Garden of the Names of Allah AN NASEER

Welcome to the
GARDEN OF THE
NAMES OF ALLAH.

In this book we will learn the Name of Allah

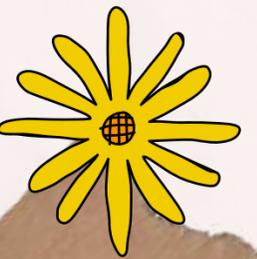

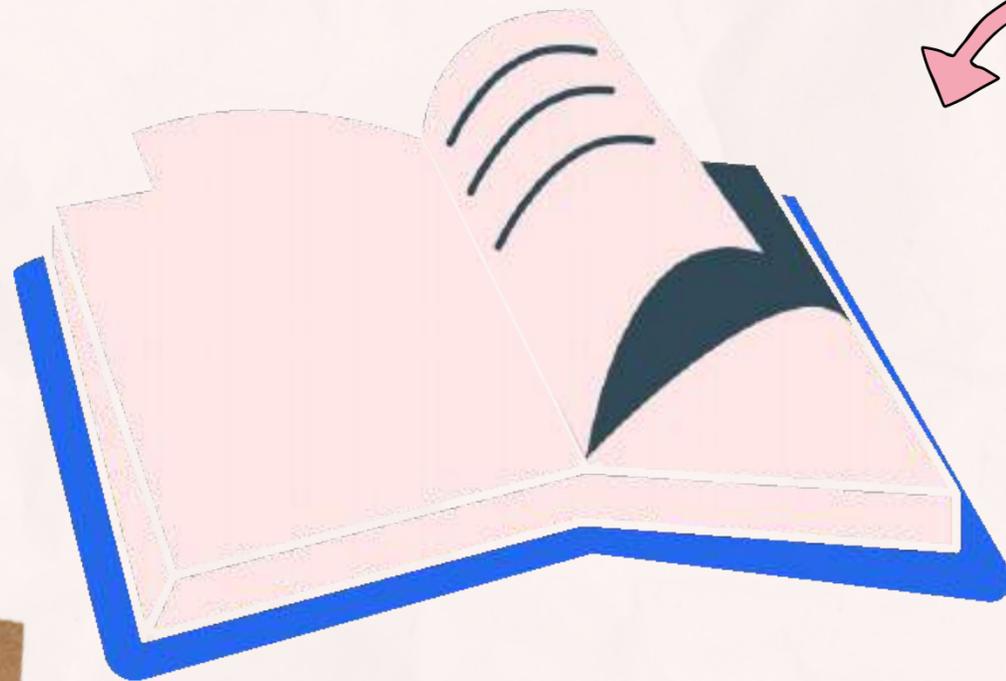

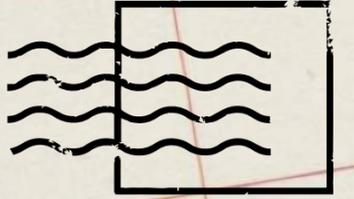

AN NASEER

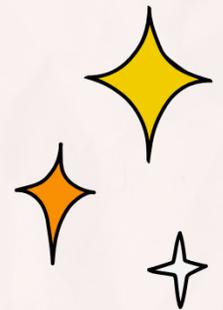

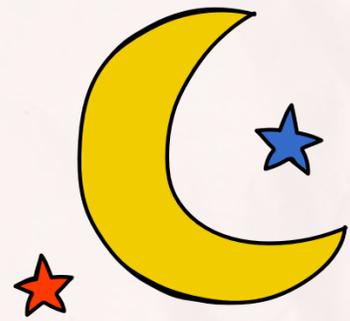

The Victor.

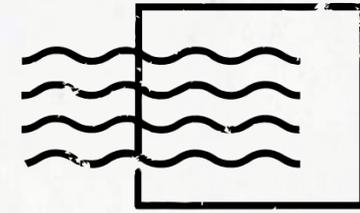

First let us see the meaning of (نصر).
We all have goals for example we have
a goal to pass our grade, so we study.

