### LIVE WITH THE PROPHET'S WAY

16 JANUARY 2023 | 23 JAMAD AL AKHIR 1444 | CLASS #23

## INTRODUCTION

- The life of the Prophet (ﷺ) is reforming for all of us, regardless of who we may be, married or unmarried, young or old.

## LIVE WITH THE PROPHET (ﷺ)

### THE PROPHET'S GRANDFATHER ABDUL MUTALIB PASSES AWAY

- The grandfather of the Prophet (ﷺ) took care of him and did not spoil him by leaving him with no work. He assigned him different tasks to build his character.

- His grandfather sent him once to care for the camels around the Ka'aba, and once the Prophet (ﷺ) got lost and no one could find him.
- Abdul Mutalib worried a great amount since he loved his grandson. And not only was his grandfather searching for him, but all the pilgrims at the Ka'aba were searching for him as well. And this itself indicates how the Prophet (ﷺ) is someone who will later be followed.
- The grandfather invoked Allah (سبحانه وتعالى) to bring back the Prophet (ﷺ) and then they saw him returning with a camel.
- And sometimes things get lost just to show the value of that person and to activate the feelings from others.

- When Abdul Mutalib saw him, he received him, hugged him, was crying and expressed his feelings towards him. He said, "I was so scared for you and never was there I moment I felt as sad when you were lost."
- After this he said, "by Allah, I will never send you for anything and you will never leave me. You will always accompany me."
- Abdul Mutalib was known for his great position but this incident was all to express what was inside him. Sometimes things happen just to express what we have inside us.
- Abdul Mutalib used to have a gathering everyday and there was a mat that only he would sit on and no one else, but he only allowed his grandson, the Prophet (ﷺ), to sit together with him on the mat.

- People used to say, “do not sit, you are an orphan, it will be an evil omen.” And this is out of their ignorance that someone who does not have a father is an evil omen, though this is shirk.
- Abdul Mutalib showed a great amount of feelings towards the Prophet (ﷺ) and this filled the gap of losing a mother. But then after two years, Abdul Mutalib passed away.
- Abdul Mutalib was someone who had a great position in society and his loss affected all of Makkah. So everyone was crying and affected, but no one cared for the feelings of the Prophet Mohammed (ﷺ) for having lost his grandfather.
- The Prophet Mohammed (ﷺ) was crying for his grandfather and Um Aiman described his

crying. She said, “I saw him behind the deathbed of Abdul Mutalib while no one was looking at him, and he was crying for his grandfather.”

- And this shows Allah (سبحانه وتعالى) will always assign someone who can appreciate our feelings. She saw him, hugged him and accommodated him.
- And now the Prophet (ﷺ) had to move to another home. And before Abdul Mutalib passed away, he made a wassiyah (bequest) of who will take care of the Prophet (ﷺ) so that none of his sons would fight over him. He assigned his son, Abu Talib, the uncle of the Prophet (ﷺ) to take care of him. What was the privilege of Abu Talib which the other sons do not have? Next class in sha'a Allah.

O ALLAH, SEND SALAH UPON MUHAMMAD AND UPON THE FAMILY OF MUHAMMAD, AS YOU SENT SALAH UPON IBRAHIM AND UPON THE FAMILY OF IBRAHIM, AND SEND BLESSINGS UPON MUHAMMAD AND UPON THE FAMILY OF MUHAMMAD AS YOU SENT BLESSINGS UPON IBRAHIM AND THE FAMILY OF IBRAHIM. YOU ARE INDEED WORTHY OF PRAISE, FULL OF MAJESTY.
