إِنَّ فِي خَلْقِ السَّمَوَاتِ وَالْأَرْضِ وَأَخْتِلَافِ اللَّيْلِ وَالنَّهَارِ لَآيَاتٍ

لِلَّذِينَ الْأَلْبَابِ ﴿١٩٠﴾

Indeed, in the creation of the heavens and the earth and the alteration of the night and the day are signs for those of understanding.

Surah Ale Jmran 189

Allah has sent down a multitude of ayaat (signs) that all proclaim His Oneness and Existence. We are surrounded by His signs in our everyday life.

These universal ayaat are more than just scientific facts or elements in nature. They are a way of connecting with Allah and increasing our faith by observing all the things He has created.

The vast expanse of land and the glorious skies that canopy the earth all point to the glory and might of our One True Creator - Allah.

It is time to renew our intention and embark on an adventure to explore Allah's universal signs!

Come dear friends
let us look around.

Let us increase our **FAITH**
by observing the signs
in the sky and on the ground.

ALLAH placed ayaat on the
earth for us to **reflect**,
So put on your thinking cap and
let us **inspect!**

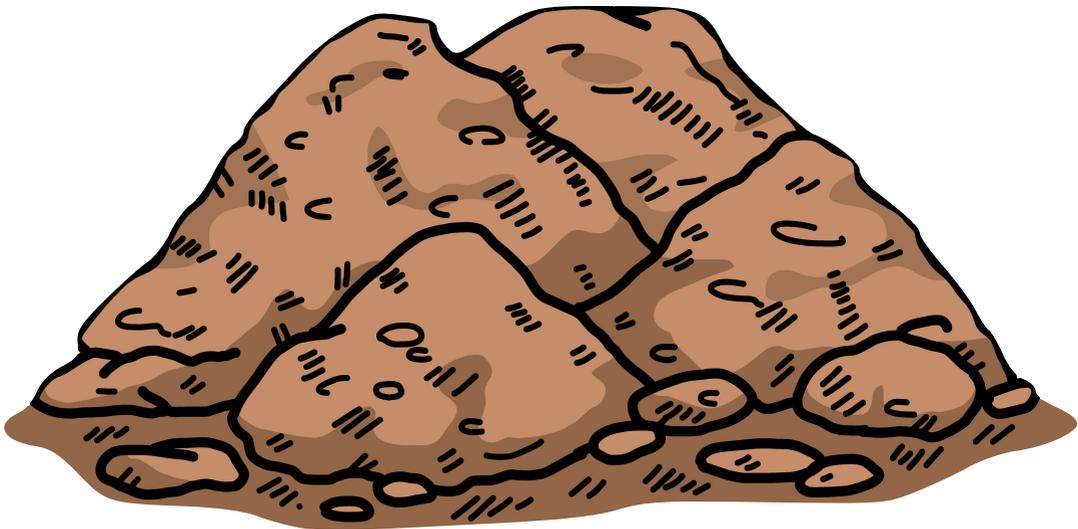

We live on **al ardh**,
so beautiful and round.

ALLAH created it for us,
He created all that can be
found.

Clay from the earth was used for
the creation of **Adam**.

The fact we are different **colours**
is anything but random!

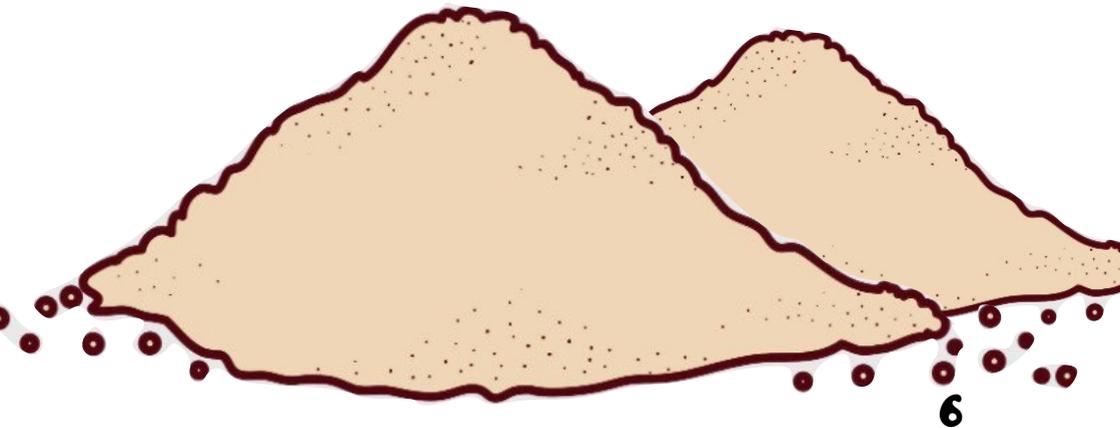

We are white, black and red.

