Garden of the Names of Allah AN NASIR

The background features several abstract, hand-painted elements: a large light blue shape at the top center with a pink brushstroke across it; a solid orange circle to its right; a yellow shape on the right side with several dark green dots scattered around it; a red, fan-like shape at the bottom left; and a purple shape at the bottom right with a light blue arc and a brown flower-like shape on it.

Welcome to the
GARDEN OF THE
NAMES OF ALLAH.

We enjoy learning about the Names of Allah. Allah has 99 Names and whoever learns them will enter jannah.

ALLAH HAS NINETY-NINE NAMES

أَنَّ رَسُولَ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ قَالَ " إِنَّ لِلَّهِ تِسْعَةً وَتِسْعِينَ اسْمًا مِائَةً إِلَّا وَاحِدًا مَنْ أَحْصَاهَا دَخَلَ الْجَنَّةَ " .

The Prophet (ﷺ) said: Allah has ninety-nine Names, i.e., one hundred minus one, and whoever believes in their meanings and acts accordingly, will enter Paradise.

This means each Name is so important
so that we can live in jannah.

Who teaches us the Names of Allah?
Allah Himself. This is when He tells us about
Himself in the Qur'an. And the Prophet (ﷺ)
also tells us about Allah because it is Allah

Who taught him Who He is.

A life without the Names of Allah is a dry and barren life, as if nothing is alive. But when we talk about Allah, it is like being alive again. It is like being surrounded by lush, green trees.

In this book we will learn the Name of Allah

AN NASIR – THE SUPPORTER.

What is the meaning of (الناصر)?

It comes from (نصر) which means a person will not fear and leave; they will always win and nothing stops them.

If I were to tell you that you have an exam next week, but you didn't study for it, what's going to happen? We will not pass it and if we're asked, "why didn't we prepare for it?"

27

We'll say because we had break,
and we went out and all our friends were out,
so we didn't want to study.

We need Allah An Nasir to keep us firm and to not leave our responsibilities such as our prayer and homework. Allah An Nasir keeps us going in this life.

Sometimes people are afraid of sickness or afraid of someone, and if we are scared, then we'll stop doing things. So which Name of Allah will keep us firm and do our best?

ALLAH AN NASIR

Someone might say, “but our mother encourages to study, our father helps us out”, but Who is the Best to support and encourage us? Allah An Nasir –
He is the Best Supporter. Why?

Because Allah is our Mawla –
The One Who is always with us and never leaves us.
He knows exactly what will encourage us.

There is no one who can help us against ourselves from getting lazy or giving up except Allah.

There is no one to keep us firm
and do our homework
except Allah An Nasir.

Sometimes there are things that scare us, but Allah is our Mawla. Allah is the Best Supporter and He knows exactly what is our weak point, and what we need to see and hear so that He encourages us to keep going.

We all need Allah to support us and keep us firm.

We are so thankful for all of Allah's blessings, but we do not want to lose all that He gave us. We are humans and can easily get affected or scared. So which Name of Allah keeps us firm and encouraged?

Allah An Nasir and
He is the Best Supporter (خير النصارين).

Even if there is someone who tells us to keep going and not lose, Allah is The Best of Supporter.

When Allah supports us, He not only keeps us firm,
but makes us learn more so we become
solid in our knowledge.

When Allah supports us,
He keeps us away from sins.

When Allah supports us,
He makes our concern the akhira,
and not the duniya.

And when Allah supports us, He will keep away anything that can disappoint us or make us upset.

Allah An Nasir will push away any trials and tests from us. And He will push away the sins and pardon us

With the Name of Allah An Nasir,
we will feel the favor of Allah on us
because of how much He supports us.

Allah An Nasir will push away anything that disturbs us and He will push away all tests, as if we have no more tests to face. And He will push away sins that can bother us. He will pardon us and have favor on us.

Allah An Nasir protects us from trials and from the shaitan. With Allah An Nasir there is no sadness because He pushes away anything that can upset us.

We ask Allah to support us and
keep us firm. We ask Allah to
support us and always teach us.

When Allah makes us firm on the knowledge, then we can ponder and contemplate all the creation and universe around us. And this will make us know Who is Allah.

So when we see the skies and
earth, we think about it and
know Who is Allah.

The background features several abstract elements: a purple shape in the top left, a large yellow circle in the top right, a pink shape in the bottom left, and a light blue shape in the bottom right. A pattern of blue lines and small red, yellow, and blue dots is scattered across the left side. The text is centered in a blue, sans-serif font.

WHEN WE BELIEVE IN ALLAH
AL NASIR...
WHAT SHOULD WE DO?

With Allah An Nasir, He
supports us to keep us firm.
He supports us to learn.
And He supports us to
ponder His signs so that we
know Him better.
