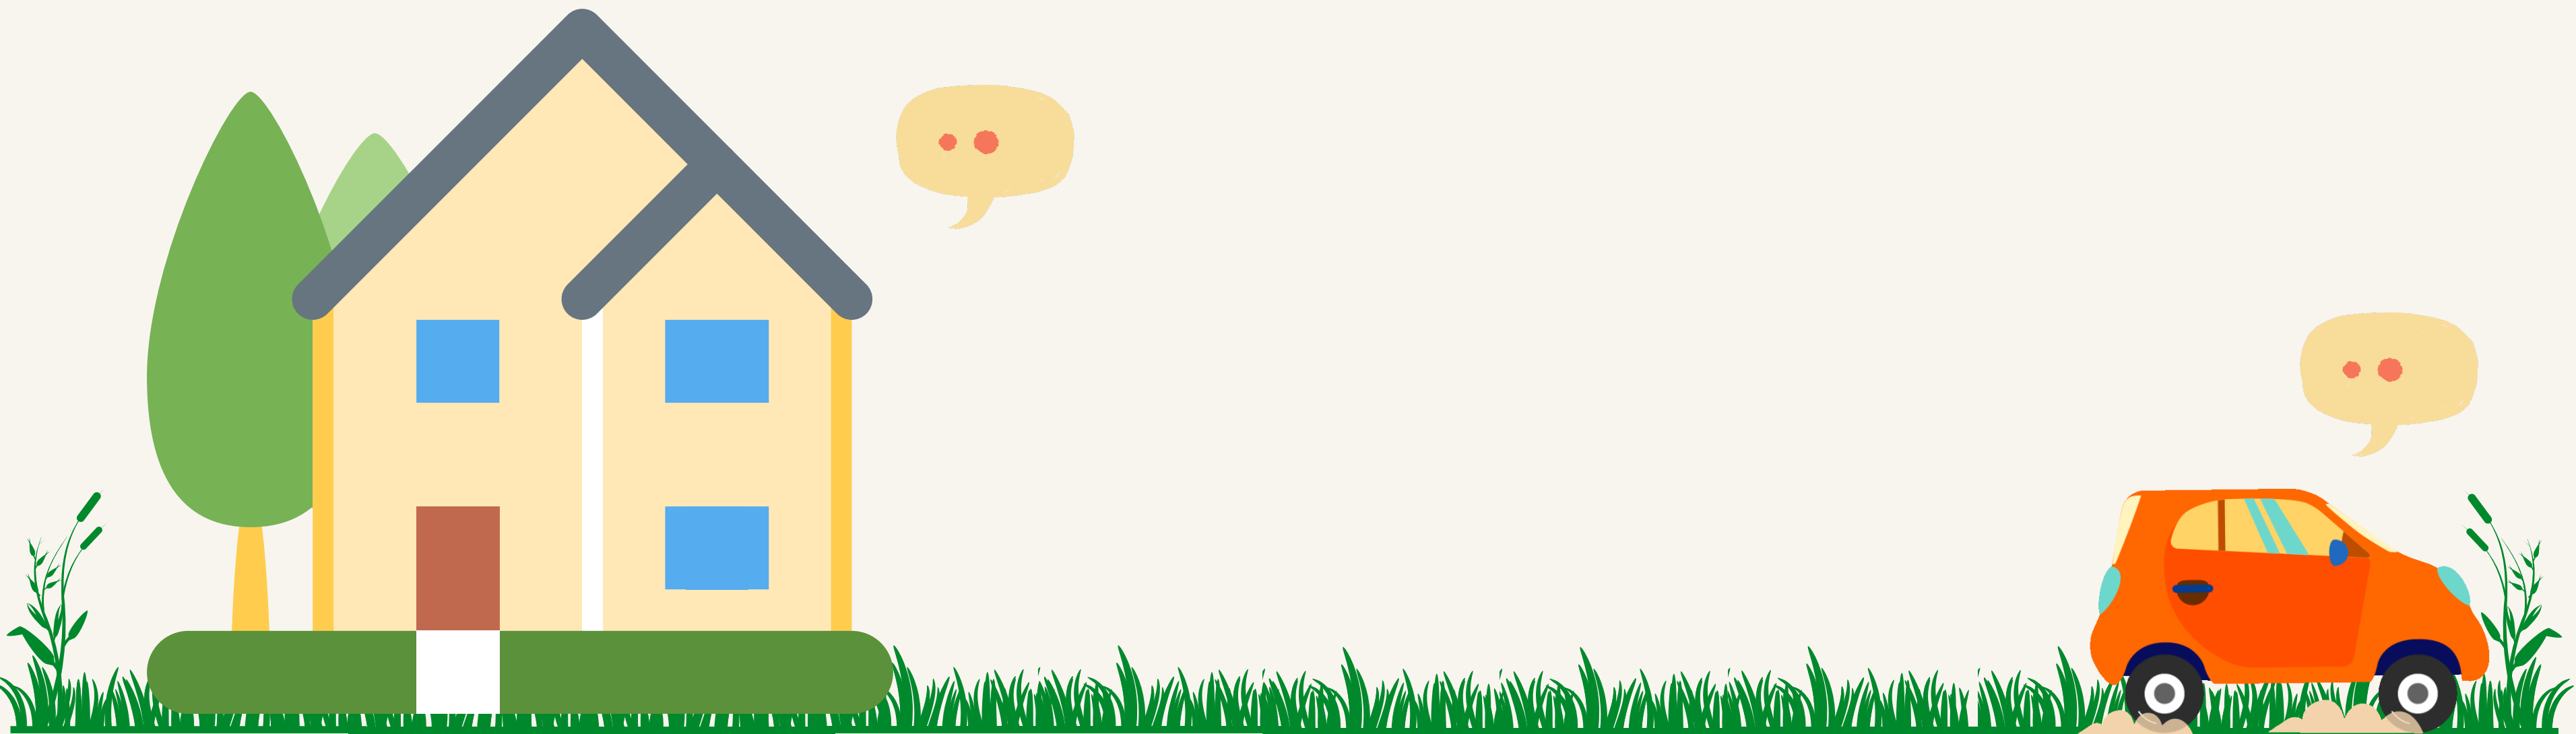

So all blessings whether for the duniya or deen are all from Allah Al Hameed, so we praise Him all times and for all things.

We praise Allah for our life, for Islam,
for our Rabb being Allah, for our
Messenger being Mohammed (ﷺ).