Just like the colour of the **sand**
that is spread out on earth's vast
land.

The earth is **PURE** and it
purifies.

We can use the dust for tayamum,
we can **pray** in any place that
is clean
when the prayer time arrives.

We can **walk** on the earth and
sleep on it at night,

Only because **ALLAH** subjected the
earth to us and granted us the right.

ALLAH created the earth
vast and wide.

He spread out the **earth**
so it is easy for all the creatures
to reside.

The earth is beautified with many
adornments.

GREEN grass and **BLUE** rivers
cover the earth like elegant garments.

HUGE mountains stand firm and tall.

They keep the earth stable and
anchored
until the blowing of the **TRUMPET**
on the **Day of Judgement**,
that will end it all.

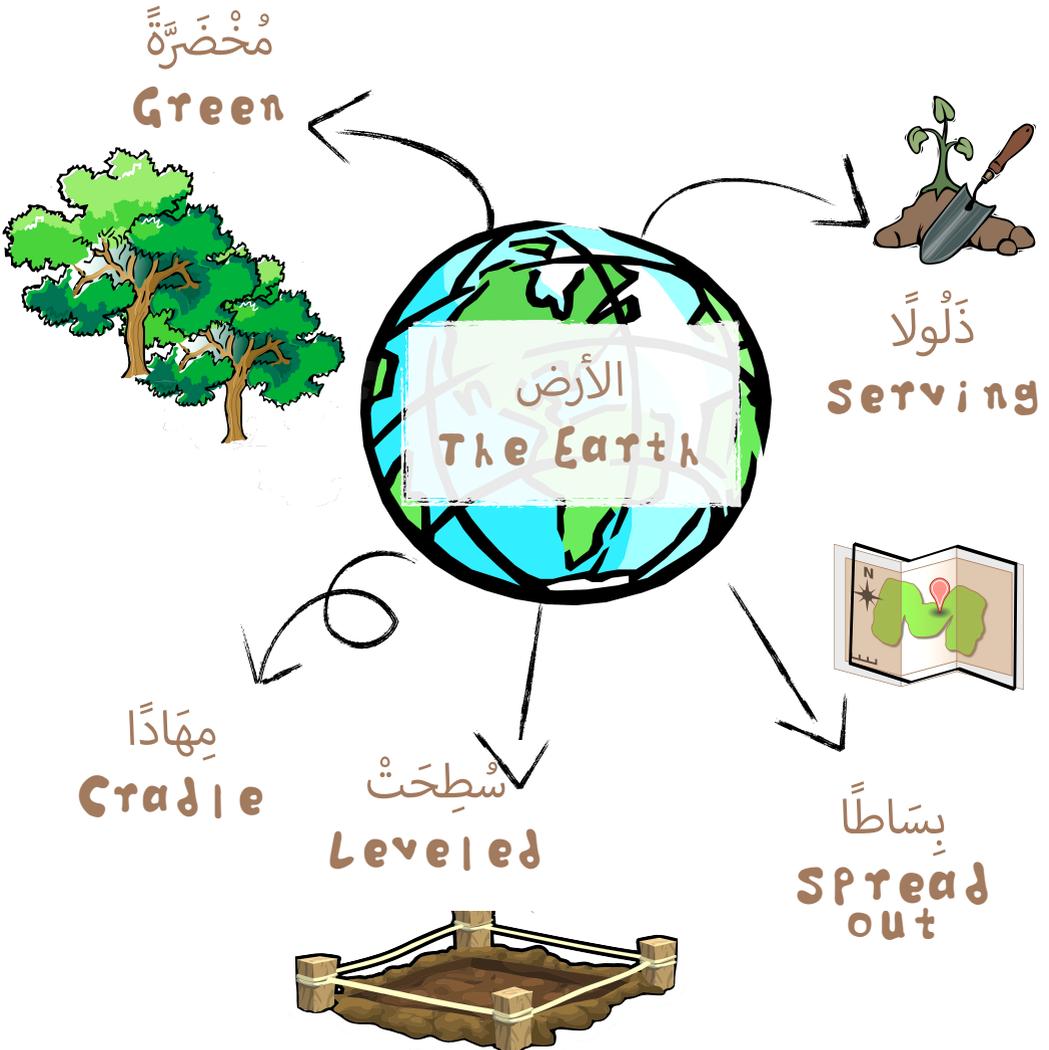

On the Day of Judgement,
the earth will **TREMBLE** and
QUAKE!

