

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

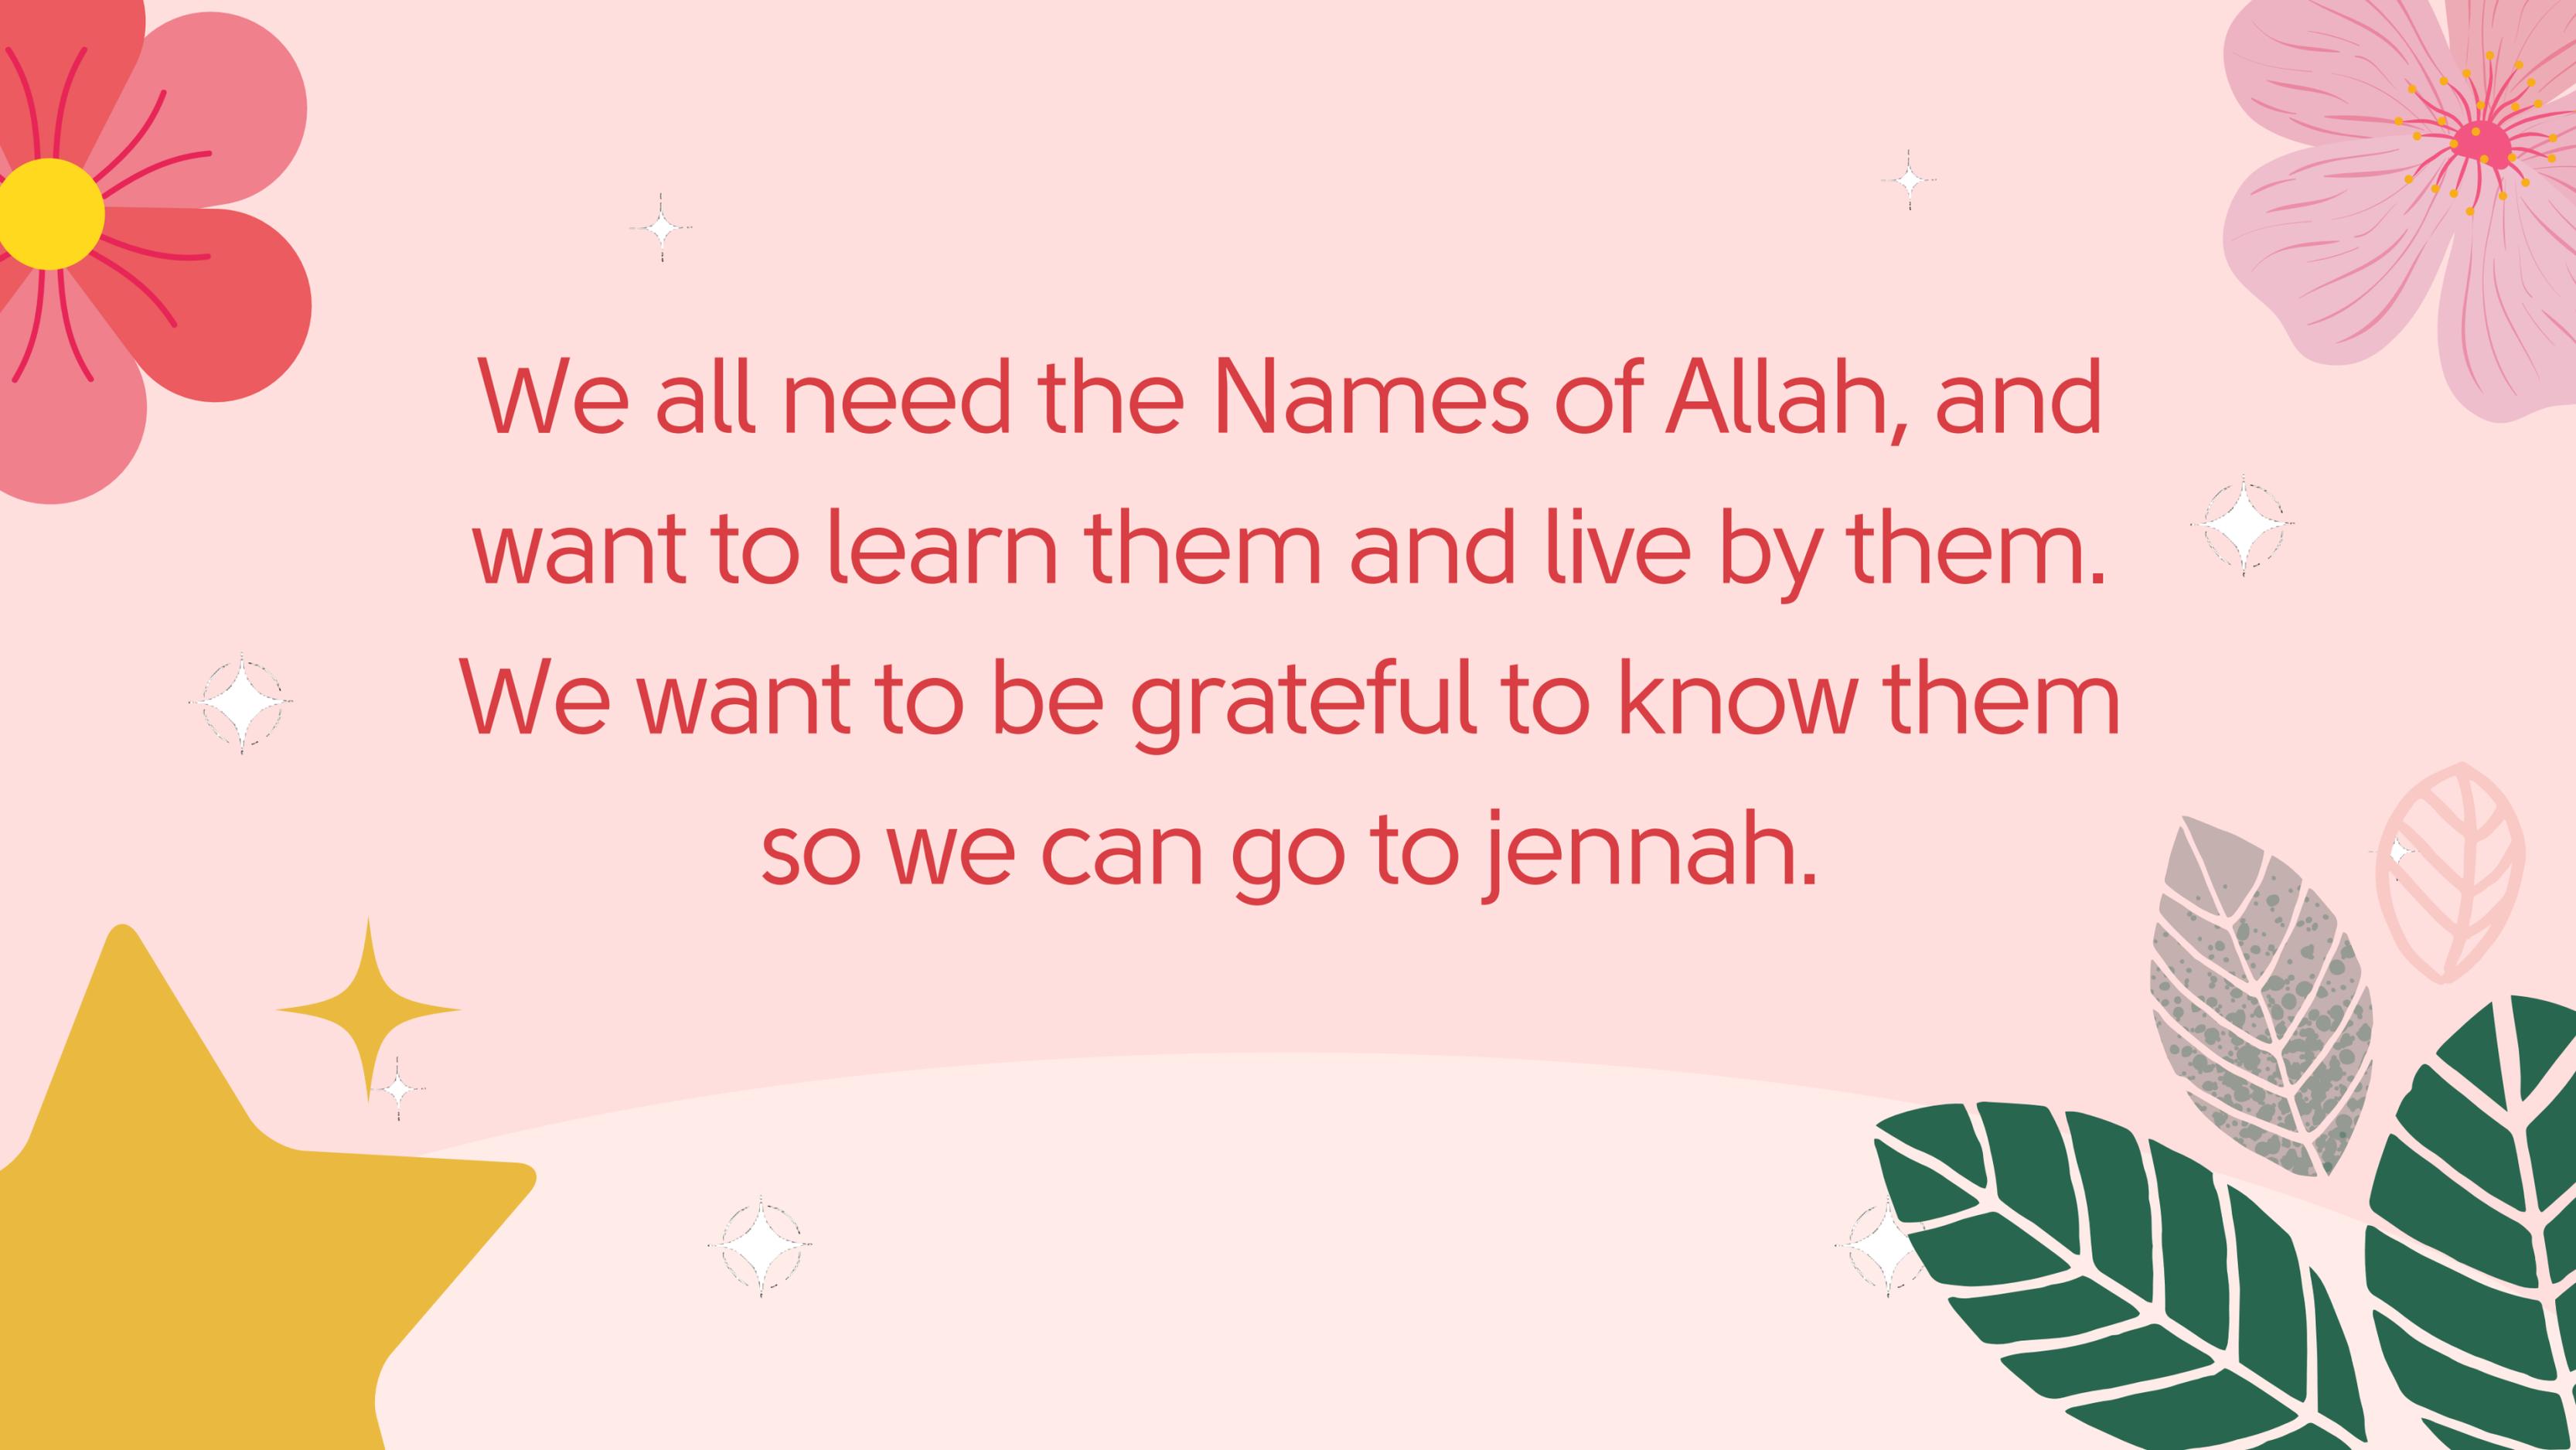

Garden of the Names of Allah AS SAADIQ

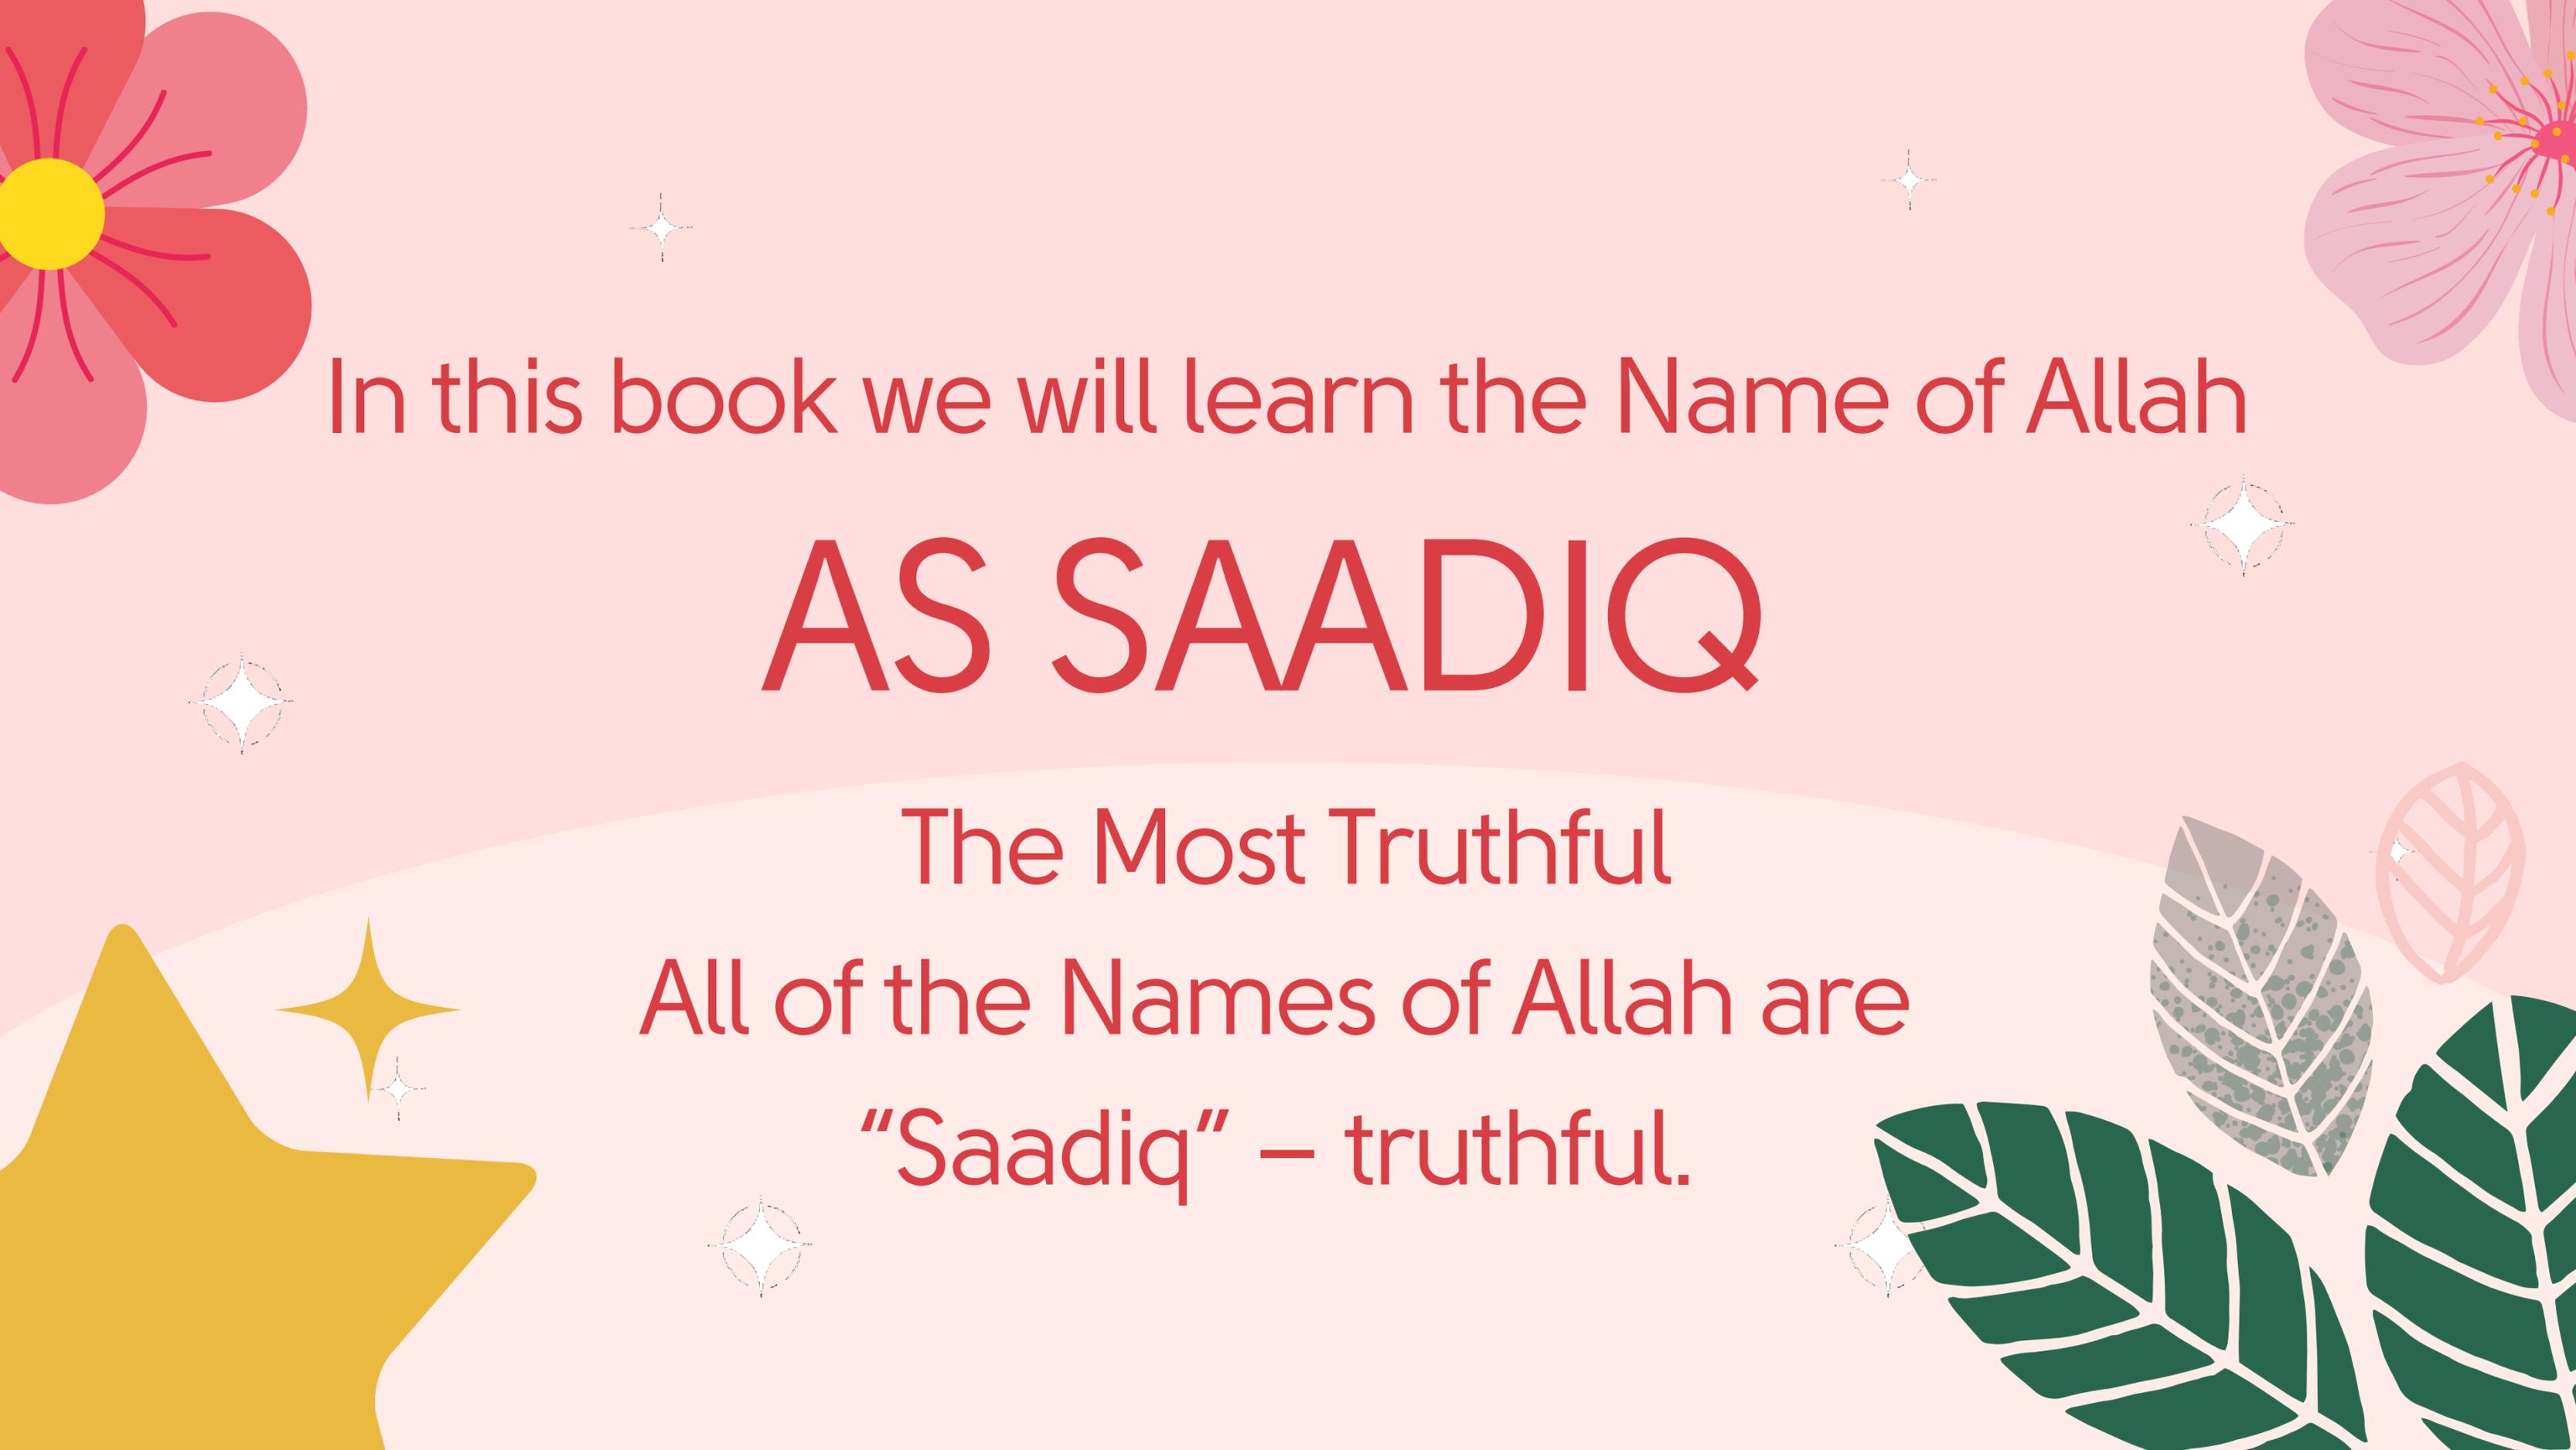

Welcome to the
**GARDEN OF THE
NAMES OF ALLAH.**

The background is a soft pink color with various decorative elements. In the top left corner, there is a large red flower with a yellow center. In the top right corner, there is a large pink flower with a red center. In the bottom left corner, there is a large yellow star. In the bottom right corner, there are several green leaves with white veins. Scattered throughout the background are several small, white, four-pointed starburst shapes.

We all need the Names of Allah, and
want to learn them and live by them.
We want to be grateful to know them
so we can go to jennah.

The background is a light pink color with various decorative elements. In the top left corner, there is a large red flower with a yellow center. In the top right corner, there is a large pink flower. Scattered throughout the background are several white, four-pointed starburst shapes. At the bottom left, there is a large yellow star. At the bottom right, there are several green leaves with white veins.