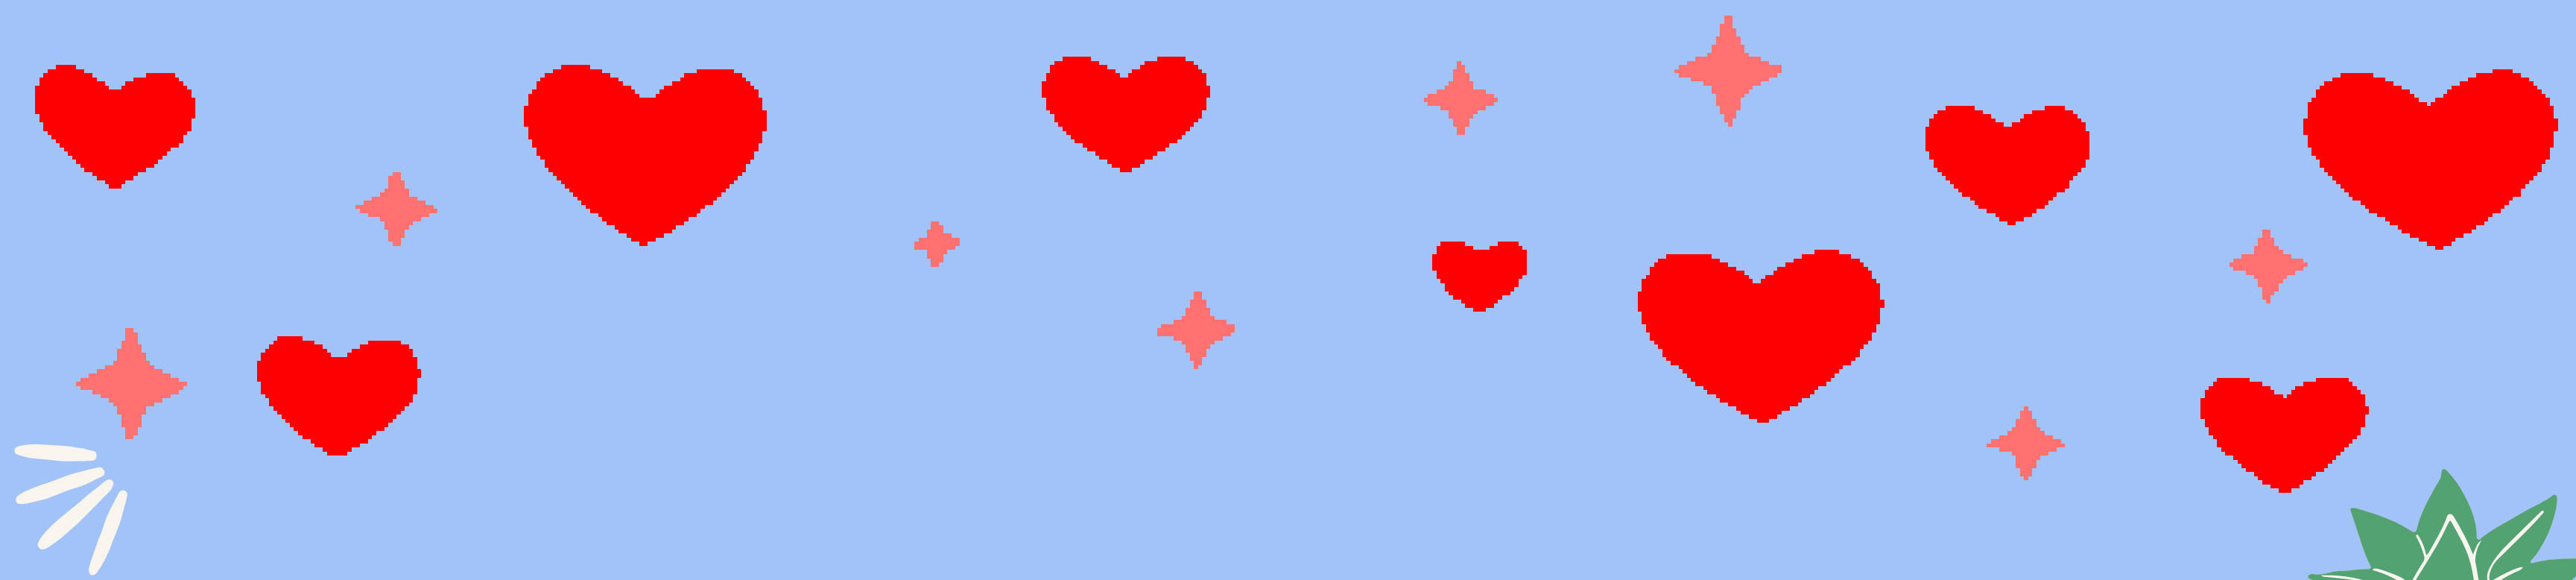

We praise Allah for giving us money,
a home and a car. And if there is something we
do not have, we still praise Allah and ask Him
for all good things.