Sometimes a person goes through situations where others want them to lose or to be off the path, so we need victory to continue.

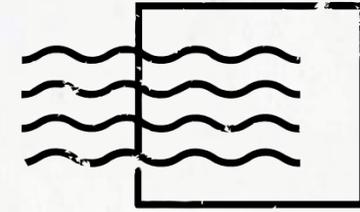

Or sometimes we feel lazy
and cannot do our homework,
so we need victory to
overcome ourselves.

Allah An Naseer

is the One Who gives us victory.

He gives us victory over our enemies
such as the shaitan who is
a clear enemy and always
wants us to lose.

Allah will give us victory
so that we do not listen to
the whispers of the shaitan.

The shaitan wants to make us sad, so we want victory to not be sad. The shaitan sometimes wants to scare us, and when we are scared, we will not do what we are supposed to, so we end up on missing out on good things.

Sometimes we can get angry
and anger is from the shaitan,
but Allah An Naseer helps us
to overcome our anger.

Allah An Naseer will give us victory
over the shaitan so we will not be sad,
we will be happy.

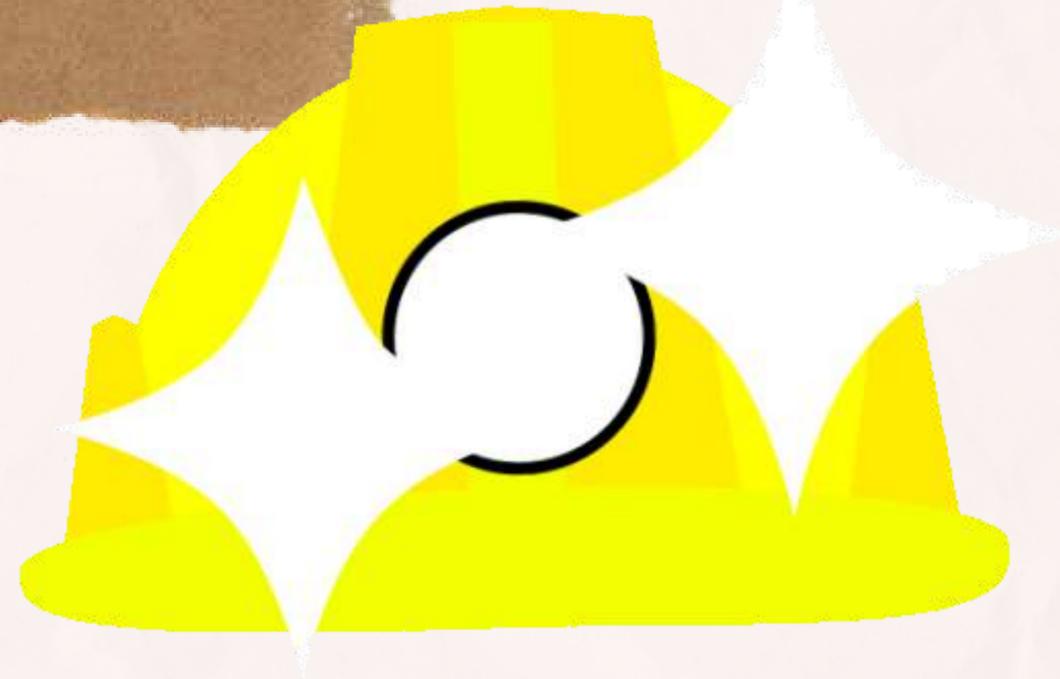

We will not be afraid,
we will be secure.

We will not be angry,
we will be pardoning and easygoing.

Allah An Naseer
gives us victory over the
whispers of the shaitan,
so we will always be in security.

Allah An Naseer helps us overcome ourselves.