In this book we will learn the Name of Allah

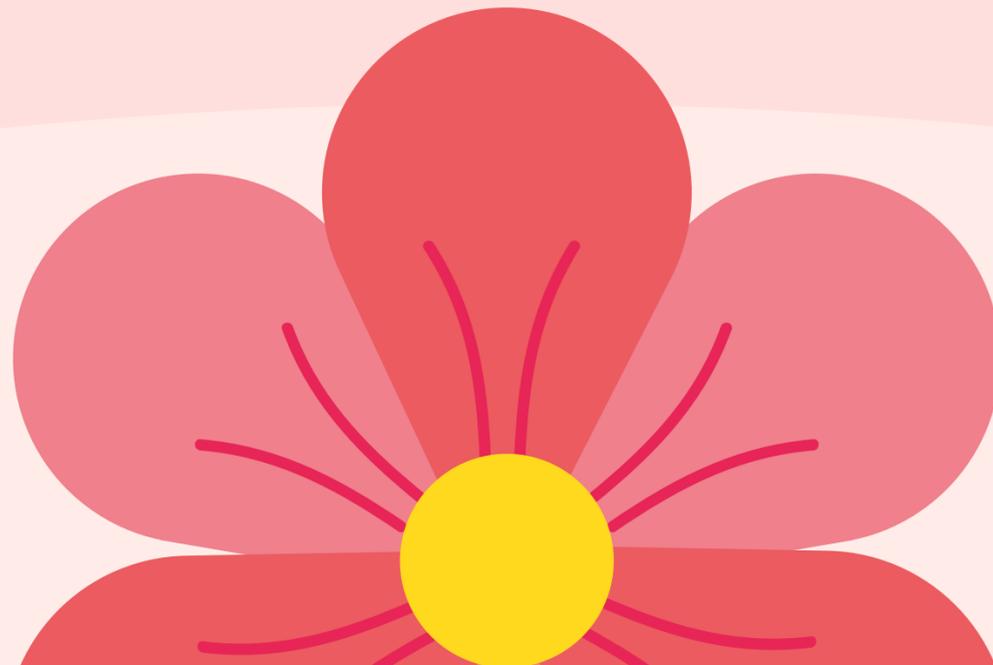

AS SAADIQ

The Most Truthful

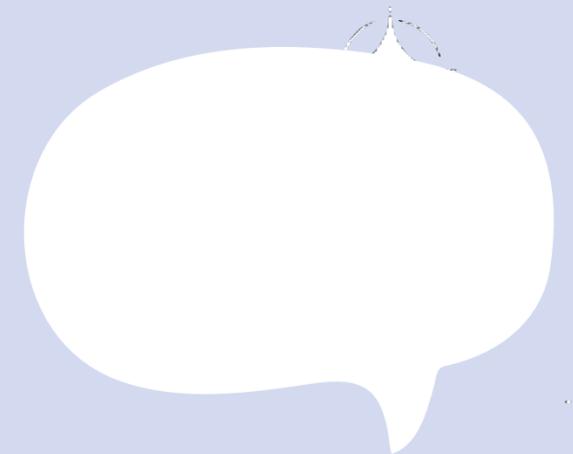

All of the Names of Allah are

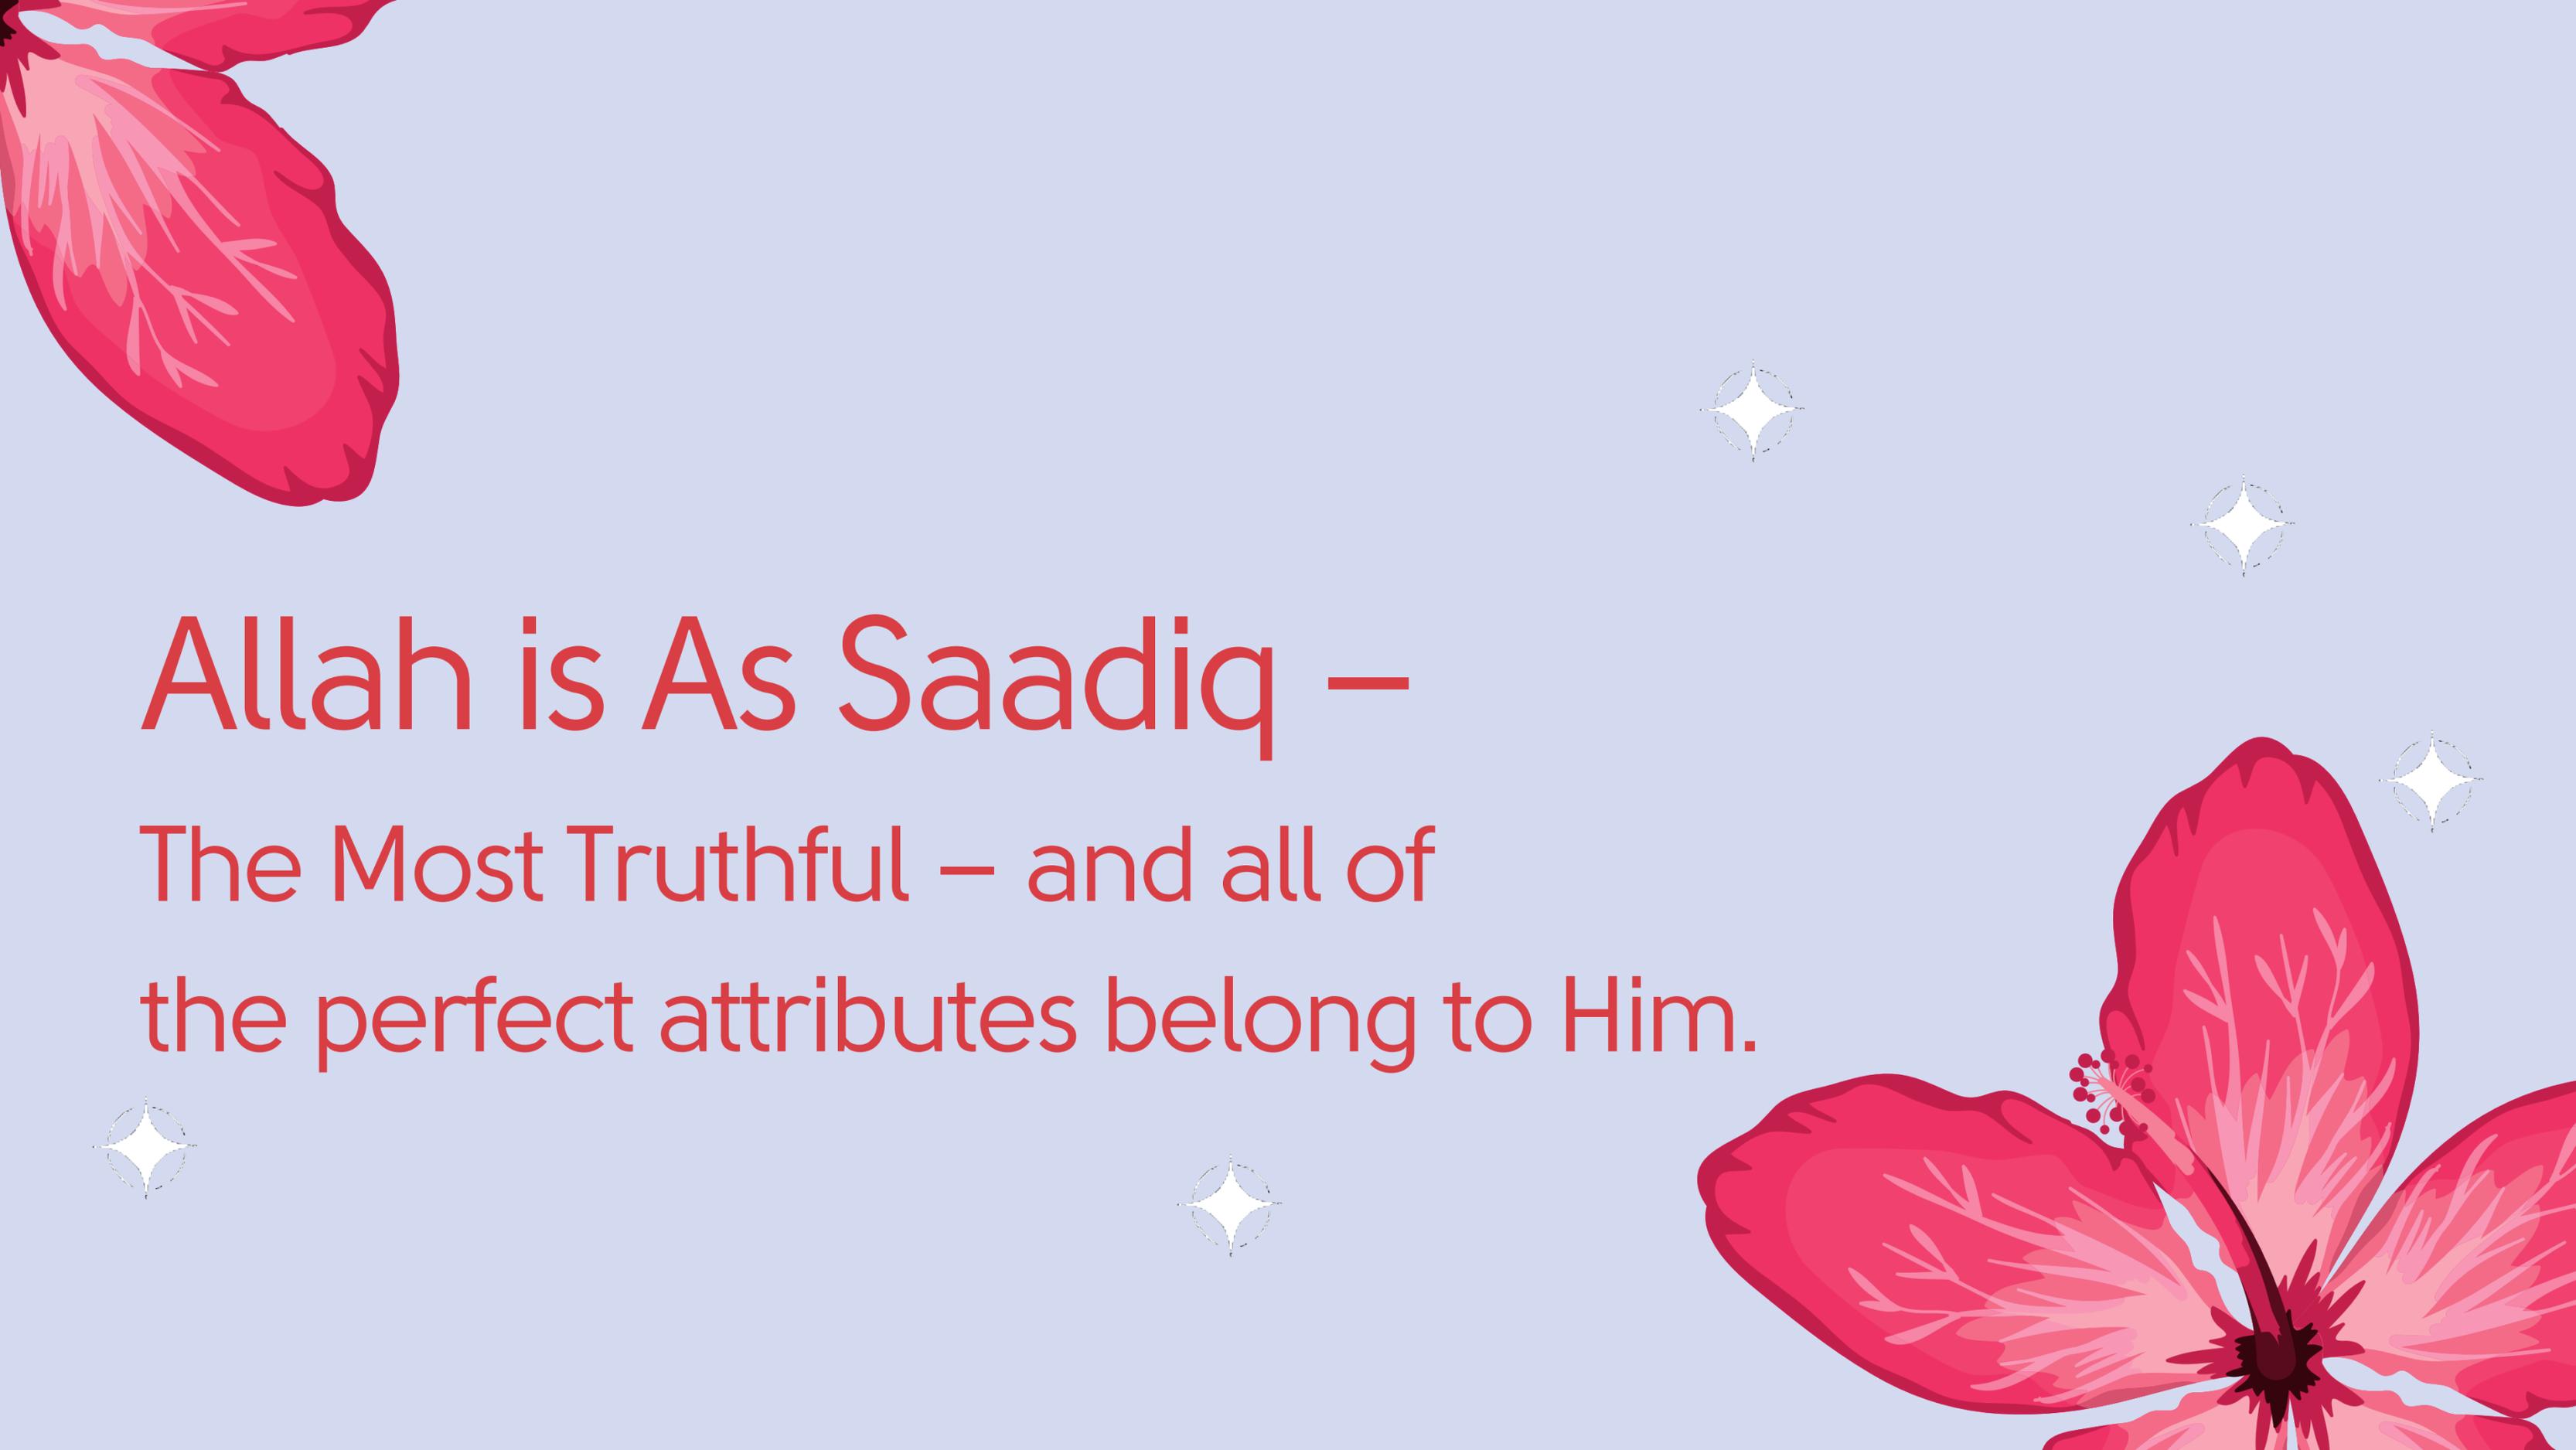

“Saadiq” – truthful.