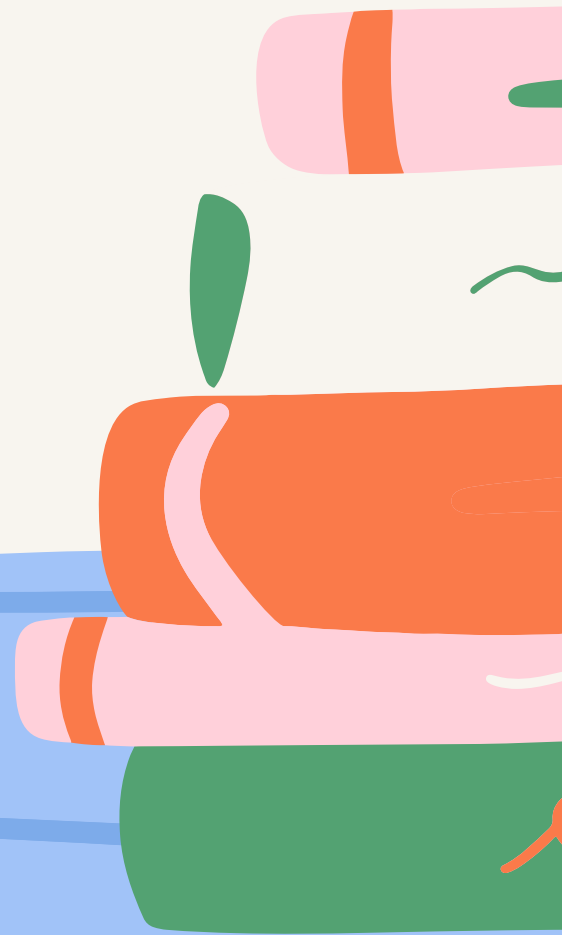

With Allah Al Hameed, we will always think of all good. Even if there is something we do not know, Allah Al Hameed is perfect and there is nothing like His Most Beautiful Names of Allah.

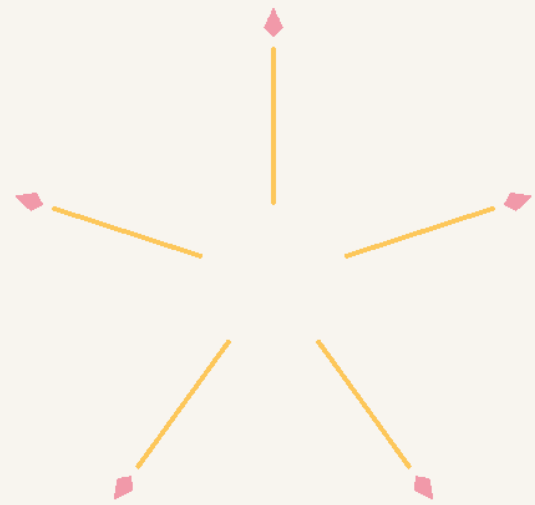

Allah has no shortcomings or faults
and we praise Him for all times.

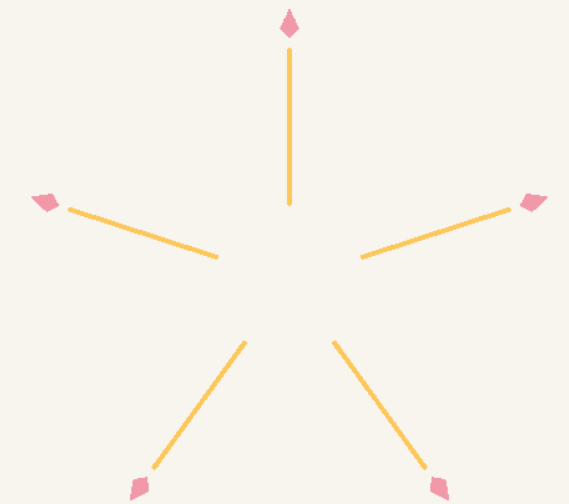

WHEN WE BELIEVE IN
ALLAH AL HAMEED...
WHAT SHOULD WE DO?