For example, we can be lazy to wake-up for the fajr prayer or we are not doing our homework. So how can we overcome ourselves? Allah An Naseer will give us determination to overcome our weakness and then we will succeed, get the best grade, do the best deeds and have the best manners.

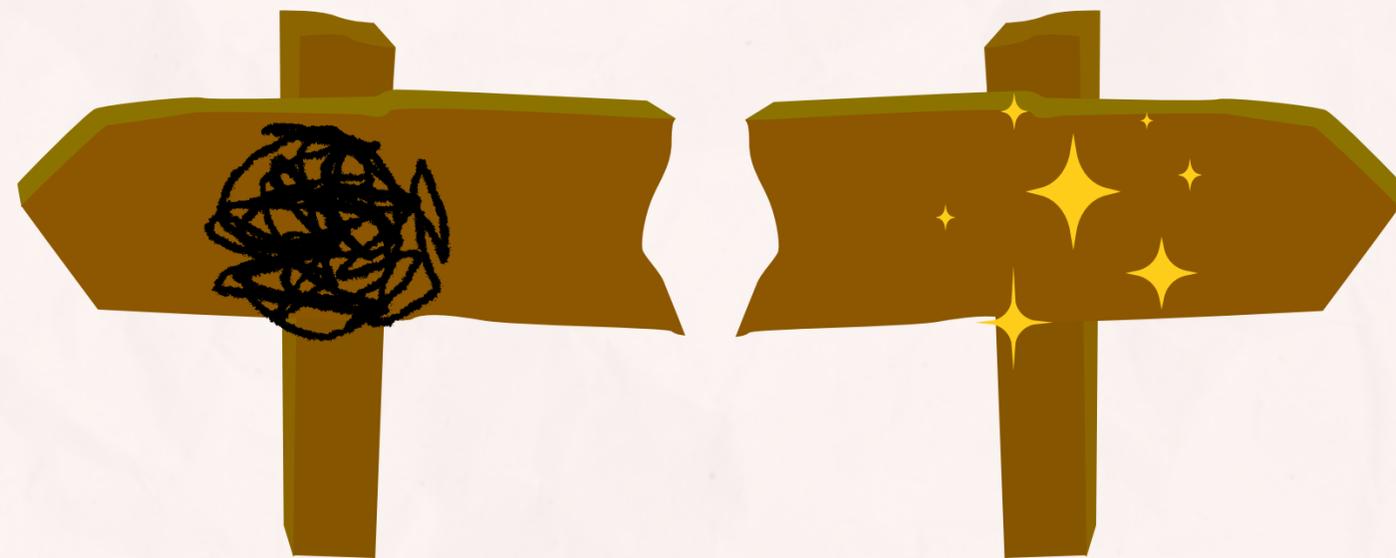

We think victory is just about being first or passing an exam, but real victory is when we believe in Allah, and not in ourselves or because we studied.

Allah An Naseer is the One Who gives victory and we want Allah to make us believers. True victory is to reach jannah and Who will support us to reach?

ALLAH AN NASEER.

Allah An Naseer gives us support by showing us the way of good so that we love it and want to be on that path. And He will also show us the way of evil so that we do not like it because there are bad people and bad actions which we should be away from.