What does it mean when someone is “saadiq”?
To always speak the truth. When a person sees something, they say it as it is and do not make up things. If they hear something, they say it as it is, and do not add to it or lie.

We love those who are truthful
because we will not be afraid with
someone who is truthful, unlike being
with a liar. We will not feel comfortable
being with a liar because we never
know if they are lying to us.

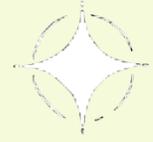

Allah is As Saadiq –
The Most Truthful – and all of
the perfect attributes belong to Him.

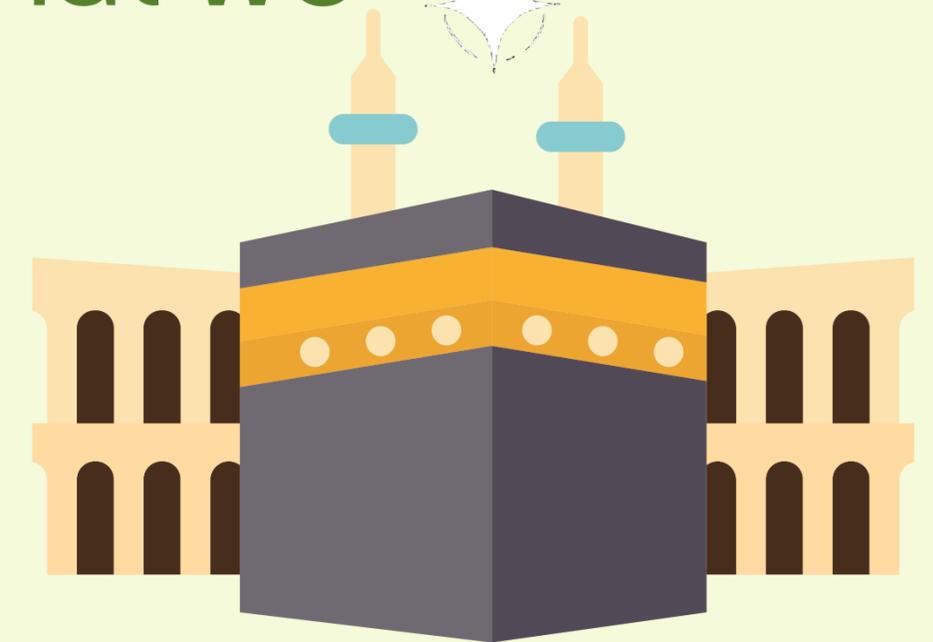

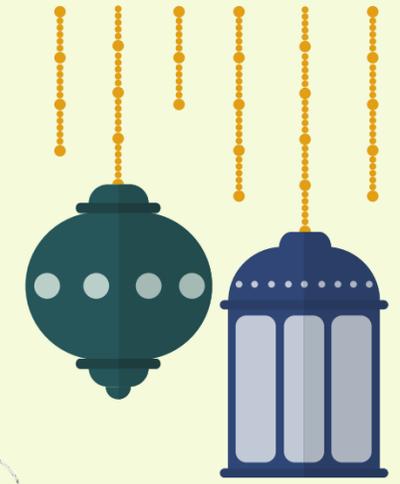

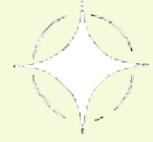

Allah is Truthful in everything when He tells us about Himself, about the Last Day, and about any news, even if we do not see it, it is truthful.

When Allah commands us to do anything, to fast Ramadan, to perform hajj and recite the Qur'an, we have to do it because He is As Saadiq – The Most Truthful. And this will give us security because we know what we are doing is the truth.

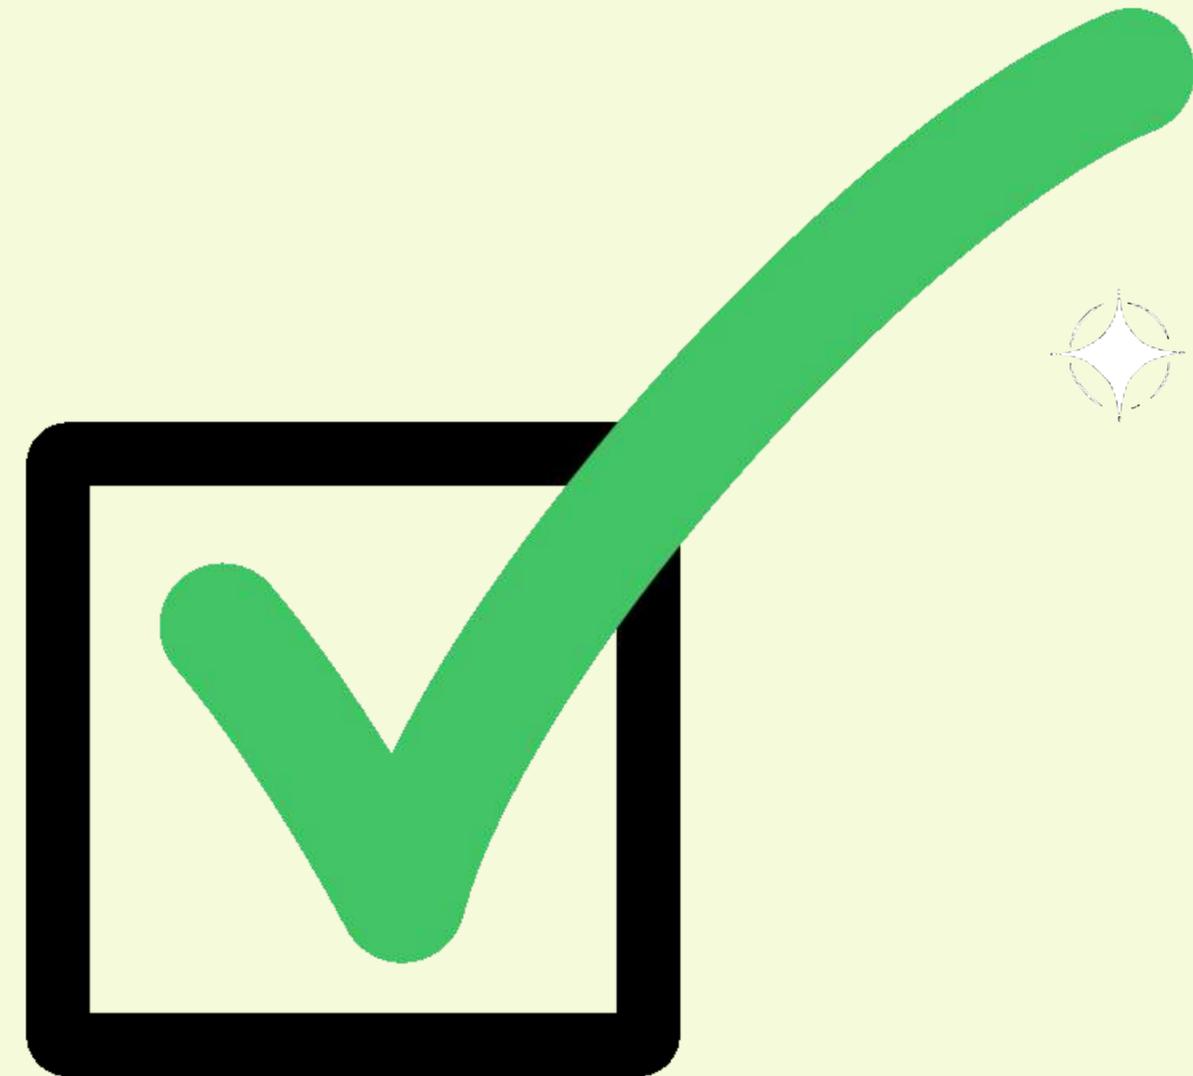

Allah forbade us from eating pork and anything He forbids us is truthful because it will never benefit us. It will be harmful for us.

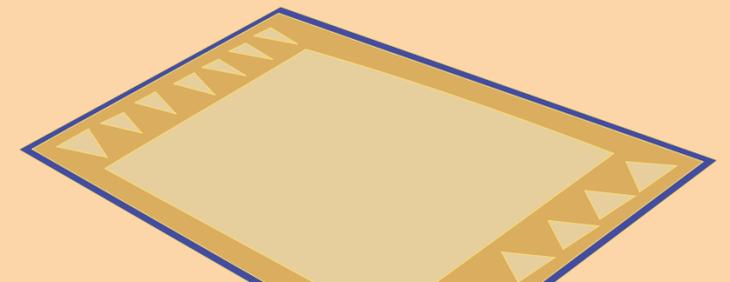

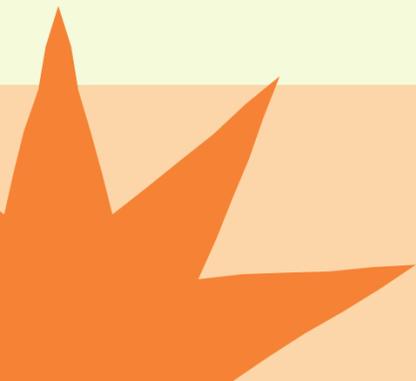

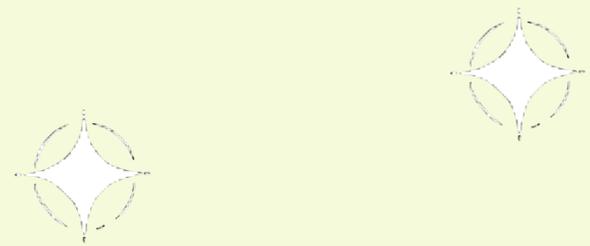

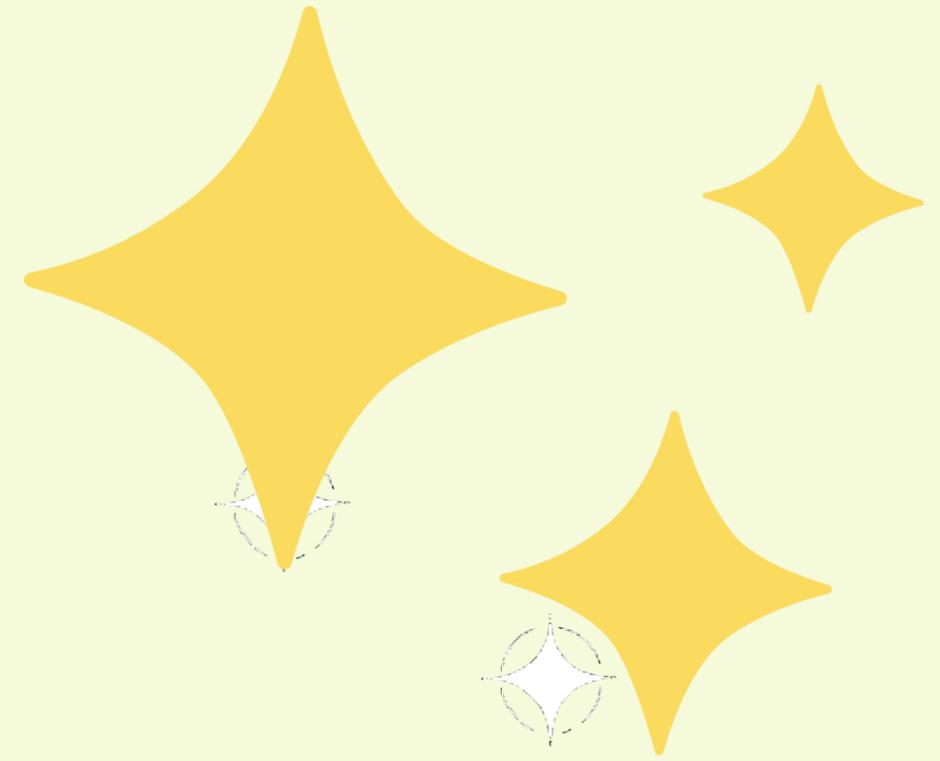

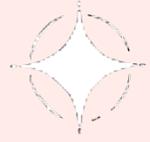

Allah does not forbid us from anything without a reason, but only because there is no benefit for it. And Allah is The Most Truthful in this.

