Recite in the Name of your Lord

اقرأ باسم ربك

SURAH ASH SHAMS

In this universe
We witness incidents and scenes
Heavenly bodies and opposites
O self
Do you feel this change
How can you benefit?
What's your role?
When will your sun rise
And your soul ascends

Recite in the Name of your Lord

اقرأ باسم ربك

SURAH ASH SHAMS

Surah Ash Shams

وَالشَّمْسِ وَضُحَاهَا

By the sun and its brightness

O self

Allah swears by celestial bodies and great scenes

Many oaths

For our purification and balance

Great and clear signs

The sun and its bright light

The moon and its gentle light that
overwhelms us with its beauty

The day as clear as the sun for activity

The night that conceals the creation and veils the lights

Recite in the Name of your Lord

اقْرَأْ بِاسْمِ رَبِّكَ

SURAH ASH SHAMS

Surah Ash Shams

وَالشَّمْسِ وَضُحَاهَا

By the sun and its brightness

The sky, solid and elaborate

The earth prepared for residing and settlement

The self, hidden and delicate

Understands without being taught

To do good

And stay away from evil

Recite in the Name of your Lord

اقْرَأْ بِاسْمِ رَبِّكَ

SURAH ASH SHAMS

قَدْ أَفْلَحَ مَنْ زَكَّاهَا

He has succeeded who purifies it,

وَقَدْ خَابَ مَنْ دَسَّاهَا

And he has failed who instills it [with corruption].

O self

Great and clear oaths

Self, inspired and prepared

Do you not want success

To believe in these signs

Whom your Lord sent to purify and elevate you

Cleanse yourself from impurities

Beautify yourself with virtues

Beware of corrupting and concealing disobedience and denial

The matter is clear and the truth is known

Recite in the Name of your Lord

اقْرَأْ بِاسْمِ رَبِّكَ

SURAH ASH SHAMS

كَذَّبَتْ ثَمُودُ بِطَغْوَاهَا

**Thamud denied [their prophet] by reason of their transgression,
O self**

Look at the lessons and reflect

Look at what happened to Thamud

Belying what is clear

Exceeding boundaries

Increasing in transgression and misery

Do they not respect and magnify

What Allah has sent

Great signs of Allah

To take heed of and benefit

Whoever underestimates the signs

The punishment is fair

All equal in sin

Recite in the Name of your Lord

اقْرَأْ بِاسْمِ رَبِّكَ

SURAH ASH SHAMS

وَلَا يَخَافُ عُقْبَاهَا

And He does not fear the consequence thereof.