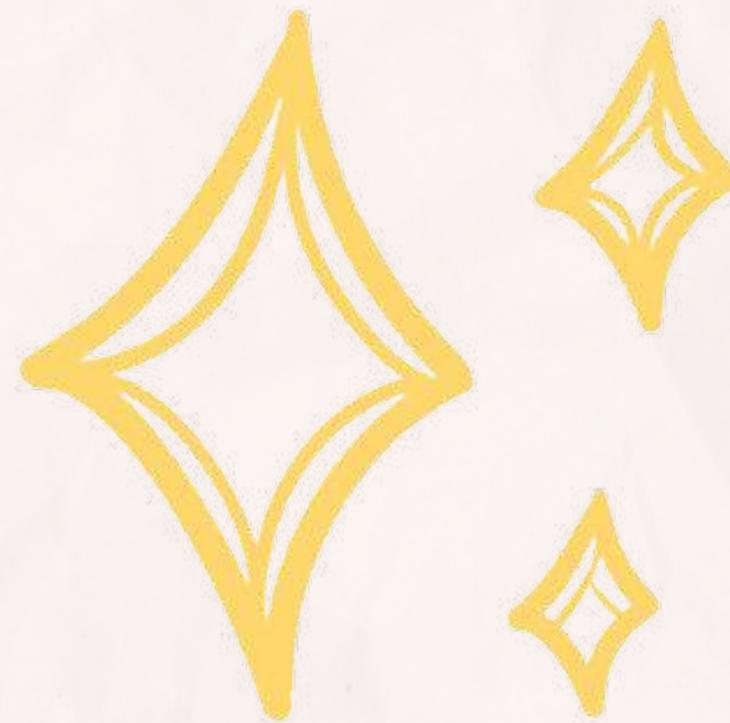

Allah gives us victory
so that we believe and go to jannah.

We should not think anyone will give us
victory by their might and power.

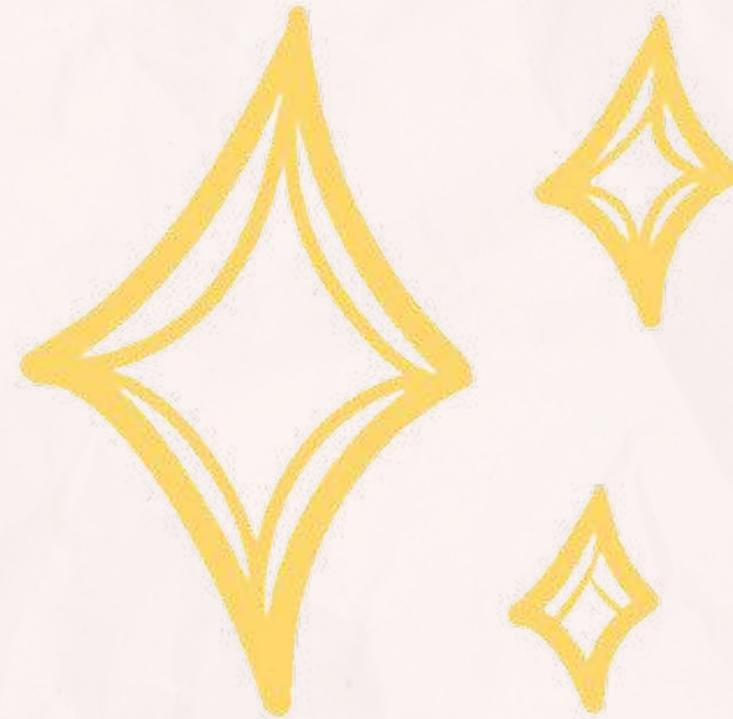

THE TRUE VICTOR IS ALLAH.

SURAH AN NISAA 45

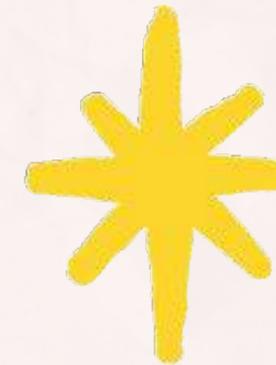

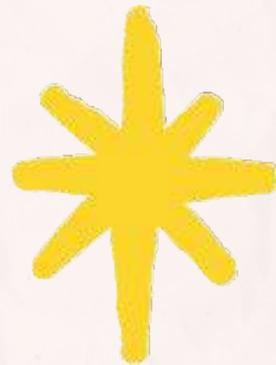

وَكَفَىٰ بِاللَّهِ نَصِيرًا

...and sufficient is Allah as a helper.