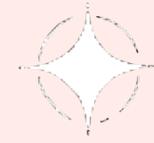

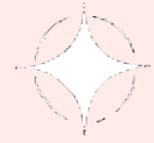

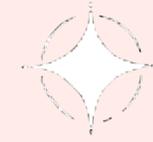

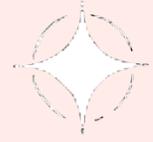

When we believe, pray and do good deeds, we will go to jannah. And Allah is The Truthful and for sure He will take us to jannah.

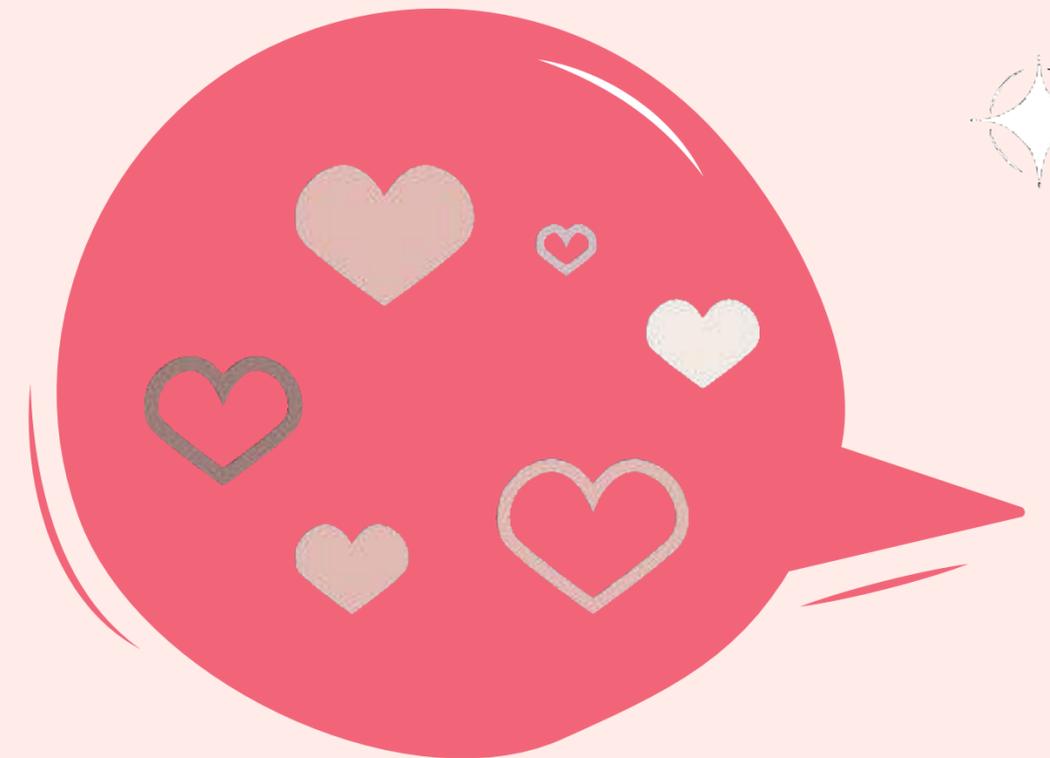

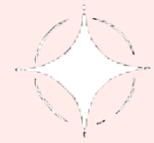

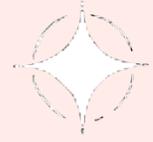

Allah is Truthful
that He will answer our dua
so we should ask Him.

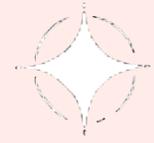

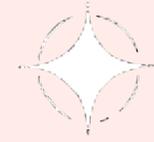

We should be careful of what we do and say, and Allah will give us with no account and always make a way out for us.

We should believe in Allah and not associate with Him because He is The Most Truthful. And He is Truthful in all that He has told us.

All that we go through in life, Allah is  Truthful. We do not go through anything randomly so that we can be better.

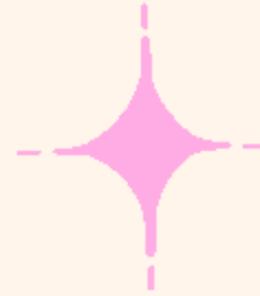

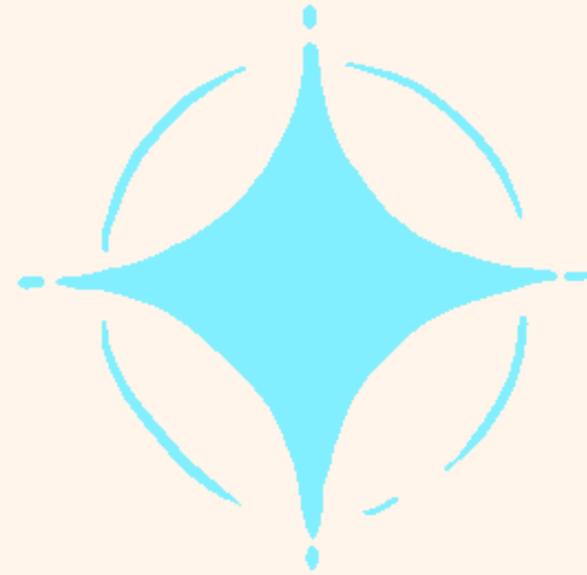

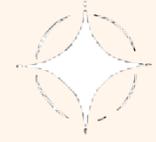

Allah is Truthful in His recompense on the Day of Judgement. For every good deed we do, He will reward us ten times to 700 times to without a limit. This means some people will get rewarded 10 times, some 700 times and some without a limit because Allah knows who is worthy to get it.

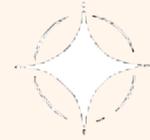

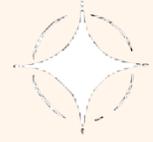

He knows who are worthy to go to jannah
because He is Truthful.

Allah is The One Who always shows us to believe in Him and He verifies the truth of the messengers so that people believe in them and follow them.

Every messenger has certain ayat and all the
Books sent to the messengers are truthful.

Allah is The Most Truthful and He verifies the truth. And He reveals who is truthful and who is a liar.

Sometimes a person might be accused of doing a crime or saying something they didn't say, but Who will show the truthfulness of that person?

