Recite in the Name of your Lord

SURAH AL FEEL

Enmity and hatred
No matter how great it may be
There must be an end
And no doubt the truth must appear
And draw attention
Risks threaten lands and corners
People fear for themselves and their
belongings
Fear and panic prevail
Everyone is staring at the sky
Waiting for relief and salvation

Recite in the Name of your Lord

اقرأ باسم ربك

SURAH AL FEEL

The Lord of the slaves
Will show them His signs
His ability and mercy
Which never cross the mind

SURAH AL FEEL

(أَلَمْ تَرَ كَيْفَ فَعَلَ رَبُّكَ بِأَصْحَابِ الْفِيلِ)

Have you not considered, [O Muhammad ﷺ],
how your Lord dealt with the companions of the elephant?

O Mohammed ﷺ, have you seen
with your eyes and the eyes of your heart
The ability of Allah and His great might
His mercy to His slaves and signs of His Oneness
There's a reason and goal for everything
But have you seen what your Lord has done
Your Lord Who nurtured you with
information and blessings

SURAH AL FEEL

What happened to the companions of the elephant?
Who plotted against the Sacred House of Allah
And prepared to demolish it
No one can stand in front of it
They entrusted their matter
to the Lord of the House
And as for falsehood
They will demolish anything that leads
to the truth and shows oneness
But do not fear or despair
Allah will show the truth and defend it

SURAH AL FEEL

(ألم يجعل كيدهم في تضليل)

Did He not make their plan into misguidance?

Whoever wanted evil for the House of Allah
Or wanted to blot out the truth and its people
Know their plot will go astray
It will go to waste
Because Allah honors His House,
believers and religion

Recite in the Name of your Lord

SURAH AL FEEL

(وَأَرْسَلَ عَلَيْهِمْ طَيْرًا أَبَابِيلَ)

And He sent against them birds in flocks,

No matter how powerful falsehood may be

No matter how much it raises its voice

and becomes louder

Truth will always prevail and defeat

Allah supports the truth with the smallest matters

To push away great matters

But do not grief or fear

Be with Allah and be honored to follow His religion

He will defend and honor you

You will see His signs and it will increase you

in gratitude to Him

SURAH AL FEEL

(ترميهم بحجارة من سجيل)

Striking them with stones of hard clay,

Every falsehood is cast out with the voice of truth

Every association is cast out with tawheed

Every disbelief is cast out with faith

Every innovation is cast out with the sunnah

Every disobeyed is cast out with obedience

The truth is victorious

And evil and falsehood are repelled

Recite in the Name of your Lord

اقْرَأْ بِاسْمِ رَبِّكَ

SURAH AL FEEL

(فَجَعَلَهُمْ كَعَصْفٍ مَأْكُولٍ)

And He made them like eaten straw.

No matter how elevated falsehood may appear

No matter how much it plots and plans

Truth will always win

And its people

The impacts of Allah's ability and Oneness appear

So the people may be united

And there affinity with one another

I am pleased with Allah as my Lord