When Allah gives us victory, we will not be
deceived or impressed with ourselves.

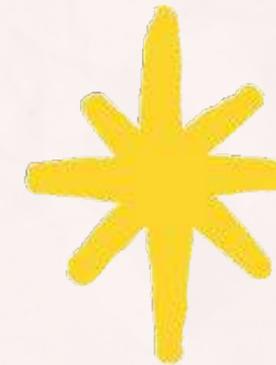

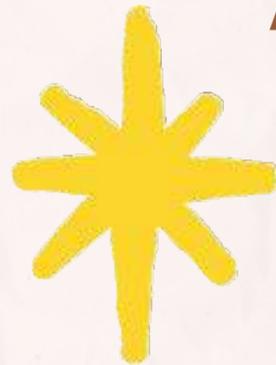

IT IS ALL FROM ALLAH.

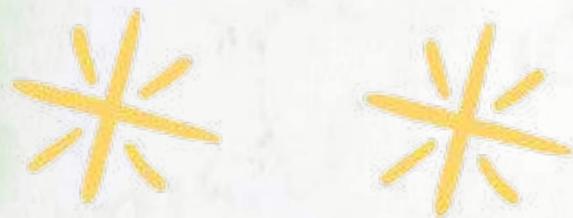

WHEN WE BELIEVE IN ALLAH

AN NASEER...

WHAT SHOULD WE DO?

We will not be arrogant
or impressed with ourselves
because it is Allah
Who gives us victory,
and not by our might
and power.

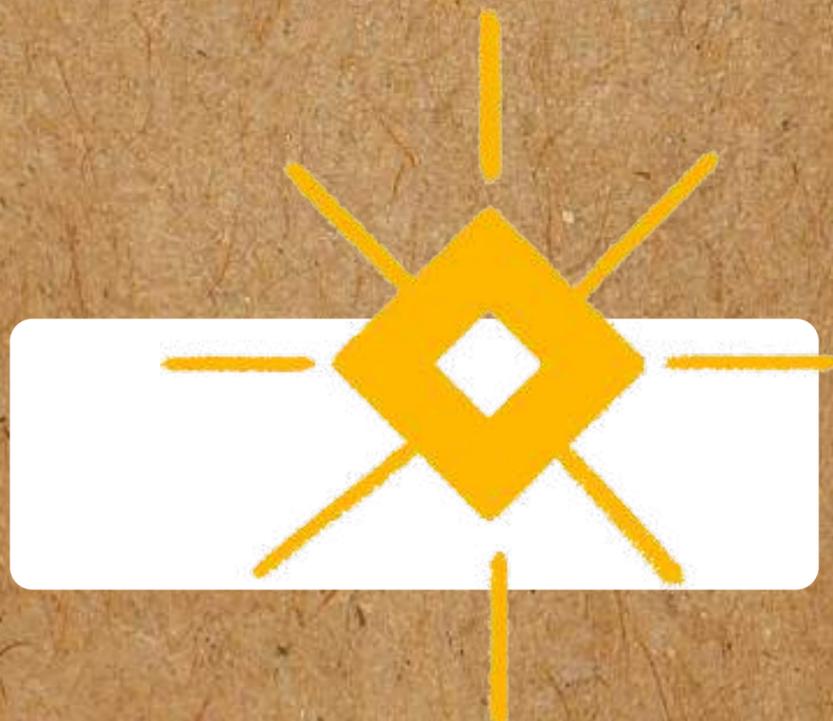

We should support one another.
If someone does good, we should encourage them to continue to do good. And if someone does bad, how can we support them?
By advising them to stop the bad they are doing.