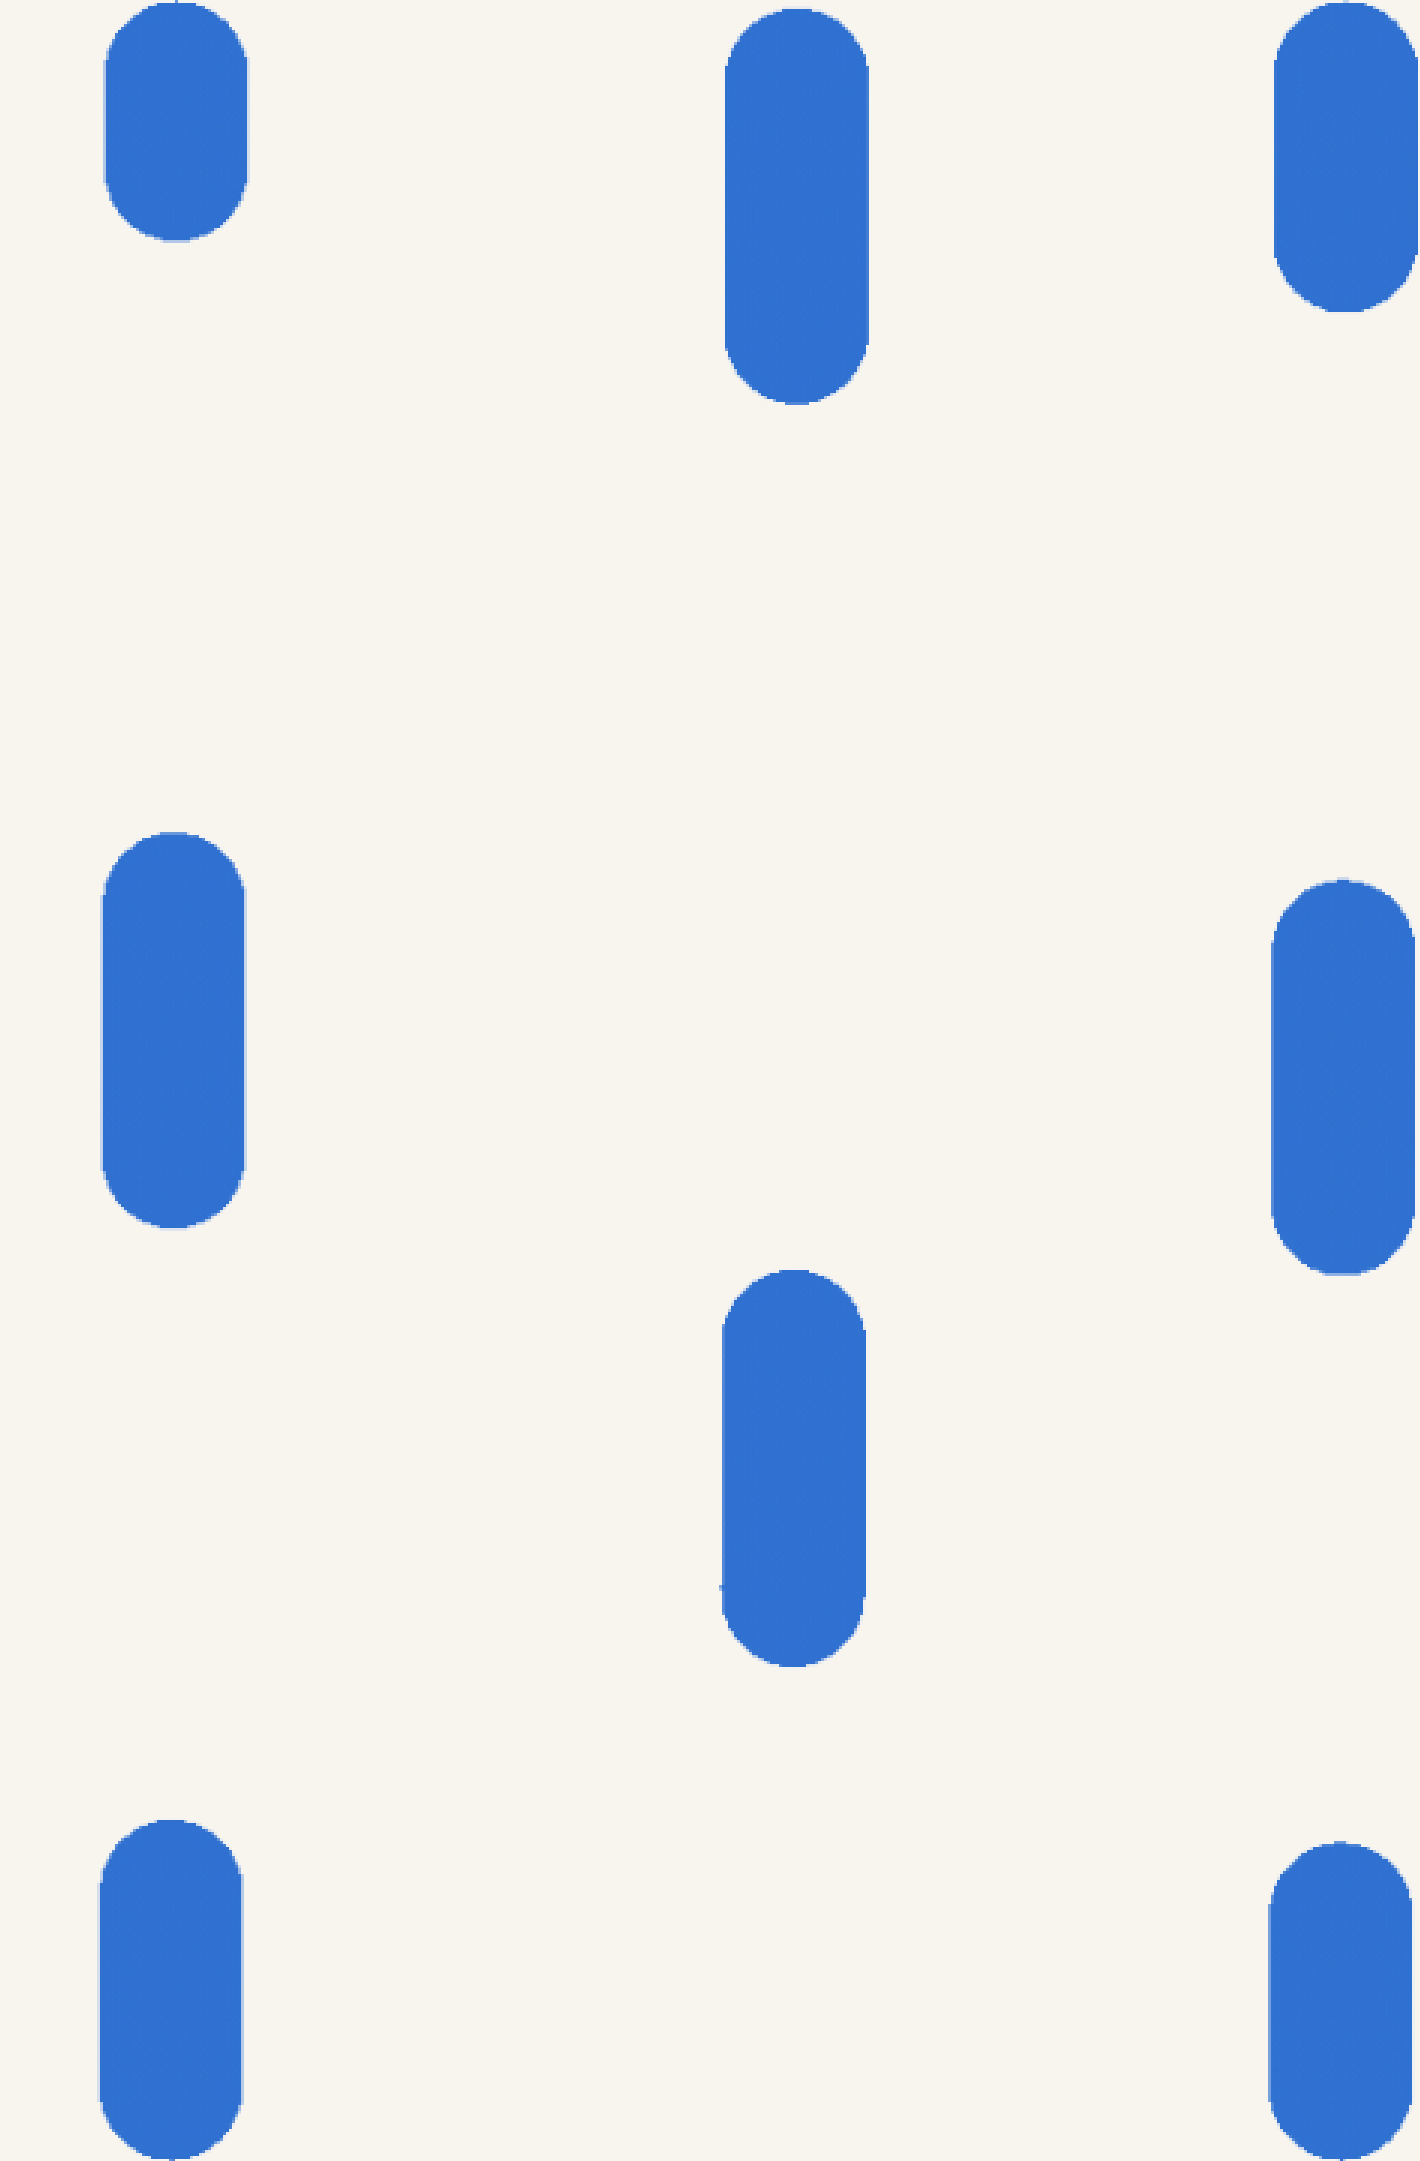

We say “alhamdulillah” in all situations and all times. We do not want to complain or say why did this happen.

ALHAMDULILLAH!
—♡

When we say “alhamdulillah”,
Allah will give us more blessings,
and better than the ones before.
Unlike the one who complains
or praises themselves and not
Allah then they will not find
better things.