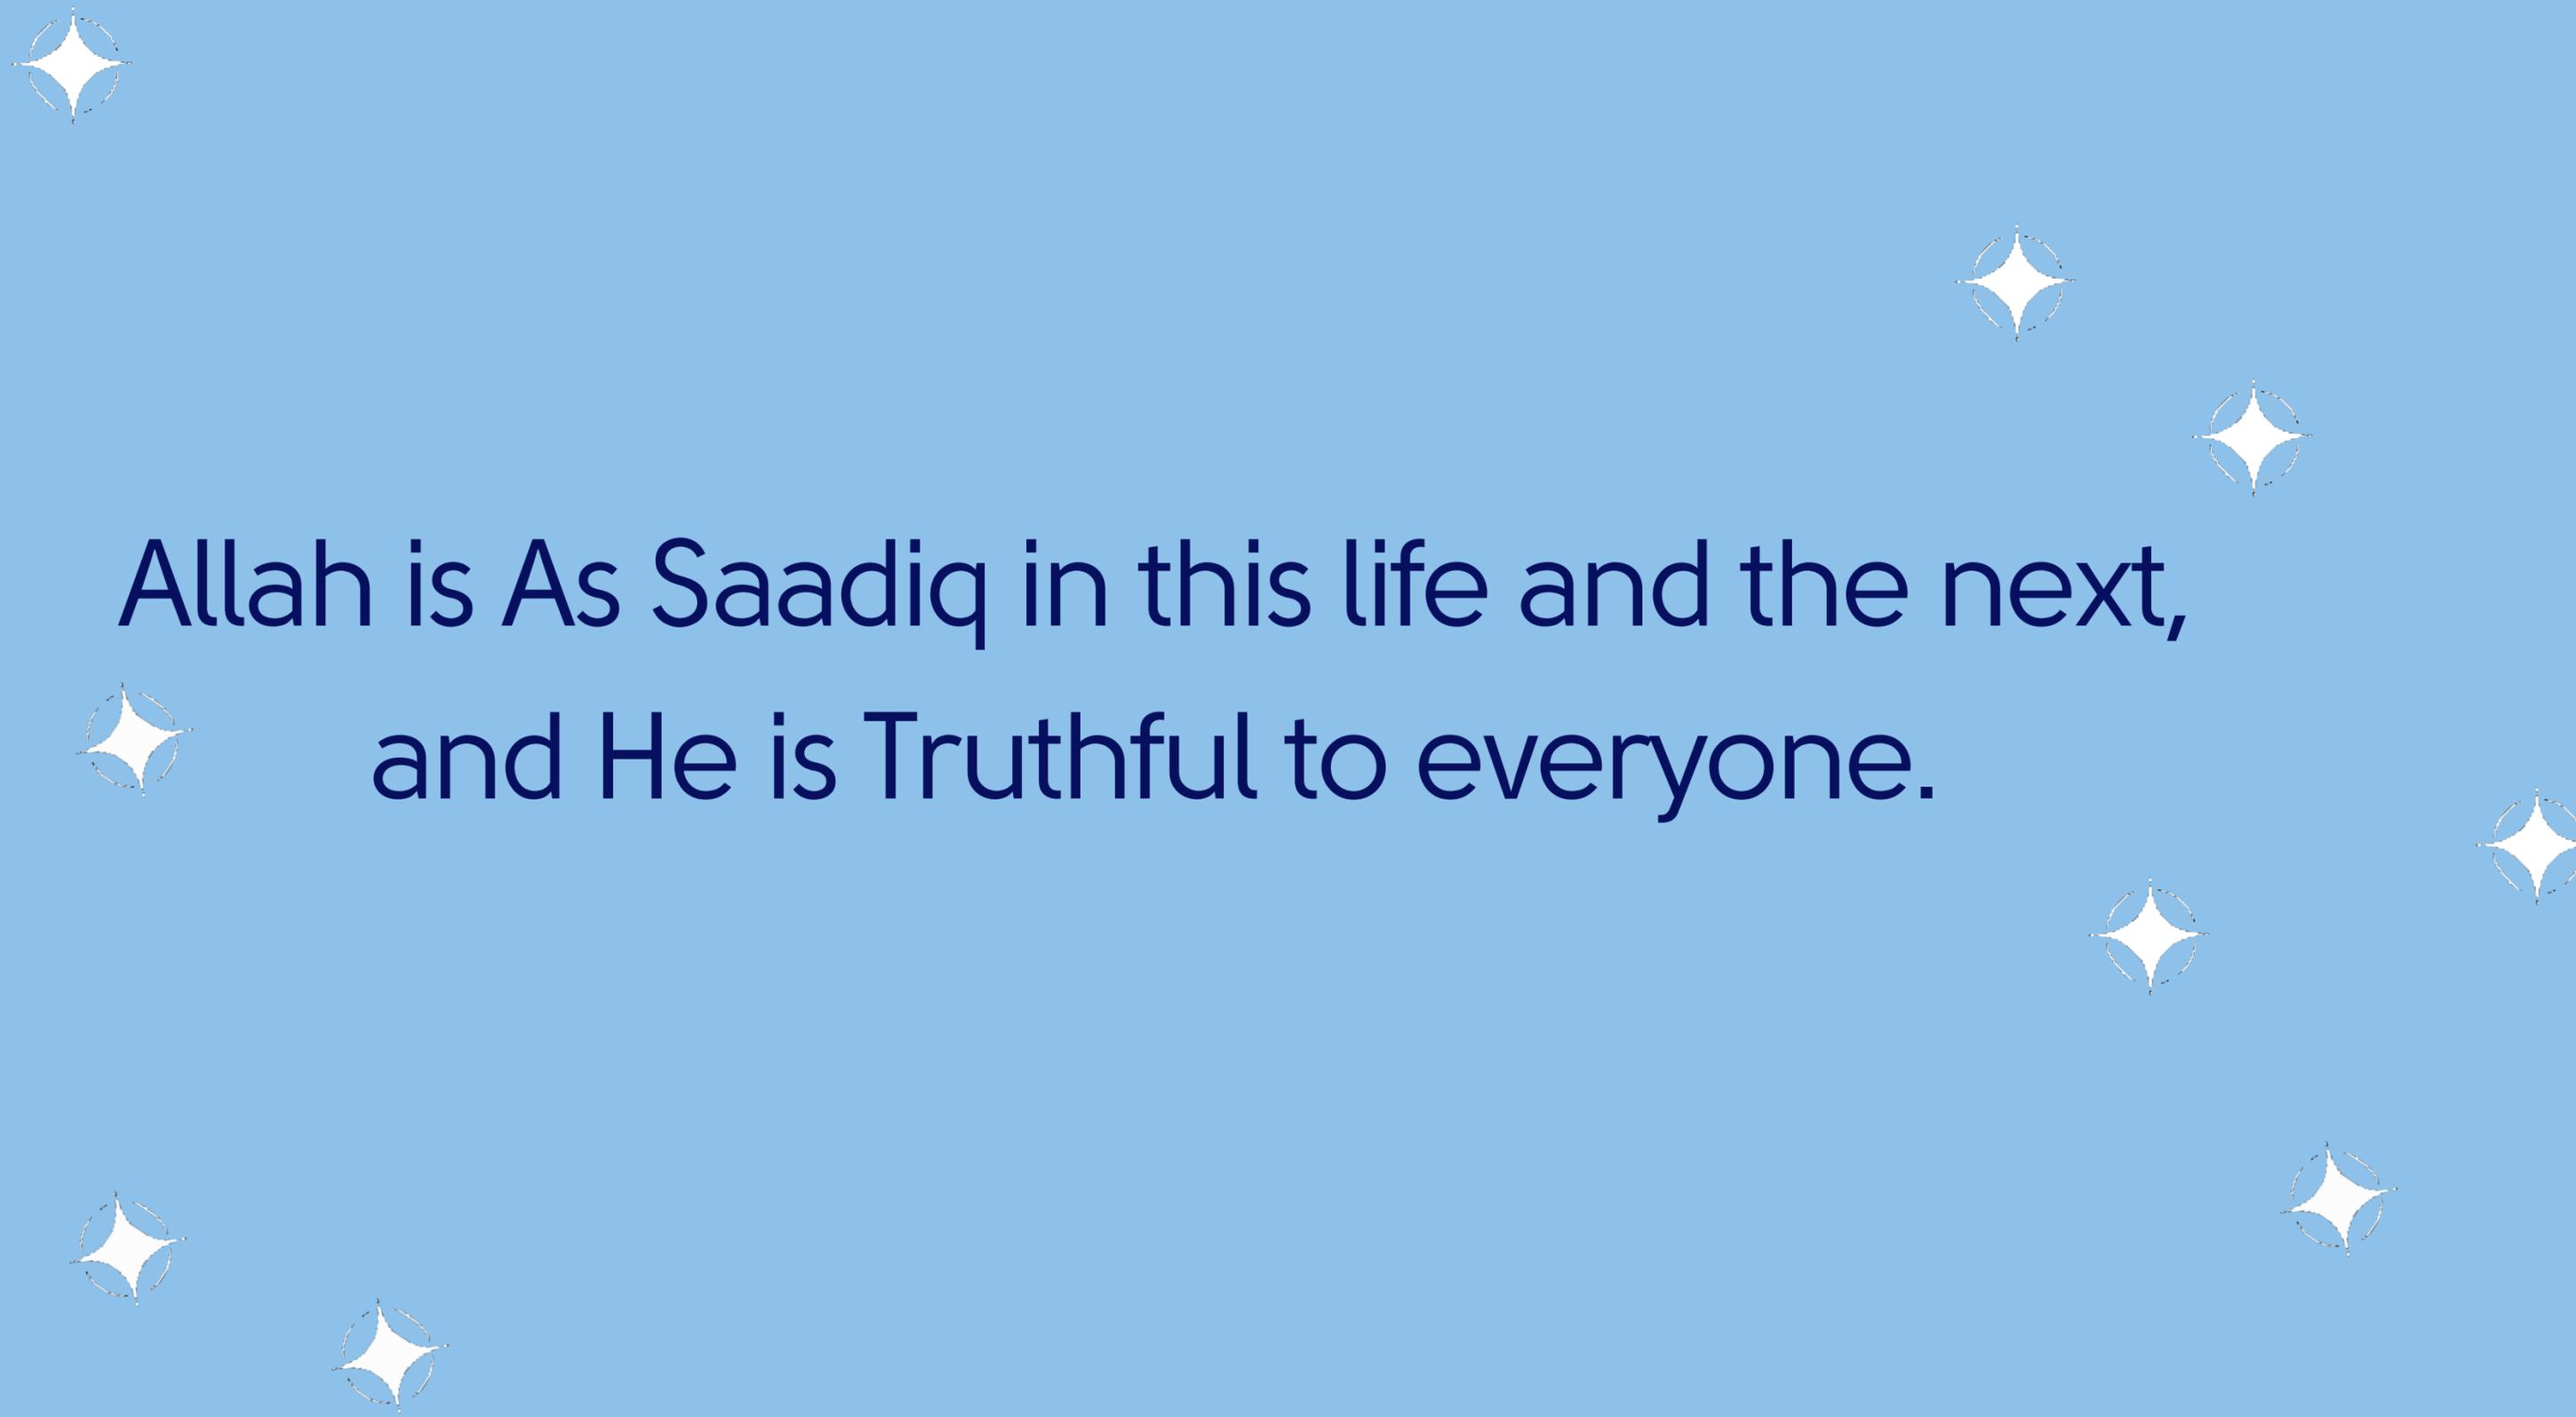

Allah As Saadiq – The Most Truthful.

The Prophet (صلى الله عليه وسلم) was known as truthful and trustworthy, but the people still belied him. Nevertheless, Allah proved his truthfulness.

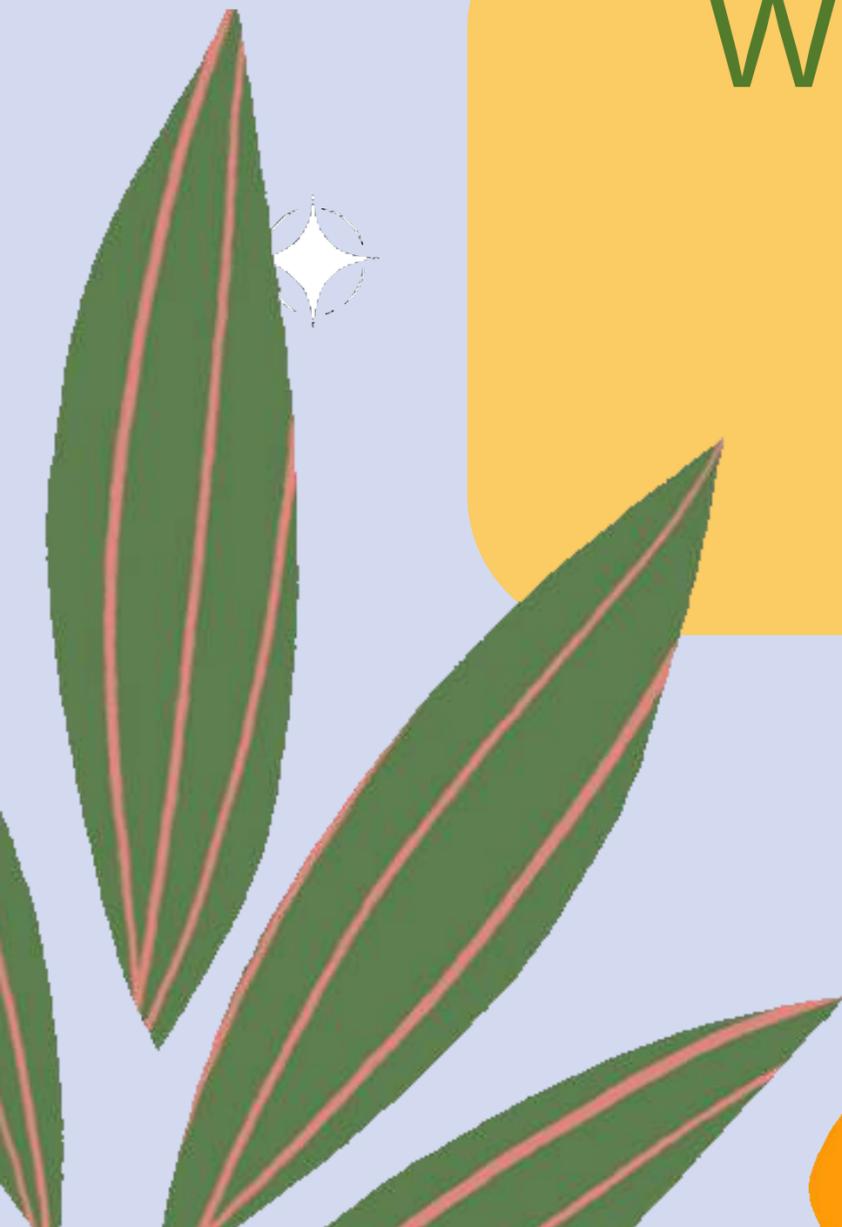

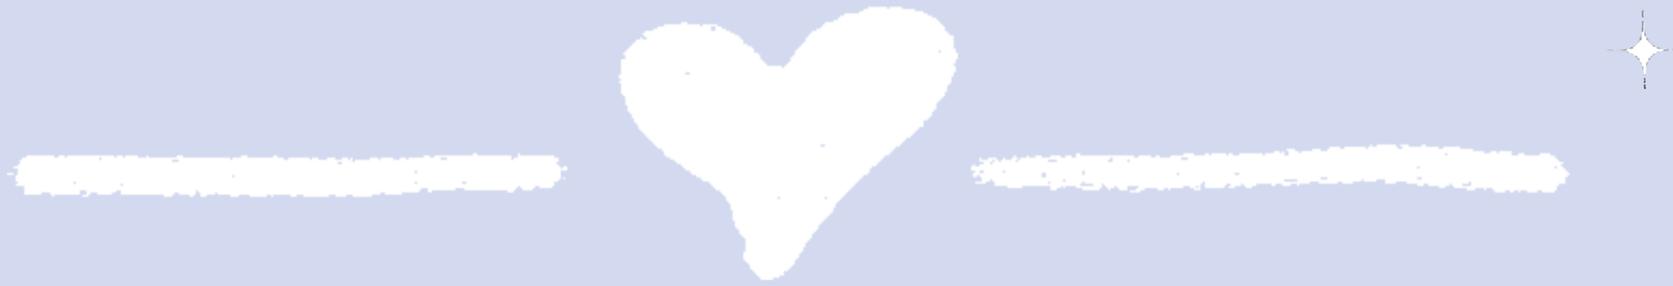

The image features a light blue background with several decorative starburst icons. These icons are white with a thin blue outline and are scattered across the page, primarily around the central text. There are 11 such icons in total, arranged in a roughly circular pattern around the text.

Allah is As Saadiq in this life and the next,
and He is Truthful to everyone.

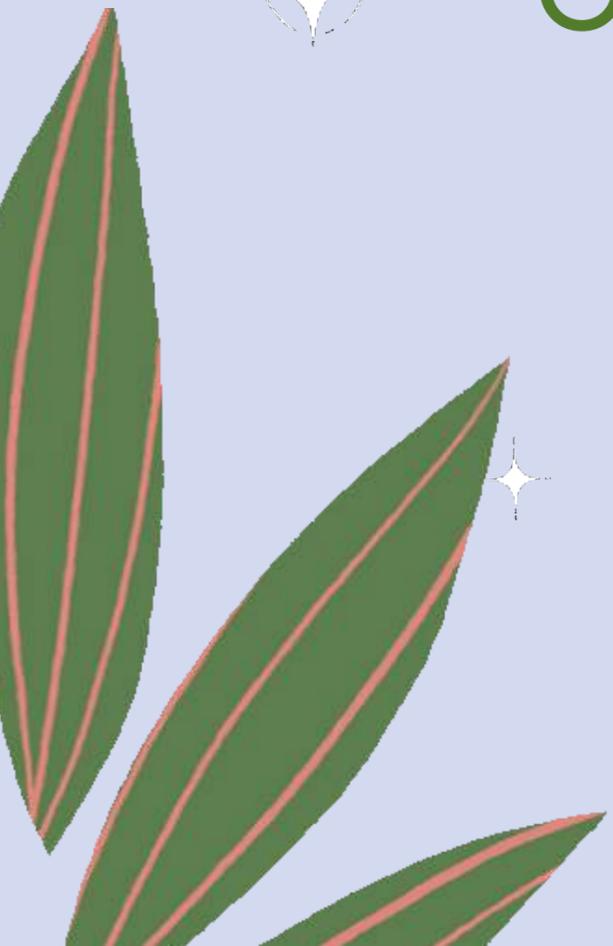

WHEN WE BELIEVE IN ALLAH
AS SAADIQ...
WHAT SHOULD WE DO?