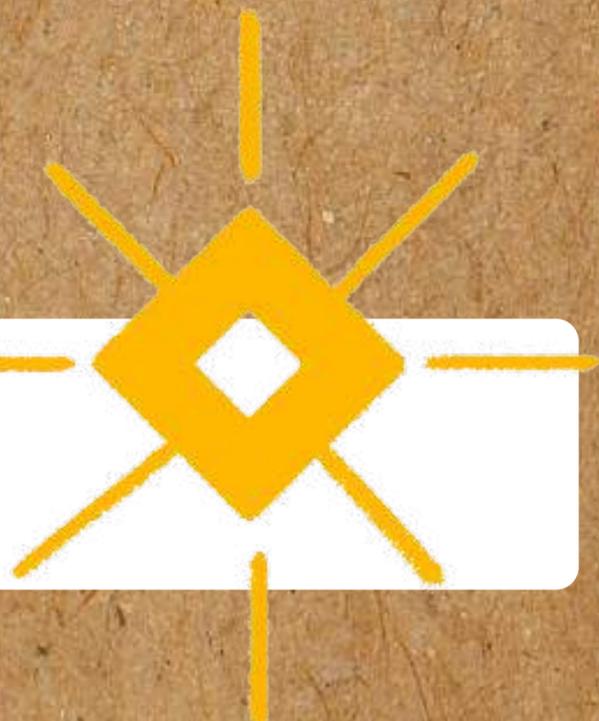

We should give victory to Allah
by believing in Him and being
honored that we attach to Him.
And that we love the Prophet (ﷺ)
and follow his way.

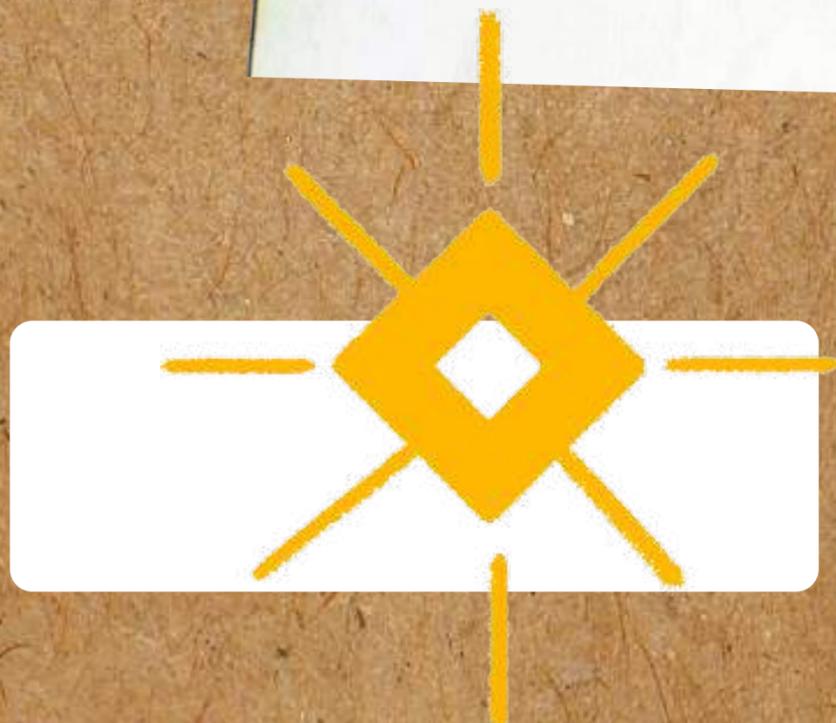

With Allah An Naseer,
He will make us reach jannah.

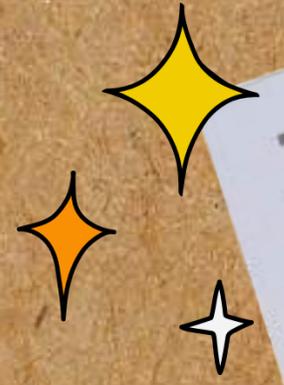

We ask Allah An Naseer
to give us victory in this life and the next.

We love
ALLAH AN NASEER