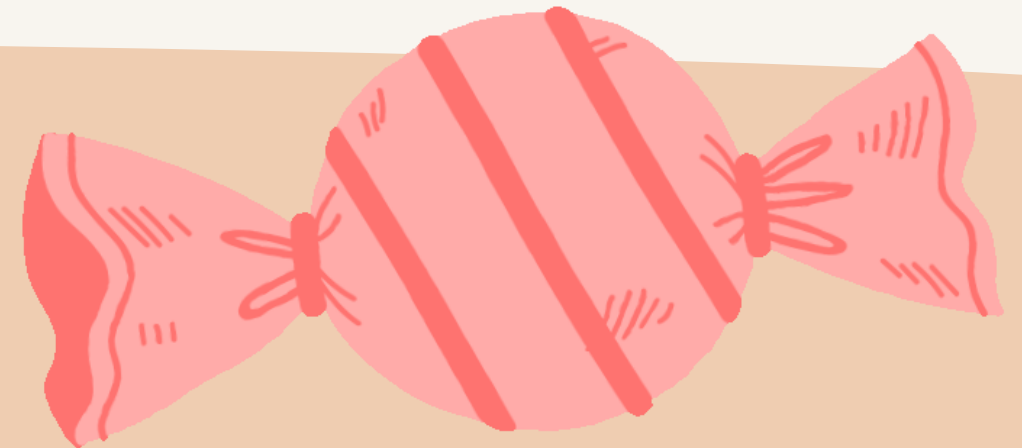

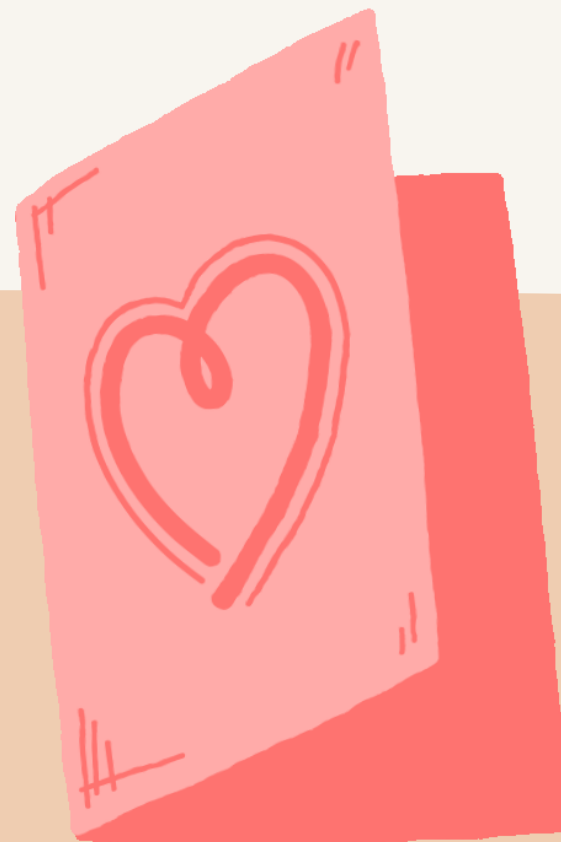

When we say
“alhamdulillah”, it fills our
scales as if we prayed,
fasted and did good deeds.
“Alhamdulillah” is a heavy
word on the scale.

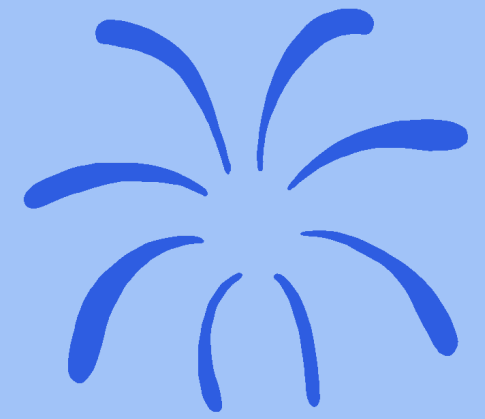

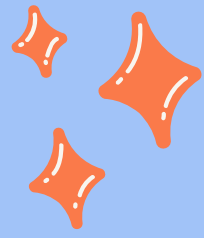

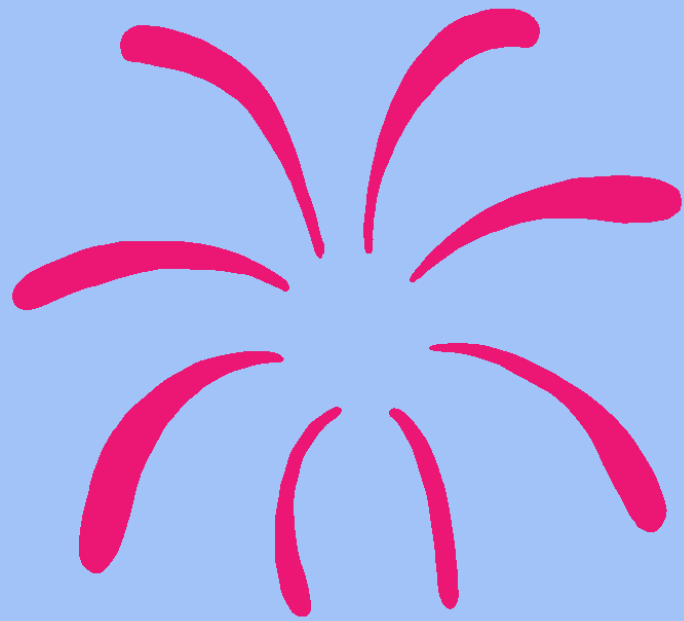

“Alhamdulillah” is the best dua. If we want to make dua, the best things to say is “alhamdulillah.”

We want to do good deeds and to have good manners with others.

Alhamdulillah Rabb Al 'Alameen –
All praises are due to Allah.
This is Name of Allah Al Hameed.