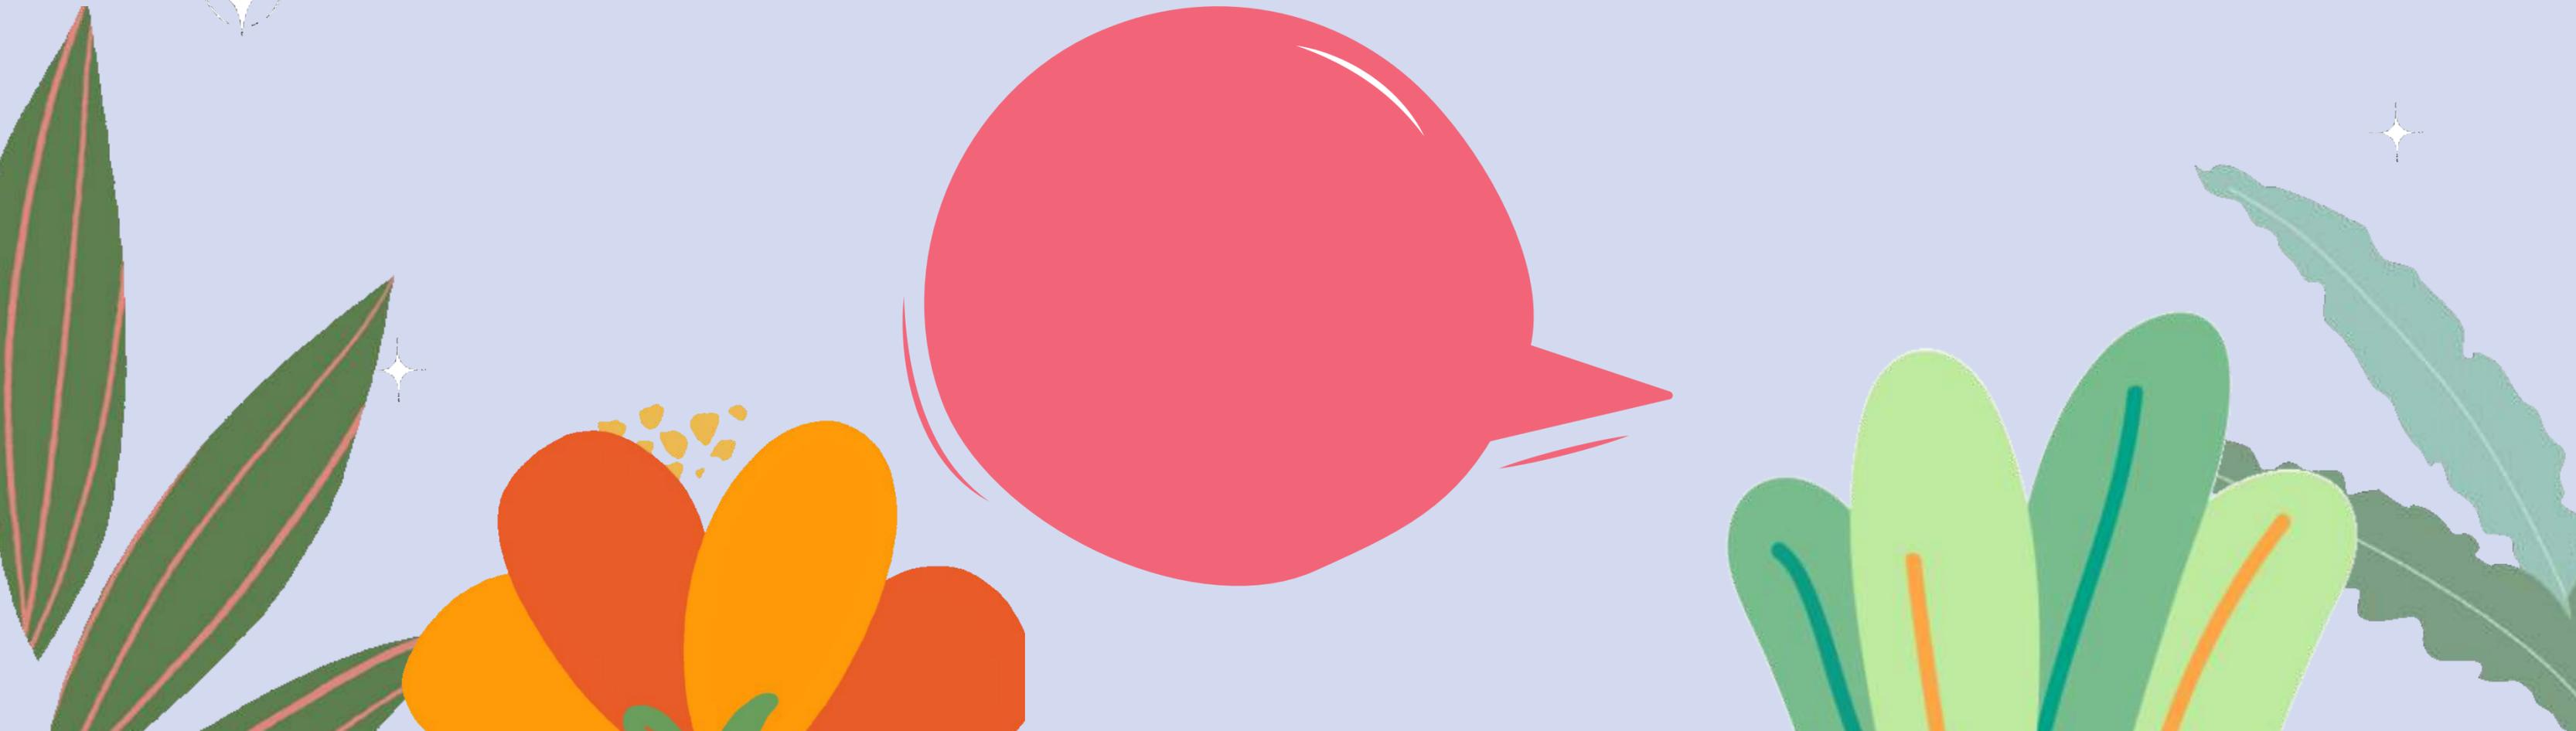

We should believe in the truthfulness
of Allah and not disbelieve in Him.

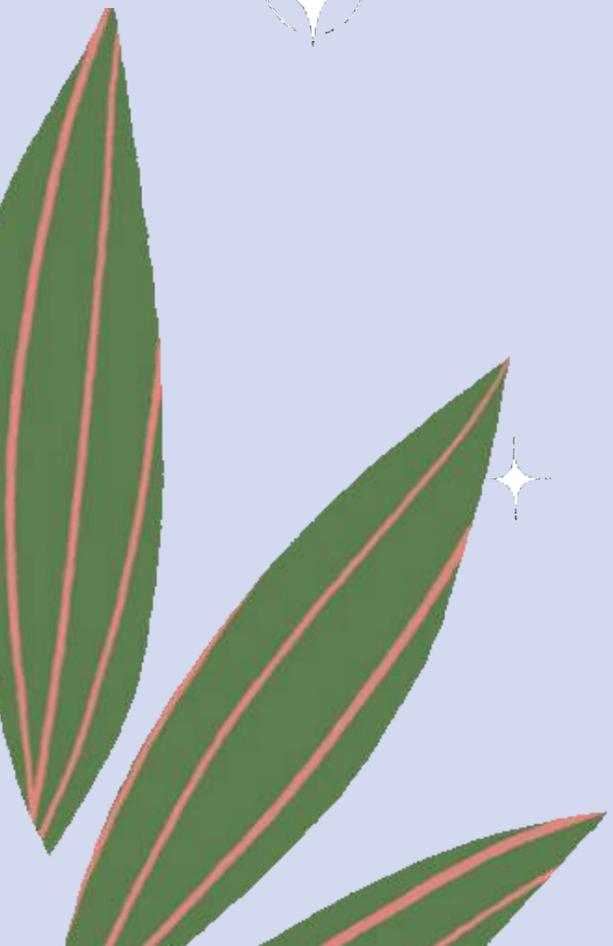

We should believe in the truthfulness
of the messengers and books.

We ask Allah to be from the truthful ones
and to always say the truth and not lie.

We want to say good words and Allah
will guide us to what is good.

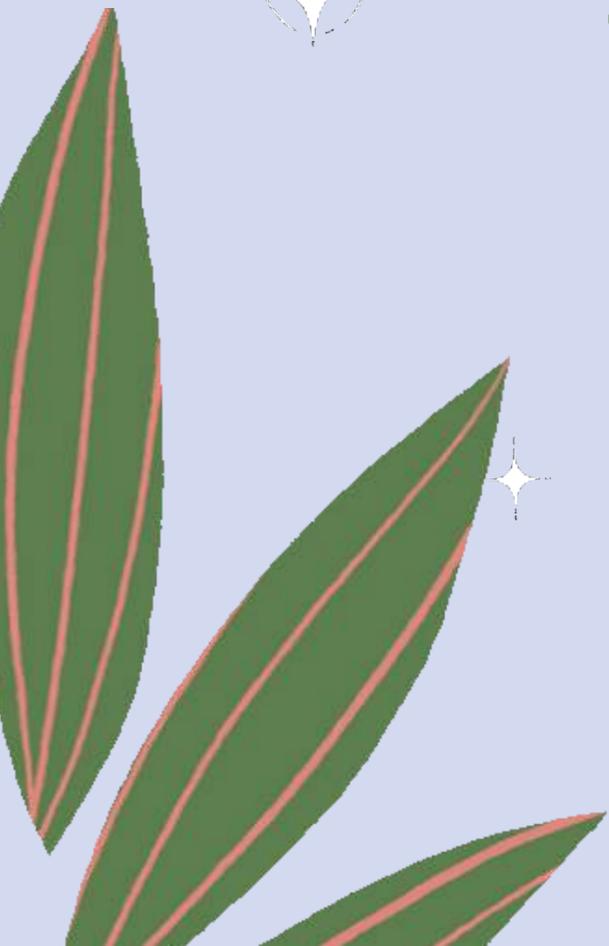

TRUTHFULNESS LEADS TO JENNAH

عَنِ النَّبِيِّ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ قَالَ " إِنْ الصُّدُقَ يَهْدِي إِلَى الْبِرِّ، وَإِنْ الْبِرَّ يَهْدِي إِلَى الْجَنَّةِ،
وَإِنْ الرَّجُلَ لَيُصَدِّقُ حَتَّى يَكُونَ صِدِّيقًا، وَإِنْ الْكُذِبَ يَهْدِي إِلَى الْفُجُورِ، وَإِنْ الْفُجُورَ يَهْدِي إِلَى
النَّارِ، وَإِنْ الرَّجُلَ لَيَكْذِبُ، حَتَّى يُكْتَبَ عِنْدَ اللَّهِ كَذَابًا

The Prophet (صلى الله عليه وسلم) said, "Truthfulness leads to righteousness, and righteousness leads to Paradise. And a man keeps on telling the truth until he becomes a truthful person. Falsehood leads to Al-Fajur (i.e. wickedness, evil-doing), and Al-Fajur (wickedness) leads to the (Hell) Fire, and a man may keep on telling lies till he is written before Allah, a liar

When we are truthful then Allah will open goodness for us. And the opposite is true, the one who lies will do so much bad and wickedness and this leads to the fire. We ask Allah for the well-being.