All that is hidden inside it will
come out when the earth
shakes.

The Earth in the Qur'an

Allah describes the earth in the Qur'an as:

The earth will not remain the same on the Day of Judgement. Allah informs us of some of the changes in the Qur'an.

دَكَا دَكَا

Ground to
Powder

زَلْزَالَهَا

Earth
quake

أَخْرَجَتْ أَثْقَالَهَا

Throw out its
burdens

Ayat about the Earth

الْمُتَرَاتِ اللَّهُ أَنْزَلَ مِنَ السَّمَاءِ مَاءً فَتُصْبِحُ الْأَرْضُ
مُخْضِرَةً ۗ إِنَّ اللَّهَ لَطِيفٌ خَبِيرٌ ﴿٦٣﴾

See you not that Allah sends down water (rain) from the sky, and then the earth becomes green? Verily, Allah is the Most Kind and Courteous, Well-Acquainted with all things.

Surah Al-Haj 63

وَاللَّهُ جَعَلَ لَكُمُ الْأَرْضَ بِسَاطًا ﴿١٩﴾

And Allah has made for you the earth wide spread (an expanse).

Surah Nuh 19

أَلَمْ نَجْعَلِ الْأَرْضَ مِهْدًا ﴿٦﴾

Have We not made the earth as a bed,

Surah An-Naba' 6

وَالِإِلَى الْأَرْضِ كَيْفَ سُطِحَتْ ﴿٢٠﴾

And at the earth, how it is spread out?

Surah Al-Ghashiyah 20

هُوَ الَّذِي جَعَلَ لَكُمْ الْأَرْضَ ذُلُولًا فَامْشُوا فِي مَنَاكِبِهَا وَكُلُوا مِنْ رِزْقِهِ
وَإِلَيْهِ النُّشُورُ ﴿١٥﴾

He it is, Who has made the earth subservient to you (i.e. easy for you to walk, to live and to do agriculture on it, etc.), so walk in the path thereof and eat of His provision, and to Him will be the Resurrection.

Surah Al-Mulk 15

كَلَّا إِذَا دُكَّتِ الْأَرْضُ دَكًّا دَكًّا ﴿٢١﴾

Nay! When the earth is ground to powder.

Surah Al-Fajr 21

إِذَا زُلْزِلَتِ الْأَرْضُ زِلْزَالَهَا ﴿١﴾

When the earth is shaken with its (final) earthquake.

Surah Az-Zalzalah 1

وَأَخْرَجَتِ الْأَرْضُ أَثْقَالَهَا ﴿٢﴾

And when the earth throws out its burdens,

Surah Az-Zalzalah 2

Reflections

When we read the verses from the Qur'an, we feel excited to observe the earth.

When you lie down in your bed think about how it is similar to the earth that Allah has created.

The next time you walk in the park, observe the green grass and trees around you.

When you walk outside, be grateful to Allah for allowing you to move without stumbling or feeling the earth rotate.

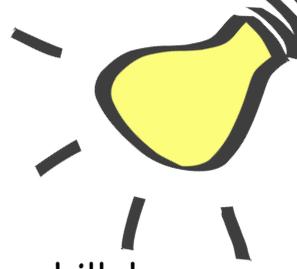

Keep your eyes wide open and focus on your surroundings because one day this will all change.

On the Day of Judgement, the earth will transform and be completely different.

This is the POWER of ALLAH and He is Able to do whatever He Wills.

Activity

It is time to test your observation skills!

Hold on tight to your thinking cap and solve the following:

Match the word with correct meaning

ذَلُّوا

سَطَحَتْ

مُخَضَّرَةٌ

دَكَا دَكَا

بَسَاطًا

مِهَادًا

أَخْرَجَتْ أَثْقَالَهَا

زَلَزَلَهَا

الْأَرْضَ

Throw out its burdens

Spread out

Cradle

Earthquake

Green

The Earth

Ground to powder

Leveled

Serving

This book is part of the *Taffakur* series that encourages the young reader to reflect on Allah's universal *ayaat* (*signs*) in order to strengthen their faith and connection with Allah.

This book has been published by Al Salam Islamic Centre, a private, non-profit centre that is committed to spreading Islamic values and developing religious awareness.
