SURAH AN NASR

In life

After clarity and proclaiming freedom
A person goes through trials and battles
Days and nights pass
A person wants to reach a good end
He wants victory
He wants openings
But all of this is in the Hands of Allah
And the Will of Allah
What is victory and opening?

Recite in the Name of your Lord

اقرأ باسم ربك

SURAH AN NASR

(إذا جاء نصر الله و الفتح)

When the victory of Allah has come and the conquest,

By the permission of Allah,
victory and opening will come

Victory is to be supported for what is being sought

Opening is to attain what is sought

No doubt there must be preparation

With faith and thinking good of Allah

Recite in the Name of your Lord

اقرأ باسم ربك

SURAH AN NASR

Victory is not for people
Or by means
It is the Victory of Allah
Victory is by His permission and to exalt
His Word
To give victory to His religion
By displaying its symbols
To give victory to His Messenger (ﷺ)
By following his sunnah

Recite in the Name of your Lord

اقرأ باسم ربك

SURAH AN NASR

(ورأيت الناس يدخلون في دين الله أفواجا)

And you see the people entering into the religion of Allah in
multitudes,

The ultimate goal of victory and opening
Is entry of the people to the religion of Allah
Victory is to struggle against the self that
commands to evil

Victory is to overcome the devil and his whispers

Victory is to defeat desires and doubts

Then there will be opening

Hearts will open to faith

Limbs will open to actions

Doors of goodness will open

And doors of evil will close

Recite in the Name of your Lord

SURAH AN NASR

A person will be a key for good
And a lock for evil
Shirk perishes and disbelief
is brought down
It will be cleansed of idols and deities
And the perfection and
beauty of Allah emerges
Worships and attachments appear
For Allah is worthy
of all love and magnification

Recite in the Name of your Lord

SURAH AN NASR

(فسبح بحمد ربك)

Then exalt [Him] with praise of your Lord

This victory is the Victory of Allah

It is the religion of Allah

So Allah commands His messenger to glorify Him

Negate from Him every shortcoming and fault

Negate from Him that someone else is worthy

He commands him to glorify and praise Him

To affirm all praises to Him alone

Who brought victory and opening

And eased and activated the means

His promise is true

Recite in the Name of your Lord

اقْرَأْ بِاسْمِ رَبِّكَ

SURAH AN NASR

O slave of Allah
Admit to your imperfection
in front of the greatness of Allah
Be humble and surrender

Recite in the Name of your Lord

اقرأ باسم ربك

SURAH AN NASR

(واستغفره)
and ask forgiveness of Him

Allah's favors of victory and opening are great
Allah commands His messenger to seek forgiveness
As gratitude to Allah
O slave of Allah
After victory, whispers and sicknesses begin
Deception and revenge
So seek forgiveness to remove these effects
Our deeds are imperfect
while Allah is greater and grander
The favor of Allah is great
So seek His forgiveness as gratitude
for His blessings and support

Recite in the Name of your Lord

اقْرَأْ بِاسْمِ رَبِّكَ

SURAH AN NASR

(إِنَّهٗ كَانَ تَوَّابًا)

Indeed, He is ever Accepting of repentance.

Allah At Tawwaab (The Initiator and Acceptor of
Repentance)

He brings people back to Him

Back to tawheed and faith

He brings people back with victory and opening

He accepts the repentance of the slaves

And rejoices for their repentance

Recite in the Name of your Lord

اقْرَأْ بِاسْمِ رَبِّكَ

SURAH AN NASR

So rejoice with the greatest victory
And greatest opening
To know that Allah is At Tawwaab
This is true victory
Rejoice with the favor of Allah
And the return to Allah
This is gratitude
This is a good end
This is a farewell

Recite in the Name of your Lord

SURAH AN NASR

Accept the repentance of the repentant
And the truthful return of the sinners
Say as our Prophet Mohammed (ﷺ) said
There is no blame on you today,
may Allah forgive you
Go, you are free
O Allah grant us a good end
in all our affairs