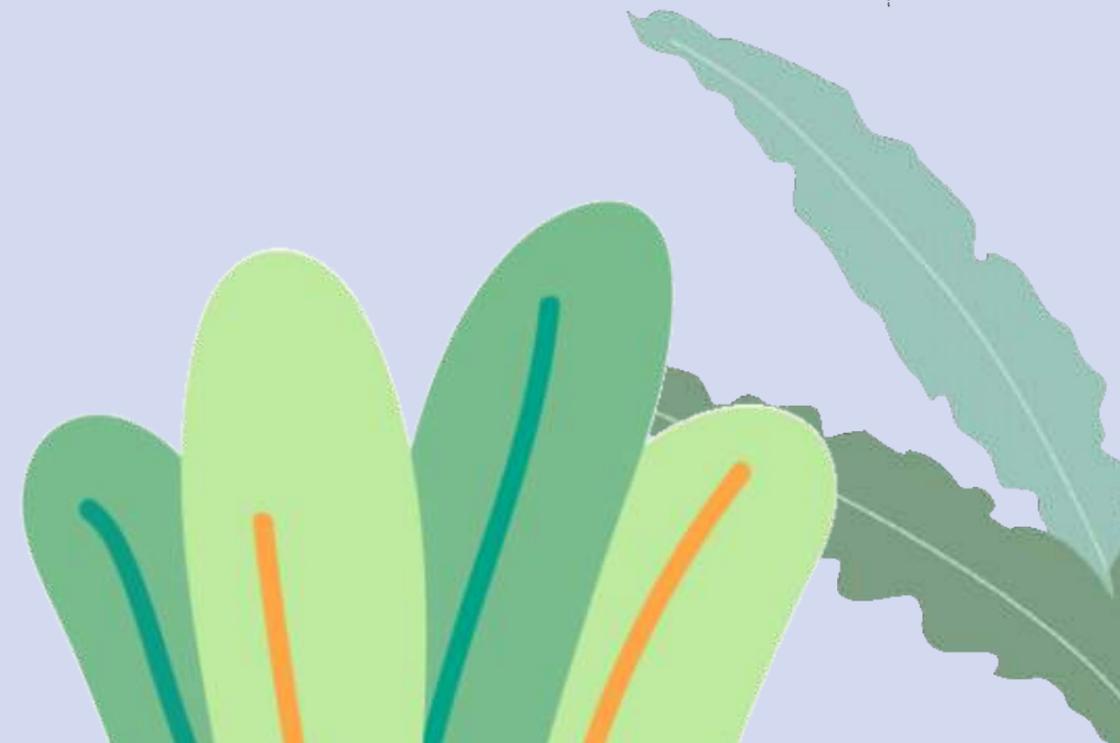

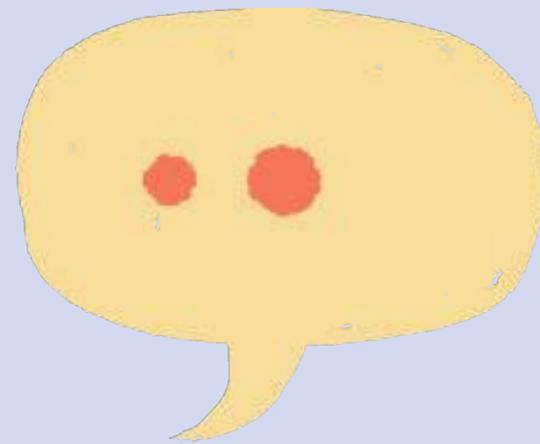

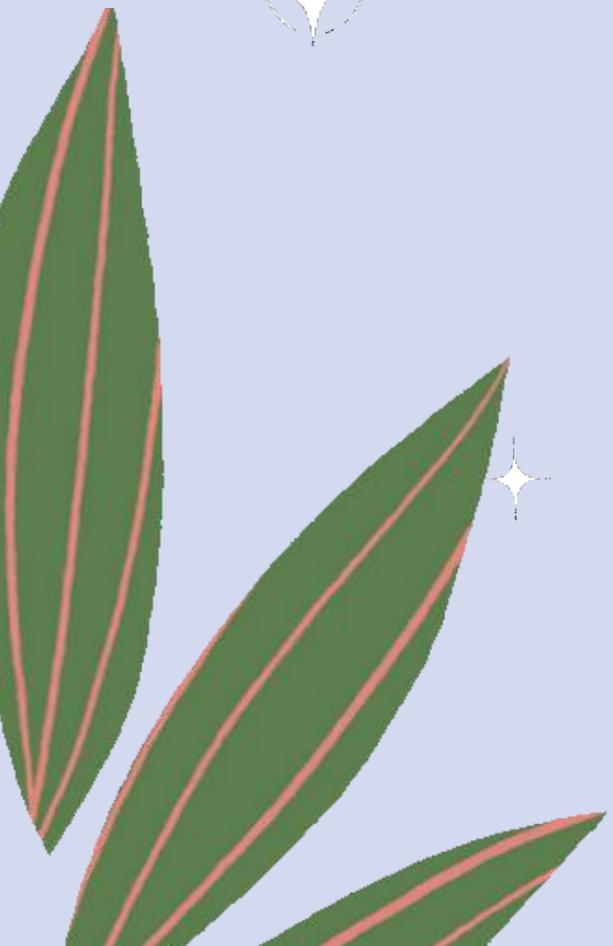

We want to be with the truthful ones who speak the truth.

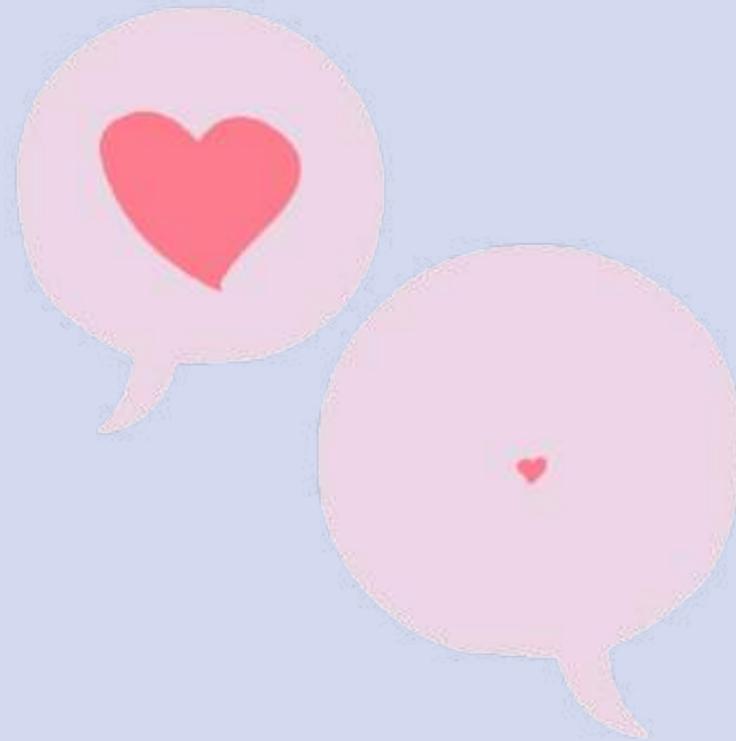

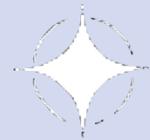

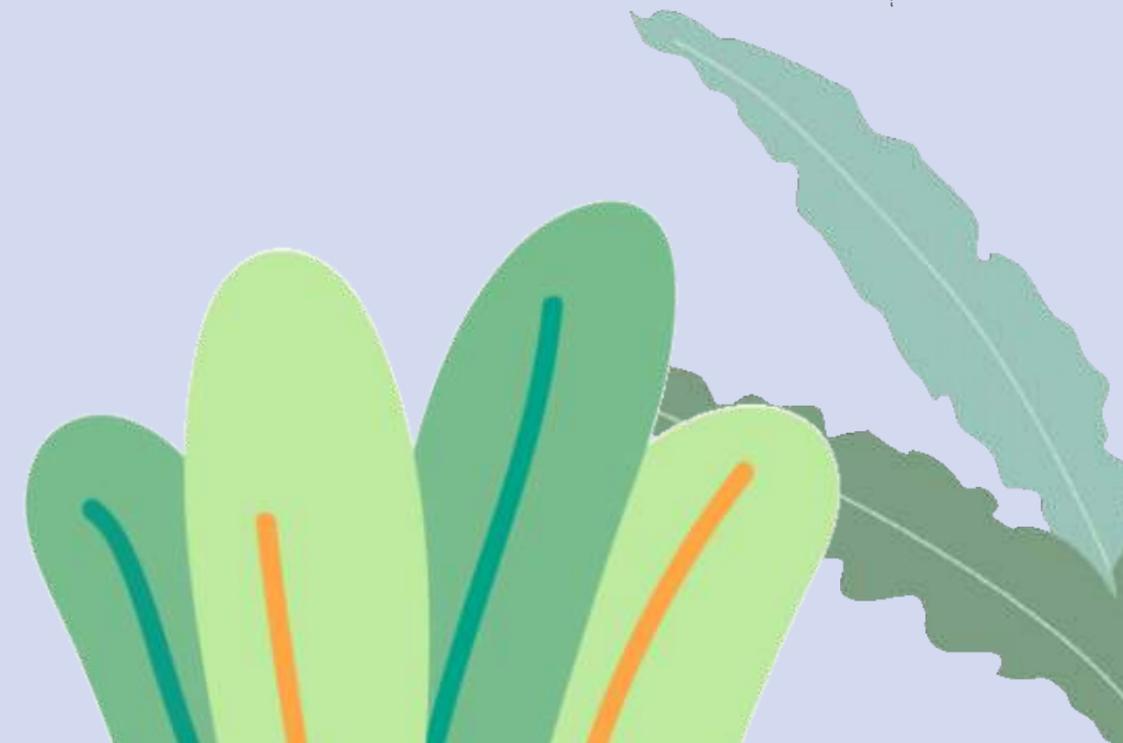

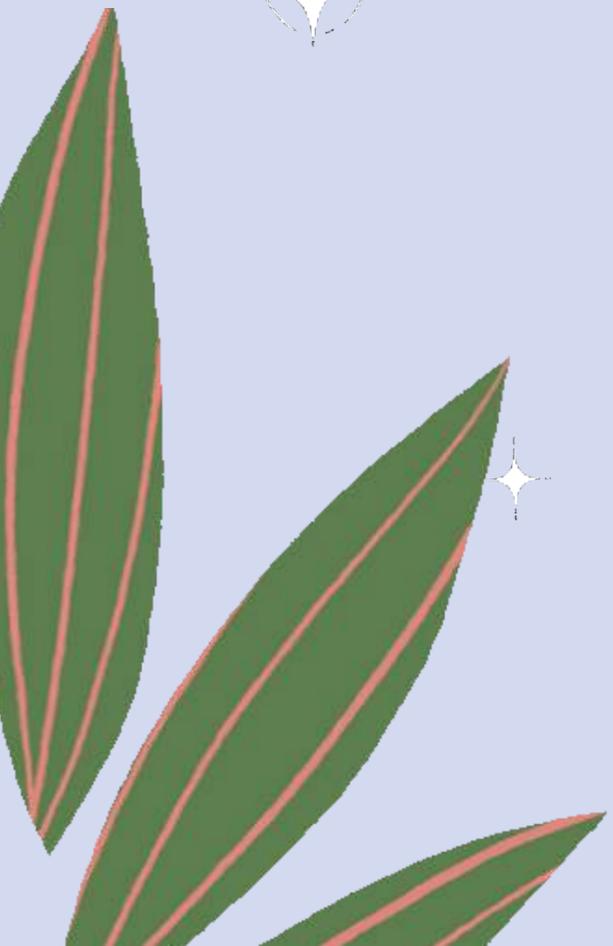

SURAH AT TAWBAH 119

وَكُونُوا مَعَ الصَّادِقِينَ

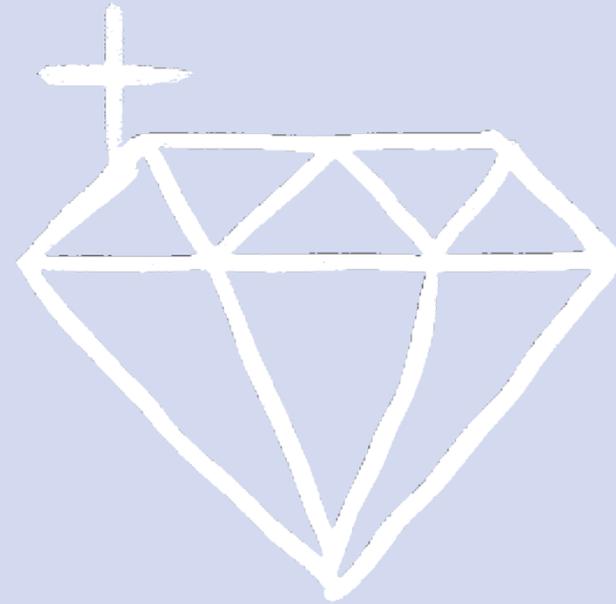

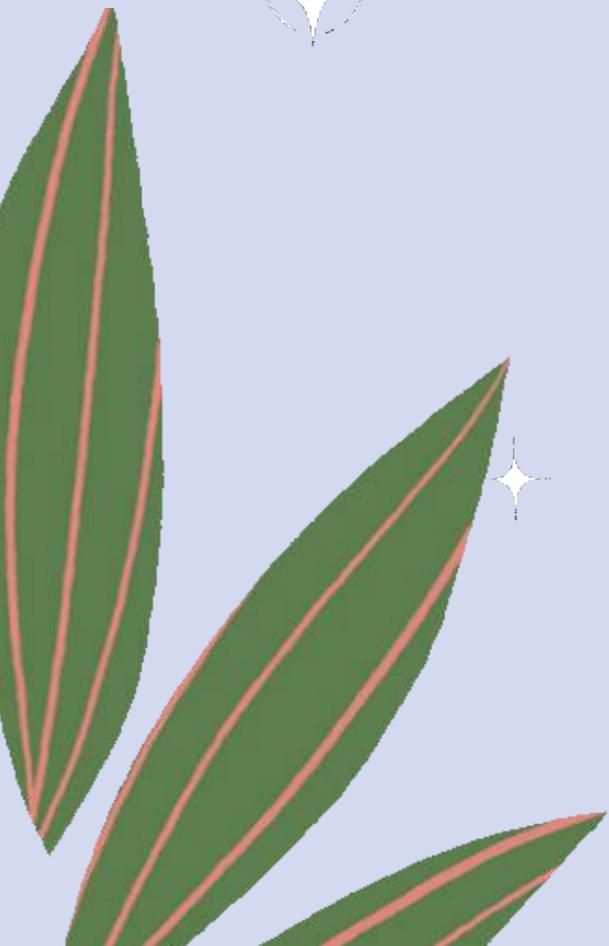

and be with those who are true

We should be with friends who are truthful who speak the truth and we should be truthful as well.

Those who believe in Allah and the messengers will be from the sidiqeen (ever-truthful ones) because they believe in their truthfulness and the truth. They will enter jannah with no account or torment.

May Allah As Saadiq make us
from the sidiqeen.

We love Allah
AS SAADIQ
